Complete

Provides our most extensive coverage on new and pre-owned vehicles

Coverage extends to any part experiencing a mechanical breakdown except for those parts listed as excluded under the service contract.

Wrap coverage

Factory and/or dealer powertrain warranties are limited to major components. Wrap coverage is an exclusionary level of coverage that is designed to "wrap" around factory and/or dealer powertrain warranties, protecting many of the other vehicle components, subject to specified exclusions. A complete list of exclusions appears in the contract. Since the factory and/or dealer powertrain warranty covers the powertrain portion of your vehicle, wrap coverage does not cover the following component groups:

- Engine
- Turbocharger assemblies
- Supercharger
- Transmission
- Transfer case
- Front and rear drive assemblies

* The term of your wrap coverage may not coincide with the term of your factory and/or dealer powertrain warranty.

Optional coverage

We offer additional coverage for:

- Mobility equipment (coverage includes but is not limited to: chair lift motors and assemblies, electric/hydraulic ramp controls and assemblies, adjustable seating mechanisms, adjustable pedal and steering control mechanisms, hoist and swing-arm mechanisms)
- Climate control system (for powertrain coverage only)
- Snow plow
- Lift kit/tire modifications

Limits and exclusions

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a breakdown as defined in the contract. Under some circumstances, a breakdown of a covered part may not be covered (for example, failure due to misuse or lack of proper maintenance or when a non-covered part is what caused the covered part to fail). Also, the exclusions contain a list of parts not covered, some of which may be associated with a covered part (for example, brake drums, pads and rotors; exhaust pipes, mufflers and catalytic converters; and body and trim items). Please see the service contract for details.
