Customize what you listen to and how you listen to it with the Pioneer™ premium audio system. Features include large LCD color touch-screen, HD Radio™, iTunes® tagging, Bluetooth¹ compatibility, PANDORA®³ Internet radio, personal music player compatibility, optional XM®² Satellite Radio, back-up camera⁴ capability and more.

ACCESSORIES

Interior

Elevate your listening experience with the Pioneer™ standard audio system. Features include HD Radio™, personal music player compatibility, Bluetooth¹ compatibility, optional XM®² Satellite Radio and more.

PIONEER™ STANDARD AUDIO SYSTEM ▲

SCION NAVIGATION SYSTEM 200 ▼

Turn your passenger compartment into an entertainment and communication center with the Scion Navigation System 200⁵. Access functions and controls through an easy-to-use 7-inch touch-screen LCD display. The SNS200 boasts a navigation system, hands-free calling, audio system and DVD player all in one.

ACCESSORIES

Interior

Celebrate freedom from static and ensure you always have the perfect soundtrack for the streets at your fingertips with XM®² Radio. With over 170 channels, XM brings you more of what you love. Get commercial-free music plus all of your favorite sports, news, talk and entertainment along with dedicated channels for instant traffic and weather reports.

▲ XM® RADIO

▼ REAR SEAT ENTERTAINMENT SYSTEM

Transform your xB into the ultimate entertainment machine. The dual headrest rear seat entertainment system enables your rear passengers to watch movies, play video games and listen to music. Featuring two integrated DVD players with seven-inch LCD monitors mounted on the back of each front-seat headrest, the system includes two wireless headphones⁶, is iPod^{®7}-compatible and includes an A/V jack for connecting external inputs.

Custom-tailored for an exact fit to your xB's floor pattern, the carpet floor mats[®] are constructed of high-grade plush nylon carpet, color-coordinated to your vehicle's interior and include an embroidered xB patch logo. An aggressive no-slip backing helps keep the mats in position to protect your original carpet from premature wear and stains. They're also removable and easy to clean.

▲ CARPET FLOOR MATS

▼ ALL-WEATHER FLOOR MATS

Tough, durable all-weather floor mats[®] help protect the vehicle's original factory carpet. These solid one-piece floor mats feature a distinctive hexagon pattern design that helps contain moisture, grease, dirt, sand and other debris. Plus they feature an anchoring mechanism that consists of sturdy retention hooks anchored to the vehicle's floor, along with nibbed backing to help prevent the mats from shifting. Inserting the hooks into the holes integrated within the mats helps hold them securely in place (retention clips included).

Interior

Savor the sweetness of having your vehicle ready and waiting with a comfortable interior temperature on cold winter mornings or hot summer afternoons, courtesy of Scion Remote Engine Start. This intelligent accessory allows you to remotely start your engine, and activate the air conditioner, heater, defroster and defogger functions (when pre-set before exiting the vehicle). Fully integrated into your factory security/keyless entry system, there's no need for an additional remote.

▲ REMOTE ENGINE START

▼ SCION SECURITY SYSTEM

This complete vehicle security system—designed for vehicles that already have keyless entry and remote lock/unlock—includes an alarm and glass breakage sensor. That means your security system is activated immediately if the glass is broken or if forced entry of a side door (or the trunk) is attempted. The system also includes automatic rearming and relocking, door ajar warning, exterior light activation, panic alarm, rolling code technology and starter disabling. This premium accessory also adds to your vehicle's resale value.

CARGO MAT

Custom-cut for an exact fit to your xB's cargo area, the cargo mat is made of highly resilient, fade-resistant nylon carpet. Helping to protect your cargo area from premature wear, the mat has a non-slip underside to help prevent sliding and attractive reinforced-serged edging for long-term durability. It also features an embroidered Scion logo for a custom look.

Customized for precise fit and color matched to your vehicle's interior, this handy cargo area cover attaches to your rear seats, providing added security for items stored in your cargo area. The cargo area cover is resistant to ultraviolet rays, offering valuable protection against sun damage and fading.

CARGO COVER ▲

CARGO NET ▼

Get control of your cargo area with this nifty envelope-style cargo net. Designed to help keep your cargo area organized, the cargo net holds a variety of everyday items—from groceries to athletic gear—and helps ensure they don't shift around or tip over. Made of durable netting that attaches to defined points in the rear cargo area, the net even includes small fabric pockets for stashing small items.

ACCESSORIES

This must-have overhead console box provides convenient and easily accessible storage room for sunglasses, maps, papers and other belongings. It's manufactured from gray impact-resistant plastic—helping to ensure long-term durability, while blending seamlessly with your vehicle's interior color scheme. Plus, the integrated picture frame lets you add your own personal touch.

▼ C-PILLAR STORAGE NET

Store your stuff with this C-pillar storage net, custom-crafted for your xB's cargo area. It takes advantage of those built-in C-pillar cubbies to add additional storage capacity for a variety of smaller items or accommodate fewer bulky items. Handy, yet out of the way, the durable elastic mesh netting and backing attach securely to help keep things in place.

▲ OVERHEAD CONSOLE BOX

▼ AUTO-DIMMING MIRROR

Optimize your rear view with an automatic-dimming inside mirror to help relieve you from enduring the full glare of headlights behind your vehicle during nighttime driving. When built-in sensors detect headlight glare, the auto-dimming feature automatically dampens the glare and improves your rear view, reducing eyestrain and driver fatigue.

REAR WIND DEFLECTOR

Add a personalized touch to your xB with the top-mounted rear wind deflector. Beyond its sporty appearance, the rear wind deflector is made of high-quality lightweight plastic, featuring precisely sculpted detail and long-term durability. Plus, it's color-keyed to match your xB.

Help protect your xB's factory paint from sand, stones, insects and other road debris that can chip and scratch the finish with paint protection film. Constructed from durable, colorless urethane and nearly invisible, it can be applied to the leading edge of the hood. Quick and easy to install, the paint protection film helps maintain a like-new appearance.

PAINT ▲
PROTECTION FILM

REAR BUMPER PROTECTOR ▼

Help keep the top surface of your rear bumper free of scrapes and scratches and preserve your Scion's like-new appearance with this durable black PVC rear bumper protector. The bumper protector incorporates a cut out Scion logo and offers pressure-sensitive adhesive for simple installation.

FOG LIGHTS

The fog light kit features intense, high-performance halogen bulbs that cut through fog, bad weather and dark nights to help enhance your visibility, while providing an added measure of safety. The fog lights are designed to fit in the lower front grille and plug into the vehicle's existing wiring harness. Plus, the high-performance halogen bulbs comply with DOT regulations and are both corrosion- and shock-resistant.

Amplify your urban cruiser's attitude quotient with a real carbon fiber window trim appliqué. The window trim kit includes appliqués to fit all around your front and rear doors—plus, each trim piece is coated in durable urethane for a slick, custom feel that also helps ensure against peeling or yellowing. Designed specifically for your xB, so you can count on a precise fit.

Add some prestige to your ride with one of these three different wheel covers that come standard with each vehicle. Injection-molded from ABS plastic to hold up under the toughest conditions, these Scion wheel covers enhance your vehicle's stylish appearance and add a personalized, custom touch to your xB.

ROLL OUT IN STYLE

17" Alloy Wheel with Premium Gun Metal Finish

16" Alloy Wheel

ALLOY WHEELS

A sporty and stylish upgrade to your xB's factory steel wheels, these split 5-spoke aluminum alloy wheels are available in 16- and 17-inch diameter. Constructed from lightweight aluminum alloy which helps improve performance and handling, these aggressive wheels add a stylish twist to your xB. Custom-designed specifically for your vehicle, these wheels adhere to Scion's strict engineering specifications. Styles available: 16-inch Alloy Wheel and 17-inch Alloy Wheel with Premium Gun Metal Finish.

Race-inspired TRD performance shocks enhance the xB's performance by helping provide a firm, well-managed ride without excessive harshness. Sport-tuned specifically for the xB, these twin-tube, high-strength shocks and struts use more aggressive valving to help reduce body lean, resulting in overall enhanced response and cornering performance. Plus, a shorter strut cartridge improves wheel travel. TRD performance shocks are designed to work with either stock springs or TRD lowering springs — and complement TRD performance wheel/tire combinations, making them the ideal choice for extreme street applications.

TRD

▲ TRD SHOCK ABSORBER SET

▼ TRD REAR SWAY BAR

Engineered by TRD to help enhance vehicle handling characteristics, the rear sway bar provides a flatter, more firm cornering stance. Constructed of high-quality spring steel, the sway bar features a gloss red powder coat finish that resists corrosion and helps protect against road damage. It also provides a striking visual enhancement to the vehicle.

The TRD front strut brace mounts inside the engine compartment to increase chassis rigidity. The result is reduced flex and increased handling precision during aggressive cornering and rough-road driving. Manufactured from lightweight, high-strength TIG-welded extruded aluminum, the TRD front strut brace is powder-coated in a TRD red titanium-colored coating for maximum protection and durability, and features a bold TRD logo on a brushed aluminum plate.

▲ TRD FRONT STRUT BRACE

▼ TRD SHIFT KNOB

This stylish ball-type shift knob is made from genuine carbon fiber and precision-engineered to enhance shifting feel. Accented by a bold red TRD logo, the shift knob makes a smart addition to your interior. It maintains Scion's high quality standards for performance and strength and is quick and easy to install. Fits M12 x 1.25 metric-thread Scion shift levers.

▼ TRD LOWERING SPRINGS

Slalom, skid pad or street... you'll be ready! Featuring TRD's proprietary spring rate—linear in front, progressive in rear—TRD lowering springs lower your vehicle's center of gravity by approximately one inch. The result is enhanced on-road performance through quicker turn-in, enhanced steering response and improved cornering ability. The lowering springs have been rigorously tested and engineered.

TRD

ACCESSORIES

Roll big with these TRD 19-inch, 5-spoke lightweight alloy wheels². The spokes are finished in graphite gray and really pop against the machined aluminum finished outer lip and billet knurled aluminum snap-in center cap. These stylish wheels are the ultimate upgrade for your xB and reflect TRD's engineering requirements—incorporating the proper weight, offset and brake clearance for fit, finish and reliability—to create the optimal wheel. Also available in matte black finish.

Improve fade resistance and enhance pedal feel with the TRD high performance brake kit. A four-piston opposed fixed caliper design optimized specifically for the xB enables shorter braking distances, while the application-specific, one-piece rotor design ensures durability under the harshest conditions, reducing maintenance requirements and simplifying service. The kit also includes Kevlar/ceramic compound performance brake pads and stainless steel braided brake lines with Teflon[®] reinforced construction.

Beyond boosting horsepower the race-tested TRD sport muffler delivers a deeper and more resonant engine sound that enhances your vehicle's presence and appearance, while providing a measurable increase in horsepower. It's constructed entirely of 304 stainless steel, features a polished double-walled muffer body, rolled edge and TRD logo on both sides of the high-polished, slant-cut exhaust tip.

ACCESSORIES

¹ Performance of Bluetooth® -compatible phones will vary based on phone software version, coverage, and your wireless carrier. Phones are warranted by their manufacturer, not Scion.

² XM services require a subscription after 90-day trial period. Subscriptions governed by XM Customer Agreement available at xmradio.com. If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates, unless you call 1-800-967-2346 to cancel. Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C.

³ PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission.

⁴ The back-up camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy.

⁵ Availability and accuracy of the information provided by the Navigation System or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your Navigation System Owner's Manual or contact XM for details.

⁶ Headphones are for passenger use only. Do not use while operating vehicle.

⁷ iPod® accessory is not included. iPod is a registered trademark of Apple, Inc. All rights reserved.

⁸ To avoid interference with pedal operation: Each mat must be secured with retention hooks (clips). Do not install a floor mat or an all-weather floor mat on top of an existing floor mat. This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle.

⁹ 19-in. performance tires are often expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 15,000 miles, depending upon tires selected and driving conditions.

¹⁰ The TRD performance air intake is to be sold as a dealer installed or over-the-counter option, after the retail sale of the vehicle. The TRD performance air intake may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle.

TRD Warranty

Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for complete warranty information.
