DANDELION CHOCOLATE TASTING EXPERIENCE

This delicious and informative class will introduce you to the skill of fine-chocolate tasting — including tasting techniques, flavor identification and descriptive language. Throughout a lively, interactive Zoom session facilitated by a chocolate pro, you'll taste your way through a flight of five distinctive chocolate bars. Learn how to perceive chocolate, identify flavor families, and understand how flavors are developed.

The class will be 60 minutes long, and you are welcome to invite a friend to join you if you are sharing the same computer or tablet. You'll receive sign-up instructions with your kit.

Package includes:

- One 60-minute virtual class
- Five single-origin chocolate bars, each 70% cacao:
 - Costa Esmeraldas, Ecuador; Ambanja, Madagascar; Kokoa Kamili, Tanzania; Tumaco, Columbia; Maya Mountain, Belize
- Your tasting set also includes an informative tasting sheet

Note: Each bar contains 18 squares of chocolate, so feel free to invite friends or family members to join you!

LOFTIE LAMP PACKAGE

Loftie Lamps are designed to help you achieve better sleep and sync your circadian rhythm. Featuring wake-up and wind-down tools and calming lights, they encourage more natural transitions between sleeping and waking. You'll also enjoy access to Loftie's Night School app with a 3-week course to achieve better sleep.

Dawn simulation has been shown in studies to enhance cognitive performance, improve alertness, and boost physical performance. The gradual disappearance of light in the evening is a powerful signal to your brain that it's time to rest. End your day naturally with your own personal sunset — a gentle, joyful light show that gradually recedes to the base of the lamp, easing your room (and brain) into a soft, restful mood.
