<sup>1</sup> These features are not a substitute for driving safely with due care and attention and will not function under all circumstances, speeds, weather and road conditions, etc. Driver should not assume that these features will correct errors of judgment in driving. Please consult the owner's manual or your local authorized Jaguar Retailer for more details.

<sup>2</sup> Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. Also, please note, regarding vehicles with an opening roof: Some roof-carrying accessories may restrict opening of the vehicle's sliding sunroof when fitted. Care should be taken when opening the roof to avoid collision with any items fitted above the vehicle.

<sup>3</sup> This item comes with a special 3 year limited warranty for manufacturer defects if purchased at time of vehicle sale. If purchased post vehicle sale - warranty coverage is for a finite period of 12 months, regardless of vehicle mileage.

<sup>4</sup> Unique security coding process is required. See your sales consultant for special ordering details.

<sup>5</sup> Not applicable for vehicles equipped with full size spare wheel.

\* All accessories that require Roof Cross Bars for fitment also require factory-fit roof rails. Roof rails cannot be retro-fitted as an accessory, and are not applicable for First Edition models. Exclusively available in Gloss Black.
