WHEN FUNCTIONAL
IS BEAUTIFUL

Today, luxury isn't necessarily defined by size. It's about finding the things that fit your life. With its stylish and functional design inside and out, plus seamlessly integrated digital connectivity, Buick Encore does just that. It's sized to get you around town and into tight parking spaces easily and efficiently. Yet with its versatile cargo space and variable seating configurations, it's a premium crossover that can keep up with your every move. Now isn't that your kind of luxury?

NIMBLENESS

WHEN YOU'RE
STREET SMART

WHEN DESIGN REVEALS CHARACTER

Let your eyes wander across the shapes and surfaces of Encore and study its details: The tailored creases in the hood that highlight Encore's refinement. The blue-accented projector-beam headlamps that give Encore its expressive look. And the chrome portholes and waterfall grille that are signatures of Buick design. It's all a reflection of character.

WHEN YOU'RE IN THE MOMENT

Inside Encore, seamlessly flowing lines, highlighted by ice-blue ambient lighting, create a relaxed yet spacious environment. The instrument panel's "low and away" design gives a feeling of openness, while soft-to-the-touch materials like a leather-wrapped steering wheel and available leather-appointed heated front seats add to your comfort.

WHEN TECHNOLOGY
CONNECTS
YOU

With Encore, the world really does revolve around you. Use your voice to play your favourite music or make hands-free calls on the Buick IntelliLink¹ system. Enjoy fuller sound with the optional Bose[®] premium seven-speaker audio system. Available OnStar with 4G LTE² keeps you connected to your world. Enjoy available built-in Wi-Fi and relax in confidence with a suite of innovative available safety features. Looking for a ride as tech-savvy as you are? Look no further.

¹Full functionality requires compatible Bluetooth[®] and smartphone, and USB connectivity for some devices. IntelliLink on Encore does not include functionality such as enhanced voice recognition, Gracenote[®] and CD player. Visit intellilink.buick.ca for more details. ²Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms).

ONSTAR WITH 4G LTE

ALL-NEW. BUILT-IN.

WIFI

The next generation of OnStar brings you 4G LTE! The all-new available technology provides your Encore with a fast, reliable available Wi-Fi hotspot. Passengers can tap into available high-speed wireless Internet and connect up to seven compatible mobile devices to browse Web sites, stream movies, send e-mails and more. OnStar with 4G LTE and a built-in Wi-Fi hotspot turn your vehicle into a reliable mobile hub, with great signal quality and bandwidth.

¹Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms).

WHEN LIFE IS
SEAMLESS

Use your voice to control the Buick IntelliLink¹ interactive audio system or have the optional Navigation System² guide you to what you're looking for. Your compatible smartphone connects via Bluetooth³ to Encore's high-resolution, 178 mm (7") diagonal LCD touch-screen. With the ease of enhanced voice recognition (or steering-wheel-mounted controls), you have access to available audio apps on your phone such as Stitcher SmartRadio^{®4} and SiriusXM Satellite Radio (with 3-month trial).⁵ IntelliLink also automatically stores your phone contacts for quick access. There's even a USB port³ and an available 120-volt outlet to connect your other electronic devices. You're doing all of this while keeping your hands on the wheel and eyes squarely on the road.

¹Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. IntelliLink on Encore does not include functionality such as enhanced voice recognition, Gracenote and CD player. Visit intellilink.buick.ca for more details. ²At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³Not compatible with all devices. ⁴Data plan rates apply. ⁵Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca.

WHEN YOU
FEEL SECURE

Encore's available FORWARD COLLISION ALERT and available LANE DEPARTURE WARNING use digital imaging to help you avoid trouble before it happens. Forward Collision Alert provides audible and visual cues if you're quickly approaching another vehicle and the system senses a collision may occur. Lane Departure Warning lets you know if you wander from your lane without using your turn signal. Available REAR CROSS TRAFFIC ALERT makes you aware of approaching traffic when backing up. Available SIDE BLIND ZONE ALERT warns you when a vehicle is in your side-mirror blind spot. And a standard

REAR VISION CAMERA helps you see objects while in reverse. We also gave Encore 10 standard air bags,¹ including dual front, head curtain side, front and outboard-mounted rear-seat side-impact air bags and even driver and front-passenger knee bags. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

¹Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and child safety seat instructions for more safety information.

WHEN TECHNOLOGY GUIDES YOU

Available FRONT AND REAR PARK ASSIST is designed to help the driver park and avoid obstacles while manoeuvring. Ultrasonic sensors detect objects in front of and behind the vehicle. When the system detects an object, it provides audible alerts through Encore's speakers. Low-toned beeps from the rear speakers indicate an object at the rear; high-toned beeps from the front speakers indicate an object in front of Encore. The faster the beeps, the closer the object.

ONSTAR SERVICES

The 2015 Encore comes with a 5-year OnStar Basic Plan.¹ This standard plan gives you access to the RemoteLink Key Fob Services,¹ which let you lock and unlock your car doors, activate the horn and lights and even start your Encore remotely from your compatible smartphone or tablet. Plus, get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple. Along with the 5-year OnStar Basic Plan, you'll also receive a 6-month trial of the Directions & Connections Plan² that includes Automatic Crash Response, Emergency Services, Stolen Vehicle Assistance, Live Advisor Assistance and available Hands-Free Calling.³

¹Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any Emergency Services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827). Subsequent owners will be able to activate the remaining term. ²Visit onstar.ca for coverage map, details and system limitations. After complimentary trial period, an active OnStar service plan is required. ³OnStar Hands-Free Calling requires an existing OnStar service plan and prepaid minutes. Not available in certain markets. Visit onstar.ca for coverage map, details and system limitations.

WHEN A WHIM BECOMES A WEEKEND

All week, Encore helps you take care of business with the help of innovative technologies like a fuel-sipping 1.4L turbocharged engine, available All-Wheel Drive and an all-new built-in Wi-Fi hotspot.¹ When the weekend rolls around, Encore helps make the most of your escape plans, too. The five-passenger seating transforms to 1371 L (48.4 cu. ft.) of cargo space,² with the second-row seats folded flat. Even with the rear seat up, Encore gives you 532 L (18.8 cu. ft.) of cargo room.²

¹Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). ²Cargo and load capacity limited by weight and distribution.

CARGO & ADAPTABILITY

WHEN ROOM IS
EASILY MADE

All that space inside Encore is yours to use however you see fit. A day at the beach? Load up the blankets, chairs and coolers. A trip to the farmers market, then to the nursery for gardening supplies? Quickly lower the second-row seats to create a flat surface ideal for the errand. Driving friends to dinner? Raise the rear seats with ease to welcome them to sit surrounded by spacious comfort. And for maximum cargo capacity, the front passenger seat folds flat to create room for long objects.
