

## RUBICON®

This willing adventurer arrives fully armored to conquer the mighty Rubicon Trail. Wrangler Rubicon® and Unlimited Rubicon are born with Tru-Lok® electronically locking differentials, huge tires, skid plates and the legendary Rock-Trac® transfer case.

## SAHARA®

Authentic capability refined with body-color fender flares, Satin Silver accents and tubular side steps gives Sahara® and Unlimited Sahara their unique appeal. Ride paved roads and rugged trails alike in style with standard 18-inch wheels.

## SPORT

Aim for parts unknown with Wrangler Sport and Unlimited Sport. The powerful 3.6L Pentastar® V6 engine paired with the Command-Trac® 4WD system gives you the goods to go forth with confidence. You'll fear no mud with a washable hose-out interior.

(D) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving activities. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adopt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (E) Be sure to follow all instructions in Owner's Manual for removal of top, doors and lowering of windshield. Driving with doors off and windshield down is for off-road use only. (F) SiriusXM audio and data services each require a subscription after the trial included with the new vehicle purchase, sold separately or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2340. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. (G) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (H) Do not attempt water fording unless depth is known to be less than 20 inches. Traversing water can cause damage that may not be covered by the vehicle warranty. Always off-road responsibly in approved areas. (I) The Advanced Front Airbags in this vehicle are certified to the new U.S. Federal regulations for advanced airbags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front airbag. All occupants should always wear their lap and shoulder belts properly. (J) The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SiriusXM Weather Forecast. Current conditions may not be available in all locations, and features of individual systems will vary. Images shown are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Our satellite service is available only to those at least 18 and older in the 48 contiguous U.S.A. and D.C. Our Sirius satellite service is also available in PR (with coverage limitations). Our Internet radio service is available throughout the SiriusXM service area and in AK and HI. (K) Requires a mobile phone equipped with the Bluetooth Hands-Free Profile (HFP). (L) Phone must support Bluetooth Phone Book Access Profile (PBAP). (M) Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. Subscription required. (N) Complete details, including restrictions, limitations, and exclusions, will be available when you become a Garmin member.
