Dear Neighbors

On behalf of the Shrewsbury Community, please allow me to extend congratulations upon your Grand Opening/Reopening in conjunction with the celebration of 100 years of business success within the "Two River" area.

Throughout the years, the Schwartz family continues to be an integral business partner. Few business have enjoyed such a lengthy track record of success as recorded by the Schwartz family. It is a legacy for which all should appreciate, celebrate, and continue to enjoy.

Best wishes for continued success.

Sincerely

*It was an amazing day for a Touch A Truck! Thank you for always supporting this event.  
Best, Amy*

Dear Filomena,

Saturday, September 22nd was an **amazing** day for our community. Monmouth Day Care Center's Touch A Truck event was incredible! The weather was absolutely perfect, and we had a steady flow of families all day long. We believe this was the largest turn-out we have ever had for a Touch A Truck event in 9 years and are estimating 350 families attended. There were 45 vehicles (motorcycles, backhoes, boom trucks, forklifts, 18-wheelers, boats, etc) parked in the lot for the children (and adults) to climb in. We had tables set up by community organizations such as No Limits Café, Child Care Resources of Monmouth County, LunchBreak, It's OK To Be Different, Crop Walk, and more and gave out information on their services. The best part of it all was that we raised over \$10,000 for the Center.

This year's event has proven that our Touch A Truck is continuing to grow year after year. Our success would not have been possible without your participation and support. Thank you for partnering with MDCC and believing in our mission. Our doors have stayed open for 49 ½ years because of community partnerships like yours.

We value our relationship with you and look forward to working together in the future.

Be Well,

*Amy S. Thomas*
