

ACCESSORIZE YOUR CARGO VAN

**FOR INCREASED
PRODUCTIVITY**

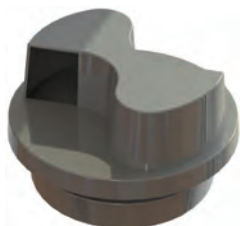

RANGER
DESIGN

A Clariance Technologies Company

SAFETY AND SECURITY

Ranger Design offers the right accessories to help protect your van, your cargo, and most importantly - you!

6050
FLETTNER VENT

Keep the air fresh in your van, especially when carrying toxic materials

6082
TRIANGLE KIT

Make sure that you are clearly visible in case of an emergency stop

6090
BACK UP ALARM

Take the extra precaution and add a back-up alarm for safety while reversing

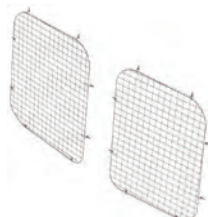

6091
TIE DOWN RING

Install this zinc plated tie down ring in your van to add extra latching points

6092-42
LED LIGHTING

Avoid fumbling for your tools in the dark, and light up your workspace with an LED kit

61 SERIES
WINDOW GRILLS

Prevent theft by protecting the van windows with solid, steel window grills

62 SERIES
SEAT COVERS

Protect your vehicle seats with a set of custom-fit seat covers that will keep your cab looking clean and brand new

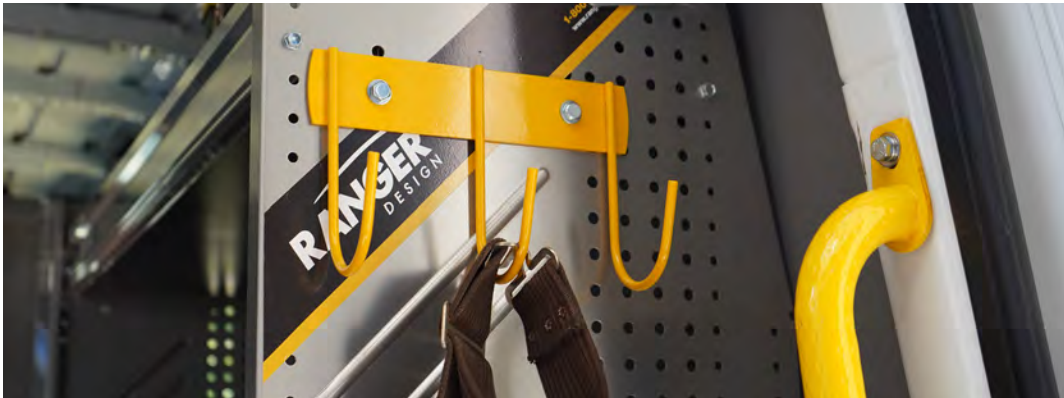

6550 SERIES
MAX STEP

This heavy-duty step provides a wide, stable platform that helps you climb in and out of your van with confidence

HOOKS AND HANDLES

Upfit your van with the right hooks and handles to keep your tools and gear organized and within reach.

**6070
HOOK**

Store the supplies you use the most on a nearby hook for easy access

**6071
TRIPLE HOOK**

The 3-in-1 hook offers versatile storage for tools, cords, and gear on the go

**6072
SWIVEL HOOK**

The swivel hook folds flat against the wall when not in use, for extra space saving

**6073
MOVABLE HOOK**

Hook this on the side of your shelf and enjoy the flexibility it offers

**Y30-C
COAT HOOK**

Keep your coats and vests readily available with a sturdy, steel coat hook

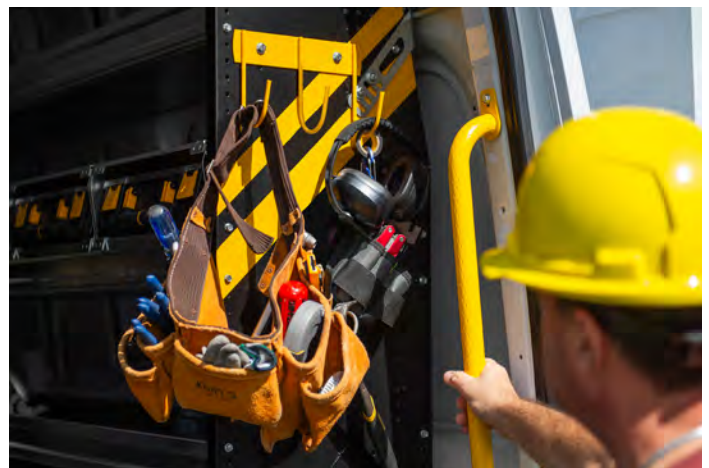

**6093
GRAB HANDLE**

This compact plastic grab handle offers a convenient handhold when stepping in or out of your van

**6093-27
LARGE GRAB HANDLE**

Built to provide a secure grip when climbing in or out the van, especially in high-roof models

ORGANIZATION ESSENTIALS

Increase efficiency on the job by keeping your tools stored away neatly with organized cargo solutions.

6052
WISE HOLDER

Mount your vice on this holder that can be slid out to a max of 64"

6056
PPE STORAGE SYSTEM

Store everything from wipes and plastic gloves, to tissues and sanitizer

6057
CAN HOLDER

The perfect add-on to keep your cans from rolling around the van

6061
2-SLOT PAPER HOLDER

Keep documents organized with two extra-deep slots for secure storage

6063
5-SLOT PAPER HOLDER

Store paperwork neatly in five deep compartments designed for easy access

6066
2-POCKET HOLDER

Mount this anywhere in your van to keep small parts easily accessible

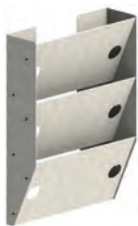

6067
2-SLOT PAPER HOLDER

A compact holder with two slots to keep papers and folders close at hand

6069
5-SLOT PAPER HOLDER

Organize and separate documents that make sorting quick and simple

Y31-A
3-SLOT PAPER HOLDER

Durable steel construction with three slots to protect and organize paperwork on the go

6068
HARD HAT HOLDER

This wire holder attaches to the shelf or van wall to carry your hard hats between jobs

6081-22 CONE HOLDER

Mount this holder near the door for convenient traffic cone storage

7124 REEL HOLDER

This features 2 adjustable rods that can hold reels of up to 12" in diameter

62-U SERIES BINS FOR PARTSKEEPER CASE

Customize your Partskeeper case with extra bins to carry the exact sizes and quantities of parts you need

62-U111 SERIES SHELF BINS

Carry the tools of your trade in our wide range of bins, designed to fit perfectly with all our shelving systems. Each bin includes a center divider, with extra cross dividers available for even more organization.

62-UDH SERIES HIGH SHELF DIVIDERS

Keep tools organized on the shelf with high dividers that prevent items from sliding or tipping over (pack of 5)

62-UDR SERIES SHELF DIVIDERS

Keep supplies in place with standard shelf dividers that help maintain tidy, organized storage (pack of 5)
