

# ELANTRA GT

2019

# The H-Factor.™

What is the H-Factor™? It means you can have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

That’s the H-Factor.™

Elantra GT SUPERSTRUCTURE™ shown,  
made with our Advanced High-Strength Steel.

# Proof: fun and practicality can coexist.

Fun to drive. Standout hatchback styling. Impressive space. What more could you want? With precise, responsive handling and a flexible amount of cargo space, the Elantra GT proves that fun and practicality really can coexist. Bring on the weekend adventures, morning commutes and everything in between.

# Sporty hatchback style.

Precisely sculpted surfaces, a tapering silhouette and expressive design details establish a sleek, simple sophistication. Muscular wheel arches provide a subtle hint of its eagerness to tackle the curviest of roads. This is a vehicle where you look for every opportunity to take the long way home, especially with the available panoramic sunroof to help soak in those weekend drives.

Bold cascading grille

Available 17" alloy wheels

# Hit the open road.

The Elantra GT was engineered to deliver a fun, sporty driving experience. With its 2.0L Gasoline Direct Injection engine, the Elantra GT is able to precisely control the injection of fuel for improved power and fuel efficiency. The innovative Drive Mode Select system further enhances your drive by tailoring both throttle response and steering effort to match your preferred driving style.

## Standard 2.0L GDI engine

---

161 horsepower

150 lb-ft torque

Preferred model shown.  
May not be exactly as shown.

# Versatility comes standard.

Enjoy peace of mind when packing up for an adventure with the Elantra GT's ample cargo capacity. The generous interior space can be easily adapted thanks to the 60/40 split-fold rear seats to accommodate a rear-seat passenger and longer cargo items.

705 litres  
with rear seats up

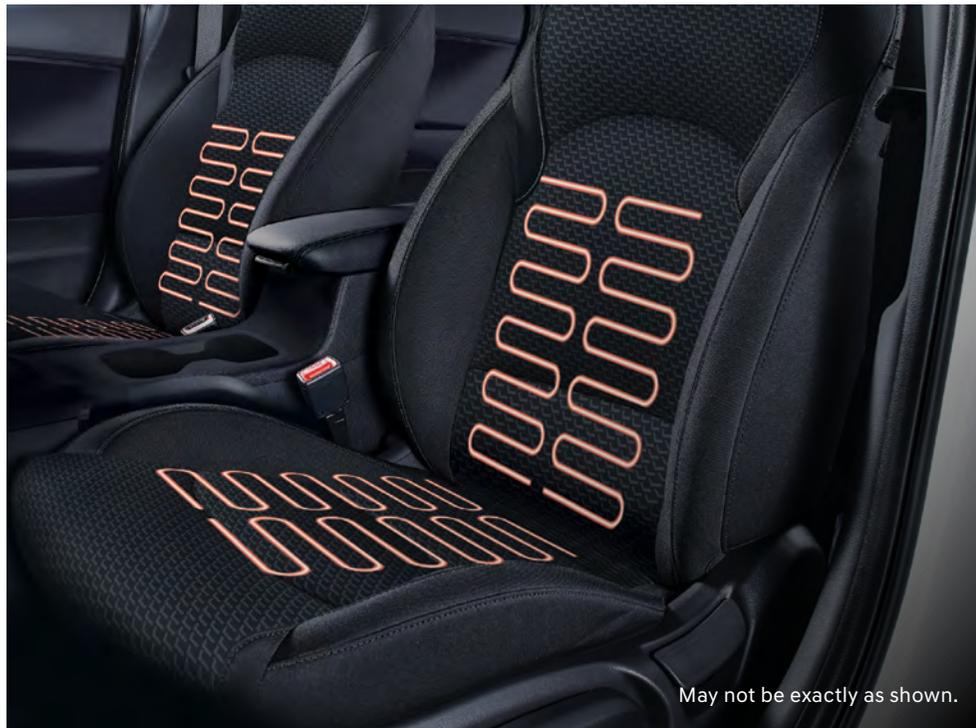

60/40 split-fold  
rear seats

1,560 litres with  
rear seats folded down

# A new level of standard comfort and convenience.

## Heated front seats

Embrace the cold with standard heated front seats.

## Heated steering wheel

A standard heated steering wheel is an added luxury when temperatures start to drop. It is also leather-wrapped and features mounted audio, cruise and Bluetooth® controls.

### **8.0" touch-screen with Apple CarPlay™ and Android Auto™**

The unique design of the standard floating 8.0" touch-screen display is perfectly positioned for both driver and front passenger access. Along with the standard rearview camera and Bluetooth® hands-free phone system, the touch-screen also enables you to intuitively interact with your favourite apps thanks to Apple CarPlay™ and Android Auto™ smartphone connectivity.

### **Proximity keyless entry with push-button ignition**

The available proximity key allows the Elantra GT to recognize your key fob from your pocket or purse so that opening the driver door is as easy as pressing the door handle button. Once inside, get settled, buckle up and start your engine with the push-button start.

# The SUPERSTRUCTURE.™

At the foundation of the Elantra GT is the SUPERSTRUCTURE™, a state-of-the-art platform composed of our Advanced High-Strength Steel for exceptional stiffness and strength. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the vehicle by absorbing harmful energy and redirecting it away from the passenger compartment.

# Hyundai SmartSense™ safety technologies.

The Elantra GT features standard Blind-Spot Collision Warning with Lane Change Assist and Rear Cross-Traffic Collision Warning. These are two of our advanced safety technologies to help alert you to, and even avoid, unexpected dangers on the road.

## Blind-Spot Collision Warning with Lane Change Assist<sup>1</sup>

This system lets you know if a vehicle is in your blind spot. Plus, our innovative system also senses the speed of the vehicle in the adjacent lane. If it's approaching faster than you can safely make the lane change, it will signal an alarm.

## Rear Cross-Traffic Collision Warning<sup>2</sup>

Activated during reverse driving, the Rear Cross-Traffic Collision Warning uses radar to warn the driver of vehicles approaching from either side, even before they come into view of the standard rearview camera.

# Colours and wheels

# Dimensions

Overall width  
(excluding side mirrors)

1,795 mm

Overall length

4,340 mm

Overall height

1,465 mm

# Accessories

## Cross Rails

This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room. Remove when not in use.

## Winter Wheel & Tire Packages

Winter tires have specialized rubber and tread to handle the cold temperatures resulting in better traction, handling and braking. Mount your tires on a set of Hyundai steel wheels and spare your alloy wheels from the corrosion caused by salt and slush.

## Remote Engine Starter

Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote engine starter and get on the road in comfort.

## Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

# Model summary

## Preferred

Standard equipment includes:

- 2.0L (1,999 cc) Normally aspirated in-line 4-cylinder with Gasoline Direct Injection (GDI) engine
- 6-speed manual gearbox
- 16 x 6.5J Aluminum-alloy wheels
- P205/55R16 all-season tires
- Spare tire mounted under cargo floor
- Automatic headlights
- LED daytime running lights
- Projection headlights
- Dual power-adjustable heated side mirrors, body colour
- LED side mirror turn signal repeaters
- Door handles, body colour
- Rear spoiler
- Window belt moulding, chrome
- Premium cloth seating surfaces
- 6-way manually adjustable driver's seat
- 6-way manually adjustable front passenger's seat
- Driver and passenger seatback pocket
- Heated front seats
- 60/40 split-folding rear seats
- Rear seat centre armrest with cupholders
- Front centre console with storage compartment (fixed armrest)
- Removable cargo area cover
- 2-level cargo floor
- Sunglasses holder
- 12-volt outlet
- Front map lights
- Android Auto™ and Apple CarPlay™
- AM/FM/SiriusXM™/MP3 audio system with 6 speakers
- 8.0" touch-screen display
- Rearview camera
- USB/auxiliary connectivity
- Bluetooth® hands-free phone system with voice recognition
- Sunvisors, illuminated vanity mirrors with extensions
- Air conditioning, manual climate control
- Rear window defroster, electronic with timer
- Power windows with driver's auto-down
- Power door locks
- Remote keyless entry system with alarm
- Heated, leather-wrapped steering wheel
- Tilt-and-telescopic steering wheel
- Cruise, audio and telephone controls
- 3.5" monochromatic cluster display (conventional)
- Meters/gauges, external temperature display
- Warning lights, low washer fluid
- 7 airbags
- Anti-lock Braking System with Electronic Brake-force Distribution
- Blind-Spot Collision Warning with Rear Cross-Traffic Collision Warning
- Vehicle Stability Management, Electronic Stability Control system with Traction Control System

### Optional:

- 6-speed automatic transmission with SHIFTRONIC® manual mode and Drive Mode Select

## Luxury

Includes Preferred standard equipment plus:

- 6-speed automatic transmission with SHIFTRONIC® manual mode
- 17 x 7.0J Aluminum-alloy wheels
- P225/45R17 all-season tires
- Panoramic sunroof
- Air conditioning, dual-zone automatic temperature control
- Power windows with driver's auto-up/down with pinch protection
- Proximity keyless entry with push-button ignition
- Drive Mode Select
