# Mercedes-Benz

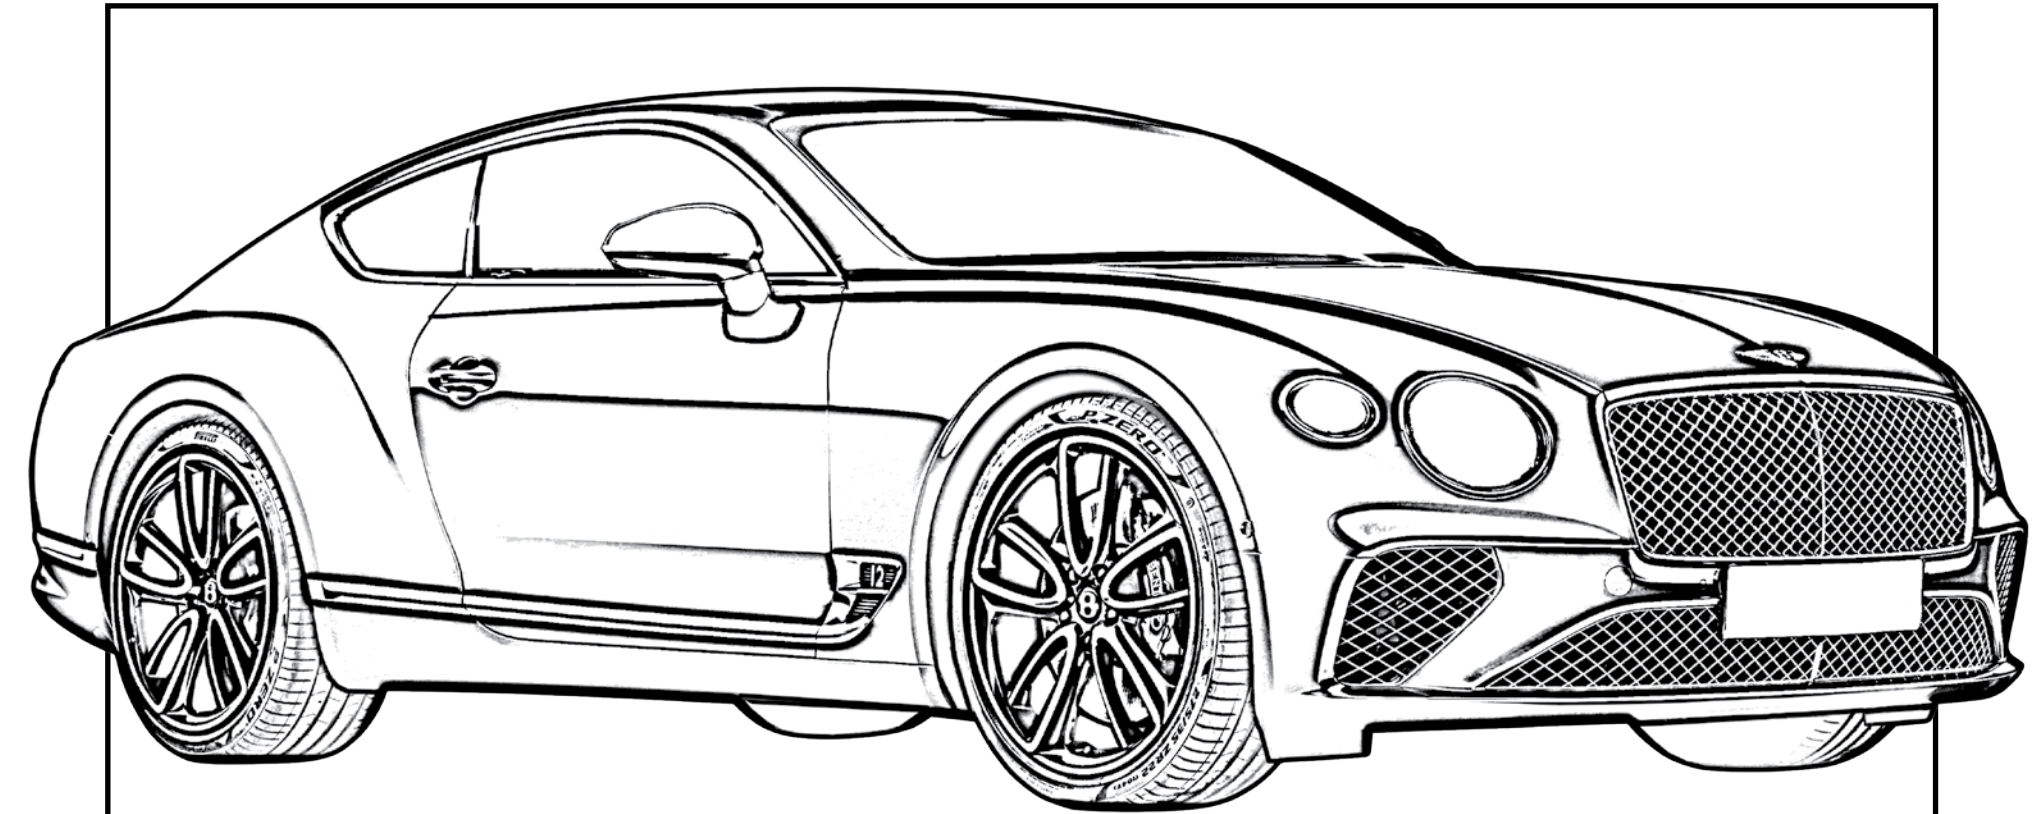

## FUN FACTS: MERCEDES-BENZ GLB

- Has 64-color LED ambient lighting feature to turn the inside of your car pink, blue, or purple
- Comes in Denim Blue Metallic, which looks like Cowboys blue
- Features a 3rd row and 4 engine options

*Park Place*

# BENTLEY

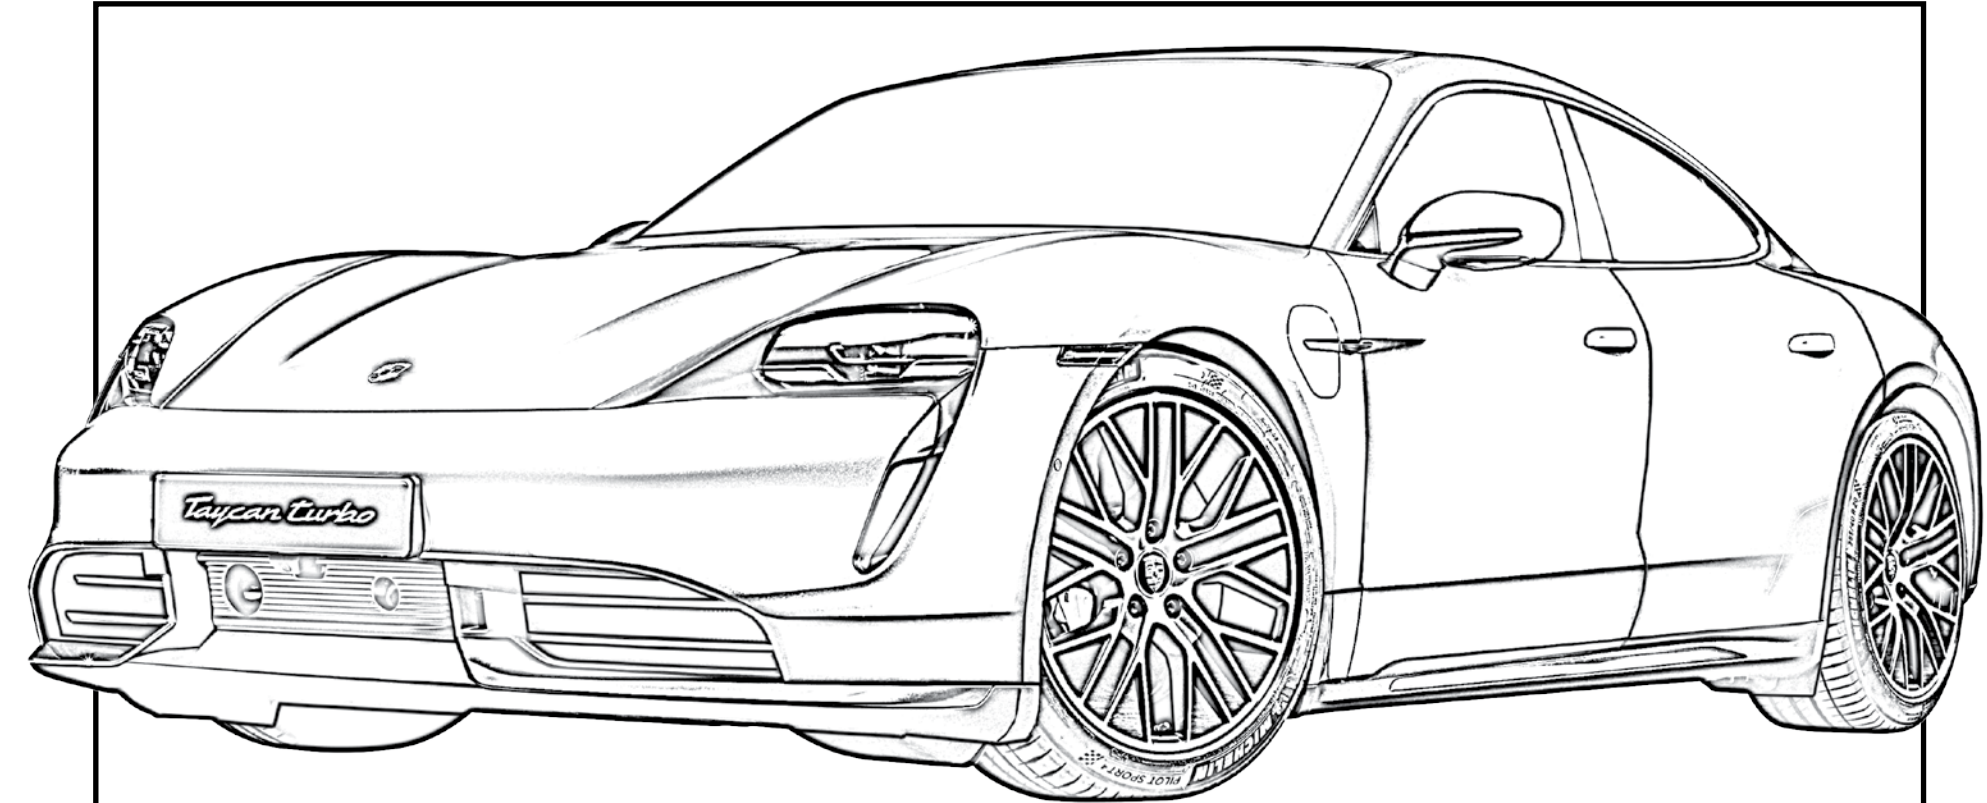

*Park Place*

## FUN FACTS: BENTLEY CONTINENTAL GT

- Bentley is headquartered in Crewe, Cheshire (England)
- Goes 0-60 mph in 3.3 seconds and has a top speed of 204.4 mph
- It takes an average of 110 hours to build with 537 employees helping

# PORSCHE

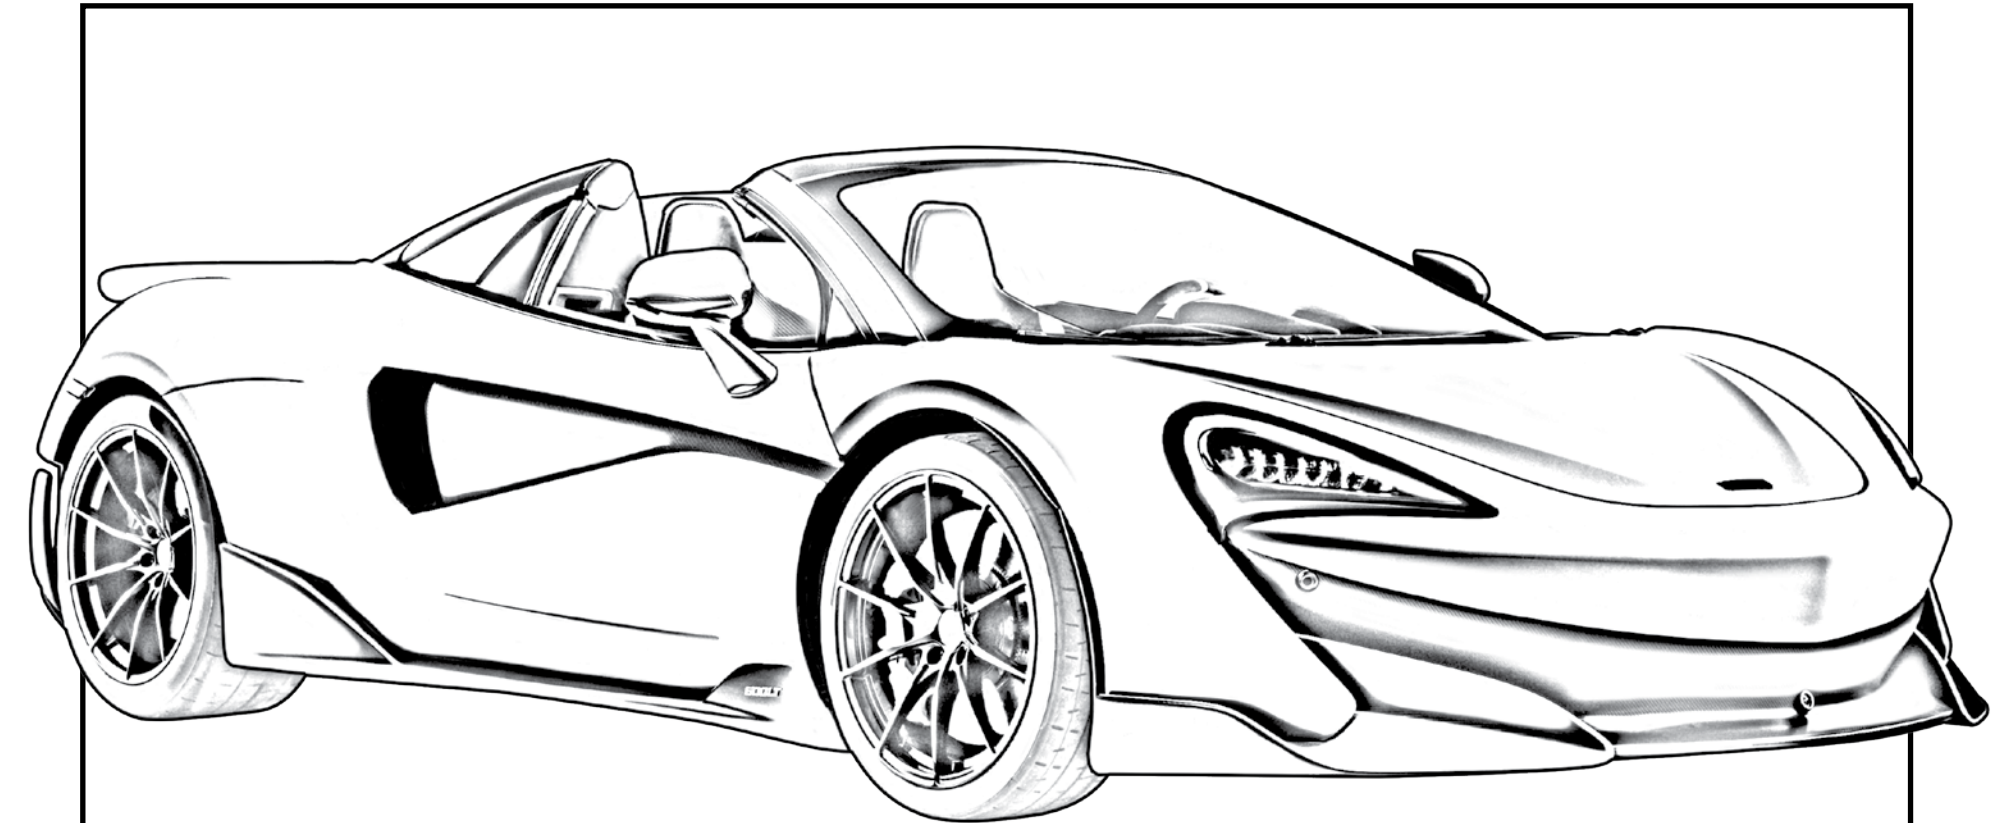

# Park Place

## FUN FACTS: PORSCHE TAYCAN

- Porsche's FIRST-EVER all-electric vehicle
- Goes 0-60 mph in 3 seconds
- Manufactured in Stuttgart, Germany

# McLaren

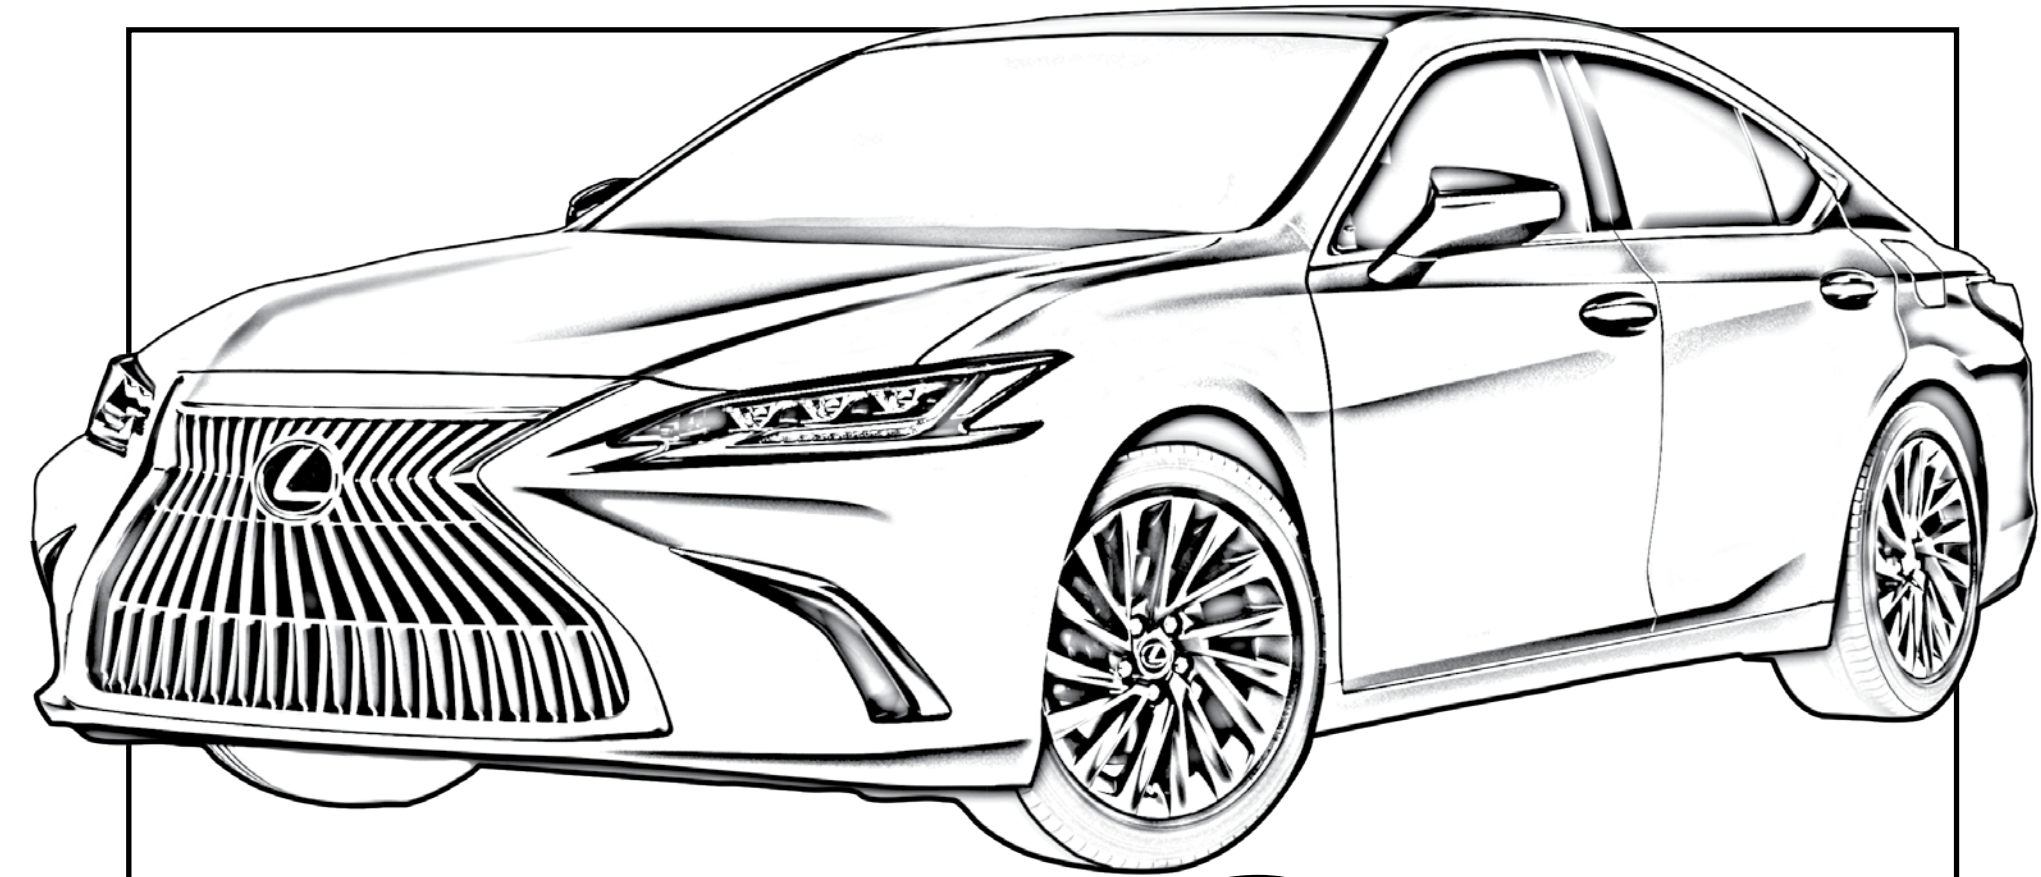

## Park Place

### FUN FACTS: McLAREN 600LT

- Goes 0-60 mph in 2 seconds
- Has a starting price of \$259,000
- Has 592 horsepower. Horsepower references the power the car engine produces!

# LEXUS

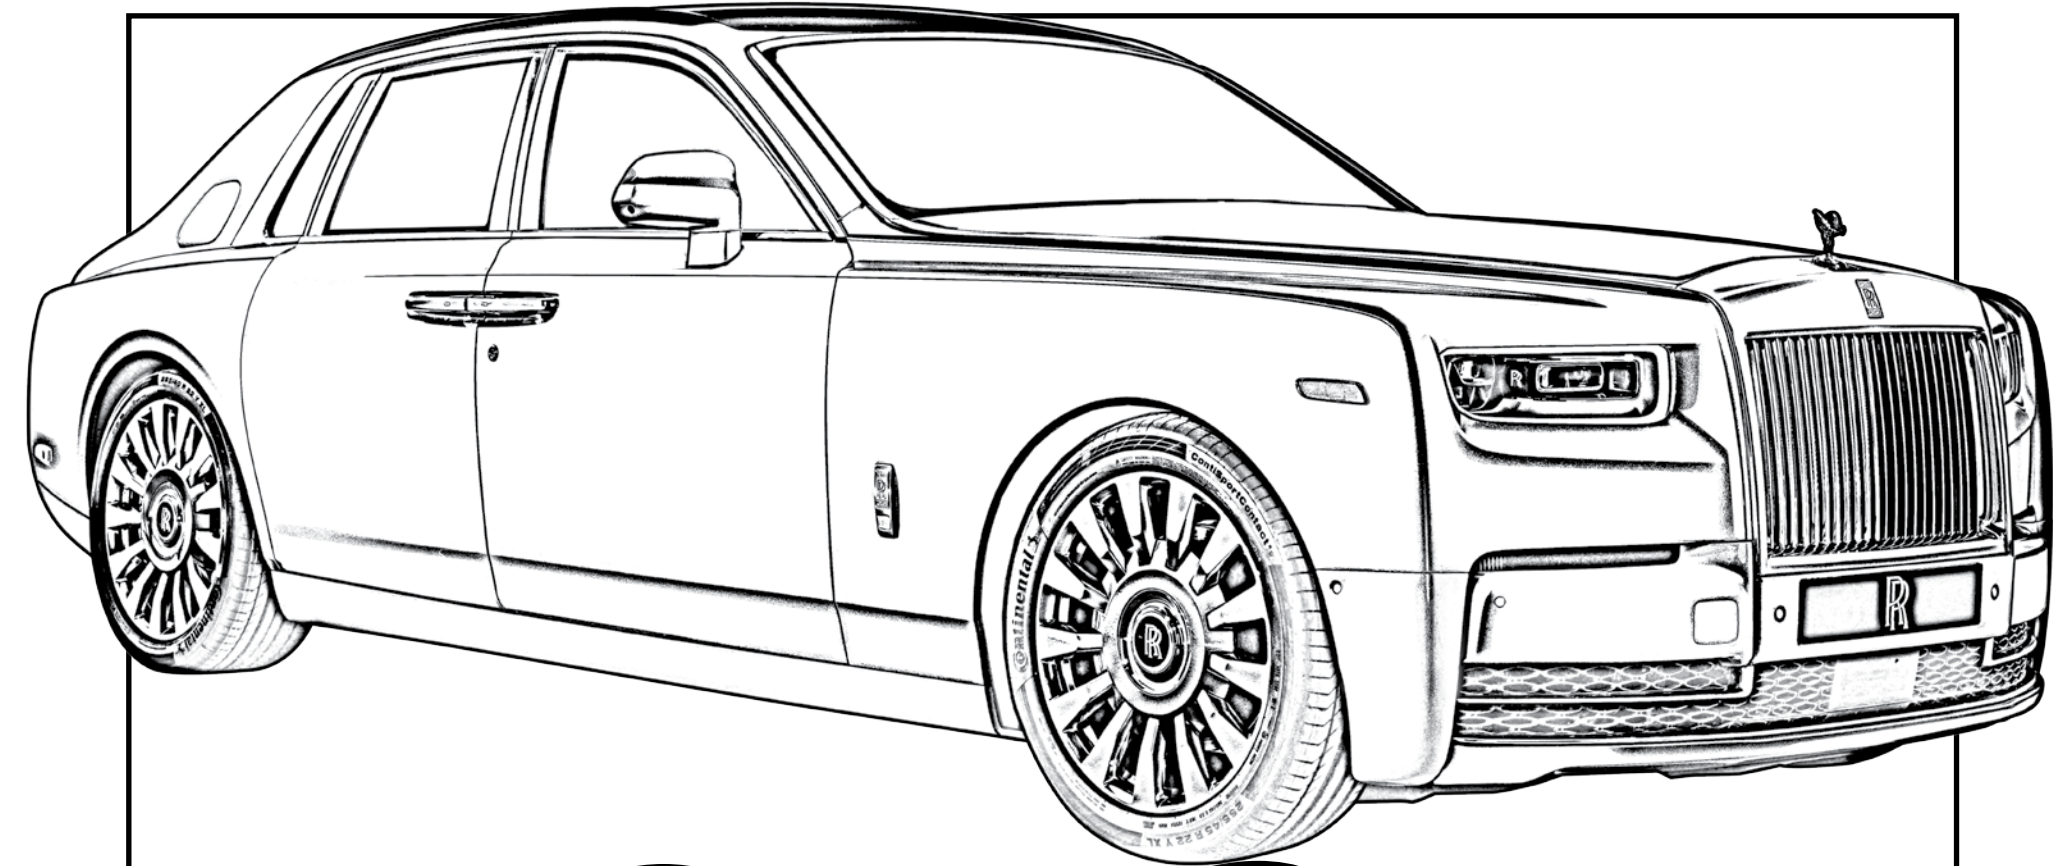

## Park Place

### FUN FACTS: LEXUS ES

- Made by craftsmen called “Takumi,” who have over 60,000 hours of experience (that’s over 30+ years of learning to become an expert)
- Comes in really unique colors, like Matador Red Mica, Eminent White Pearl, Moonbeam Beige Metallic, and Ultrasonic Blue Mica 2.0
- Goes 0-60 mph in 6.6 seconds

# ROLLS-ROYCE

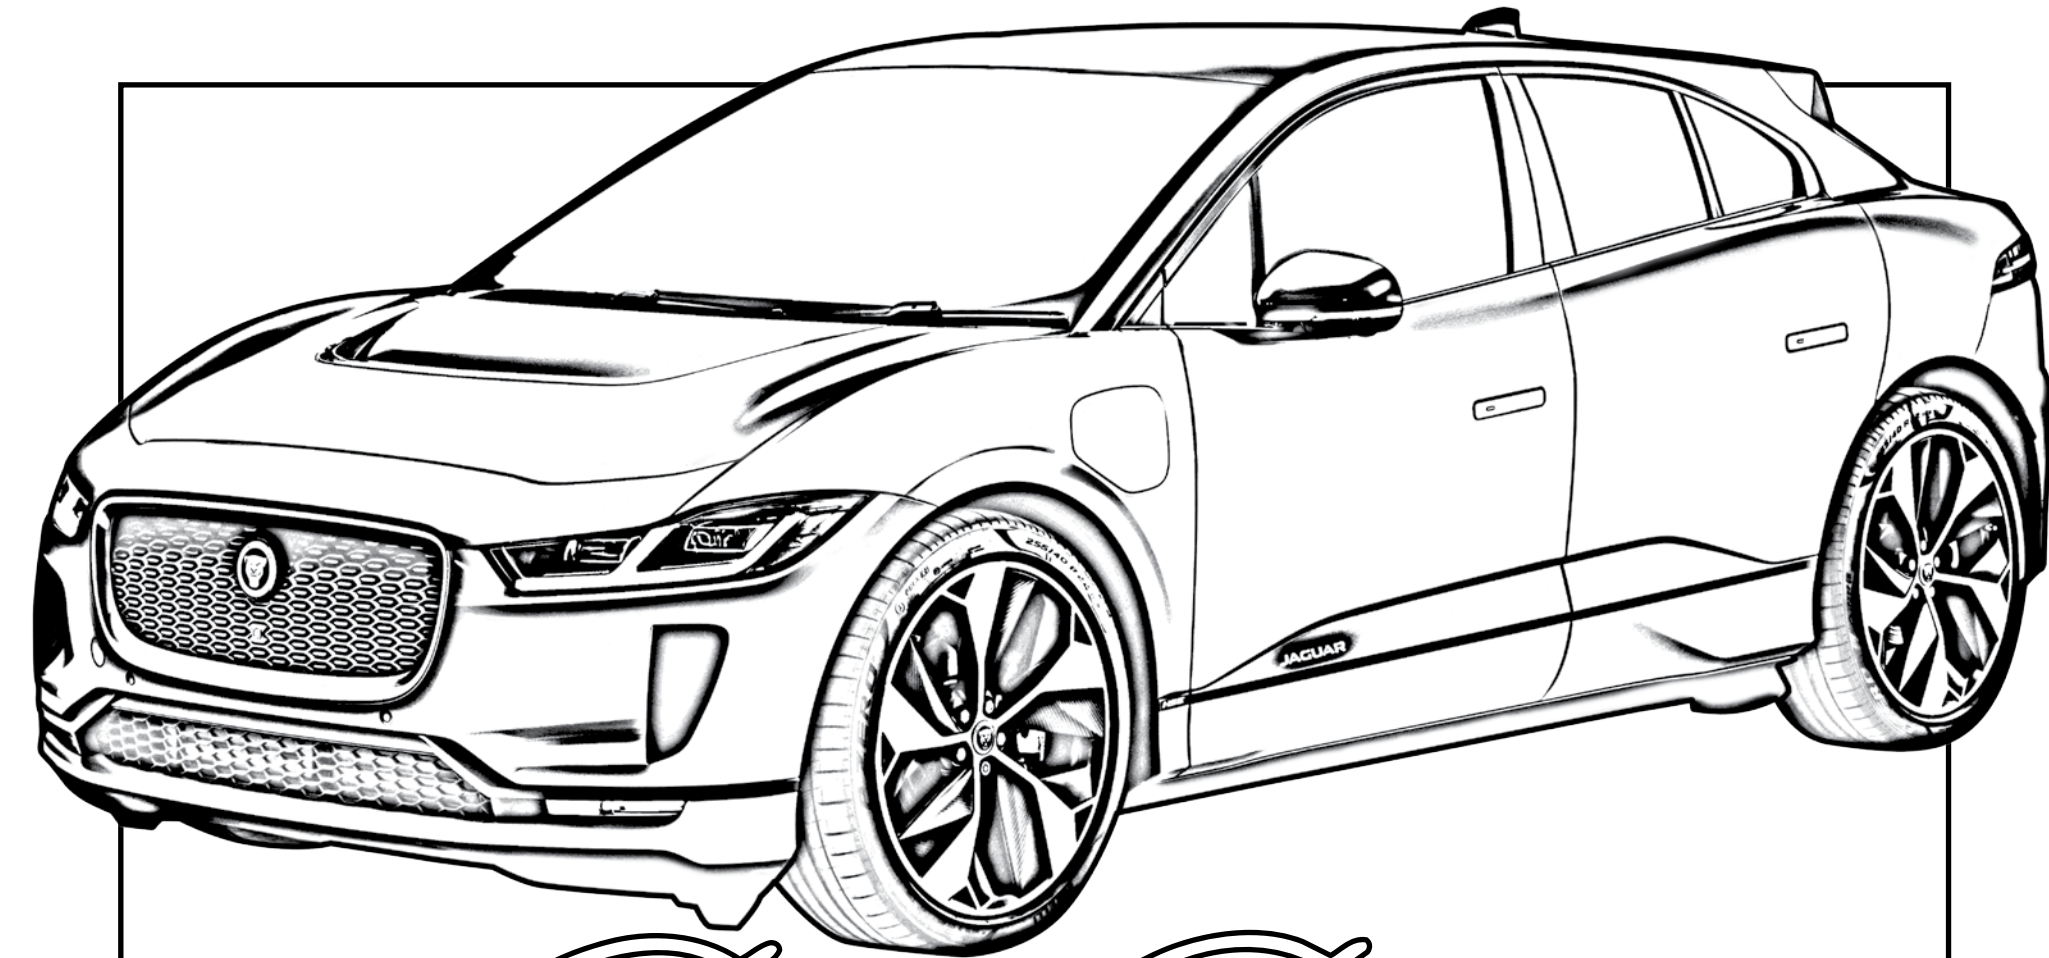

*Park Place*

## FUN FACTS: ROLLS-ROYCE PHANTOM

- Takes at least 2 months to build a Rolls-Royce Phantom (part of that process is painting the coach line on the side of the car, which takes one person 3 hours to paint)
- Comes in over 44,000 colors, but if you don't like one of those you can create your own signature color!
- Costs over \$450,000 – the MOST EXPENSIVE 'starting at' price for a Rolls-Royce

# JAGUAR

## *Park Place*

### FUN FACTS: JAGUAR I-PACE

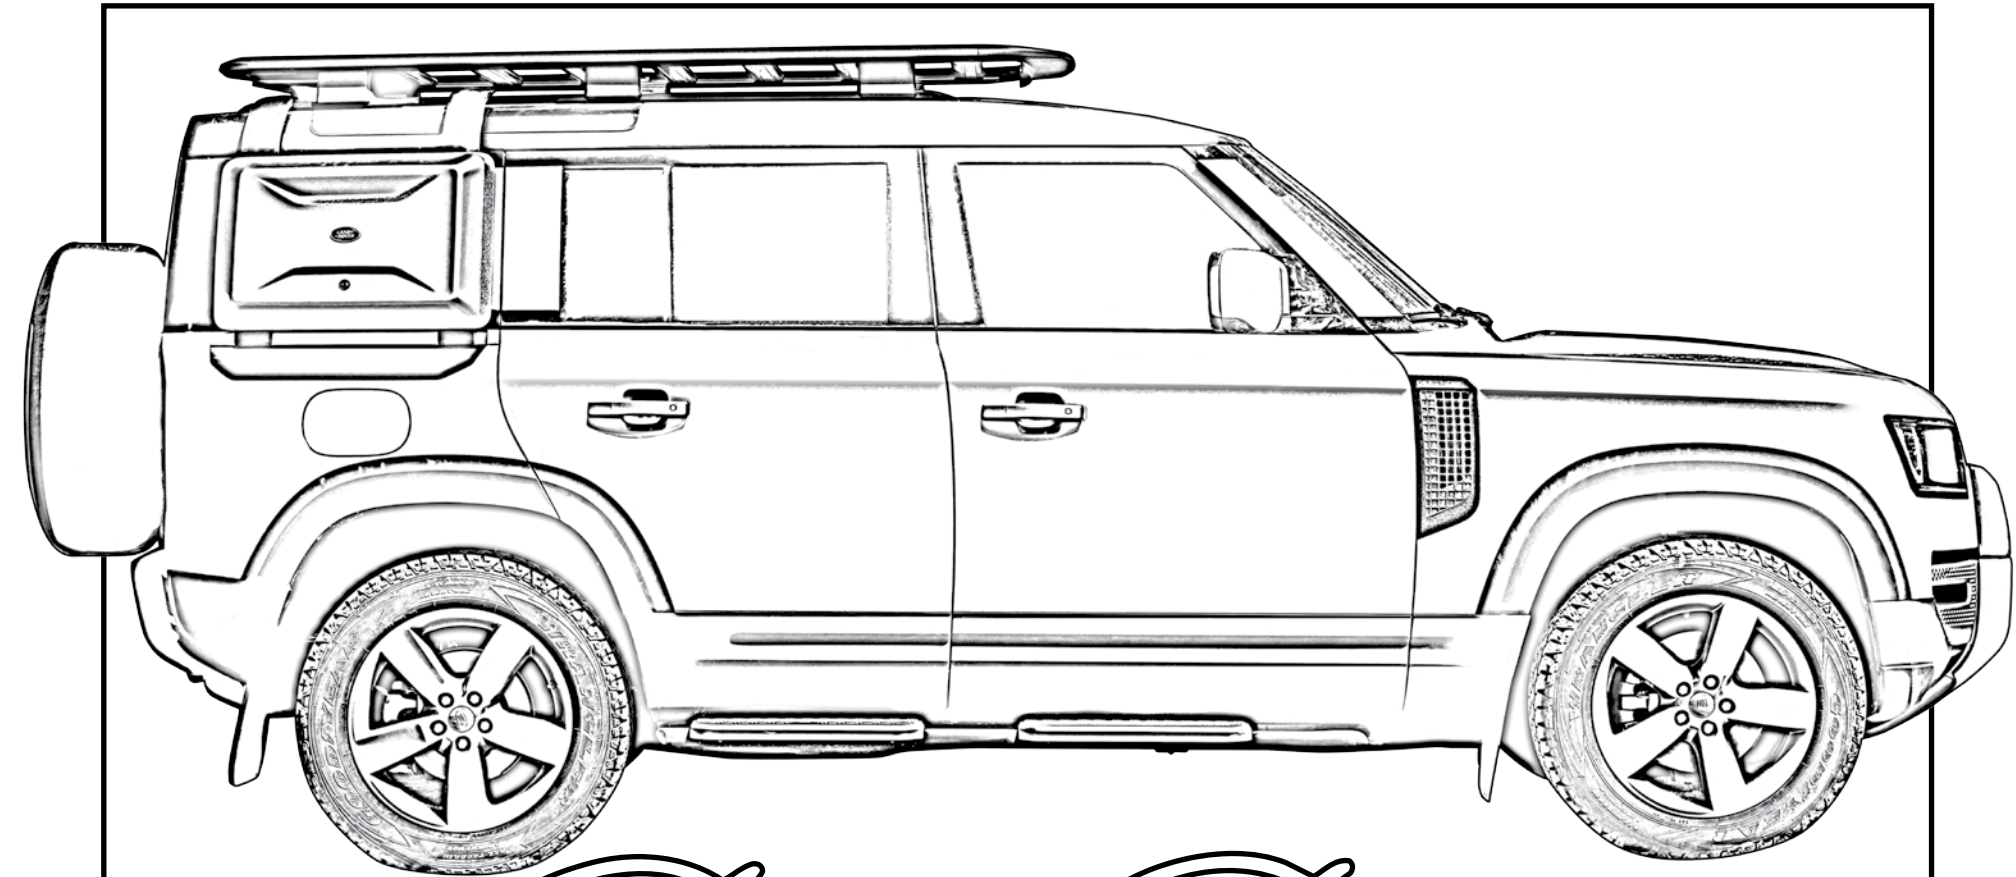

- Can go 234 miles on one battery charge
- Takes only 40 minutes to charge the battery to 80%
- Goes 0-60 in 4 seconds

# LAND ROVER

## FUN FACTS: LAND ROVER DEFENDER

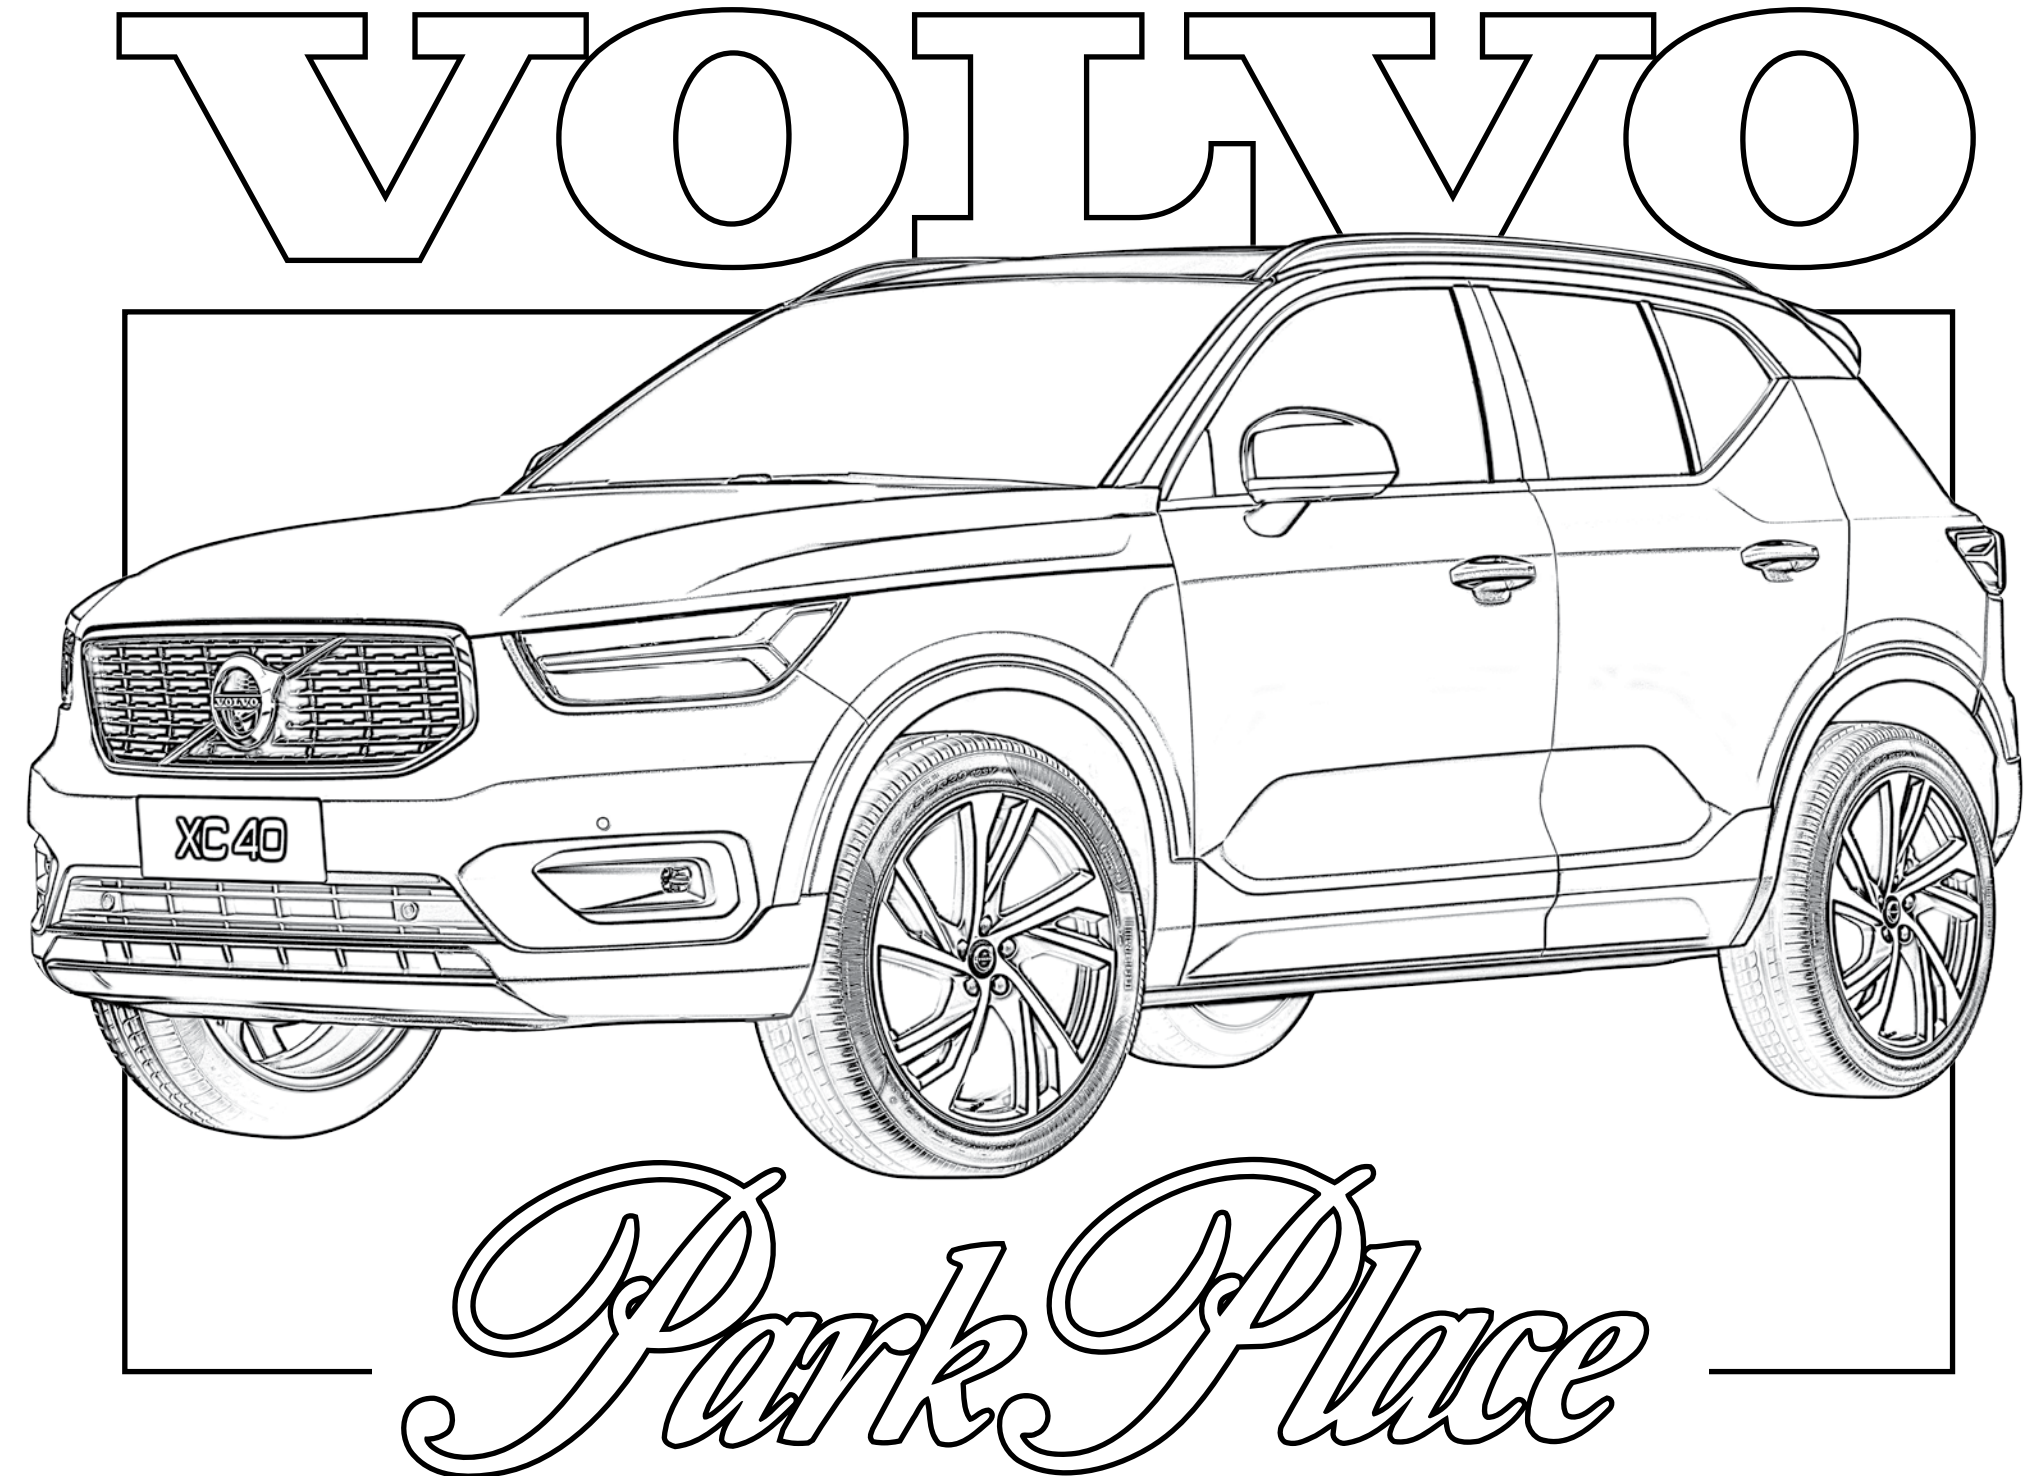

- Driven by the Queen of England (Queen Elizabeth II), who took delivery of her first Land Rover Defender in 1952
- Newest Defender was tested in -40 degrees Fahrenheit (super cold) and over 122 degrees Fahrenheit (super-hot)
- The first production Defender (2020 model) in 23 years

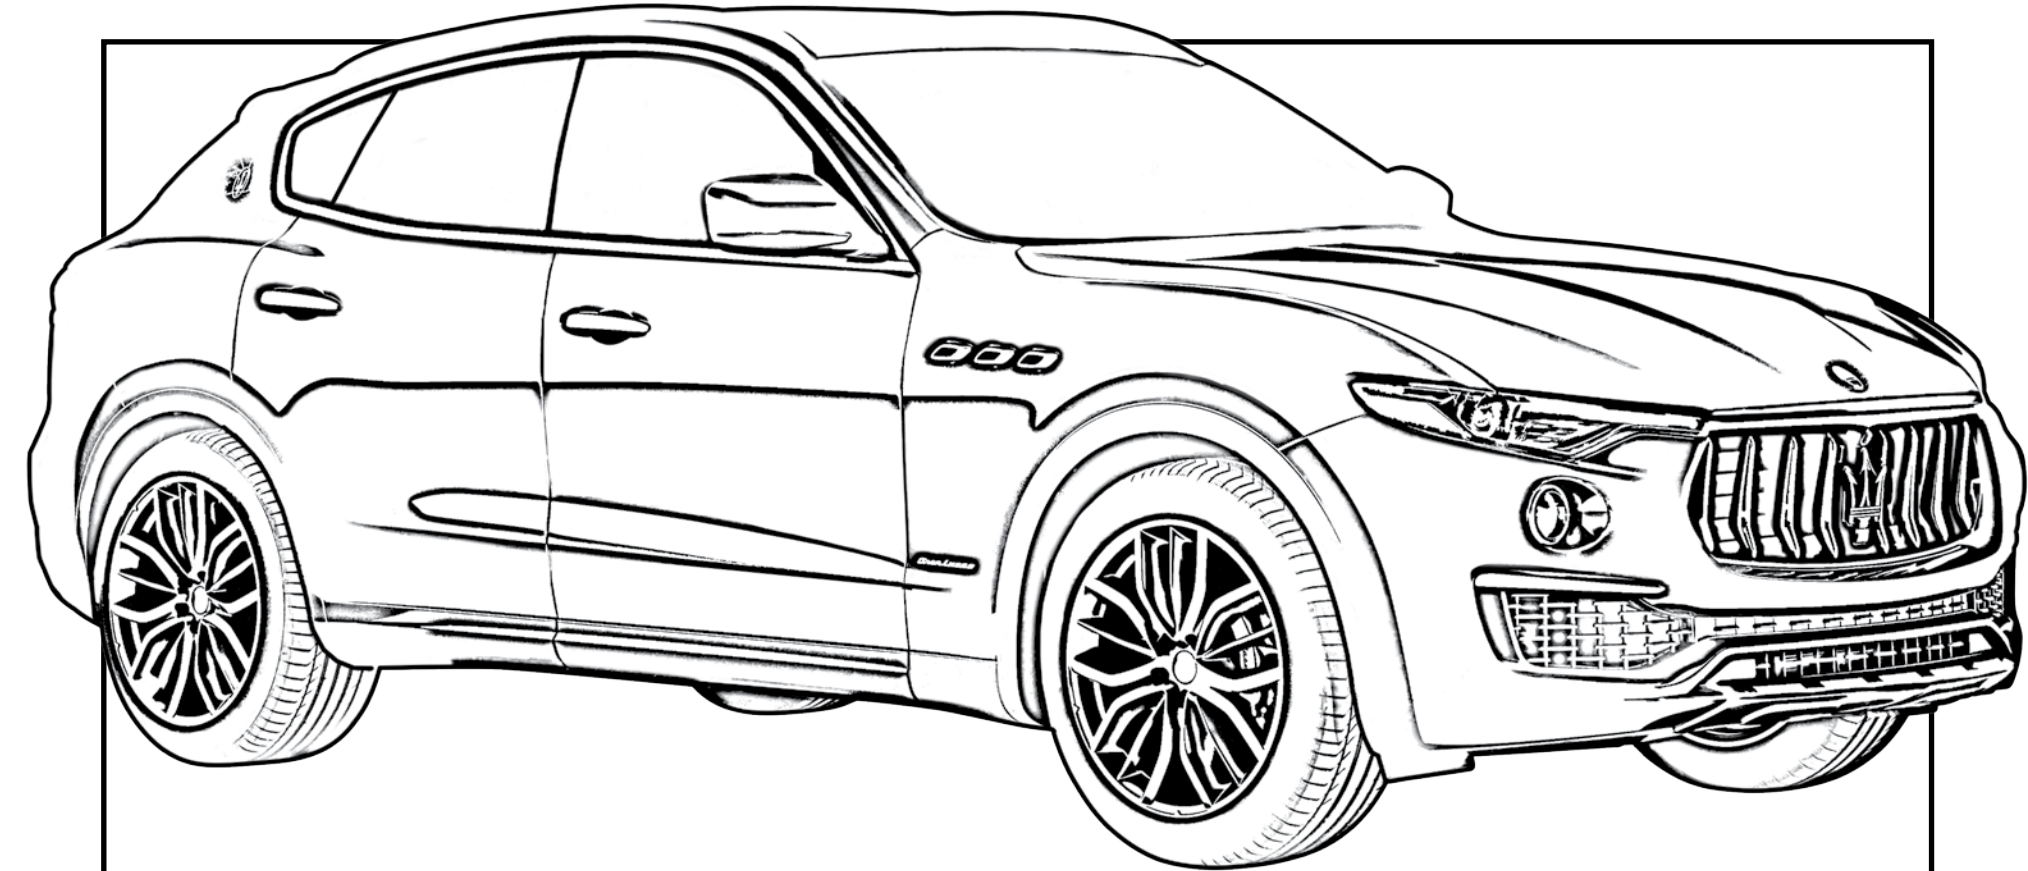

*Park Place*

## FUN FACTS: VOLVO XC40

- Made in Ghent, Belgium
- Comes in 3 different XC40 styles - including an ALL-ELECTRIC version called Recharge
- Designed as a compact SUV for big-city driving!

# MASERATI

## *Park Place*

### **FUN FACTS: MASERATI LEVANTE**
