2021 MAZDA CX-5 IN REVIEW

Andy Bornhop - Edited

The CX-5. Mazda's 5-seat crossover, one step in size above the new CX-30, is a versatile SUV, yet it's totally fun to drive. And when you order the turbocharged engine, this Mazda SUV really scoots.

What's New for 2021? Most notable: There's a new model for 2021 – the [CX-5 Carbon Edition](#). Based on the luxurious Touring Preferred SV, the Carbon Edition has Polymetal Gray Paint, black 19-in wheels, and red leather seats.

In other news, Apple CarPlay and Android Auto are standard on all 2021 Mazda CX-5s. So, too, is a 10.25-in center display. Mazda Connected Services, a connectivity package between your car and your smartphone, also is standard for 2021.

What We Like:

- Beautiful inside and out
- Excellent handling & Safety
- Sophisticated AWD setup
- Available turbocharged engine
- Reasonably priced

SCHWARTZ MAZDA AWARDED DEALER RATER CONSUMER SATISFACTION AWARD

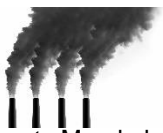

Schwartz Mazda has been awarded a 2021 DealerRater Consumer Satisfaction Award, an annual recognition given to auto dealerships that deliver outstanding customer service as rated by online consumer reviews.

DealerRater, the world's leading car dealer review website, created the Consumer Satisfaction Award program to let online car shoppers instantly spot dealers that provide high-quality customer service. Consumer Satisfaction Awards are given to the top 10 percent of U.S. new-car dealers based on their PowerScore™, as well as top independent dealerships that receive at least 25 annual reviews and maintain a minimum average PowerScore™ rating of 4.0 out of 5.0.

"We'd like to congratulate Schwartz Mazda and all of our Consumer Satisfaction Award winners," said DealerRater General Manager, Jamie Oldershaw. "DealerRater's extensive review database allows shoppers to identify dealerships that

SCHWARTZ MAZDA LIFETIME WARRANTY PROTECTION

When you purchase a Mazda, you can feel confident in knowing that you're the proud, new owner of a quality vehicle. Other dealerships may promise that their vehicles are solid, in great shape, and without problems, but our dealership warrants the engine of this vehicle with a Lifetime Engine Limited Warranty. For more information, contact our Service Dept.

MAZDA TIRE PROGRAM

If you purchase 4 tires from Schwartz Mazda, you have a free tire rotation for life.

Most tires come with a 24-month Road Hazard Coverage.

This includes the following:

- 100% replacement the first year
- 50% replacement the second year
- Flat tire repair coverage (up to \$20 per occurrence)

[Mazda CX-5](#) this February, but don't want to pay too much? Mazda feels your pain, which is why they've created a few financial options to help out. [Call](#) for information on lease deals, returning customer cash bonuses, and special financing offers.

Standard Features & Options:

Mazda's CX-5 for 2021 is offered in seven levels of trim: Sport, Touring, Touring Preferred SV, the new Carbon Edition, Grand Touring, Grand Touring Reserve, and Signature trim levels. AWD is standard on the Grand Touring Reserve and Signature models.

The least expensive **Mazda CX-5**, the **Sport**, comes standard with the new

10.25-inch center display, gray 17-inch alloy wheels, Apple CarPlay/Android Auto, two USB ports, LED headlights (with automatic high beams), rain-sensing windshield wipers, and dual exhaust outlets. The Sport also has cloth-covered seats, a leather-wrapped steering wheel/shift knob, a pushbutton starter, and an electric parking brake. When ordered with AWD, the [CX-5 Sport](#) gets Off-Road Traction Assist, which automatically brakes individual wheels to keep the CX-5 moving in slippery off-road conditions.

Standard safety features on all 2021 Mazda CX-5s include an advanced suite with smart cruise control (with stop & go), automatic emergency braking (with pedestrian detection), a lane-departure warning, and a blind-spot monitor with rear cross-traffic alert.

The CX-5 Touring adds rear privacy glass, dual-zone automatic climate control, rear air conditioning vents, and a pair of rear USB ports. It also has a 6-speaker stereo and auto-leveling LED headlights.

New for 2021 is the CX-5 Touring Preferred SV: This model comes with leather upholstery, a 10-speaker Bose audio system, a power liftgate, a power moonroof, and power front seats.

With the base 2.5-liter engine, the **2021 Mazda CX-5 Carbon Edition**, the Carbon Edition is essentially a Touring Preferred SV with Polymetal Gray paint, black 19-inch alloy wheels, black door mirrors and an interior with red leather seats and black honeycomb trim. Note: The Carbon Edition is the only FWD CX-5 available with the turbo engine.

are providing excellent customer experiences, and it's clear that Schwartz Mazda stands out amongst its peers in New Jersey."

Schwartz Mazda has achieved consistently high scores on the DealerRater website, placing it among the top dealerships nationwide with a 4.9/5.0 rating.

2022 HINO TRUCKS – Schwartz Truck Center - Taking Orders Now
trailer-bodybuilders.com

Hino shut down North America production until October 2021.

The Environmental Protection Agency's Phase 2 greenhouse gas emissions standards cover model years 2021-2027, which means new model year vehicle sales, including the refreshed Hino XL Series (Classes 7 & 8), have also been postponed.

All Hino Class 6, 7, and 8 trucks for the U.S. market are produced at the 1 million sq.-ft. assembly plant in Mineral Wells, W.Va. The site opened in 2019 employs 500 workers and had been intermittently shut down in 2020 due to the pandemic.

EMPLOYEE NEWS

Welcome New Employees

Tom Daly
Sales Representative

Interested in a 10-speaker Bose audio system? It's standard on the **CX-5 Grand Touring**, which also has leather upholstery, paddle shifters, 7-inch digital gauges, satellite radio, a power liftgate, and silver 19-inch alloy wheels. While the AWD Grand Touring comes with the naturally aspirated 2.5, the [CX-5 Grand Touring Reserve](#) has the turbo 2.5 and a head-up display.

The top **CX-5, the AWD Signature**, is distinguished by Nappa leather seats, wood interior trim, a Driver Attention Alert, smart rear braking, a 360-degree surround-view camera, a black headliner and Sirius XM satellite radio.

Safety: The [2021 CX-5](#) comes with a generous complement of safety features, including side-impact airbags in front and rear side-curtain airbags. Smart City Brake Support is standard. This system will automatically slow or stop the CX-5 if it senses an impending collision occurs. Other standard active safety features include lane-departure warning and lane-keep assist, plus rear cross-traffic alert with blind-spot monitoring.

In crash tests, the U.S. National Highway Traffic Safety Administration (NHTSA) has given the Mazda CX-5 a 5-Star Overall Safety Rating. Also, the Insurance Institute for Highway Safety (IIHS) has named the Mazda CX-5 a Top Safety Pick.

Behind the Wheel: With most Mazda vehicles, we expect an enjoyable driving experience. And the CX-5 doesn't disappoint. The output of the base 2.5-liter engine is moderate by modern standards, but it's appropriate for the CX-5's mission. It makes the CX-5 feel sprightly, aided by a conventional 6-speed automatic transmission that shifts smoothly when you want it to. Better performance, naturally, comes with the turbo 2.5.

The CX-5 remains one of the best-handling crossovers. The front suspension is handled by independent MacPherson struts, while the rear features an independent multi-link setup. Stabilizer bars are fitted front and rear, and AWD models benefit from a torque vectoring system that sends power to the outside rear wheel during cornering, for sharpened steering response.
