

Block Heater

\$483.13

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during start-ups as well. The strain relief electrical cord reduces cord damage.

Fog Lights

\$705.00

The fog light kit helps increase the FR-S driver's visibility in all weather and night driving conditions. Designed to complement the fine lines of the FR-S, the fog light kit includes high-performance halogen bulbs with a DOT-approved beam pattern—and are both corrosion and shock-resistant.

Fog Lights

\$595.00

Description is not available.

Hood Deflector

\$185.00

Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra protection.

Paint Protection Film

\$520.00

Genuine Scion paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Scion maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before. Backed by a 7 year limited warranty. At participating dealers only.

Rear Spoiler

\$549.00

Manufactured from high-quality, lightweight materials, the FR-S rear spoiler features precisely sculpted detail to add a sporty, integrated appearance to the vehicle. Paint color is matched to the FR-S color palette and paint quality meets factory specifications for appearance and performance.

TRD Exhaust System

\$1,175.00

The TRD performance exhaust provides a deeper and more powerful engine sound that enhances both the presence and appearance of the FR-S. Constructed entirely of stainless steel, the TRD performance exhaust maintains high factory quality standards for performance and strength, meets all noise limit requirements and features a polished muffler with a double-walled, wide-diameter slant-cut exhaust tip and rolled edge. Plus, the TRD logo is stamped on the top of the polished exhaust tip.

Bongiovi Acoustics DPS

\$440.00

BONGIOVI ACOUSTICS DPS is a fully digital state of the art audio system that processes the audio stream in real time and routes the enhanced audio to a 4 channel digital amplification system. The result is an unparalleled listening experience in your Scion vehicle. BONGIOVI DPS ACOUSTICS smooths out the differences in volume between any audio source (CD, AM, FM, Satellite Radio) and greatly improves the sound of all sources of audio including portable music devices.

Premium Display Audio System with Navigation

\$1,025.00

The all-new Scion Premium Display Audio System with Navigation boasts a number of advanced features, as user-friendly and intuitive as they are practical and innovative. With "One Shot" voice commands, you can input navigation and audio commands in English or French without the hassle of long menus. The unit keeps you connected through Bluetooth with advanced text-to-speech capabilities for text messages and emails. In addition, with the entire Gracenote Database at your fingertips, completing your music collection with cover art and artist/track information has never been easier. The "Play More Like This" feature lets you discover more music you love deep in your own collection by finding similar songs to the one currently playing using track metadata. Manufacturer Installed Option ONLY.
