VEHICLE SECURITY

SECURILOCK

Turn your van into a vault.

When it comes to protecting your van and your cargo, safety is the #1 priority. That's why we developed the SecuriLock. **Simple, safe and secure**, the SecuriLock makes protecting your cargo easy. An anti-cutting and anti-drilling body means you can close the door, and walk away. It's that easy!

TURN YOUR VAN INTO A VAULT

SecuriLock's body is made of incredibly strong anti-cutting and anti-drilling steel, proven to withstand extreme physical damage and tampering - not to mention stop robberies.

- Weatherproofed steel body with zinc + nickel coating
- Permanently fitted on vehicle door
- High Security Key - hard to duplicate

Available Lock* Options

SecuriLock SlamLock

Packs of 1, 2, or 3

SecuriLock DeadLock

Packs of 1, 2, or 3

**SecuriLock is generally compatible with all vehicle models and can be affixed to both rear and side doors. NOT passenger doors*

SLAMLOCK OR DEADLOCK?

SecuriLock has two available options: SlamLock and DeadLock.

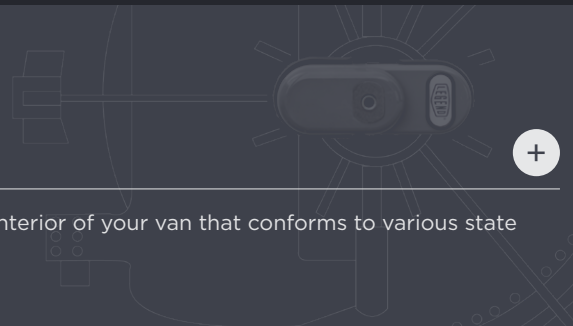

SlamLock means the door locks everytime you slam it shut. No need to insert the key and lock. Best for vans holding high-value cargo such as pharmaceuticals, cannabis, tools and more.

DeadLock allows drivers to choose whether the lock stays active, or whether the lock is "dead". The difference is the direction you turn the key - one disables the lock, one keeps it active.

SECURILOCK FAQ

Does the SecuriLock have an emergency release pin?

Yes! The SecuriLock is equipped with an emergency release pin located on the interior of your van that conforms to various state regulations and laws.
