CONSUMER REPORTS RANKS MAZDA #1 AUTO BRAND IN RELIABILITY

consumerreports.com - edited

This year Mazda comes in 1st, moving up from #2, in Consumer Reports Brand Reliability Rankings. Mazda continues to build vehicles that place the automaker at the

top of CR's annual auto reliability brand rankings year in and year out.

Consumer Reports' reliability ratings show how well vehicles have held up and the odds that an owner could be inconvenienced by problems and repairs. A vehicle's reliability can seriously affect how satisfied you will be with a car over the years, and it can significantly influence resale value when you're ready to replace the vehicle.

Consumer Reports obtains its reliability data from the Auto Surveys sent to Consumer Reports members each year. In all, they received responses on about

2021 MAZDA - AWARDED BEST BRAND

US NEWS - NOV 17, 2020

U.S. News & World Report, the global authority in rankings and consumer advice, named MAZDA as its BEST VEHICLE BRAND. The Best Vehicle Brand awards, evaluating 34 brands, recognize industry-wide excellence for cars, SUVs, trucks and luxury vehicles. By highlighting the best brand in the four major segments of the automotive marketplace, the awards help consumers narrow their search for a new car.

In addition to new vehicle reviews and rankings, the annual Best Car

Brand award goes to the automaker with the highest-quality cars, according to the same factors that drive their rankings. These include safety scores, technology, predicted reliability ratings, fuel economy

you're the proud, new owner of a quality vehicle. Other dealerships may promise that their vehicles are solid, in great shape, and without problems, but our dealership warrants the engine of this vehicle with a Lifetime Engine Limited Warranty. For more information, contact our Service Dept.

MAZDA TIRE PROGRAM

If you purchase 4 tires from Schwartz Mazda, you have a free tire rotation for life.

Most tires come with a 24-month Road Hazard Coverage.

This includes the following:

- 100% replacement the first year
- 50% replacement the second year
- Flat tire repair coverage (up to \$20 per occurrence)

329,000 vehicles in their 2020 survey, detailing 2000 to 2020 models.

All data is collected in 2020 and respondents are asked about what problems their vehicle experienced within the last 12 months.

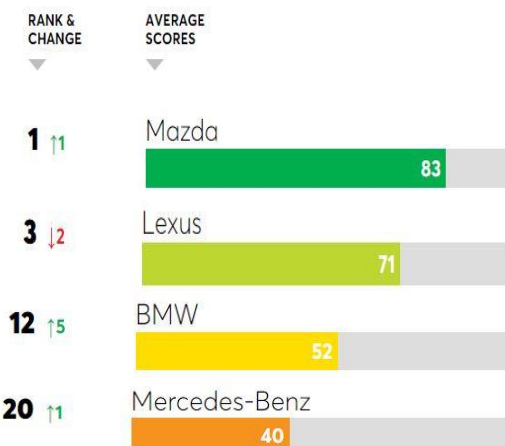

Consumer Reports' Survey Department conducts multiple Auto Surveys each year asking about reliability as well as satisfaction. For reliability, they ask members to note any problems with their vehicles that occurred in the past 12 months. They are asked to identify problems that they considered serious (because of cost, failure, safety, or downtime). CR asks them to include problems covered by warranty, but not the ones resulting from accident damage or due solely to recall. Respondents check off problems from a list of trouble areas, ranging from the engine and transmission to climate system, brakes, electrical system, and power accessories. CR also asks the consumer to write specifically what their experiences were.

Consumer Reports' brand-level rankings are based on the average predicted reliability score for vehicles in the brand's model lineup. CR's predicted reliability score is calculated on a 0-to-100-point scale, with the average rating falling between 41 and 60 points. For a brand to be ranked, they must have sufficient survey data for two or more models.

ratings, and opinions of professional automotive journalists.

According to U.S. News & World Report, the Mazda3, Mazda6 and MX-5 Miata offer superior

performance and handling, and feature premium, quality, and upscale interiors, that are more upscale than their price tags might suggest! At the heart of each Mazda vehicle is SKYACTIV Technology, which includes precise engineering paired with artful craftsmanship.

Mazda is "honored that U.S. News & World Report has recognized

Mazda as its 'Best Car Brand' for the sixth year in a row," said Jeff Guyton president of Mazda North American Operations. "Designed with the driver in mind, Mazda vehicles feature sleek, sophisticated exterior designs and thoughtfully crafted interiors as well as having an active approach to safety that can help deliver a more joyful, confident driving experience for our customers."
