

V60

CROSS COUNTRY
ACCESSORIES

Load Bars

These heavy-duty arched aluminum profile bars integrate perfectly into the hidden built-in mounts in the roof molding.

Rear Seat Entertainment Multi-Media System

System includes two 8" touch screens, two DVD players, wireless headphones and connections for most external media.

Front Blind View Camera

Negotiate tight exits with ease, even when visibility is restricted. This camera allows you to "see around corners" with a 180° field of vision in front of the V60.

Illuminated Sill Moldings

Aluminum Illuminated Sill Moldings are a stylish addition to the V60 that will be noticed every time a front or rear door is opened.

Sport Pedals

Brushed aluminum racetrack-inspired Sport Pedals with raised rubber accents – specially designed to complement the rest of the interior sport accessories.

Steel Cargo Barrier

This color-coordinated gas-sprung steel grille helps protect passengers from unsecured loads when braking sharply. Conveniently folds up against the roof.

Glasses Holder

Suitable for most glasses, this practical/functional holder mounts at the grab handle over the driver's side window. Color coordinated with the interior.

Net Pocket Kit

A kit with three mesh pockets, two for the side panels in the cargo compartment and one for the tunnel console in the passenger compartment.

Rubber Floor Mats

Volvo's Rubber Floor Mats are made of sturdy rubber with raised edges to help protect against moisture and dirt. (Set of four.)
