YUKON DENALI IN ONYX BLACK
shown with available equipment.

2015 GMC YUKON. Designing, engineering and crafting the all-new 2015 Yukon meant bringing together numerous innovations to create an SUV that soars above all others. The result is a Yukon driven by new, powerfully efficient EcoTec3 engines featuring the industry's latest achievements in both class-leading power¹ with the 6.2L V8 and fuel efficiency² with the 5.3L V8. Inside, a premium, oh-so-quiet interior welcomes you with authentic materials and ingenious entertainment and safety technologies. The result of this incredible thinking is a whole new Yukon.

¹Requires 6.2L V8 EcoTec3 engine in Yukon Denali. Comparison based on wardsauto.com 2013 Large Sport/Utility Vehicle segment and latest competitive information available at time of printing. Excludes other GM vehicles. ²2015 Yukon with 5.3L V8 EcoTec3 engine has a fuel-consumption rating of 14.9 L/100 km city and 10.1 L/100 km highway (4x2 SWB and LWB) and 15.1 L/100 km city and 10.4 L/100 km highway (4x4 SWB). Fuel consumption based on GM testing in accordance with approved Government of Canada test methods. Your actual fuel consumption may vary. Comparison based on wardsauto.com 2013 Large Sport/Utility Vehicle segment and latest competitive information available at time of printing. Competitive fuel-consumption ratings based on 2013 Natural Resources Canada's Fuel Consumption Guide. Excludes other GM vehicles.

YUKON DENALI:
MAKES A STATEMENT.
ADDS AN EXCLAMATION POINT.

For 2015, the ultimate expression of Professional Grade arrives in the form of Yukon Denali. Signature Denali styling begins with its three-dimensional grille, projector-beam HID headlights and chrome accents and continues with available 22" wheels and optional power-retractable assist steps with perimeter lighting.

BRIGHT ACCENTS ON DOOR HANDLES,
 ROOF RACK AND LIFTGATE.

DISTINCTIVE DENALI GRILLE.

PROJECTOR-BEAM HIGH-INTENSITY
 DISCHARGE (HID) HEADLIGHTS.

UNIQUE FRONT AND REAR LED
 SIGNATURE LIGHTING.

YUKON DENALI IN ONYX BLACK
 shown with available equipment.

YUKON: A BOLD LEAP IN AERODYNAMICS.

The 2015 Yukon was purposefully designed for efficient aerodynamics. The goal was to make it appear smaller to the wind for reduced wind noise and improved efficiency. Bold, sculpted lines glide from the three-dimensional grille and over the inlaid doors for smooth, uninterrupted airflow.

NEW INLAID DOORS REDUCE WIND
NOISE AND IMPROVE AERODYNAMICS.

LAMINATED WINDSHIELD AND FRONT
DOOR GLASS ENHANCES QUIETNESS.

REDESIGNED LIFTGATE SPOILER
REDUCES WIND DRAG FOR ENHANCED
EFFICIENCY AND CLEVERLY HOUSES
THE WIPER (HIDDEN WHEN NOT IN USE).

NEWLY SCULPTED EXTERIOR MIRRORS
REDUCE RESISTANCE TO HELP
IMPROVE AIRFLOW.

SHINING EXAMPLES OF REFINEMENT.

Yukon's bold lines and striking looks are complemented by design innovations such as available illuminated assist steps and a rear window wiper concealed under the spoiler. These options show that when limits are pushed, there's no compromise between convenience and style.

POWER-RETRACTABLE ASSIST STEPS WITH PERIMETER LIGHTING Yukon Denali models offer illuminated power-retractable assist steps that automatically extend when the front- or second-row doors are opened to provide easy, lighted access. They retract when the doors close for an uncluttered profile.

SIGNATURE LIGHTING Yukon introduces new projector-beam headlights (HID on Denali). They create a distinctive appearance, with front and rear "C"-shaped LED signature lighting.

PASSIVE ENTRY With Yukon's key fob in your pocket, its available passive entry system allows access to all four doors as well as the liftgate. Then, upon exit, this feature will automatically lock the vehicle several seconds after all doors are closed.

WHEEL STYLING Yukon's new exterior design is fully complemented with an equally striking selection of available 18," 20" and, on Denali, 22" wheels in various finishes.

REAR SPOILER Located on top of the liftgate, the new spoiler houses a repositioned window wiper that is hidden when not in use for a clean, uncluttered appearance.

QUIETLY WHISPERS PREMIUM.

Both Yukon and Yukon Denali raise the standards for quietness. Acoustic laminated windshield and front door glass, triple door seals, a new engine compartment barrier and damping materials in floor sheet metal all help keep noises from entering the cabin. Yukon Denali adds Bose® Active Noise Cancellation to tune out additional disturbances. As a result, you'll enjoy the quietest Yukon ever—in fact, there's no quieter SUV in its class, with noise sealing improved by 33 percent. In Yukon Denali, premium surroundings abound thanks to authentic materials, Bose Centerpoint® surround sound system and new available four-colour Head-Up Display.

BURNISHED ALUMINUM TRIM.

JAVA BURL POPLAR WOOD GRAINS.

CONTRASTING FRENCH SEAM
STITCHING.

PERFORATED FIRST- AND SECOND-ROW
LEATHER-APPOINTED SEATING.

YUKON TAKES YOUR ENJOYMENT SERIOUSLY.

Yukon's all-new instrument panel and Driver Information Centre put driver controls and entertainment options a fingertip or a voice command away. At the centre of it all is the Colour Touch Audio System with IntelliLink,¹ featuring a 203 mm (8") diagonal display, to provide a personalized audio experience and seamless integration of personal devices. Yukon Denali adds a new Customizable Driver Display so you can choose not only what information you see, but how you see it. Denali also offers a new four-colour Head-Up Display to help keep your eyes on the road. And to start it all, Yukon offers the convenient luxury of push-button start.

ENHANCED-LANGUAGE VOICE-RECOGNITION TECHNOLOGY.

PERSONALIZED ENTERTAINMENT WITH INTERNET RADIO.²

NAVIGATE THE TOUCH-SCREEN USING DRAG AND SWIPE GESTURES.

BLUETOOTH^{®3} LINKS TO YOUR SMARTPHONE CONTACTS AND PLAYLISTS.

¹IntelliLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.gmc.gm.ca for more details. ²Data plan rates apply. ³Not compatible with all devices.

PLENTY OF ROOM FOR CARRY-ONS.

GMC designers understand that you and your companions rarely travel without plenty of accessories. That's why you'll find generous storage compartments thoughtfully integrated throughout Yukon's cabin. An expanded centre console offers room for laptops, tablets and whatever else you can't live without. There are handy upper and lower door pockets and cupholders so everyone has a place for smaller carry-ons and, of course, refreshments.

HOUSEHOLD-STYLE 110-VOLT THREE-PRONG OUTLET PROVIDES PASSENGERS WITH A CONVENIENT CHARGE.

ALL-NEW UNDER-FLOOR CARGO MANAGEMENT SYSTEM KEEPS THINGS ORGANIZED AND SECURE.

NEW CLEVERLY ARRANGED DOOR STORAGE INCLUDES A MID-DOOR SHELF, AN ADDITIONAL CUPHOLDER AND MAP POCKETS IN SECOND-ROW DOORS.

A STORAGE AREA IS CONVENIENTLY HIDDEN BEHIND THE CENTRE-MOUNTED DISPLAY AND INCLUDES A USB¹ OUTLET.

¹Not compatible with all devices.

EASILY GOES FROM PEOPLE TO CARGO IN UNDER 5 SECONDS. FLAT.

With the touch of a button, Yukon's new available second- and third-row power fold-flat seats turn generous passenger room into an equally generous cargo area. It's a luxury no other competitor¹ offers. For even more flexibility, second-row seats offer an easy-to-use, power-release fold and tumble feature. To provide second-row passengers with easier access, we've also increased the size of the second-row doors.

SEAT UP TO EIGHT WITH AVAILABLE POWER FOLD-FLAT REAR SEATS OR UP TO NINE IN SLE WITH AVAILABLE FIRST-ROW BENCH SEAT.

LOWER THE SECOND AND THIRD ROWS FOR A FLAT CARGO AREA.

THE NEW HEIGHT-ADJUSTABLE POWER LIFTGATE IS AVAILABLE FOR EFFORTLESS ACCESS TO THE CARGO AREA.

ADAPTS TO YOUR NEEDS WITH THE TOUCH OF A BUTTON.

¹Comparison based on wardsauto.com 2013 Large Sport/Utility Vehicle segment and latest competitive information available at time of printing. Excludes other GM vehicles.

ADVANCED ENOUGH TO STIMULATE YOUR SENSES. EVEN YOUR SENSE OF STYLE.

Attention to the details of every detail makes Yukon your ultimate travelling companion. It's loaded with features to not only surprise but delight you with their convenience, appearance and enjoyment.

PREMIUM SURROUNDINGS Yukon surrounds you with a soft-touch instrument panel, console and door panel materials, and comfortable, durable perforated leather-appointed seats with contrasting French seam stitching available on select trims.

CUSTOMIZABLE DRIVER DISPLAY Choose Yukon Denali, and a reconfigurable gauge cluster allows you to personalize the new 203 mm (8") diagonal colour Customizable Driver Display for optimized information placement. The display's menu can be navigated with steering-wheel-mounted controls. Driver alerts are also clearly displayed.

VOICE AND TOUCH-SCREEN NAVIGATION¹ In response to your voice or touch commands, Yukon's available Navigation System displays 2-D or 3-D map graphics on the 203 mm (8") diagonal centre-mounted screen. NavTraffic² (3 trial months of SiriusXM) incorporates real-time traffic and road conditions into the screen, directing you toward the most efficient route.

PERSONALIZED ENTERTAINMENT Yukon features the new GMC 203 mm (8") diagonal Colour Touch Sound System with IntelliLink³. Featuring a full-colour screen, IntelliLink adds hands-free, voice-activated control of your communication and entertainment. Stream Internet radio⁴ through your smartphone or sync your MP3 music library. My Media connects media libraries from multiple devices in Yukon. You can even store frequently used phone contacts for quick access.

FOUR-COLOUR HEAD-UP DISPLAY (HUD) Inspired by fighter aircraft technology, this Denali-exclusive system projects important driving information at eye level. Without taking your eyes off the road, see speedometer and rpm, Forward Collision Alert, Lane Departure Warning, adaptive cruise control, transmission position and Turn-by-Turn Navigation information.

PUSH-BUTTON START With the key fob in your pocket, simply touch a button to bring Yukon to life with this available feature.

FRONT-AND-CENTRE STORAGE A hidden storage compartment is ingeniously located behind the articulating radio screen in the centre stack. It includes a USB⁵ outlet to charge your phone or media device in a handy out-of-the way location.

BOSE[®] AUDIO SYSTEM Yukon's Bose system is engineered to allow you to hear each and every note just as the musician intended. It features nine premium speakers and a centre-mounted subwoofer for rich bass tones to create a fuller listening experience.

BOSE CENTERPOINT[®] SURROUND SOUND For the sensation of a live performance, Denali models include a 10-speaker surround sound system with SurroundStage[®] signal processing. This technology, along with AudioPilot[®] noise compensation, delivers five independent channels from existing two-channel recordings.

BLU-RAY/DVD REAR-SEAT ENTERTAINMENT SYSTEM This available system includes a Blu-ray/DVD player and 234 mm (9.2") diagonal flip-down display. Yukon XL and XL Denali models feature two screens, with one screen specifically for the third-row passengers. This system is compatible with most popular video gaming systems.

CONNECTIVITY Depending on the model you choose, you'll never be far from a convenient power supply: up to six USB ports,⁵ five 12-volt auxiliary power outlets and a new 110-volt outlet located in the second row keep first- and second-row passengers connected and powered up.

AMBIENT AIR VENTILATION In a segment first, front-row passengers enjoy enhanced comfort thanks to a strategically positioned ambient air vent. Inspired by the indirect heating and cooling of your home or office, you'll feel the temperature change without the harshness of having a fan blowing directly on you.

¹At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ²Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details. ³IntelliLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.gmc.gm.ca for more details. ⁴Data plan rates apply. ⁵Not compatible with all devices.

EFFICIENTLY POWERFUL. POWERFULLY EFFICIENT.

The all-new Yukon EcoTec3 engine family features GMC's latest technologies: Direct Injection (DI), Active Fuel Management (AFM) and continuously Variable Valve Timing (VVT) to deliver power, and in the 5.3L V8, the best fuel efficiency¹ in a full-size SUV. It generates 355 hp, 383 lb.-ft. of torque and 10.1 L/100 km hwy.¹ For even more power and torque, Yukon Denali features a 6.2L V8 with class-leading horsepower and torque.² Both engines translate all of that to the road through our proven electronically controlled Hydra-Matic 6-speed automatic transmission.

¹2015 Yukon with 5.3L V8 EcoTec3 engine has a fuel-consumption rating of 14.9 L/100 km city and 10.1 L/100 km highway (4x2 SWB and LWB) and 15.1 L/100 km city and 10.4 L/100 km highway (4x4 SWB). Fuel consumption based on GM testing in accordance with approved Government of Canada test methods. Your actual fuel consumption may vary. Comparison based on wardsauto.com 2013 Large Sport/Utility Vehicle segment and latest competitive information available at time of printing. Competitive fuel-consumption ratings based on 2013 Natural Resources Canada's Fuel Consumption Guide. Excludes other GM vehicles. ²Requires 6.2L V8 EcoTec3 engine in Yukon Denali. Comparison based on wardsauto.com 2013 Large Sport/Utility Vehicle segment and latest competitive information available at time of printing. Excludes other GM vehicles.

BUILT TO HANDLE LIFE'S TWISTS AND TURNS AND UPS AND DOWNS.

From behind the wheel of Yukon you'll feel confident and in command, while your passengers will simply enjoy a comfortable ride. Yukon is fully equipped with new features for a smoother ride and improved handling to create the experience of driving a much smaller vehicle.

SMOOTH-RIDE SUSPENSION The system constantly senses and adjusts Yukon's rear suspension height to maintain a level position. It also contributes to Yukon's max trailering rating.

MAGNETIC RIDE CONTROL For smoothness and refinement that rival that of premium luxury sedans, Yukon Denali features the remarkable capability of next-generation Magnetic Ride Control. This system senses changes in the road surface up to 1000 times per second, instantly adjusting the shock absorbers for maximum comfort and control, without sacrificing agility.

CORROSION-RESISTANT DURALIFE BRAKE ROTORS

To reinvent the brake rotor, GMC engineers used Ferritic Nitro-Carburizing (FNC) technology, which can help double rotor life. FNC is a patented, GM-exclusive corrosion protection process designed to help prolong rotor life by hardening the rotor surface. It provides protection against rust to help prevent steering-wheel shudder when applying the brakes.

FOUR-WHEEL-DRIVE SYSTEM Yukon's available four-wheel-drive system allows you to switch between two-wheel drive for optimum fuel efficiency and four-wheel drive for much-needed additional traction and control.

FOUR-WHEEL DISC BRAKES The new stopping system improves pedal feel for a stronger, more confident braking performance. In fact, it allows the 2015 Yukon to stop nearly 3 metres (10 feet) shorter than previous Yukon models.

FULLY BOXED FRAME Yukon's new frame is constructed with 75 percent high-strength steel for maximum people- and cargo-carrying capability.

WIDER IS BETTER For improved stability and more confident cornering, Yukon now features a wider rear track. And new wider wheels reduce tire flex for improved cornering, while new low-rolling-resistance tires aid in fuel efficiency.

ELECTRIC VARIABLE-ASSIST POWER STEERING

The new electric variable-assist power rack-and-pinion steering system improves fuel efficiency versus engine-powered systems. It provides less assist at highway speeds for a solid on-centre feel, and more assist for less steering effort when you're manoeuvring in tight spaces.

SHEAR-STYLE BODY MOUNTS Connecting the body to the frame are new high lateral-rate and redesigned hydraulic body mounts. You'll enjoy improved comfort and a smoother, quieter ride. The new shear-style mounts dampen side-to-side vibrations, while the new hydraulic mounts dampen vertical vibrations.

ENGINEERED FOR THE LONG HAUL.

Everything about Yukon is designed and engineered for ease of travel, including pulling your recreational equipment. For 2015, Yukon offers a maximum trailer weight rating of up to 3856 kg (8500 lb.).¹

AUTOMATIC LOCKING DIFFERENTIAL Without pushing buttons, this feature directs power to the rear wheel with the most traction on loose gravel or slippery surfaces.

AUTO GRADE BRAKING This feature automatically senses when you want to slow your Yukon and engages a Grade Braking shift pattern within the transmission to help maintain your desired speed.

STABILITRAK Yukon's electronic stability control system helps improve stability by reducing traction loss. Sensing when Yukon isn't responding to steering inputs, it adjusts engine speed and applies brake pressure to any wheel to help maintain directional control. To mitigate rollovers, it anticipates a vehicle "tip up" situation, rapidly braking to help reduce lateral forces and the likelihood of a rollover.

HILL START ASSIST Sensors automatically detect when Yukon Denali is on a 5 percent grade or more. It holds the brakes momentarily or until the accelerator is pressed, preventing rollback. It's most effective when trailering, providing time to switch from the brake to the accelerator without rolling.

TOW/HAUL MODE Providing more power to accelerate when trailering or hauling heavy loads, Tow/Haul mode raises transmission upshift points. It also helps reduce speed by using engine compression to slow Yukon instead of merely braking.

TRAILER SWAY CONTROL Keep both you and your trailer heading in the same direction, automatically. The system uses StabiliTrak sensors to detect a swaying trailer, applying both Yukon's and the trailer's brakes (if properly equipped) to help bring it back in line.

TRAILER BRAKE CONTROLLER For fingertip control and easy monitoring of your trailer brakes, there's an available integrated trailer brake controller. Now conveniently located to the left of the steering wheel, it displays the level of brake force or "gain" in the Driver Information Centre.

¹Requires 5.3L V8 EcoTec3 engine and Heavy-Duty Trailering Package. Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

IN YUKON, SAFETY IS FRONT AND CENTRE.

It all starts with the industry-first and GM-exclusive Front Centre Air Bag¹ designed to protect you and your front-seat passenger. From there, Yukon includes a comprehensive array of driver alert technologies, engineered using the concept that the best way to handle a collision is to avoid it. Yukon offers the Driver Alert Package that includes Forward Collision Alert, Lane Departure Warning and the Safety Alert Driver Seat.

FRONT CENTRE AIR BAG¹ The Front Centre Air Bag is designed to help protect drivers and front-seat passengers in side-impact crashes where the affected occupant is on the opposite, non-struck side of the vehicle.

FORWARD COLLISION ALERT The available Forward Collision Alert warns you when you're rapidly approaching another vehicle and it appears a collision is imminent.

LANE DEPARTURE WARNING The available Lane Departure Warning alerts you if you wander from your lane without using your turn signal.

SAFETY ALERT DRIVER SEAT Forward Collision Alert, Lane Departure Warning and Front and Rear Park Assist provide visual alerts and allow you to choose from additional audible signals or the new available Safety Alert Driver Seat, which uses directional vibrations to help warn you of a potential collision.

SIDE BLIND ZONE ALERT The available radar-equipped sensors monitor Yukon's blind spots, alerting the driver via visual warnings to help reduce the risk of collisions.²

LANE CHANGE ALERT Working with Side Blind Zone Alert, this available system uses long-range (up to 70 m [230 feet]) radar to help detect and warn you of fast-approaching traffic in the next lane.

REAR CROSS TRAFFIC ALERT Monitoring your surroundings and working with the Rear Vision Camera, this available feature sends audio and visual warnings, alerting you to cross traffic while backing up in a parking lot or driveway.

ADAPTIVE CRUISE CONTROL³ This available technology detects a vehicle ahead and automatically adjusts Yukon's speed to maintain a steady driving distance. It also includes Crash Imminent Braking that automatically slows Yukon down to help prevent an impact.

ENHANCED SECURITY PACKAGE To help ensure that it remains in your possession, the 2015 Yukon surrounds itself with this available package that includes glass breakage sensors, vertical movement sensors, interior motion detectors, door lock shields and numerous other theft-deterrent technologies to keep potential thieves at bay.

¹A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your Owner's Manual and child safety seat instructions for more safety information. ²Before making a lane change, always check the Side Blind Zone Alert display, check the side and inside rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal. ³Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

GMC PRO GRADE PROTECTION. PROFESSIONAL GRADE COVERAGE.

Pro Grade Protection is standard on every 2015 Yukon. From scheduled maintenance to protecting your entire vehicle, you can drive with confidence.

2-YEAR/40,000 KM OIL CHANGES¹

3-YEAR/60,000 KM NEW-VEHICLE LIMITED WARRANTY²

5-YEAR/160,000 KM POWERTRAIN LIMITED WARRANTY²

THERE WHEN YOU NEED US.

Standard for 6 months, the OnStar Directions & Connections Plan³ lets you speak to a live OnStar Advisor just by pressing the blue OnStar button in your vehicle.

AUTOMATIC CRASH RESPONSE³ In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't respond.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to an Advisor who can direct emergency service providers to your exact location.

ROADSIDE ASSISTANCE⁴ If you need an emergency tow, lockout service or help with a flat tire, just push the blue OnStar button and an Advisor can direct help to your exact location—it's all a part of your OnStar subscription.

SECURITY FEATURES⁵ Remote Door Unlock, Remote Horn and Lights and Stolen Vehicle Assistance provide help when you need it.

HANDS-FREE CALLING⁶ WITH VOICE COMMAND Available OnStar Hands-Free Calling is a built-in service in case your cellphone is unavailable, out of range or has a low battery. Just push a button and say the number to make a call.

TURN-BY-TURN NAVIGATION Push your blue OnStar button and tell the Advisor where you want to go, and directions will be downloaded to your Yukon.

ONSTAR eNAV WITH MAPQUEST.CA™ Get a head start on a trip by checking out your destination on mapquest.ca and then clicking the "Send" link. Directions will be sent to your Yukon.

DESTINATION DOWNLOAD With the optional Navigation System, an Advisor can download directions to your Yukon's navigation screen.

ONSTAR REMOTELINK⁷ KEY FOB SERVICES⁸ OnStar RemoteLink Key Fob Services are included for 5 years on OnStar-equipped 2014 and newer vehicles. Download the app and use RemoteLink services during the 6-month trial period and any consecutive periods with an OnStar plan. Includes remote door unlock and lock, remote start and stop and remote horn and lights.

¹The 2-Year Scheduled Lube-Oil-Filter Maintenance Program provides eligible customers in Canada who have purchased, leased or financed a new eligible 2015 MY Chevrolet, Buick or GMC vehicle (excluding Spark EV) with an ACDelco oil and filter change, in accordance with the Oil Life Monitor system and the Owner's Manual, for 2 years or 40,000 km, whichever occurs first, with a limit of four Lube-Oil-Filter services in total, performed at participating GM dealers. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc. are not covered. This offer may not be redeemed for cash and may not be combined with certain other consumer incentives available on GM vehicles. General Motors of Canada Limited reserves the right to amend or terminate this offer, in whole or in part, at any time without prior notice. Additional conditions and limitations apply. See dealer for details. ²Whichever comes first. See dealer for limited warranty details. ³Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After complimentary trial period, an active OnStar service plan is required. ⁴Roadside service provided by Allstate Roadside Services. ⁵Services vary by model and conditions. ⁶OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only. Visit onstar.ca for coverage map, details and system limitations. ⁷Remote app will only work if vehicle has started within 5 days. Available on select Apple®, Android,™ BlackBerry® and Windows® devices. Services vary by device, vehicle and conditions. Requires an active OnStar service plan. ⁸Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any emergency services or other OnStar services. To cancel RemoteLink Key Fob Services, or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.ca/mobile for full details.

FINE-TUNING.

GMC Accessories are engineered and tested to meet the standards of your Yukon. Available individually or as part of a package, they are the best way to customize your Yukon while still keeping it Professional Grade. Personalizing your Yukon is easy; just ask your dealer.

1 CHROME ASSIST STEPS Make it easier to get in and out of your Yukon with these stylish assist steps. Crafted from rust-resistant stainless steel, they come as 152 mm (6") oval chrome steps.

2 TRAILER HITCH CLOSEOUT This custom-moulded cover hides the trailer hitch receiver when not in use. Available in select body colours. Not available for Yukon Denali or Yukon XL Denali.

3 CHROME GRILLE Specifically designed and engineered for your vehicle, this stylish grille has a chrome surround and features the GMC logo.

4 CHROME MIRROR COVERS Help your Yukon make even more of a fashion statement with these chrome exterior rearview mirror covers. Set of two.

5 ROOF RACK CROSS RAIL PACKAGE These cross rails add function and style to the factory roof rack of your Yukon. The cross rails are the base mount for cargo management accessories.

6 CHROME DOOR HANDLES Add personality to the exterior of your Yukon with these stylish chrome door handles. Like the full array of chrome accessories, they help your Yukon stand apart from everything else on the road.

7 CHROME RECOVERY HOOKS Add functionality and enhance the appearance of your Yukon. These front hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your GMC Owner's Manual.

THE BEST AND THE BRIGHTEST.

¹Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details. ²At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle. ⁴Not compatible with all devices. ⁵IntelliLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.gmc.gm.ca for more details. ⁶Data plan rates apply. ⁷Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After complimentary trial period, an active OnStar service plan is required. ⁸A NOTE ON CHILD SAFETY: Always use safety belts and the correct restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your Owner's Manual and child safety seat instructions for more safety information.

¹2015 Yukon fuel consumption based on GM testing in accordance with approved Government of Canada test methods. Your actual fuel consumption may vary. ²Cargo and load capacity limited by weight and distribution. ³Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.

PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 3-year/60,000 km New-Vehicle Limited Warranty¹
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge¹
- 5-year/160,000 km Courtesy Transportation¹
- 5-year/160,000 km 24/7 Roadside Assistance¹
- 6-year/160,000 km rust-through perforation coverage¹
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)¹

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:²

- **GM Protection Plan (GMPP)**—The only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- **GM Goodwrench Service**—With GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- **GMC Owner Centre**—As an owner, take advantage of the GMC Owner Centre. This online owner's destination gives you access to coupons, contests, current offers and the latest driving and maintenance tips. Find out more at gmcowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing**—On-the-spot financing, see dealer for full details.³
- **GM Student Bonus Program**—Students or recent graduates of high school, college or university² may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750⁴ (tax inclusive) (purchased vehicle dependant) to use toward the purchase, lease or finance of one eligible new GMC vehicle.
- **The GM Card**—GM cardholders may redeem up to \$3500 GM Card[®] Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles.⁴ For full program details, please visit thegmcard.ca.

INFORMATION RESOURCES:

You can find more information about these programs from your GMC dealer, or at these information centres:

- The GM Web site at gm.ca
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users)

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GMC dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.
