## Steer Clear of Unexpected Expenses Due to Road Hazards

Road hazards are out of your control. EG Assurance is here to ensure that our customers are protected from unexpected expenses due to road hazards when they purchase our Nitrogen Protection Plan.

### Pump Up Your Protection

EG Assurance Provides our customer who have Nitrogen filled tires with a Nitrogen Protection Plan. If the Nitrogen fails to protect your tires from deflating due to a normal road hazard, then the cost of repairing or replacing covered tires may be covered up to the maximum benefit.

### Examples of ordinary road hazards include:

- Potholes
- Rocks
- Metal parts
- Wood debris
- Plastic
- Glass
- Composite materials

### Keep Your Wheels Spinning
