## MAZDA CPO OFFERS GENEROUS WARRANTY

Schwartz Mazda offers a large inventory of [Mazda CPO vehicles](#).

**CERTIFIED PRE-OWNED**

Mazda's certified pre-owned (CPO) warranty is very generous and has two components. There's a 1-year or 12,000-mile bumper-to-bumper warranty that starts from the day you buy your certified vehicle (or the day the original warranty runs out), along with a 7-year or 100,000-mile powertrain warranty from the original sale date. Mazda's warranty also boasts no deductible, and it's fully transferable to the next owner.

Great Benefits: Full transferability; long powertrain coverage; no deductible; additional bumper-to-bumper warranty and several other enticing benefits.

Mazda's program offers a few other alluring benefits. There's no deductible for repairs, which means you won't have to pay a penny if your car breaks down and you need to fix it. The warranty is fully transferable to the next owner, which may enhance your resale value if you decide to sell before the warranty

### HINO TRUCKS INTRODUCES NEW MODELS AND CAB CONFIGURATIONS

For the past few weeks, [Hino Trucks](#) has been asking the simple question: What size are you?

Well, now it's time to answer that question. Hino has unified its entire lineup of trucks, including model names, to make it even easier for you to match the perfect Hino to you and your business' needs. Hino is excited to announce their new 'M Series' Class 4/5 COE's and new 'L Series' Class 6/7 Conventional trucks, which combined with Hino's recently launched 'XL Series' Class 7/8 vehicles, creates a cohesive family of commercial trucks.

The badges are not the only updates either. Each vehicle now contains larger cab configurations, and a full suite of features adding safety, fresh designs, durability, flexibility and connectivity options, making it clear why Hino is the fastest growing medium-duty truck brand.

"Having extended and crew cab choices will help us better serve our customers' operational needs and open-up new markets for our trucks," explained Glenn Ellis, SVP Customer Experience. "It's impressive how accommodating and spacious both cabs are. Our engineering and design team really did an outstanding job with our new full line-up!" The 30" extended cab will have seating for 5 and the 44" crew cab will have full-size doors and seat 6 passengers and provide the comfort of rear zone A/C and heat.

### FRESH HERB STUFFING

Recipe by Nancy  
[Countryliving.com](#)

Prep: 10 m  
Cook: 40 m  
Servings: 8

#### Ingredients

- 3 tbsp. olive oil, plus more for pan
- 1 loaf country bread, cut into 1/2-inch pieces (about 12 cups)
- 2 medium onions, chopped
- Kosher salt and freshly ground black pepper
- 4 stalks celery, chopped
- 3 c. chicken stock
- 1 c. fresh flat-leaf parsley, chopped
- 2 tsp. fresh thyme leaves
- 2 large eggs, beaten

#### Directions

1) Preheat oven to 375°F. Oil a 2-quart shallow casserole dish (or 3 quart if not stuffing the turkey). Place bread on a rimmed baking sheet and toast, stirring once, until golden brown, 15 to 20 minutes.

2) Meanwhile, heat oil in a large skillet over medium heat. Add onions and season with salt and pepper. Cook, stirring occasionally, until very tender and beginning to turn golden brown, 6 to 8 minutes. Add celery and cook, stirring occasionally, until tender, 6 to 7 minutes. Add stock and bring to a boil. Stir in the parsley and thyme.

3) Stir together bread, vegetables, and eggs in a bowl. If desired, stuff half the mixture into the main cavity of the turkey; transfer the remaining half to the prepared baking dish (if not stuffing the turkey, transfer all the mixture to the prepared baking dish).

4) Cover baking dish with foil and bake for 10 minutes. Remove the foil and bake until golden brown, 15 to 20 minutes.
