

2018

# CANYON

---

# UNCOMPROMISED LIKE A PRO

The 2018 Canyon is the midsize pickup that goes all in on efficiently powerful performance, premium accommodations and bold design. And if that isn't enough, Canyon Denali takes everything a step further by adding distinctive Denali styling, a luxurious cabin and exceptional features. It's a reminder that the same passion and purpose that drive you also drive us. We're setting our own standards and proving that Professional Grade isn't merely a label, it's a way of life. Canyon is a shining example of how we take a strong stance for what we believe in.

Vehicles shown with available equipment.

# DESIGN

WHEN YOUR GRILLE CARRIES THE THREE MOST RESPECTED LETTERS IN TRUCKS,  
YOU WEAR THAT CONFIDENCE LIKE A BADGE. OURS SAYS GMC.

# DENALI

## THE ONE AND ONLY

That's quite a statement. Yet when you combine precision engineering with premium design, materials and appointments, the result is truly unique: the 2018 Canyon Denali. The iconic grille lets you know that what follows carries the legacy of Professional Grade. And the tasteful use of chrome artfully elevates Canyon Denali to the sole position of premium midsize pickup. Inside, you'll find embroidered Denali front head restraints and supportive heated and ventilated leather-appointed front seats accentuated by unique contrasting stitching.

- + 20" Ultra-Bright Machined Aluminum Wheels
- + Hand-Stitched and Heated Leather-Wrapped Steering Wheel
- + 5" Chrome Assist Steps
- + Burnished Aluminum Trim
- + 8" Diagonal Colour Touch-Screen With GMC Infotainment System<sup>1</sup> and Navigation<sup>2</sup>
- + Bose® Premium Seven-Speaker Sound System
- + Centre Console With Wireless Charging Mat<sup>3</sup>
- + Chrome Fog Lamp Bezels
- + Polished Exhaust Tip (V6 Only)

<sup>1</sup>Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. Data plan rates apply. <sup>2</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>3</sup>The vehicle must be on or Retained Accessory Power must be active. Remove all objects from the charging pad. Place the compatible mobile device face up on the charging symbol on the charging pad. Move the device slowly until the battery charging symbol displays on the touch-screen, indicating the device is charging. See your Infotainment System Owner's Manual.

# SLT

## PREMIUM INSIDE AND OUT

Trucks are built to be rough and tough. But there's no rule that says they have to sound, feel and look that way on the inside. In Canyon SLT, you'll find an exceptionally quiet and roomy interior; supportive, comfortably sculpted dual-firmness foam seats; premium materials such as aluminum trim, a soft-touch instrument panel and hand-stitched leather-wrapped steering wheel and additional premium features. To complement its well-appointed cabin, Canyon SLT displays distinctive halogen projector-beam headlamps and signature GMC lighting as well as purposefully designed body lines sculpted for efficiency and a quiet interior.

+ **Leather-Appointed Heated Front Seats**

+ **Power Driver and Passenger Seats With Power Lumbar**

+ **18" Polished Cast Aluminum Wheels**

+ **Sliding Rear Window**

+ **Chrome Door Handles and Mirror Caps**

# SLE

## LOAD IT UP. WE DID.

Even before you fill it up with all your gear, Canyon SLE packs a lot. It puts a long list of standard features in one smart-sized package. Those design elements include a chrome grille surround and 17" cast aluminum wheels, as well as body-colour door handles and mirror caps. It also provides functional equipment such as heated power exterior mirrors and remote keyless entry. Additional SLE features include:

+ Fog Lamps

+ Electronic Rear-Window Defogger

+ EZ-Lift and Lower Tailgate

+ Exterior Driver-Side Spotter Mirror

+ 8" Diagonal Colour Touch-Screen System With GMC Infotainment System<sup>1</sup>

+ Four USB Ports<sup>2</sup>

+ SiriusXM<sup>3</sup>

+ OnStar 4G LTE With Built-In Wi-Fi<sup>®</sup> Hotspot<sup>4</sup>

<sup>1</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates apply. <sup>2</sup>Not compatible with all devices. <sup>3</sup>Available in 10 Canadian provinces, three territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca/terms](http://siriusxm.ca/terms). <sup>4</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. <sup>®</sup>Services vary by model, service plan and conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi.

ASSIST STEPS  
are available dealer-installed accessories.

# ALL TERRAIN

## ALL TERRAIN OUTSIDE. ALL COMFORT INSIDE.

Venturing off the beaten (and often unpaved) path in Canyon All Terrain means you're doing it all from the comforts of a supportive, purposefully crafted interior. You'll find these unique All Terrain features in the cabin: exclusive contrasting red stitching, specific All Terrain seating with logo, special dark aluminum trim on the instrument panel, carbon-fibre-inspired interior accents and, new for 2018, available heated leather-appointed front seats.

+ Automatic Locking Rear Differential

+ Hill Descent Control

+ Off-Road Suspension Package

+ Transfer Case Shield

+ Body-Colour Accents

Preproduction model shown. Actual production model may vary.

# ALL TERRAIN X

## PAVED ROADS ARE MERELY A SUGGESTION

To help you conquer more challenging environments with confidence, the 2018 Canyon offers the available All Terrain X Package. It starts with the Canyon All Terrain and adds:

- + **Black 3" Round Off-Road Step Bars**
- + **Spray-On Bedliner**
- + **Goodyear® Wrangler DuraTrac® All-Terrain Tires**
- + **All-Weather Floor Liners**

CANYON ALL TERRAIN X CREW CAB SLE IN ONYX BLACK  
shown with available equipment.  
Preproduction model shown. Actual production model may vary.

## IN TOUCH. OUT ON THE ROAD.

In Canyon, your always-connected life shouldn't stop because you're on the go. Connect from almost anywhere with an available OnStar 4G LTE with built-in Wi-Fi hotspot<sup>1</sup> and stay in touch.

**DRIVER INFORMATION CENTRE** To make information easy to view at a glance, GMC designers created an available 4.2" diagonal multicolour Driver Information Centre (DIC). Canyon's DIC menu can be navigated with steering-wheel-mounted controls.

**ONSTAR 4G LTE WITH BUILT-IN WI-FI HOTSPOT<sup>1</sup>** The available 4G LTE built-in Wi-Fi hotspot means a fast internet connection for up to seven devices when Canyon is on. It's reliable, powerful and easy to use, and can connect up to 15 metres (50 ft.) away from Canyon. Enjoy a 3-month or 3 GB data trial (whichever comes first).

**REAR SEAT REMINDER** This feature is activated when a second-row door is opened or closed during or just before a trip. When Canyon is turned off, under certain conditions, an audible chime and a message in the Driver Information Centre remind you to check the second row.<sup>2</sup>

<sup>1</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan and conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>2</sup>Does not detect people or items. Always check rear seat before exiting the vehicle. <sup>3</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates apply. <sup>4</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>5</sup>SiriusXM satellite radio service and SiriusXM Traffic are sold separately after trial period. SiriusXM Traffic is available in select markets and requires SiriusXM satellite radio service. If you decide to continue service after your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See complete terms and conditions at [siriusxm.ca/terms](http://siriusxm.ca/terms).

**GMC INFOTAINMENT SYSTEM<sup>3</sup>** Canyon's available 8" diagonal colour touch-screen is the perfect display for the available GMC Infotainment System. A separate system is also available with Navigation,<sup>4</sup> which displays 2-D or 3-D map graphics on the centre-mounted screen. SiriusXM Traffic<sup>5</sup> (3 trial months of SiriusXM<sup>5</sup>) incorporates real-time traffic and road conditions, directing you toward the most efficient route. Both feature enhanced voice recognition.

**REAR VISION CAMERA AND ACTIVE TOW SYSTEM** The centre screen serves as your monitor for the camera. The available Active Tow System adds a centre grid line to help when backing up or hitching a trailer and real-time viewing of your trailer while you're moving.

**BOSE PREMIUM SOUND** The optional Bose sound system is engineered to get you closer to the realism of a live performance with seven speakers to make sure you hear every note.

## IT'S LOADED WITH SMART IDEAS

The thought was, "How can a cargo box do more than just carry your gear?" That's how we arrived at innovations that help you easily get into the bed as well as organize and secure cargo. In addition, Canyon is engineered to deliver exceptional payload capability, thanks to its large cargo box.

**SPRAY-ON BEDLINER** To provide a permanent, nonskid surface, the available black liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down loops.

**EZ-LIFT AND LOWER TAILGATE** Loading the cargo box takes less effort thanks to an available EZ-Lift and Lower Tailgate.

**REMOVABLE AND LOCKING TAILGATE** The tailgate can be removed easily when you need a wide-open cargo box. It locks to secure cargo and help prevent tailgate theft.

**HIGH-STRENGTH STEEL** Unlike the stamped-steel approach, a roll-formed process is used in Canyon's cargo bed, which allows for a higher-grade steel that's stronger, lighter and more durable.

**CORNERSTEP REAR BUMPER** Integrated into the corners, the bumper steps make it easy to access the cargo box. The deep tread of the step accommodates large boots, and hand assists on the top of the side rails help give you a boost into the bed.

**RAIL PROTECTORS** Box rail protectors at the top of the box and across the top of the tailgate improve damage resistance.

**TWO-TIER LOADING** Standard two-tier loading allows a platform to split the load into upper and lower sections, making it easier to haul and store items.

**MOVABLE TIE-DOWN HOOKS** Four patented, load-bearing upper tie-down hooks are available. They can be repositioned in 13 locations around the box depending on the cargo being secured.

CANYON CREW CAB SLT IN DARK SLATE METALLIC  
shown with available equipment.

## PULLS MORE THAN ITS WEIGHT

Canyon defies its size by being strong enough to trailer up to 3493 kg (7700 lb.)<sup>1</sup> when equipped with the Duramax 2.8L I-4 Turbo Diesel and the available Trailering Package. It trailers up to 3175 kg (7000 lb.)<sup>1</sup> with the V6 engine and the available Trailering Package. The gas I-4 and V6 models can trailer up to 1588 kg (3500 lb.)<sup>1</sup> with a bumper-mounted ball hitch. Choose the Duramax engine, and an integrated trailer brake controller and Diesel Exhaust Brake are included to make Canyon the first in its class<sup>2</sup> to offer these vital control features.

**FULLY BOXED FRAME** Canyon's frame is constructed with at least 70 percent high-strength steel for maximum people- and cargo-carrying capability.

**AUTO GRADE BRAKING** Included with the available automatic transmission, it senses when you want to slow your Canyon and engages a Grade Braking shift pattern to help maintain your desired speed.

**TRAILERING PACKAGE** Achieve max trailering capacity with this available feature. Includes trailer hitch and seven-pin connectors.

**HILL START ASSIST** Sensors automatically detect when Canyon is on a 5 percent grade or more. The system holds the brakes momentarily, helping to prevent rollback.

**REAR VISION CAMERA AND ACTIVE TOW SYSTEM** The centre screen serves as your monitor for the camera. Its dynamic grid lines help when hitching a trailer. The available Active Tow System adds a centre grid line to help when backing up or hitching a trailer and real-time viewing of your trailer while you're moving.

**TOW/HAUL MODE** To give you even more power to accelerate when trailering or hauling heavy loads, Tow/Haul mode on V6 and Duramax Diesel models raises automatic-transmission upshift points.

**DIESEL EXHAUST BRAKE SYSTEM** The available Diesel Exhaust Brake System works with Tow/Haul mode and Auto Grade Braking to reduce the amount of braking needed while towing or travelling downhill.

**TRAILER SWAY CONTROL** This feature helps keep both you and your trailer heading in the same direction, automatically. It detects a swaying trailer and applies both Canyon's and the trailer's brakes (if properly equipped) to help bring it back in line.

**TRAILER BRAKE CONTROLLER** For control and easy monitoring of your trailer brakes, Canyon offers an integrated trailer brake controller. It's located within easy reach of the steering wheel for quick adjustments. We include it with the available Duramax Diesel, and it is available with the 3.6L V6 engine equipped with the available Trailering Package.

**HILL DESCENT CONTROL** Activated by pushing a button within easy reach, it uses anti-lock braking for a smooth and controlled hill descent in rough terrain without you having to touch the brake pedal. (All Terrain model only.)

**TAPSHIFT** For command over Canyon's shifting, TapShift puts controls on the shift lever. It's available only on automatic-transmission models.

<sup>1</sup>Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>2</sup>Comparison based on wardsauto.com 2017 Small Pickup segment and latest competitive information available at the time of printing. Excludes other GM vehicles.

shown with available equipment.

# HELPS SENSE TROUBLE BEFORE YOU DO

Canyon's available collision-avoidance technologies are engineered to help enhance your awareness of the road and surrounding vehicles.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

**THEFT DETERRENCE** To help ensure that it remains in your possession, Canyon offers available theft-deterrent technologies to keep potential thieves at bay.

**AIRBAGS<sup>1</sup>** Six standard bags provide protection, including dual-stage frontal, head-curtain with rollover protection, front-seat-mounted side-impact and a 360-degree sensor system to ensure proper bag deployment.

**LANE DEPARTURE WARNING** This available technology alerts you if you wander from your lane without signalling while travelling at speeds faster than 56 km/h (35 mph).

**REAR VISION CAMERA** The centre screen serves as your monitor for the rear camera. It helps you see what's behind you when backing up.

**STABILITRAK** Canyon's electronic stability control system helps improve stability by detecting and reducing traction loss.

**FORWARD COLLISION ALERT** The available Forward Collision Alert helps warn you if the system detects that a front-end collision situation is imminent while following a detected vehicle.

<sup>1</sup>Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information.

## WE'RE AS CLOSE AS THE BLUE BUTTON

Connect to an OnStar<sup>1</sup> Advisor just by pushing the blue OnStar button in your Canyon. Most 2018 Canyon models include the OnStar Basic Plan<sup>2</sup> for 5 years (available on Canyon trim; not available on Canyon SL trim), plus a limited service trial of the Guidance Plan that includes a comprehensive suite of emergency, security, navigation and diagnostic services.

**EMERGENCY: HELP WHEN IT MATTERS MOST.** With Automatic Crash Response,<sup>3</sup> you can be immediately connected to the help you need the moment you need it, even if you can't ask for it. If you're stranded, have a flat tire or need a tow truck, use Roadside Assistance<sup>4</sup> and an OnStar Advisor can locate a nearby service provider and direct them to your exact location.

**SECURITY: IT CAN HELP RECOVER YOUR VEHICLE IF IT'S EVER STOLEN.** Breathe easy knowing a comprehensive suite of Stolen Vehicle Assistance<sup>5</sup> services is available to help recover your vehicle. With Theft Alarm Notification,<sup>6</sup> OnStar can alert you if your vehicle's alarm is sounding, and if your vehicle is stolen, OnStar will work with authorities to help locate and recover it quickly.

**NAVIGATION: TRAVEL MADE EASY.** Turn-by-Turn Navigation<sup>7</sup> makes everywhere you go as familiar as your own neighbourhood. And with OnStar AtYourService,<sup>8</sup> an Advisor can help you book a hotel room on the go.

**CONNECTIONS: FAST AND RELIABLE.** Stay connected almost anywhere, anytime with the built-in Wi-Fi hotspot<sup>1</sup> and connect up to seven devices at fast speeds.

**VEHICLE MANAGER: PREPARING YOU FOR WHAT'S AHEAD.** Enjoy the ultimate ownership experience with your myGMC mobile app.<sup>9</sup> Use Remote Access<sup>10</sup> to start your engine, lock and unlock your doors, honk the horn and flash the lights from anywhere there is cellphone service. Get real-time Diagnostic Alerts<sup>11</sup> or a monthly diagnostics report of the vehicle's engine, transmission and more with Advanced Diagnostics.<sup>11</sup>

<sup>1</sup>Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan and conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>2</sup>The OnStar Basic Plan is available on eligible new vehicles for 5 years and is transferable to subsequent owners for the remaining term. It includes monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans are provided by AT&T. <sup>3</sup>Visit onstar.ca for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. <sup>4</sup>Roadside service provided by Allstate Roadside Services. Limitations and restrictions apply. <sup>5</sup>Service varies by model and conditions. Visit onstar.ca for details and system limitations. Stolen Vehicle Slowdown and Remote Ignition Block are available on select 2009 and newer GM vehicles. <sup>6</sup>Capability varies by model and conditions as well as geographical and technical restrictions. Visit onstar.ca for vehicle availability, details and system limitations. Requires factory-installed theft-deterrent system and Security or Guidance plan or Stolen Vehicle Assistance Add-On Plan and selected notification preference[s]. Vehicles must be locked electronically to arm the factory-installed theft-deterrent system. Messaging and data rates may apply. <sup>7</sup>Requires Basic Plan and navigation system to send directions through the mobile app. Turn-by-Turn directions and Destination Download also available through an Advisor with the Guidance Plan or Navigation Add-On Plan. Visit onstar.ca for coverage maps. Services vary by model. ABS required. <sup>8</sup>Not available on Basic Plan. Hotel booking and billing done through Priceline. <sup>9</sup>Offers may vary. Check AtYourService through a blue OnStar button press for latest offers. <sup>10</sup>Available on select Apple® and Android™ devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device and conditions as well as geographical and technical restrictions. Device data connection required. <sup>11</sup>Visit onstar.ca for coverage maps, details and system limitations. Services vary by model and conditions as well as geographical and technical restrictions. Unlock feature requires automatic locks. Remote start requires factory-installed and enabled remote-start system. <sup>12</sup>Availability and capabilities vary by model. Visit onstar.ca for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address on file and enrolment in Advanced Diagnostics which may include access to monthly Diagnostics Report emails, Diagnostic Alerts, Dealer Maintenance Notification and On-Demand Diagnostics [requires paid service plan]. Other factors may affect vehicle performance. Not all issues will deliver alerts. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Diagnostic Alerts.

**EXTERIOR COLOURS** See your GMC dealer for more exterior colour details.

**WHEELS**

<sup>1</sup>Not available on SL trim. <sup>2</sup>Not available on Denali. <sup>3</sup>Not available on All Terrain. <sup>4</sup>Additional charge, premium paint. <sup>5</sup>Not available on Canyon trim. <sup>6</sup>Available on Denali models only. <sup>7</sup>Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For approved tire and wheel combinations and other important information, go to [gmcaccessories.ca](http://gmcaccessories.ca) or see your dealer for details.

# ACCESSORIES

**GLOSS-BLACK GRILLE WITH BODY-COLOUR SURROUND** Personalize your vehicle with the gloss-black grille featuring a body-colour surround (shown above). Available in a variety of exterior colours, it's designed for a perfect fit and easily replaces the existing grille.

**BED-MOUNTED BICYCLE CARRIER** This is the upright bike carrier that sets the standard for bike-carrying flexibility and ease of use. It accommodates bike frames up to 79.4 mm (3<sup>1</sup>/<sub>8</sub>" in diameter. Requires GearOn Cross Rails. Non-GM warranty. Warranty by Thule.®

**ASSIST STEPS** Stylish steps with textured step pads make it easier to get into and out of your Canyon. They're available in 3" round step bar in black finish or 5" rectangular, with either chrome or black powder-coat finish. Both finishes add great style and excellent corrosion protection.

**GearOn PACKAGES** Canyon is all about helping carry more of your gear with you, so GearOn combines individual accessories into comprehensive packages. For enhanced cargo versatility, the new GearOn Rack System features interchangeable parts to meet your lifestyle and work needs. Your dealer can provide the specifics for the following packages:

**GearOn Divider Package**—Cargo tie-down rings and a bed cargo divider allow you to divide gear into compartments.

**GearOn Bar Package**—Cargo tie-down rings and tiered storage cross rails help you secure cargo of varying shapes and sizes.

**BEDLINER** Protect the bed of your Canyon with this durable bedliner. It's fully ribbed, with a skid-resistant floor to help minimize load shifting. Black with GMC logo.

**PREMIUM FLOOR LINERS** Canyon's floor liners take all-weather floor mat coverage further with raised edges to protect floor and trim contours (shown above). The rear liners feature an easy-to-install and -remove two-piece design.

**TOOLBOX** Canyon's hardworking toolbox can handle up to 113 kg (250 lb.) of storage.<sup>1</sup> It mounts securely to the bed of your Canyon without drilling. It features a removable sliding tray and an integrated handle that make it easy to remove and carry.

**HOOD PROTECTOR** Canyon's custom-designed and -moulded hood protector deflects road debris while helping to shield the hood of your Canyon. It provides a precise fit by following the contour of the hood.

**TONNEAU COVER** The soft folding tonneau cover is constructed of durable, lightweight black-grained vinyl to help protect truck bed cargo from the elements. The tri-folding design allows for quick and easy installation and removal.

**WHEELS<sup>2</sup>** Personalize your Canyon with 18" or 20" wheels. Stand out from the crowd with accessory wheels (shown on previous page) designed, engineered, tested and approved by GMC Accessories. The wheels feature a brilliant, durable finish with GMC logo centre caps.

**POLISHED EXHAUST TIP** Add a sporty appearance to your Canyon with a dual-walled, angle-cut exhaust tip. Available for gas engine models only.

**BED MAT** Reduce cargo shifting with this easy-to-install, nonskid, nylon-reinforced rubber bed mat designed to fit the contours of your Canyon. Fully ribbed construction helps protect your cargo and the truck bed and simplifies cleaning. Withstands extreme temperatures. Tailgate liner available separately.

<sup>1</sup>Cargo and load capacity limited by weight and distribution. <sup>2</sup>Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For approved tire and wheel combinations and other important information, go to [gmcaccessories.ca](http://gmcaccessories.ca) or see your dealer for details.

<sup>1</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates apply. <sup>2</sup>Not compatible with all devices. <sup>3</sup>Available in 10 Canadian provinces, three territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at [siriusxm.ca/terms](http://siriusxm.ca/terms). <sup>4</sup>Requires GMC Infotainment System and compatible iPhone® running iOS 6 or newer. <sup>5</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>6</sup>The OnStar Basic Plan is available on eligible new vehicles for 5 years and is transferable to subsequent owners for the remaining term. It includes monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. <sup>7</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan and conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>8</sup>Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information.

## IMPORTANT WORDS

### PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 2-year/48,000 km Lube-Oil-Filter Maintenance<sup>1</sup>
- 3-year/60,000 km New-Vehicle Limited Warranty<sup>2</sup>
- 5-year/160,000 km Powertrain Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge<sup>2</sup>
- 5-year/160,000 km Courtesy Transportation<sup>2</sup>
- 5-year/160,000 km 24/7 Roadside Assistance<sup>2</sup>
- 6-year/160,000 km rust-through perforation coverage<sup>2</sup>
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)<sup>2</sup>

### OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:<sup>3</sup>

- **GM Protection Plan (GMPP)**—The only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- **Certified Service**—With GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- **GMC Owner Centre**—As an owner, take advantage of the GMC Owner Centre. This online owner's destination gives you access to contests, current offers and helpful resources such as Owner's Manuals. Find out more at [gmcowner.ca](http://gmcowner.ca).

### TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing**—On-the-spot financing, see dealer for full details.<sup>4</sup>
- **GM Student Bonus Program**—Students or recent graduates of high school, college or university<sup>3</sup> may be eligible to receive a Student Bonus vehicle redemption allowance of \$500 or \$750<sup>5</sup> (tax inclusive) (purchased vehicle dependant) to use toward the purchase, lease or finance of one eligible new GMC vehicle.
- **GM Card**—Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new GMC truck or SUV. Restrictions and limitations apply.<sup>5</sup> For full program details, visit [gmc card.ca](http://gmc card.ca).

### INFORMATION RESOURCES:

You can find more information about these programs from your GMC dealer, or at these information centres:

- The GM website at [gmccanada.ca](http://gmccanada.ca)
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)

### A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GMC dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

### A WORD ABOUT ASSEMBLY

GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.
