

KONA

2019

The H-Factor.

What is the H-Factor? It means you can have it all.

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

That’s the H-Factor.

Kona SUPERSTRUCTURE™, made with our Advanced High-Strength Steel.

Meet the KONA.

The Kona is the latest addition to our SUV family — a new breed of SUV to take on the city.

With Kona, driving and parking in the urban jungle doesn't have to be stressful. Enjoy the agile manoeuvrability of a passenger car, and the higher perspective of an SUV — it's really the best of both worlds! Furthermore, Kona is filled with technology that just makes everything easier, including Apple CarPlay^{TMΔ}, Android Auto^{TM◊} and an available Head-Up Display to project important information within your line of sight, so you can keep your attention on the road.

Confident and unique.

Kona has been designed to turn heads — and to raise pulses. The dynamic design catches the eye with unique details that highlight the strong Hyundai SUV DNA at its core, starting with our signature cascading front grille design, muscular wheel arches and advanced lighting. Bold body cladding runs along the side profile and rear bumper for a sporty look, and available two-tone colour options* let you customize your Kona to suit your style preferences.

Standard LED daytime running lights and available LED headlights

Available 18" alloy wheels

Standard mirror-mounted turn signal indicators

Available LED tail lights

*with select models only

Ready to take on the urban jungle.

The Kona offers the choice between two powerful and fuel-efficient engines to get you where you want to go. Available All-Wheel Drive gives superior traction on road surfaces and is paired with a multi-link rear suspension for enhanced handling and cornering performance.

All-Wheel Drive

The available All-Wheel Drive (AWD) system features an advanced Active Cornering Control system that monitors driver inputs and road conditions, automatically applying power and braking force to the appropriate wheels to maintain course in adverse conditions.

Standard 2.0L engine with 6-speed automatic transmission

147 horsepower
132 lb-ft torque

Available 1.6L Turbocharged engine with 7-speed Dual Clutch Transmission

175 horsepower
195 lb-ft torque

1.6T Ultimate model shown with lime colour package.
Pre-production model. May not be exactly as shown.

Discover an exceptional level of comfort.

Step inside and instantly experience an exceptional level of comfort thanks to a wealth of features that include heated front seats, an available heated steering wheel and available 8-way power-adjustable driver's seat. Kona's compact SUV size doesn't just help you manoeuvre around the city with ease, it also gives you a higher seating position to get a better view of your surroundings.

Available heated steering wheel

Standard heated front seats

Standard 60/40 split-fold rear seats

Available power sunroof

Advanced technology at your fingertips.

No matter how you choose to navigate the city, the Kona provides you with the seamless connectivity you expect and innovative technology that makes life easier — like an available Head-Up Display communicating key information in your line of sight, available wireless charging[▼] for your phone and a high-mounted, floating touch-screen for better visibility and easy access.

Head-Up Display

The available 8.0" Head-Up Display helps you stay safe by projecting important information like speed, navigation commands and safety warnings into your line of sight — so you can keep your eyes on the road.

8.0" touch-screen shown.

7.0" or 8.0" touch-screen display with Apple CarPlay™ and Android Auto™

Standard Apple CarPlay™ and Android Auto™ let you interact with your favourite apps, access navigation, use voice command for text messages or stream your favourite songs through the available Infinity® sound system. An available 8.0" touch-screen provides added convenience with a built-in navigation system, so you don't have to use your cellular data when needing directions.

Available rain-sensing wipers

Available proximity keyless entry with push-button ignition

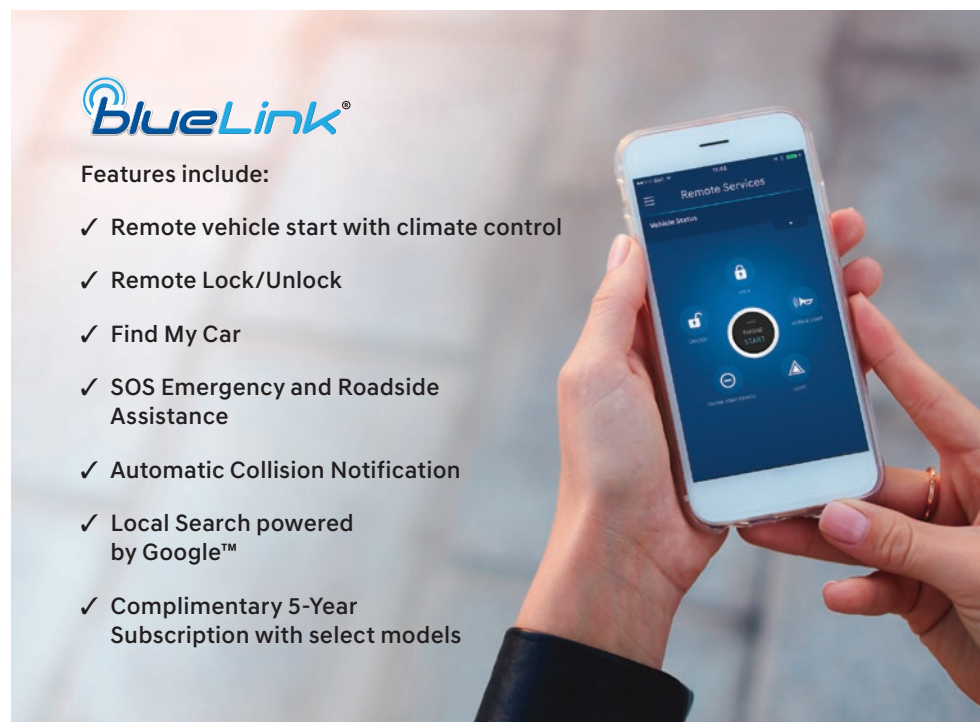

Available Infinity® audio system with 8 speakers

Wireless charging pad*

Located in the centre console, an available wireless charging pad lets you easily charge a compatible smartphone without the use of messy and unsightly cables.

Features include:

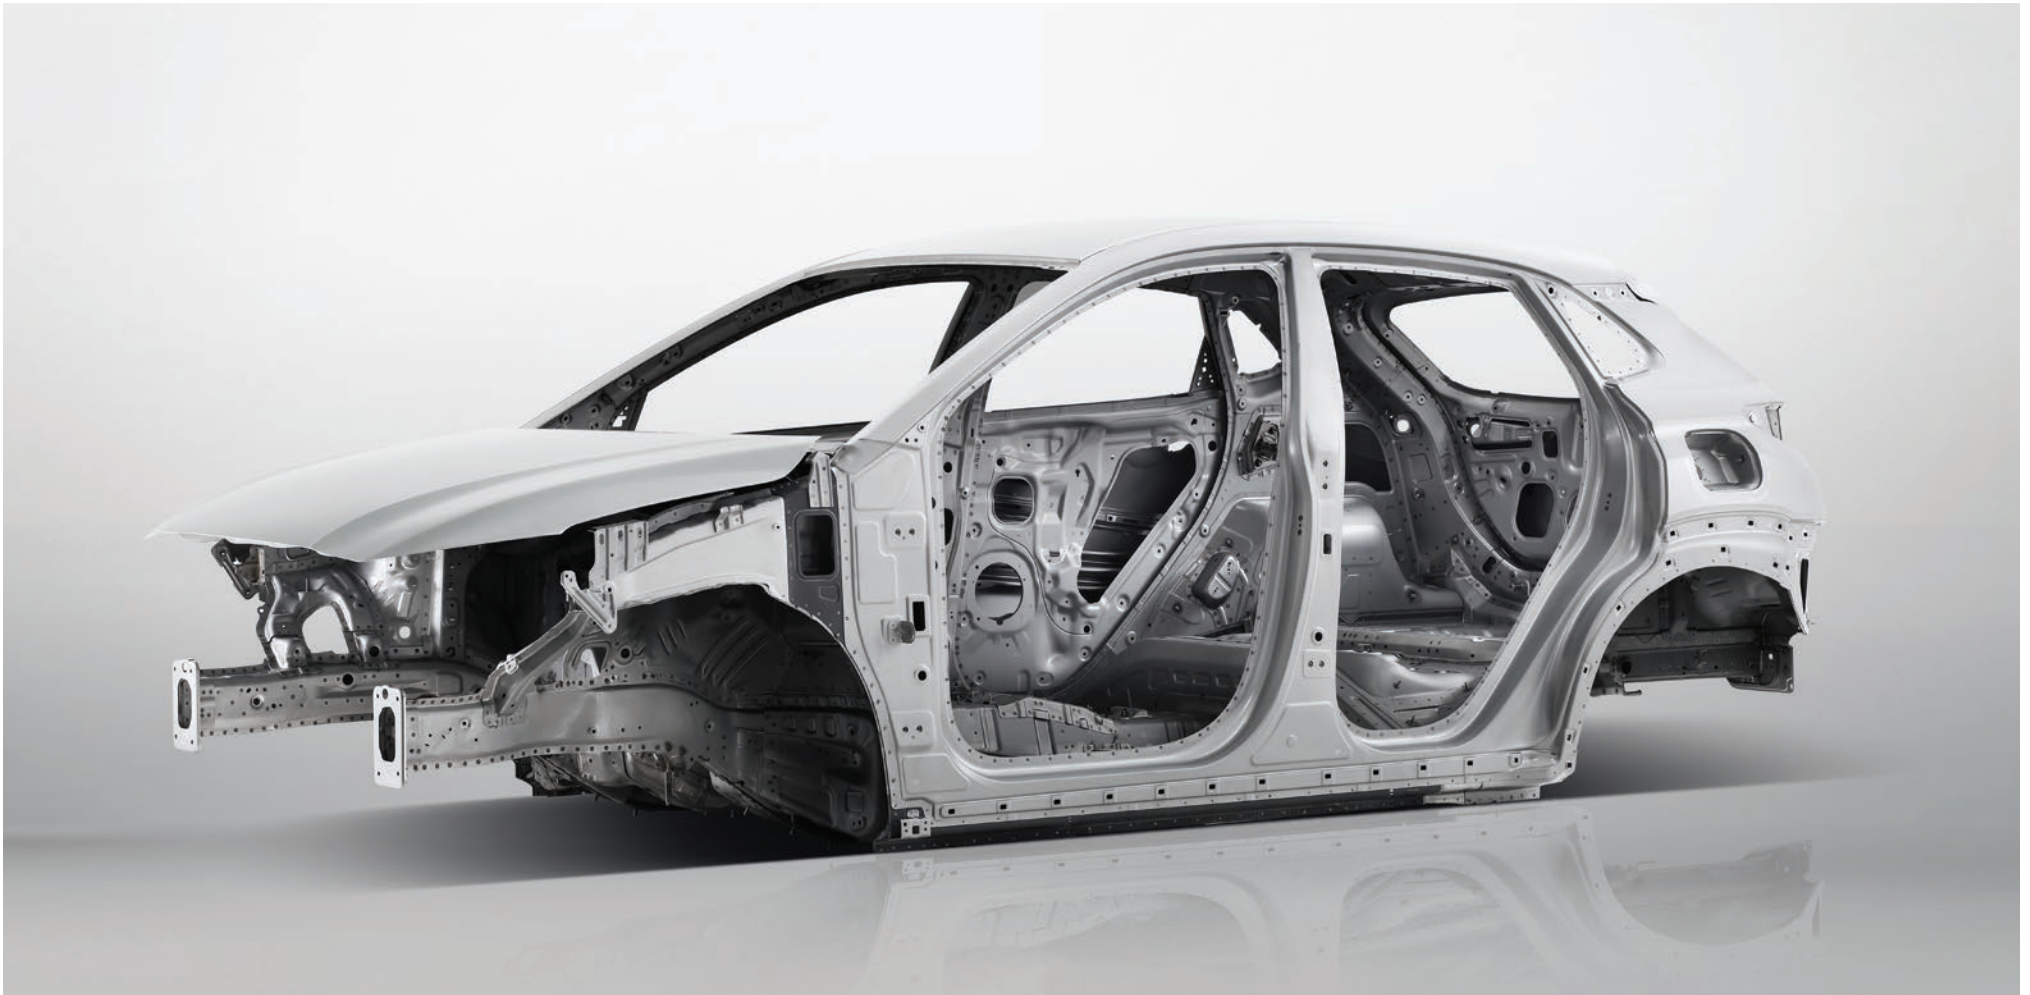

- ✓ Remote vehicle start with climate control
- ✓ Remote Lock/Unlock
- ✓ Find My Car
- ✓ SOS Emergency and Roadside Assistance
- ✓ Automatic Collision Notification
- ✓ Local Search powered by Google™
- ✓ Complimentary 5-Year Subscription with select models

BlueLink®

Once set up, our available BlueLink® connected car system conveniently enables you to locate your vehicle, remotely start the engine for advanced warming or cooling, unlock or lock the doors and, in the event of an accident, can automatically call emergency services. Please see your dealer for full service-level details.

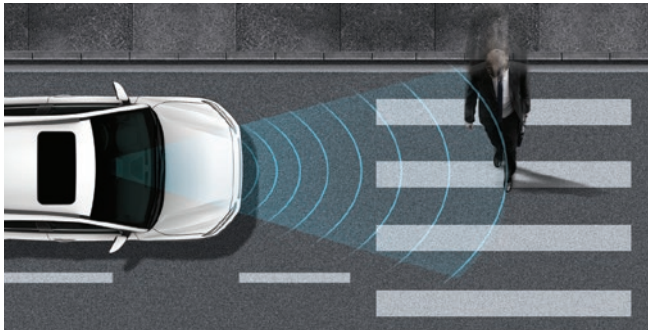

The SUPERSTRUCTURE.™

The Kona features an ultra-rigid vehicle chassis at its core, which we call the SUPERSTRUCTURE™. We built it with our very own Advanced High-Strength Steel, designed to be stronger, stiffer and lighter than conventional steel, to provide greater benefits in safety, ride comfort and fuel economy. In the event of a collision, the SUPERSTRUCTURE™ helps protect occupants inside the cabin by absorbing harmful energy and redirecting it away from the passenger compartment.

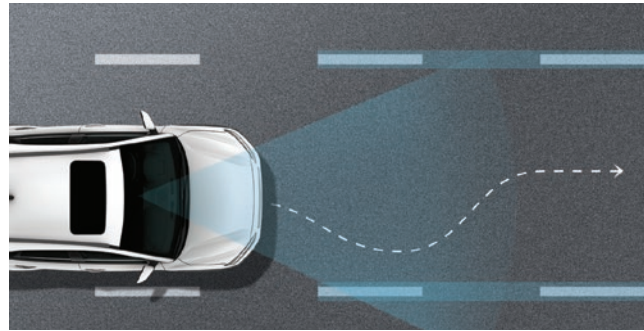

Get familiar with Hyundai SmartSense.™

Hyundai SmartSense™ is the suite of available safety technologies offered by Hyundai. They've been developed to help alert you to, and even avoid, unexpected dangers on the road. Available technologies that can help mitigate a collision, or make parking easier and safer, providing you with added peace of mind in the 2019 Kona.

Forward Collision-Avoidance Assist with Pedestrian Detection¹

The Forward Collision-Avoidance Assist system uses the front-mounted camera and the radar sensor to monitor the traffic ahead. Should it detect a potential collision with a vehicle or pedestrian in your path, it will warn the driver and, if required, automatically slow or stop the vehicle.

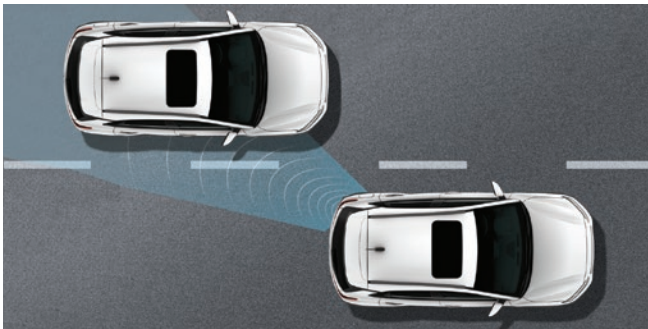

Lane Departure Warning with Lane Keeping Assist²

Drift outside your lane without signaling and this system will alert you with audible and visual cues. If no action is taken, Lane Keeping Assist can apply corrective steering assistance to remain within the lane.

Driver Attention Warning³

This feature raises safety and convenience to an entirely new level by continuously monitoring and analyzing driving patterns. When a pattern of fatigue or distraction is identified, Driver Attention Warning gets the driver's attention with an audible alert and pop-up message suggesting a driving break.

Blind-Spot Collision Warning with Lane Change Assist⁴

Using two radar sensors in the lower rear bumper, the Blind-Spot Collision Warning system visually warns you of traffic in the blind spot areas. Should you set the turn indicator in such a situation, the Lane Change Assist will sound an alert if the vehicle in the adjacent lane is approaching at a faster speed than you are travelling to safely pass.

Rear Cross-Traffic Collision Warning⁵

Activated during reverse driving, the Rear Cross-Traffic Collision Warning uses radar to warn the driver of vehicles approaching from either side, even before they come into view of the standard rearview camera.

Parking Distance Warning — Reverse

With this feature, sensors in the rear bumper detect and warn the driver about imminent obstacles for safe parking. Audible alerts will increase in frequency as you approach closer to objects behind you.

Colours and wheels

Exterior colours*

Chalk White

Lake Silver

Not available on Trend model

Dark Night

Not available on Essential and Trend models

Phantom Black

Pulse Red

Tangerine Comet

Blue Lagoon

Not available on Essential and Preferred models

Acid Yellow

Accessories

Skirt Package

Customize your Kona with stylish front, rear and side skirts that complement its unique design.

Cross Rails & Ski/Snowboard Carrier

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room. Carry up to six pairs of skis or two snowboards with this convenient lockable carrier.

Accessory Frame & Hitch Mount Bike Carrier

An accessory frame makes it quick and easy to attach a hitch-mounted bike carrier. Bike cradle holds up to two bikes and provides maximum security. Frame not intended for towing.

Cargo Tray

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

Accessories may not be exactly as shown. For more information on additional accessories, please visit hyundaicanada.com or visit your dealer today.

Model summary

Essential

Standard equipment includes:

- 2.0L MPI Atkinson 4-cylinder engine
- 6-speed automatic transmission
- Drive Mode Select
- Temporary compact spare tire
- 16" alloy wheels
- Automatic headlight control with projector beam headlights
- Black painted grille
- Body colour exterior mirrors
- Heated, power-adjustable side mirrors
- LED daytime running lights
- Mirror-mounted turn signal indicators
- 6 airbags
- Vehicle Stability Management, Electronic Stability Control, Traction Control System, Anti-Lock Braking System
- 7.0" touch-screen display
- 12V power outlet
- 6-way manually adjustable driver's seat
- 60/40 split-fold rear seatbacks

- AM/FM/MP3 audio system with 6 speakers
- Apple CarPlay™ and Android Auto™
- Bluetooth® hands-free phone system
- Cruise control
- Dual USB chargers
- Low washer fluid warning
- Heated front seats
- Map lights with sunglasses holder
- Power door locks
- Power windows with driver's auto-down
- PTC heater
- Rear wiper
- Rearview camera
- Remote keyless entry system with alarm
- Roof rack side rails
- Tilt-and-telescopic steering wheel

Optional:

- All-Wheel Drive with Active Cornering Control, Multi-link rear suspension

Preferred

Includes **Essential** standard equipment plus:

- 17" alloy wheels
- Fog lights
- Blind-Spot Collision Warning
- Rear Cross-Traffic Collision Warning
- Dual illuminated vanity mirrors and sliding sunvisors
- Heated steering wheel
- Leather steering wheel and gear shift knob
- Power windows with front auto-up/down with pinch protection
- Proximity keyless entry with push-button ignition

Optional:

- All-Wheel Drive with Active Cornering Control, Multi-link rear suspension

Optional:

- Two-tone exterior body colour (available with select exterior colours only)

Luxury

Includes **Preferred** standard equipment plus:

- All-Wheel Drive with Active Cornering Control
- Multi-link rear suspension
- Rear window privacy glass
- Solar control glass
- Forward Collision-Avoidance Assist with Pedestrian Detection
- Parking Distance Warning — Reverse
- 8-way power-adjustable driver's seat with 2-way lumbar support
- AM/FM/SiriusXM™/MP3 audio system with 6 speakers
- Automatic temperature control with automatic window defogging system
- Bluetooth® hands-free phone system with voice recognition
- Leather seating surfaces
- Luggage net
- Power sunroof

Trend

Includes **Preferred** standard equipment plus:

- 1.6L Turbo GDI 4-cylinder engine
- 7-speed Dual Clutch Transmission
- All-Wheel Drive with Active Cornering Control
- Multi-link rear suspension
- Torque Vectoring Control
- 18" alloy wheels
- Black painted side sills
- LED tail lights
- Rain-sensing windshield wipers
- Rear window privacy glass
- Silver painted rear skid plate
- Solar control glass
- Unique grille and fog lamp bezel area (black + chrome)
- AM/FM/SiriusXM™/MP3 audio system with 6 speakers
- Head-Up Display

Optional:

- Two-tone exterior body colour (available with select exterior colours only)

Ultimate

Includes **Trend** standard equipment plus:

- LED headlights
- Sharkfin antenna
- Forward Collision-Avoidance Assist with Pedestrian Detection
- High Beam Assist
- Parking Distance Warning – Reverse
- AM/FM/SiriusXM™/HD Radio/MP3 Infinity® audio system
- 8.0" touch-screen display with navigation system (includes Map Care: two updates per year for five years, free of charge — see dealer for details)
- 8-way power-adjustable driver's seat with 2-way lumbar support
- Automatic temperature control with automatic window defogging system
- BlueLink® Connected Car System
- Electrochromic rearview mirror with HomeLink® integrated transceiver and compass
- Leather seating surfaces
- Luggage net
- Supervision cluster with 4.2" TFT LCD screen
- Power sunroof
- Wireless charging pad▼

Optional:

- Black leather with red colour package (available with select exterior colours only)
- Or
- Black leather with lime colour package (available with select exterior colours only)

Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. [†]Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. ^{**}Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. ^{††}Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories. [‡]Apple CarPlay™ works with iPhone 5s, iPhone 5c, iPhone 5 and later models running the latest version of iOS 7 and above. CarPlay™ may not be available on all devices and may not be available in all countries or regions. Visit www.apple.com for further details and any applicable limitations. Subject to app compatibility. Apple and Apple CarPlay are trademarks of Apple Inc.. [§]Android Auto™ is compatible with Android phones running Android Lollipop or newer. Android Auto may not be available on all devices and is not available in all countries or regions. Additional apps may be required. Visit www.android.com for further details and any applicable limitations. Subject to app compatibility. Android and Android Auto are trademarks of Google Inc.. [¶]Not all devices will be compatible. See Owner's Manual for further details. ^{‡‡}Available on select models only. BlueLink® includes 5 years of service without charge. The BlueLink® service is available for new vehicle purchases and leases subject to the BlueLink® subscription terms and conditions. Only use BlueLink® and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees may vary by model and are subject to change. For more on details and limitations, visit hyundaicanada.com or your authorized Hyundai dealer. ^{§§}Forward Collision-Avoidance Assist (FCA) is designed to detect vehicles that are directly in front of the vehicle. FCA will not detect all vehicles and objects. FCA may not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. FCA initiates full braking at speeds between 8 and 80 km/h (vehicle detection) or 8 to 64 km/h (pedestrian detection). FCA will not detect all pedestrians under certain conditions. See Owner's Manual for detailed descriptions of example conditions in which FCA may not detect a pedestrian. FCA is not a substitute for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations. ^{¶¶}The Lane Departure Warning with Lane Keeping Assist operates when vehicle speed exceeds 60 km/h and only when the lane markings are clearly visible on the road and detected by the system. It will not prevent loss of control. See Owner's Manual for further details and limitations. ^{‡‡‡}Driver Attention Warning (DAW) is only a notification system and will not influence the direction or speed of the vehicle. DAW will not prevent accidents. DAW does not replace attentive and safe driving. Always ensure that you pay careful attention while driving. See Owner's Manual for further details and limitations. ^{§§§}Never rely completely on Blind-Spot Collision Warning (BCW) and be sure to use proper lane changing procedures. BCW will not detect every object or vehicle and will not prevent accidents. Always look over your shoulder and use your mirrors to confirm clearance. See Owner's Manual for further details and limitations. ^{¶¶¶}Never rely exclusively on the Rear Cross-Traffic Collision Warning. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection, range and clarity of the system. The system may not detect every vehicle. This system does not detect stationary objects. Vehicle must be in reverse and has to be travelling at 10 km/h or less. See Owner's Manual for further details and limitations. The SiriusXM™ name is a trademark of SiriusXM Satellite Radio Inc.. Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.. HomeLink® is a registered trademark of Johnson Controls Inc.. Infinity® is a registered trademark of Harman International, Inc.. All other trademarks and trade names are those of their respective owners.
