MAKE THE MOST

Land Rover Prepaid Scheduled Maintenance Plans can reduce costs while keeping your vehicle at peak performance.

It pays to plan ahead—for your vehicle and your peace of mind. By prepaying for your regularly scheduled maintenance visits, you'll lock in today's costs, potentially saving you up to 25% compared with paying for each individual visit.

You'll take the worry and procrastination out of caring for your Land Rover vehicle. You'll also ensure it's always in the best possible hands.

OF EVERY MILE

Each service will be performed by factory-trained Land Rover Technicians, using only Genuine Land Rover Parts and Castrol Synthetic Oil.

OTHER BENEFITS INCLUDE:

- Potential increase in resale or residual vehicle value
- Coverage remains with the vehicle, and there is no transfer fee
- Nationwide servicing available at participating retailers within the U.S.

Give your Land Rover vehicle the care and attention it deserves with a Prepaid Scheduled Maintenance Plan from Jaguar Land Rover North America, LLC.*

*For more information on a Prepaid Scheduled Maintenance Plan from Jaguar Land Rover North America, contact your local authorized Retailer.

DON'T LET WEAR AND TEAR SLOW YOU DOWN

Your Land Rover vehicle is built for the long haul, from Genuine Land Rover Parts. But over time, normal use can cause wear and tear on certain parts of your vehicle. You can add coverage for replacing wear items such as brake pads, rotors, sensors, and windshield wipers with Prepaid Full Maintenance Plus Wear & Tear. It delivers an extra measure of confidence, and locks in today's costs.

PREPAID FULL MAINTENANCE PLUS WEAR & TEAR

The table below lists covered wear items and the maximum number of replacements allowed, based on vehicle type and term selected.

FLEXIBLE SERVICE

Let your vehicle tell you when it needs service. Instead of months and/or mileage, Flexible Service Plans are based on individual driving styles and conditions. Routine services should still be carried out throughout the life of the vehicle, but with more convenience and flexibility.

GASOLINE MAINTENANCE PLANS

**DISCOVERY SPORT | RANGE ROVER EVOQUE |
RANGE ROVER VELAR 2.0L | RANGE ROVER 3.0L |
RANGE ROVER SPORT 3.0L**

All scheduled maintenance visits include a combination of renewing the engine oil and filter, pollen filter, and a brake fluid top-off. A new air cleaner element is also included in a 4-year plan.

RANGE ROVER VELAR 3.0L

All scheduled maintenance visits include a combination of renewing the engine oil and filter. Depending on the interval, the pollen filter will also be renewed and brake fluid will also be topped-off. A new air cleaner element is also included in a 4-year plan.

**RANGE ROVER VELAR 5.0L | DISCOVERY |
RANGE ROVER 5.0L | RANGE ROVER SPORT 5.0L**

All scheduled maintenance visits include a combination of renewing the engine oil and filter, and pollen filter. Depending on the interval, the brake fluid will also be topped-off. A new air cleaner element is also included in a 4-year plan.

PHEV MAINTENANCE PLANS

**RANGE ROVER 2.0L PHEV |
RANGE ROVER SPORT 2.0L PHEV**

All scheduled maintenance visits include a combination of renewing the engine oil and filter, and pollen filter. Depending on the interval, the brake fluid will also be topped-off. A new air cleaner element and complete transmission oil flush is also included in a 4-year plan.

CARING FOR YOUR DIESEL

Diesel drivers need protection too. That's why we offer 2, 3, and 4-Year Maintenance Plans that cover your Diesel Exhaust Fluid (DEF) top-offs, scheduled maintenance visits, as well as brake and windshield wiper replacements. Here are the details:

2-YEAR PLAN: This includes two intermediary DEF top-offs, and your first two scheduled maintenance visits that will also include DEF top-offs.

3-YEAR PLAN: This includes three intermediary DEF top-offs, and your first three scheduled maintenance visits that will also include DEF top-offs.

4-YEAR PLAN: This includes four intermediary DEF top-offs, and your first four scheduled maintenance visits that will also include DEF top-offs.

DIESEL MAINTENANCE PLANS

DISCOVERY | RANGE ROVER | RANGE ROVER SPORT

All scheduled maintenance visits include a combination of renewing the engine oil and filter, pollen filter, fuel filter element, and top-off of diesel exhaust fluid (DEF). One additional DEF top-off is also permissible between services to ensure your vehicle is ready for any adventure. Depending on the interval, the air cleaner element will also be renewed and the brake fluid will also be topped-off.

With Flexible Services, your vehicle takes into account individual driving styles and conditions to determine when a service is due. Routine services should still be carried out throughout the life of the vehicle, however it's now done with convenience and flexibility for our customers.
