PERFORMANCE

WHEN FUN IS
TAKEN SERIOUSLY

CARBON BLACK METALLIC¹
shown with Premium Group and optional equipment.

Performance-ready engineering makes Verano as thrilling to drive as it is to look at. The standard 180-hp 2.4L engine balances power with a highway fuel-consumption rating of just 7.4 L/100 km.² Or, to boost performance to 250 horsepower, opt for the 2.0L intercooled turbocharged engine. It uses dual-scroll turbo technology to turn compressed air into potent acceleration — clocking 0-96 km/h (0-60 mph) in just 6.2 seconds.³ And when the road curves or city streets become congested, both Verano and Verano Turbo respond with nimble handling, confident braking and agile parking manoeuvres.

¹Additional charge, premium paint. ²2015 Verano fuel-consumption estimates based on GM testing in accordance with new 2015 model-year Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ³Based on GM testing.

WHEN ONE LOOK IS ALL IT TAKES

Just a glimpse of Verano tells you everything you need to know. Bold design cues such as the distinctly sculpted body and available aerodynamic rear spoiler foreshadow the surprising performance you're about to experience. Projector-beam headlamps and a signature black chrome waterfall grille showcase the meticulous attention to detail you can expect throughout the rest of Verano.

WHEN ELEGANCE IS
UNDERSTATED

Treat your senses of sight, hearing, smell and touch to the luxury of the finest materials. We selected soft-touch surfaces, available supple leather-appointed seats, ribbon fabrics, warm wood tones and tasteful metallic accents. The headliner cover is made of a knit material designed to please your tactile senses. It's not just easy on the eyes, but the ears, too: It's one of five acoustical layers that help quiet the cabin.

EBONY LEATHER-APPOINTED SEATS

WHEN EVERY SEAT IS FIRST CLASS

Verano is engineered to please — and it doesn't stop under the hood. It goes all the way down to the seats. Because what's the point of a finely tuned suspension if the driver's seat doesn't make you feel like you're sitting on air? It's why Verano offers exceptional support, as well as soft-to-the-touch premium materials, like available leather-appointed seats. You'll appreciate the front seat bolsters and supportive cushioning in every seat, along with sewn-in French-stitched seams, while your friends in the backseat will appreciate all the generous leg room.

WHEN INTUITION IS
INSPIRED

Verano is appointed with luxuries that deliver an out-of-this-world experience — balanced with clever technology that keeps you tethered to reality. From an intuitive multimedia interface to a suite of other innovative drive-enhancing technologies, Verano is engineered to help you keep your hands on the wheel and the world at your fingertips.

WHEN QUIET SPEAKS VOLUMES

Verano uses Buick's QuietTuning technology to reduce unwanted noises from roads, wind and other vehicles. Much like the best noise-cancelling headphones, it blocks and absorbs sound. Since music is recorded in an acoustically tuned room, you should hear it in a similar environment. QuietTuning also allows you to hear nearly every musical nuance produced by the available premium Bose® nine-speaker audio system. Noise-reducing technologies are built into key areas of Verano's structure, with sound deadeners used throughout. Even the wheels and tires contribute to Verano's quietness. The alloy wheels were designed to suppress turbulence, while the tires were engineered to minimize road vibrations and thus produce less noise.

WHEN YOU'RE IN TOUCH WITH THE UNIVERSE

All you have to do to instantly hear your favourite tunes and entertainment is ask Verano for them. The available Buick IntelliLink¹ infotainment system, with its seamless connectivity and enhanced voice controls, allows you to access your music library, initiate hands-free calls and choose your favourite Internet radio stations everywhere you go. Available Bluetooth^{®2} connects your compatible smartphone to an available LED-back-lit, high-resolution, 178 mm (7") diagonal colour touch-screen. With the ease of

advanced voice recognition (or steering-wheel-mounted controls), you're connected to available smartphone audio apps such as Internet radio or Stitcher SmartRadio^{®3} and satellite radio like SiriusXM⁴ (with 3-month trial). IntelliLink will even automatically store your phone contacts. There's also an available USB port² to connect your MP3 player or smartphone. You're doing all of this while keeping your hands on the wheel and eyes squarely on the road.

³Data plan rates apply. ⁴Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca.

ONSTAR 4G LTE

ALL-NEW. BUILT-IN.

WIFI

The next generation of OnStar brings you 4G LTE! The all-new available technology provides your Verano with a fast, reliable Wi-Fi hotspot. Passengers can tap into available wireless Internet and connect up to seven mobile devices to browse Web sites, stream movies, send e-mails and more. OnStar with 4G LTE and a built-in Wi-Fi hotspot turn your vehicle into a reliable mobile hub, with great signal quality and bandwidth.

¹Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms).

WHEN DIRECTION IS CLEAR

You won't always need a destination to enjoy all Verano has to offer. But when you do, opt for the available touch-screen-activated IntelliLink with navigation.¹ It provides over 9.5 million kilometres (6 million miles) of North American roads mapped out for you to explore. To stay one step ahead of the crowd, optional NavTraffic² (with 3-month trial of SiriusXM²) incorporates

¹At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

real-time traffic and road conditions right into your NAV screen, directing you around congestion and detours and toward the most efficient route. And SiriusXM also offers Travel Link to keep you informed of the latest fuel prices, weather conditions and movie listings wherever you go.

²Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca.

WHEN AWARENESS IS HEIGHTENED

We gave Verano an available REAR VISION CAMERA to help you easily see what's behind you. Plus, available REAR CROSS TRAFFIC ALERT helps make you aware with both sight and sound cues of approaching vehicles when backing out of a parking spot. And available SIDE BLIND ZONE ALERT lets you know when another car is in your side-mirror blind spot. For a further sense of well-being, Verano includes 10 standard air bags,¹ including dual front, head curtain side, front and outboard rear-seat-mounted side-impact and driver and front-passenger knee bags. And a collapsible pedal system allows the pedals to detach during a collision to reduce the risk of leg or ankle injuries. Available LANE DEPARTURE WARNING and FORWARD COLLISION ALERT features are designed to alert the driver to potential hazards. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

ONSTAR SERVICES

The 2015 Verano comes with a 5-year OnStar Basic Plan.² This standard plan gives you access to the RemoteLink Key Fob Services,² which let you lock and unlock your car doors, activate the horn and lights and even start your Verano remotely from your smartphone or tablet. Plus, get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple. Along with the 5-year OnStar Basic Plan, you'll also receive a 6-month trial of the Directions & Connections Plan³ that includes Automatic Crash Response, Emergency Services, Stolen Vehicle Assistance, Live Advisor Assistance and available Hands-Free Calling.

¹Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and child safety seat instructions for more safety information. ²Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any Emergency Services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827). Subsequent owners will be able to activate the remaining term. ³Visit onstar.ca for coverage map, details and system limitations. After complimentary trial period, an active OnStar service plan is required.
