The New 2012 CLS

It's Groundbreaking – It's Breathtaking and it's a 4-door Coupe!

In the all-new 2012 Mercedes-Benz CLS, the relationship between design and engineering burns brighter than ever. Like every Mercedes-Benz coupe, it's sleek, poised and rakish. Like no car before it, the CLS-Class welcomes its four passengers through four inviting doors. Frameless door glass and a tautly arched roofline define a shape that slices through the air as deftly as its air-suspended chassis carves through corners.

The 2012 CLS has the world's first 7-speed automatic transmission; re-engineered for smoother, more efficient and more responsive performance. An electronic selector and paddle shifters allow complete control of gear changes without taking a hand from the 3-spoke steering wheel. This powerfully efficient CLS comes with a new-generation 4.6-liter V-8, fire-breathing 443 lb-ft of torque and free-breathing ultra-low emissions. Rapid-multispark ignition fires up to four times in a millisecond, while high-pressure Direct Injection manages every atom of fuel with microscopic precision to deliver up to 24 highway mpg.

What are you waiting for? Come into Rosner Mercedes-Benz of Fredericksburg to test drive the 2012 CLS and see for yourself!

VIRGINIA'S MOST CONVENIENT DEALERSHIP
