

LIGHT AND STRONG ALUMINUM SHELVING

15% LIGHTER

Durable aluminum materials reduce weight by an average of 15% over steel

SAME LOAD CAPACITY

Same capacity as our steel shelving

SMUDGE & ABRASION RESISTANCE

Protects your investment from wear and tear

CHEMICAL & WATER RESISTANT

Tested against harsh chemicals

PVC-FREE INSTALLATION

Installs easier than ever before!

LIGHT AND STRONG

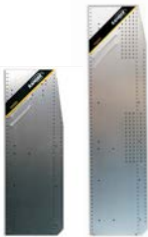

Using lightweight yet durable materials, our Aluminum Shelving delivers the same load capacity as steel with a 15% reduction in weight. Paired with Marine-Grade Plywood shelf trays, it offers enhanced strength for tough, everyday use.

HIGH DURABILITY

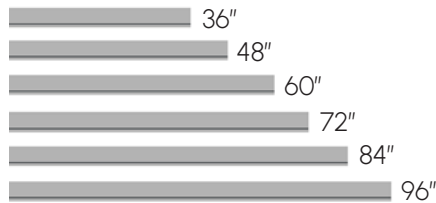

Our aluminum alloy end panels are coated with an anti-smudge and anti-abrasion finish eliminating the need for PVC film. Easy to install and easy to keep clean.

TAILORED TO FIT YOUR NEEDS

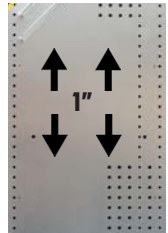

- Available in 2 heights: 44.5" and 62"

- Available in 6 widths:

- Highly configurable shelf heights:

SKU	DESCRIPTION
N4-RA36-3	Aluminum Shelving for Low Roof Van, 16" x 44.5" x 36"
N4-RA48-3	Aluminum Shelving for Low Roof Van, 16" x 44.5" x 48"
N4-RA60-3	Aluminum Shelving for Low Roof Van, 16" x 44.5" x 60"
N4-RA72-3	Aluminum Shelving for Low Roof Van, 16" x 44.5" x 72"
N4-RA84-3	Aluminum Shelving for Low Roof Van, 16" x 44.5" x 84"
N4-RA96-3	Aluminum Shelving for Low Roof Van, 16" x 44.5" x 96"

SKU	DESCRIPTION
N5-RA36-4	Aluminum Shelving for High Roof Van, 16" x 62" x 36"
N5-RA48-4	Aluminum Shelving for High Roof Van, 16" x 62" x 48"
N5-RA60-4	Aluminum Shelving for High Roof Van, 16" x 62" x 60"
N5-RA72-4	Aluminum Shelving for High Roof Van, 16" x 62" x 72"
N5-RA84-4	Aluminum Shelving for High Roof Van, 16" x 62" x 84"
N5-RA96-4	Aluminum Shelving for High Roof Van, 16" x 62" x 96"

WHY CHOOSE ALUMINUM?

Aluminum shelving reduces overall vehicle weight, helping improve fuel economy, lower maintenance costs, and increase payload capacity. By optimizing efficiency and minimizing wear caused by excess weight, aluminum delivers an overall more cost-effective solution for your vehicle.

 15% Lighter

 Quiet

 Improved Smudge Resistance

 Same Load Capacity

 PVC-Free

 Improved Abrasion Resistance
