

XC90

ACCESSORIES

Urban Luxury Styling Kit

Color-matched body moldings, front and rear brushed stainless steel skid plates, side scuff plates, fender extensions and front décor frames.

Polished Alloy Wheels

21" 10-spoke Turbine Polished alloy wheels.

Rugged Luxury Styling Kit

Tech black matte body side moldings and fender extensions, front and rear brushed stainless steel skid plates, side scuff plates and front décor frames.

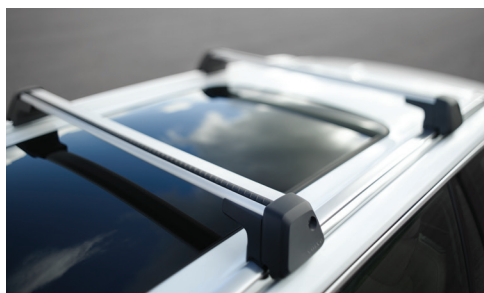

Running Boards

Make it easier to enter and exit the XC90 and load the roof. LED strips on the outside edges provide a high-tech look and rubber inserts help prevent slips.

Bumper Protector

Attractive brushed stainless steel bumper protector helps shield the paint from scratches when loading and unloading the vehicle.

Load Bars

Aerodynamically designed wing profile bars to reduce air resistance and wind noise. They lock in place and hold the complete line of Volvo roof-top accessories.

Child Booster Cushion Upholstery

This new generation of comfort upholstery and head restraints for the integrated booster cushion, provides good support, and helps keep the upholstery clean.

Rubber Floor Mats

Soft, flexible floor mats have raised edges all around to protect the passenger compartment against moisture and dirt. Also includes a back seat tunnel mat.

Cargo Tray

Practical and attractive two-piece molded plastic mat protects entire load compartment surface. High-friction coating helps prevent the load from sliding.

Steel Cargo Barrier

Protect passengers from unsecured loads when braking sharply. Simple to install and remove. Integrates with Vertical Divider and Dog Gate.

Trailer Hitch

Class II hitch provides excellent towing capacity and integrates with all Volvo hitch-mounted accessories. 2" ball holder removes easily when not in use.
