

Cargo Mat

\$75.00

Designed to help protect the cargo area from premature wear, the cargo mat is custom fitted to the iQ, helping to ensure maximum protection. Made of resilient, high-quality black nylon fibres that are resistant to fading, the cargo mat's non-slip rubber backing helps ensure it stays in place while the vehicle is in motion.

Cargo Net

\$93.00

Custom-crafted for the cargo area, the cargo net is designed to hold a variety of everyday items and ensure they don't shift around or tip over. The cargo net features durable netting that attaches to defined points in the rear cargo area, making it easily accessible. The cargo net can be installed or detached in seconds, and folds flat for storage when not in use.

Door Sills

\$155.00

Designed to protect the painted area of the iQ's door sills from scuffs, scrapes and scratches, the Door Sills feature a distinctive Scion logo and add customized styling that lend a personal touch to the vehicle. They're made from durable stainless steel with a plastic backing. Crafted for a precision fit and finish, these Door Sills install quickly and easily.

Fog Lights

\$370.00

Designed to complement the lines of your vehicle, the fog light kit features high-performance halogen bulbs that help enhance your visibility while driving. They're both corrosion- and shock-resistant and feature an approved beam pattern. The fog light kit helps complete a stylish and functional look for your ride.

*Please note, Fog Lights are only available with the Premium Pioneer Audio Upgrade.

Fog Lights

\$315.00

Designed to complement the lines of your vehicle, the fog light kit features high-performance halogen bulbs that help enhance your visibility while driving. They're both corrosion- and shock-resistant and feature an approved beam pattern. The fog light kit helps complete a stylish and functional look for your ride.

Manufacturer Installed Option ONLY.

*Please note, Fog Lights are only available with the Premium Pioneer Audio Upgrade.

Hood Deflector

\$174.00

Made from thick, high-grade, tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra protection.

Paint Protection Film

\$520.00

Genuine Scion paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Scion maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before. Backed by a 7 year limited warranty. At participating dealers only.

Rear Spoiler

\$421.00

Made of high quality colour-matched ABS plastic to ensure precisely sculpted detail and long-term durability, the top-mounted rear spoiler adds a sporty, integrated appearance that extends the iQ's roofline with some style.

TRD Lowering Springs

\$1,035.00

TRD lowering springs lower the center of gravity of the iQ by about 1.3" front and rear, enhancing the vehicle's on-road performance through quicker turn-in, enhanced steering response and improved cornering ability. Featuring TRD's durable bold red powder coat finish for superior corrosion resistance, the lowering springs have been rigorously tested and engineered to help ensure against rattles, clunking or rubbing—even when pushed to the limit.

TRD Rear Sway Bar

\$440.00

Engineered by TRD to enhance the vehicle's handling characteristics, the rear sway bar provides a flatter, more stable cornering stance. Constructed of high-quality spring steel, the sway bar features a gloss red powder coat finish that resists corrosion and protects against road damage, while providing a striking visual enhancement to the vehicle.

Wheel Lock Set

\$110.00

Constructed of hardened steel with triple-nickel chrome plating, Scion wheel locks help provide inexpensive, dependable protection against wheel and tire theft—along with peace-of-mind in knowing wheels and tires are secure. Wheel locks can save vehicle owners the time and expense of replacing their wheels and tires, while also helping protect against additional vehicle damage that can occur during theft. Not to mention protection from being stranded away from home or having to pay out-of-pocket insurance deductibles. Wheel locks are available in kits of four.

16" Alloy Wheels

\$1,080.00

These alloy wheels feature eight split-spokes and a truly unique finish that seems to shift from a dark gunmetal to a bright polished silver. At 16" in diameter, these wheels can replace the factory steel wheels and use the factory tires for a low-cost, high-impact upgrade!

Premium Display Audio System with Navigation

\$1,025.00

The all-new Scion Premium Display Audio System with Navigation boasts a number of advanced features, as user-friendly and intuitive as they are practical and innovative. With "One Shot" voice commands, you can input navigation and audio commands in English or French without the hassle of long menus. The unit keeps you connected through Bluetooth with advanced text-to-speech capabilities for text messages and emails. In addition, with the entire Gracenote Database at your fingertips, completing your music collection with cover art and artist/track information has never been easier. The "Play More Like This" feature lets you discover more music you love deep in your own collection by finding similar songs to the one currently playing using track metadata. Manufacturer Installed Option ONLY.
