

ALL-NEW 2018  
**TERRAIN**

# MIGHTY LIKE A PRO

Mighty defeats size. It conquers the odds. Mighty is how pros perform. The all-new 2018 Terrain is the compact SUV reimagined with you in mind. Expressive design, relentless engineering and purposeful technologies are the latest reminders that the same passion and purpose that drive you also drive us. We're setting our own standards and proving that Professional Grade isn't merely a label, it's a way of life. Terrain is the newest example that we're all pros. We take a bold, mighty stance for what we believe in and pursue it like a pro.

DESIGN

# **| ENTICE LIKE A PRO**

CREATING DESIRE UPON FIRST GLANCE IS OUR TRADEMARK. SO, TOO, IS AN UNMISTAKABLE CONFIDENCE THAT HINTS AT THE ENGINEERING EXCELLENCE WITHIN TERRAIN.

# INSPIRATION

To create an interior you'd feel comfortable in, we drew inspiration from the worlds of aviation, architecture, furniture and even wristwatches. Their resistance to the typical and the ordinary helped us create an interior refined around you.

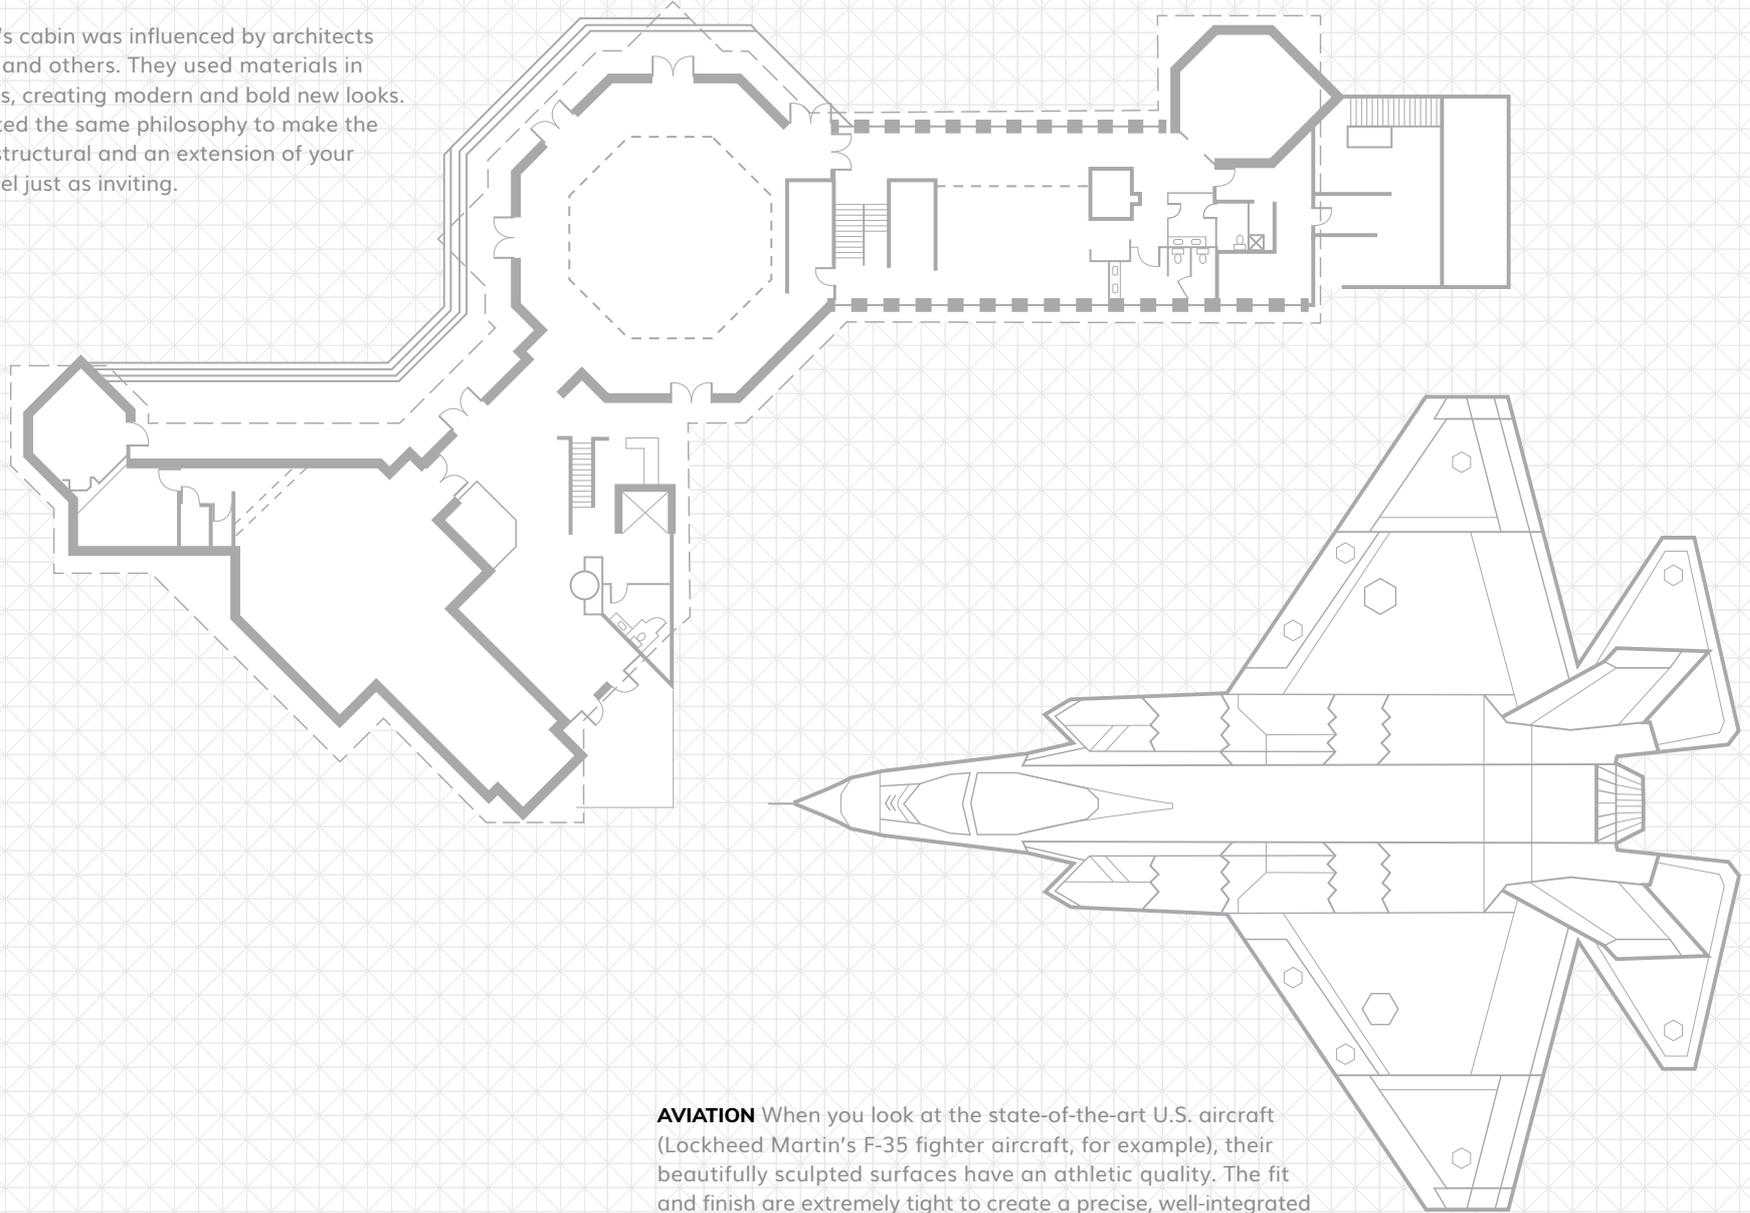

**FURNITURE** We were heavily influenced by modern furniture. To be specific, we drew inspiration from mid-century modern designs. The idea that shapes serve a purpose, nothing is frivolous or ostentatious. The placement of premium materials provides a sense of quality and attention to detail. The use of contrasting stitching and the feel of a soft-touch instrument panel give the sense the interior was designed just for you.

**WATCHES** We looked at high-end watches. Watches that projected a sense of quality and precision rather than decadence. For example, we wanted Terrain's gauges and infotainment screen to be high-tech and intuitive. The gauge cluster has a clean and easy-to-read design. Everything from the infotainment system to the latest technologies were intelligently engineered into the interior.

**ARCHITECTURE** Terrain's cabin was influenced by architects such as Eero Saarinen and others. They used materials in unique, innovative ways, creating modern and bold new looks. Our design team adopted the same philosophy to make the interior bold, modern, structural and an extension of your home. So it needs to feel just as inviting.

**AVIATION** When you look at the state-of-the-art U.S. aircraft (Lockheed Martin's F-35 fighter aircraft, for example), their beautifully sculpted surfaces have an athletic quality. The fit and finish are extremely tight to create a precise, well-integrated appearance. These elements were brought into our design, giving Terrain's interior a sculpted look and feel.

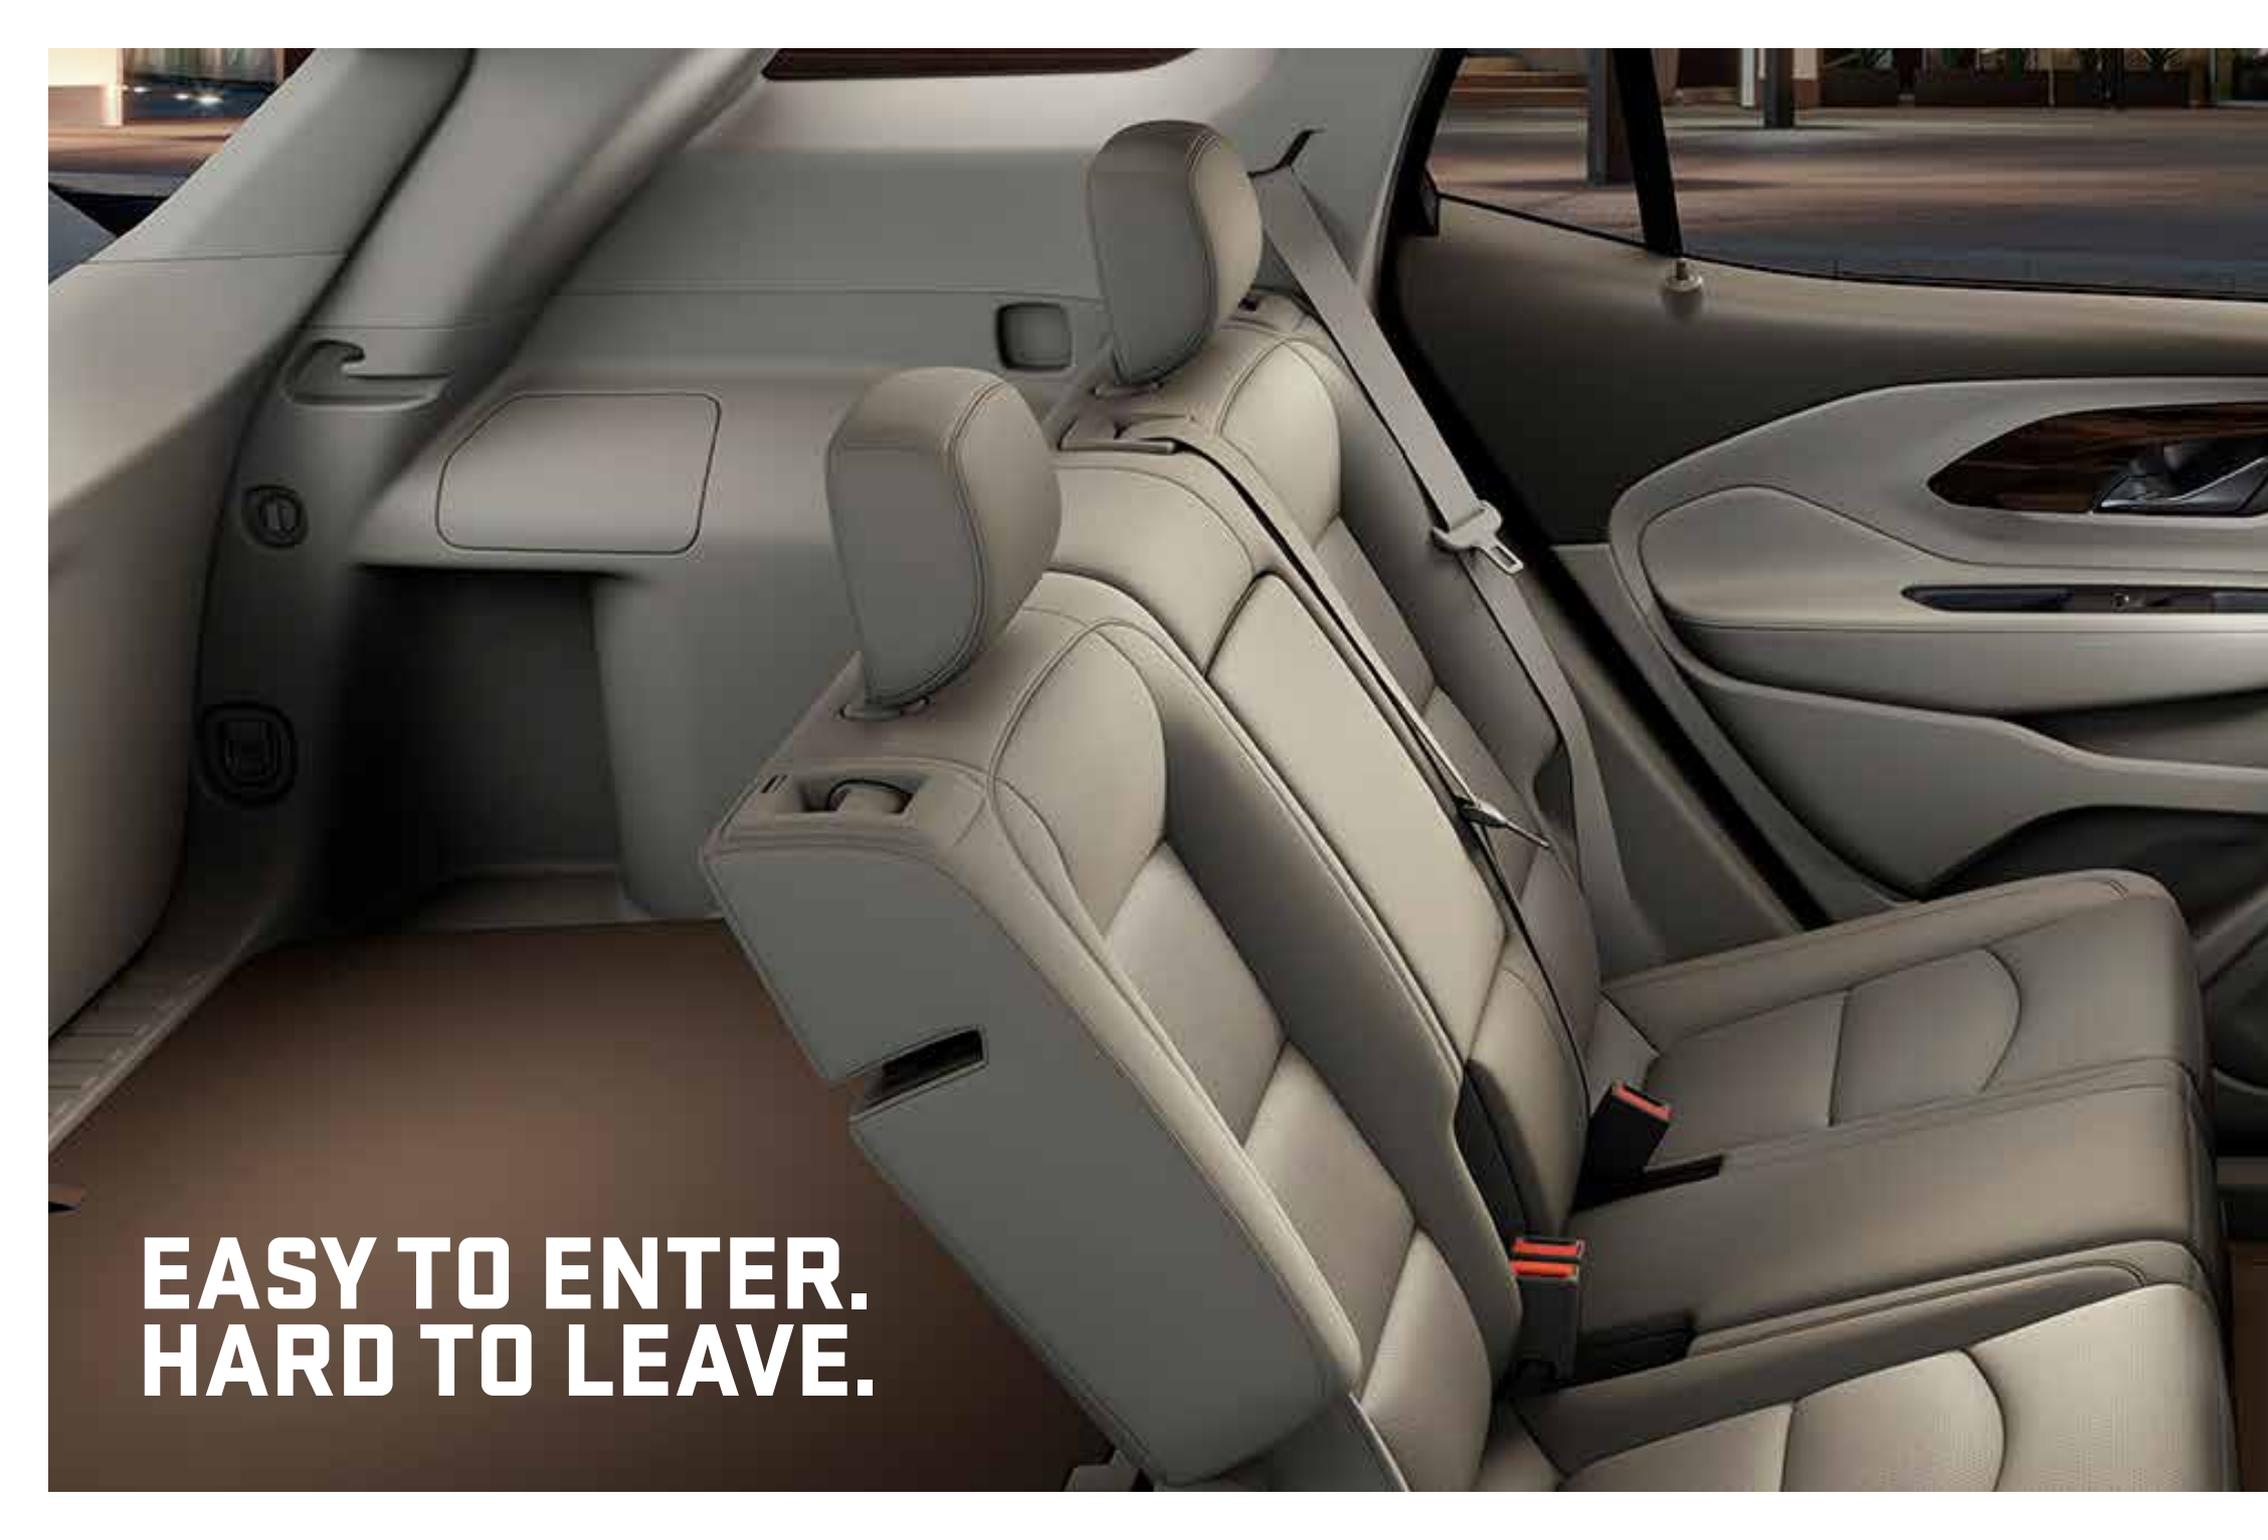

TERRAIN DENALI INTERIOR IN TAUPE/LIGHT PLATINUM  
shown with available equipment.

## A DESIGN THAT DOESN'T STOP AT THE DOOR

There's a design harmony flowing between Terrain's exterior and interior to create a sense of consistency, spaciousness and symmetry. You'll find a blend of contemporary styling, premium soft-touch materials and authentic aluminum trim throughout the cabin. From your first entry, Terrain elevates the experience.

The image shows the interior of a car, specifically the back seat and the right-side door panel. The seats are upholstered in a light-colored, possibly leather or leatherette, material with a quilted pattern. The door panel is also light-colored and features a dark, curved trim piece. The overall lighting is soft and focused on the interior, with a dark background visible through the window.

**EASY TO ENTER.  
HARD TO LEAVE.**

shown with available equipment.

THE ART  
OF TERRAIN

We've elevated Terrain's design to a major art form. It's bold and confident. Distinctive features—such as C-shaped LED signature lighting surrounding the headlamps and tail lamps, exclusive Denali grille and sculpted wheels—perfectly integrate beauty and purpose to catch your eye while optimizing functionality.

**IT MOVES.  
STANDING STILL.**

2.0L I-4 Turbo

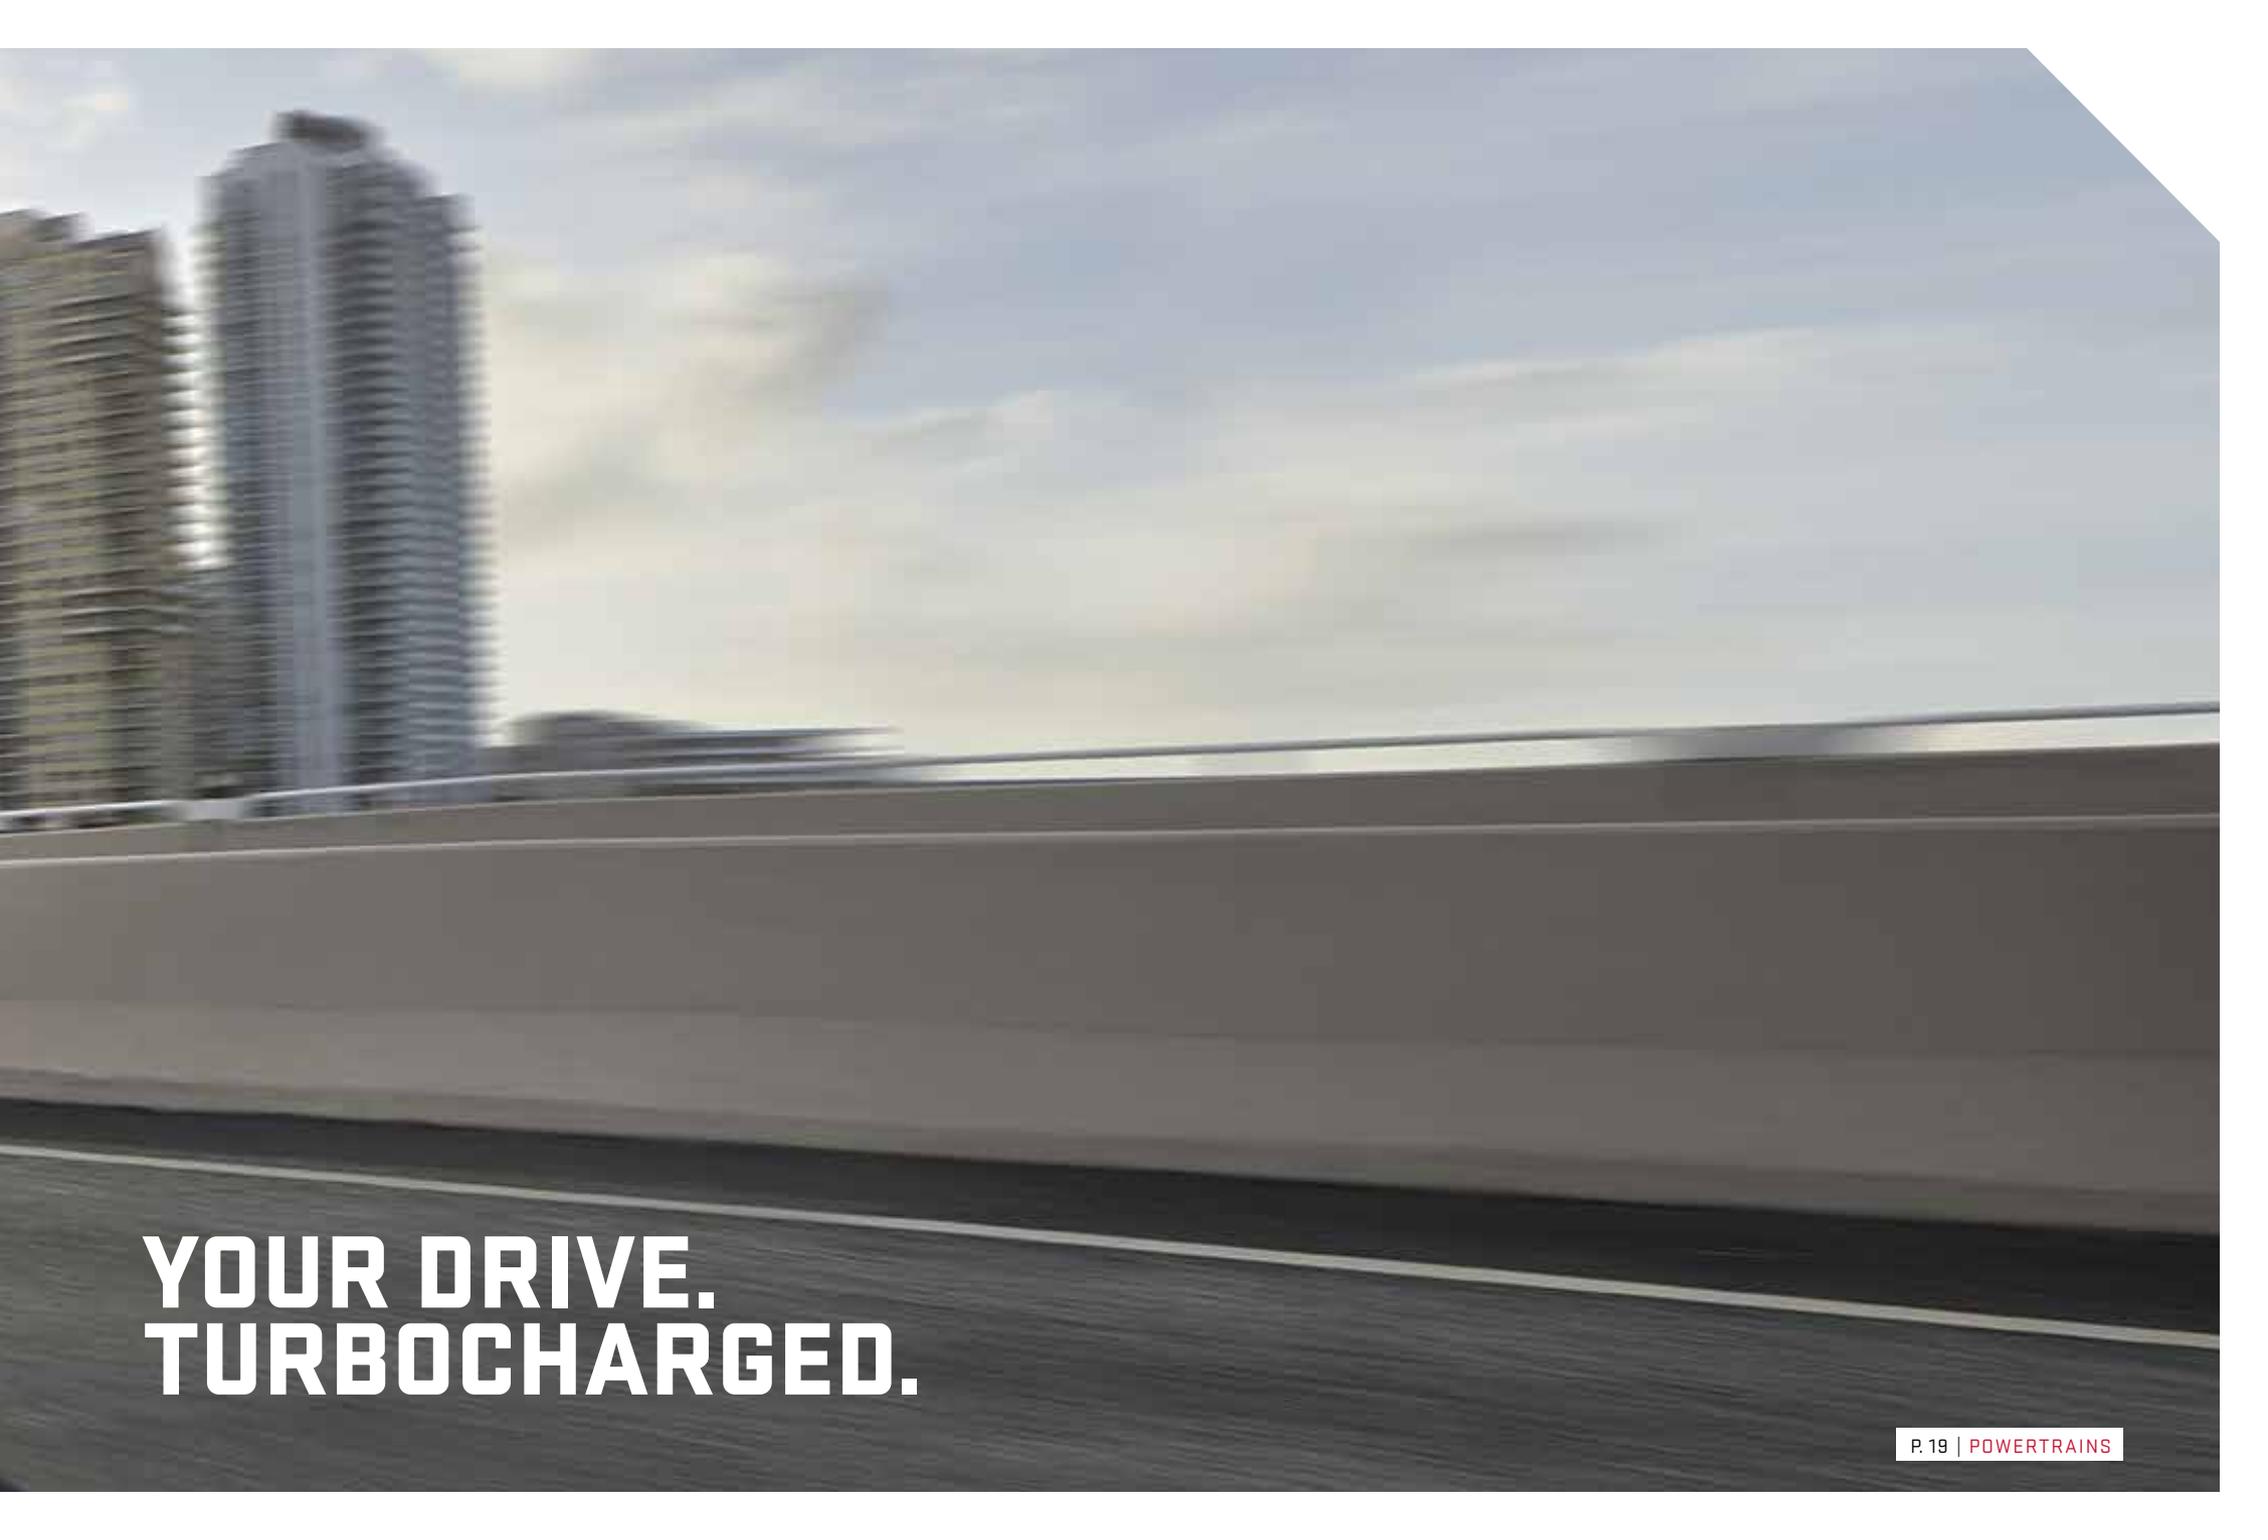

PERFORMANCE

# **| OVERACHIEVE LIKE A PRO**

FROM THE BEGINNING, WE'VE RELENTLESSLY PUSHED THE BOUNDS OF PHYSICS,  
SCIENCE AND MATHEMATICS TO NOT SIMPLY RAISE THE BAR, BUT COMPLETELY REINVENT IT.

TERRAIN DENALI IN GRAPHITE GREY METALLIC  
shown with available equipment.

**YOUR DRIVE.  
TURBOCHARGED.**

# CHOOSE YOUR POWER

No matter how you drive, Terrain's turbocharged engines generate their own performance personality to match your needs. The 1.5L offers excellent power and efficiency, the available 2.0L produces strong acceleration and pulling power (up to 1588 kg [3500 lb.]<sup>1</sup> max trailering capacity) and the 1.6L provides enviable efficiency. Transferring all of this performance to the road are new 9-speed automatic transmissions on the 1.5L and 2.0L gas-engine models and a 6-speed automatic transmission on the 1.6L Turbo Diesel. In fact, to earn its Professional Grade, Terrain is the only vehicle in its class<sup>2</sup> with a standard turbocharged engine combined with a 9-speed automatic transmission.

# 1.5L

## 170-HP I-4 TURBO<sup>3</sup>

Standard SLE

<sup>1</sup>Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>2</sup>Comparison based on [wardsauto.com](http://wardsauto.com) 2017 Middle Cross/Utility Vehicle segment and latest information available at the time of printing. Excludes other GM vehicles. <sup>3</sup>Available late summer 2017.

# TENACITY

## TRACTION: IT'S NAMED TERRAIN FOR A REASON

We expect you to challenge Terrain with a variety of driving environments, surfaces and conditions. The Traction Select system is engineered to allow you to make real-time adjustments to how Terrain responds based on those ever-changing driving situations. Front-Wheel-Drive (FWD) models feature Normal, Snow and available Trailer/Tow modes, while available All-Wheel-Drive (AWD) models offer Off-Road, available Trailer/Tow and an AWD Disconnect mode engineered to optimize efficiency.

19" WHEELS (AVAILABLE)

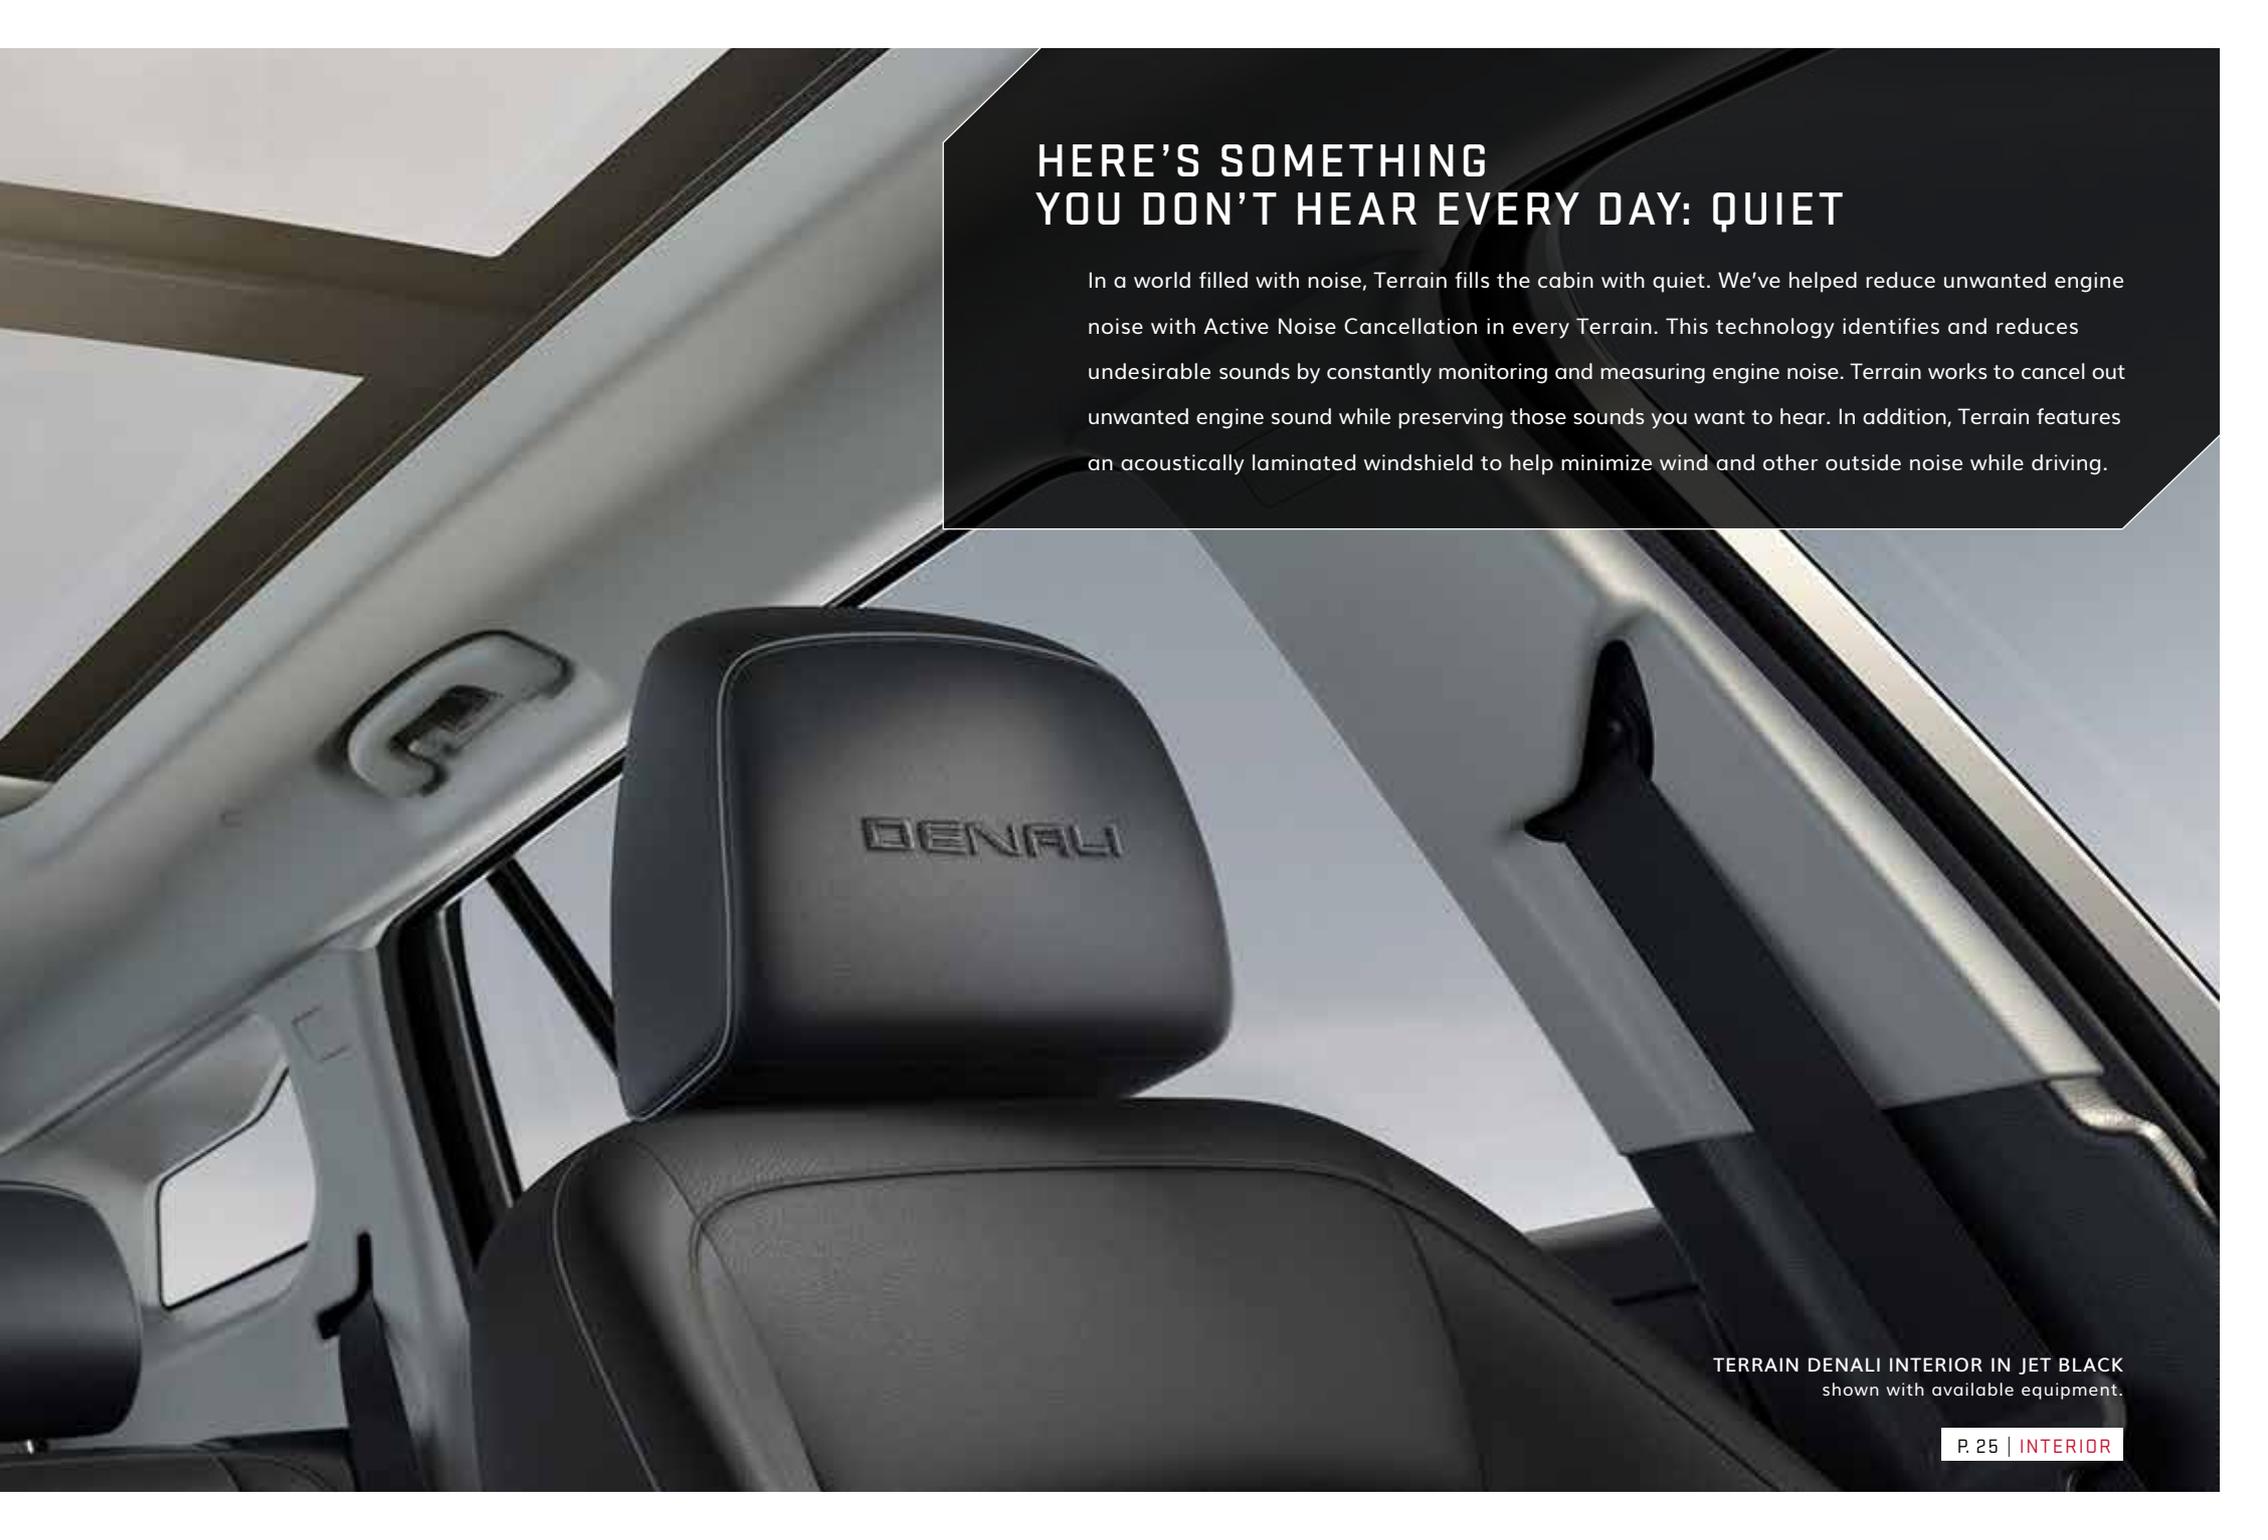

ELECTRIC VARIABLE POWER-ASSIST STEERING

CORROSION-RESISTANT DURALIFE BRAKE ROTORS

## HERE'S SOMETHING YOU DON'T HEAR EVERY DAY: QUIET

In a world filled with noise, Terrain fills the cabin with quiet. We've helped reduce unwanted engine noise with Active Noise Cancellation in every Terrain. This technology identifies and reduces undesirable sounds by constantly monitoring and measuring engine noise. Terrain works to cancel out unwanted engine sound while preserving those sounds you want to hear. In addition, Terrain features an acoustically laminated windshield to help minimize wind and other outside noise while driving.

TERRAIN DENALI INTERIOR IN JET BLACK  
shown with available equipment.

FUNCTIONALITY

# **| PERFORM LIKE A PRO**

EVERY ELEMENT IN TERRAIN GOES BEYOND ITS BOLD, CONFIDENT APPEARANCE. EACH ONE SERVES A HEIGHTENED PURPOSE—GIVING A WHOLE NEW MEANING TO THE UTILITY IN SUV.

## WE ENCOURAGE CARRY-ONS

Terrain includes many storage solutions. For 2018, we replaced the traditional centre console-mounted transmission shifter with a class-exclusive<sup>1</sup> push-button- and pull-switch-based Electronic Precision Shift System. This creates an expansive lighted under-console pass-through storage area along with side-by-side cupholders. There's also plenty of storage in the centre console with an organizing system, upper and lower door panels and a compartment built into the passenger-side instrument panel. We've also carved out plenty of under-floor storage in the cargo area.

<sup>1</sup>Comparison based on [wardsauto.com](http://wardsauto.com) 2017 Middle Cross/Utility Vehicle segment and latest competitive information available at time of printing. Excludes other GM vehicles.

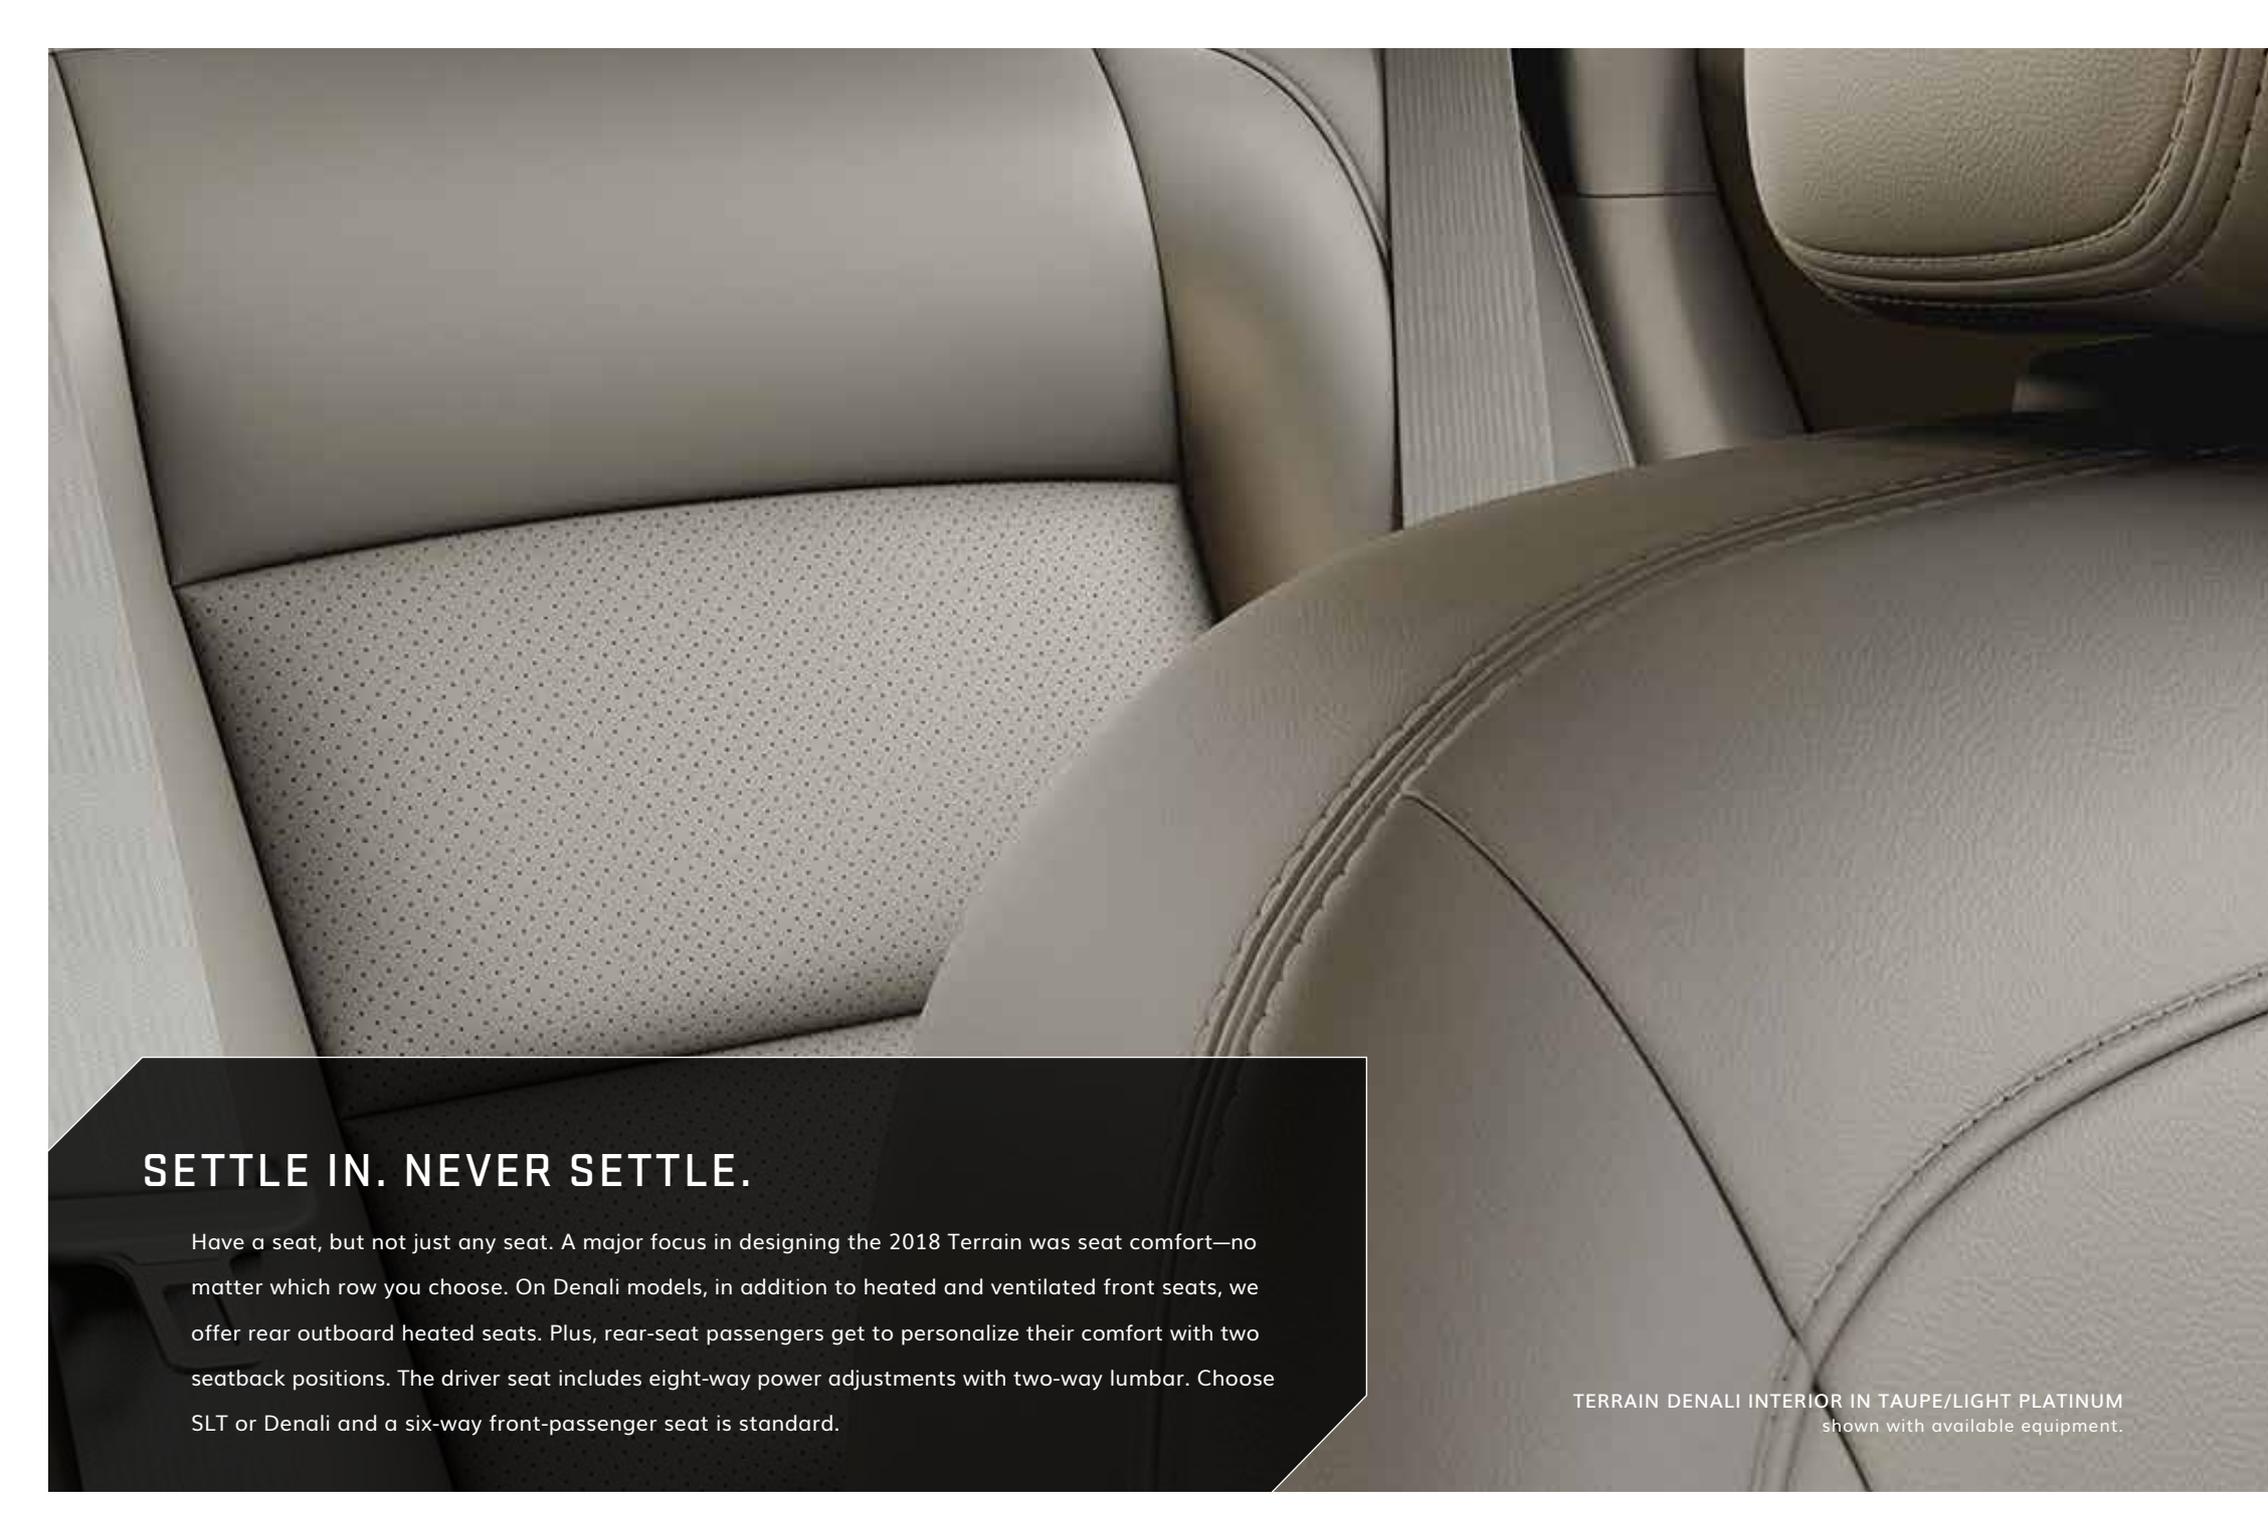

## AN EIGHT-FOOT LADDER? THERE'S ROOM FOR THAT, TOO.

We designed Terrain to handle the varied demands of your life. It quickly goes from comfortably accommodating people to easily allowing you to use every millimetre of space for cargo. A front-to-back flat load floor includes new fold-flat front-passenger and 60/40 split-folding second-row seats so you can carry long objects (up to 2.4 m [8 ft.]) with ease. When folded down, the hard material on the back of the front seat helps protect it from damage. With the front-passenger seat folded down, you have up to 2294 litres (81 cu. ft.) of max cargo space.<sup>1</sup> To access all of this space, Terrain offers an available hands-free power liftgate.

<sup>1</sup>Cargo and load capacity limited by weight and distribution.

TERRAIN SLT INTERIOR IN JET BLACK/BRANDY  
shown with available equipment.

## SETTLE IN. NEVER SETTLE.

Have a seat, but not just any seat. A major focus in designing the 2018 Terrain was seat comfort—no matter which row you choose. On Denali models, in addition to heated and ventilated front seats, we offer rear outboard heated seats. Plus, rear-seat passengers get to personalize their comfort with two seatback positions. The driver seat includes eight-way power adjustments with two-way lumbar. Choose SLT or Denali and a six-way front-passenger seat is standard.

TERRAIN DENALI INTERIOR IN TAUPE/LIGHT PLATINUM  
shown with available equipment.

Terrain achieves the ultimate in support and comfort with seats engineered to maintain their shape from day one to the long road ahead.

# PROACTIVE

## HELPS KEEP TROUBLE FROM FINDING YOU

To increase awareness of surrounding traffic, Terrain offers available intuitive driver-assist and safety technologies. They can help you avoid collisions by pointing out potential threats. And like a pro, no other competitor in its class<sup>1</sup> offers a GM-exclusive Safety Alert Seat.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

## OUR LATEST INNOVATION: EASY TO USE

Terrain's infotainment system<sup>1</sup> is familiar and easy to use. Smartphone integration projects select apps and functionality from your phone's screen onto Terrain's 7" or available 8" diagonal centre screen—allowing you hands-free access to texts, maps featuring real-time traffic,<sup>2</sup> music and more. And to truly make listening a pleasure, choose the available Bose® premium seven-speaker sound system.

### AVAILABLE 8" DIAGONAL CENTRE MULTI-TOUCH SCREEN INCLUDES:

- + APPLE CARPLAY™ COMPATIBILITY<sup>3</sup>
- + ANDROID AUTO™ COMPATIBILITY<sup>3</sup>
- + BLUETOOTH™<sup>4</sup> FOR PHONE AND AUDIO STREAMING
- + ADVANCED VOICE RECOGNITION
- + ONSTAR 4G LTE WITH BUILT-IN WI-FI® HOTSPOT<sup>5</sup>
- + NAVIGATION<sup>6</sup> (AVAILABLE)

<sup>1</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates apply. <sup>2</sup>SiriusXM Traffic is available in select markets and requires SiriusXM satellite radio service. SiriusXM satellite radio and SiriusXM Traffic subscriptions are sold separately or as a package after the 3-month trial period. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call 1-888-539-7474. For more information, visit [siriusxm.ca/traffic](http://siriusxm.ca/traffic). <sup>3</sup>Vehicle user interfaces are products of Apple® and Google™ and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. <sup>4</sup>Not compatible with all devices. <sup>5</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. <sup>6</sup>Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>7</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

## DEFINE YOUR TERRAIN

Add your own exclamation point to the 2018 Terrain. GMC Accessories are designed so you can personalize your Terrain to fit your style as well as your needs. These accessories are also engineered and tested to meet your standards.

**CARGO PACKAGE** Enhance the functionality of your cargo area with the Cargo Package. It includes a custom-moulded integrated cargo liner in Jet Black with red GMC logo that covers both the cargo-area floor and the back of the rear seat, providing enhanced protection when carrying items of various sizes. To keep items secure, the cargo net with integrated storage pouch prevents small items placed inside it from shifting while in transit. Conceal your possessions with the retractable cargo security shade, which mounts behind the rear seat and extends rearward above the cargo area when in use.

**ROOF-MOUNTED CARRIER** Conveniently and securely transport your bicycle with the versatile roof-mounted Sidearm Bike Carrier by Thule®. Accommodates disc brakes, thru-axles and other non-traditional frame styles, and offers maximum frame protection, making contact with only the wheel.

**ROOF RACK CROSS RAILS** Add function and style to your vehicle with the Roof Rack Cross Rail Package. These cross rails are removable and are the base for mounting other cargo-management accessories.

**FLOOR LINERS** Get maximum protection for the interior of your vehicle with premium all-weather floor liners. Specifically designed for your vehicle, they provide precise coverage around the interior trim, driver pedals, seat tracks and door jambs for substantial carpet coverage.

**ALL-WEATHER FLOOR MATS** Help protect the floor of your vehicle with the hardworking functionality of these premium all-weather floor mats. Featuring the GMC logo on the front mats, these precision-designed mats fit the floor of your vehicle exactly, and nibs on the back help keep them in place. The custom pattern collects rain, mud, snow and other debris for easy cleaning.

**PREMIUM CARPET MATS** Enhance the appearance of your vehicle while helping to protect the carpet from rain, mud, snow and other debris with premium carpeted floor mats, available in Jet Black with two different colour bindings, to complement your vehicle's interior.

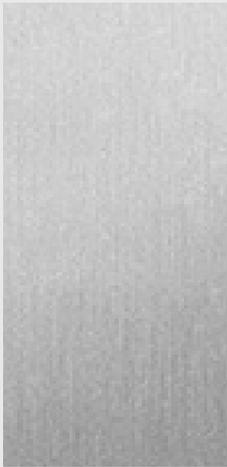

**ASSIST STEPS** Get into and out of your vehicle with ease with these stylish moulded assist steps, featuring a textured pattern for more sure footing and the GMC logo in the centre of the step.

**NON-POWERED TABLET HOLDER** Second-row passengers can easily use their tablets on the road with the universal tablet holder. It securely holds a single tablet against the front seatback in a choice of portrait or landscape orientations, attaching to the driver- or front-passenger-seat head restraint posts.

## STANDARD TECHNICAL DATA

### 1.5L TURBO VVT I-4 ENGINE With Stop/Start technology

Horsepower @ rpm	170 @ 5600
Torque @ rpm (lb.-ft.)	203 @ 2000-4000
Valvetrain	DOHC, 4 valves per cylinder with continuously Variable Valve Timing (VVT)
Fuel delivery	High-pressure direct fuel injection and electronic throttle control

### 2.0L TURBO VVT I-4 ENGINE With Stop/Start technology

Horsepower @ rpm	252 @ 5500
Torque @ rpm (lb.-ft.)	260 @ 2500-4500
Valvetrain	DOHC, 4 valves per cylinder with continuously Variable Valve Timing (VVT)
Fuel delivery	High-pressure direct fuel injection and electronic throttle control

### 1.6L TURBO DIESEL I-4 ENGINE With Stop/Start technology

Horsepower @ rpm	137 @ 3750
Torque @ rpm (lb.-ft.)	240 @ 2000
Valvetrain	DOHC, 4 valves per cylinder
Fuel delivery	Common-rail fuel injection

### TRANSMISSIONS

1.5L I-4	Hydra-Matic 9T45 9-speed automatic
2.0L I-4	Hydra-Matic 9T50 9-speed automatic
1.6L I-4 Diesel	Hydra-Matic 6T45 6-speed automatic

### STANDARD FRONT-WHEEL DRIVE (FWD)

### AVAILABLE ALL-WHEEL DRIVE (AWD)

BRAKES	4-wheel disc with anti-lock braking system and Duralife rotors
--------	--

STEERING	Electric variable-effort rack-and-pinion system
----------	---

BATTERY	Maintenance-free with rundown protection
---------	--

FUEL TANK CAPACITY, litres (imp. gal.) (FWD/AWD)	56.4 (12.4)/59.0 (13.0) (approx.)
--	-----------------------------------

DIESEL EXHAUST FLUID (DEF) TANK CAPACITY, litres (imp. gal.)	18.5 (4.1) (approx.)
--	----------------------

MAX TRAILERING WEIGHT, <sup>11</sup> kg (lb) (1.5L I-4/1.6L Diesel I-4/2.0L I-4)	680 (1500)/680 (1500)/1588 (3500)
--	-----------------------------------

TURNING DIAMETER (curb-to-curb), metres (ft.) (17" wheels/18" wheels/19" wheels)	11.4 (37.4)/11.7 (38.4)/12.7 (41.6)
--	-------------------------------------

### EXTERIOR DIMENSIONS, mm (in.)

Overall Height	1661 (65.4) without roof rails (does not include shark fin antenna)
Overall Width	1839 (72.4)
Overall Length	4630 (182.3)
Wheelbase	2725 (107.3)
Track (in.) (Front/Rear)	1582 (62.3)/1588 (62.5)

### INTERIOR DIMENSIONS, mm (in.) (front/second row)

Head Room	Front: 1016 (40.0) (without sunroof)/970 (38.2) (with sunroof) Rear: 978 (38.5) (without sunroof)/935 (36.8) (with sunroof)
Leg Room	1039 (40.9)/1008 (39.7)
Shoulder Room	1453 (57.2)/1412 (55.6)
Hip Room	1382 (54.4)/1316 (51.8)

### MAX CARGO-AREA CAPACITIES, litres (cu. ft.)<sup>12</sup>

All seats folded (includes front-passenger seat and 60/40 split-folding rear seat)	2294 (81.0)
Behind first row	1793 (63.3)
Behind second row	838 (29.6)

<sup>1</sup>Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates apply. <sup>2</sup>At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. <sup>3</sup>SiriusXM satellite radio service and SiriusXM Traffic are sold separately after trial period. SiriusXM Traffic is available in select markets and requires SiriusXM satellite radio service. If you decide to continue service after your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See complete terms and conditions at [siriusxm.ca/terms](http://siriusxm.ca/terms). <sup>4</sup>Not compatible with all devices. <sup>5</sup>Before making a lane change, always check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal. <sup>6</sup>The Forward Automatic Braking feature may help reduce crash damage under certain conditions discussed in the Owner's Manual. Never rely on this feature to brake the vehicle. <sup>7</sup>Vehicle user interfaces are products of Apple® and Google™ and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. <sup>8</sup>The OnStar Basic Plan is available on eligible new vehicles for 5 years and is transferable to subsequent owners for the remaining term. It includes the monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit [onstar.ca](http://onstar.ca) for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans are provided by AT&T. <sup>9</sup>Visit [onstar.ca](http://onstar.ca) for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>10</sup>Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information. <sup>11</sup>Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. <sup>12</sup>Cargo and load capacity limited by weight and distribution.

## PEACE OF MIND

Pro Grade Protection is standard on every 2018 Terrain. From maintenance to protecting your entire vehicle, you can drive with confidence.

**2-YEAR/48,000 KM LUBE-OIL-FILTER MAINTENANCE<sup>1</sup>**

**3-YEAR/60,000 KM NEW-VEHICLE LIMITED WARRANTY<sup>2</sup>**

**5-YEAR/160,000 KM POWERTRAIN LIMITED WARRANTY<sup>2</sup>**

**5-YEAR/160,000 KM ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION<sup>2</sup>**

<sup>1</sup>Whichever comes first. Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions and limitations apply. See your dealer for details. <sup>2</sup>Whichever comes first. Conditions and limitations apply. See your dealer for details.

## WE'RE AS CLOSE AS THE BLUE BUTTON

Connect to an OnStar<sup>1</sup> Advisor just by pushing the blue OnStar button in your Terrain. Every 2018 Terrain includes the OnStar Basic Plan<sup>2</sup> for 5 years, plus a limited service trial of the Guidance Plan that includes a comprehensive suite of emergency, security, navigation and diagnostic services.

**EMERGENCY: HELP WHEN IT MATTERS MOST.** With Automatic Crash Response,<sup>3</sup> you can be immediately connected to the help you need the moment you need it, even if you can't ask for it. If you're stranded, have a flat tire or need a tow truck, use Roadside Assistance<sup>4</sup> and an OnStar Advisor can locate a nearby service provider and direct them to your exact location.

**SECURITY: IT CAN HELP RECOVER YOUR VEHICLE IF IT'S EVER STOLEN.** Breathe easy knowing a comprehensive suite of Stolen Vehicle Assistance<sup>5</sup> services is available to help recover your vehicle. With Theft Alarm Notification,<sup>6</sup> OnStar can alert you if your vehicle's alarm is sounding, and if your vehicle is stolen, OnStar will work with authorities to help locate and recover it quickly.

**NAVIGATION: TRAVEL MADE EASY.** Turn-by-Turn Navigation<sup>7</sup> makes everywhere you go as familiar as your own neighbourhood. And with OnStar AtYourService,<sup>8</sup> an Advisor can help you book a hotel room on the go.

**CONNECTIONS: FAST AND RELIABLE.** Stay connected almost anywhere, anytime with the built-in Wi-Fi hotspot<sup>1</sup> and connect up to seven devices at fast speed.

**VEHICLE MANAGER: PREPARING YOU FOR WHAT'S AHEAD.** Enjoy the ultimate ownership experience with your myGMC mobile app.<sup>9</sup> Use Remote Access<sup>10</sup> to start your engine, lock and unlock your doors, honk the horn and flash the lights from anywhere there is cellphone service. Get real-time Diagnostic Alerts<sup>11</sup> or a monthly diagnostics report of the vehicle's engine, transmission and more with Advanced Diagnostics.<sup>11</sup>

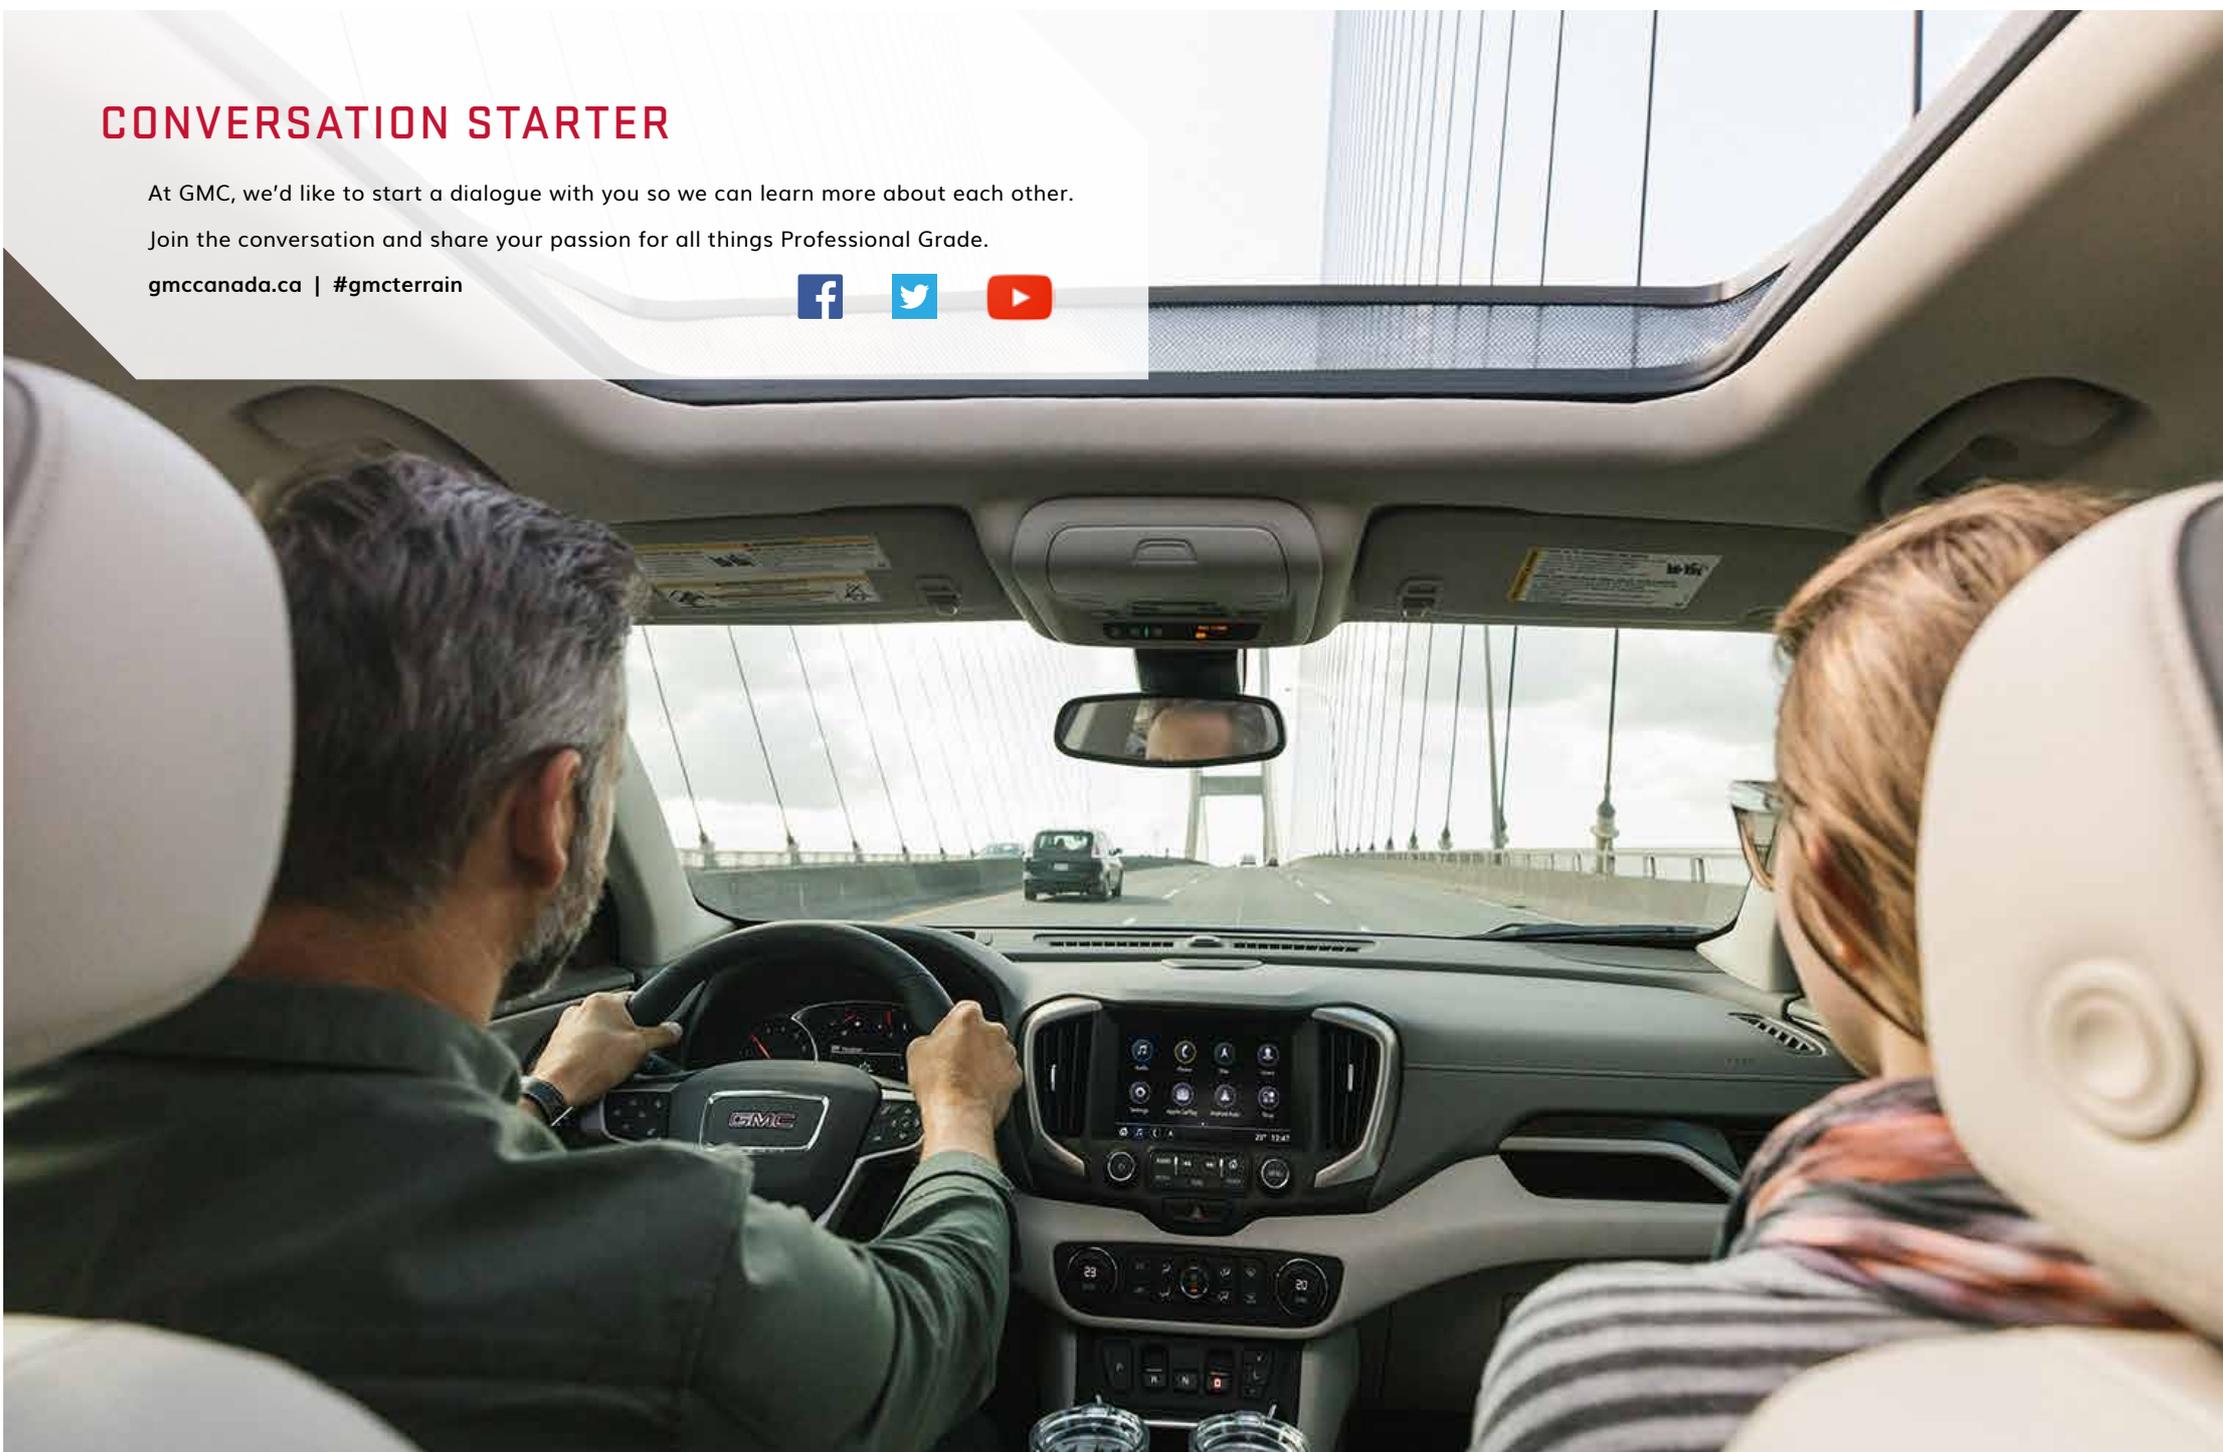

<sup>1</sup>Visit onstar.ca for coverage maps, details and system limitations. Service plan required. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans provided by AT&T. Services vary by model, service plan, conditions as well as geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Vehicle must be started or in accessory mode to access Wi-Fi. <sup>2</sup>The OnStar Basic Plan is available on eligible new vehicles for 5 years and is transferable to subsequent owners for the remaining term. It includes the monthly Diagnostics Report emails (capabilities vary by model), Dealer Maintenance Notification, access to select vehicle mobile app features and more. This plan does not include emergency, security or navigation services. These and other services require a paid or Add-On Plan. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Available 4G LTE with Wi-Fi hotspot requires WPA2-compatible mobile device and data plan. Data plans are provided by AT&T. <sup>3</sup>Visit onstar.ca for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. <sup>4</sup>Roadside service provided by Allstate Roadside Services. Limitations and restrictions apply. <sup>5</sup>Service varies by model and conditions. Visit onstar.ca for details and system limitations. Stolen Vehicle Slowdown and Remote Ignition Block are available on select 2009 and newer GM vehicles. <sup>6</sup>Capability varies by model, conditions as well as geographical and technical restrictions. Visit onstar.ca for vehicle availability, details and system limitations. Requires factory-installed theft-deterrent system and Security or Guidance plan or Stolen Vehicle Assistance Add-On Plan and selected notification preference(s). Vehicles must be locked electronically to arm the factory-installed theft-deterrent system. Messaging and data rates may apply. <sup>7</sup>Requires Basic Plan and navigation system to send directions through the mobile app. Turn-by-Turn directions and Destination Download also available through an advisor with the Guidance Plan or Navigation Add-On Plan. Visit onstar.ca for coverage maps. Services vary by model. ABS required. <sup>8</sup>Not available on Basic Plan. Hotel booking and billing done through Priceline.<sup>9</sup> Offers may vary. Check AtYourService through a blue OnStar button press for latest offers. <sup>10</sup>Available on select Apple® and Android™ devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. <sup>11</sup>Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions as well as geographical and technical restrictions. Unlock feature requires automatic locks. Remote start requires factory-installed and enabled remote-start system. <sup>12</sup>Availability and capabilities vary by model. Visit onstar.ca for details and system limitations. Message and data rates may apply. Requires active OnStar service, email address on file and enrolment in Advanced Diagnostics which may include access to the monthly Diagnostics Report emails, Diagnostic and Proactive Alerts, Dealer Maintenance Notification and On-Demand Diagnostics (requires paid service plan). Other factors may affect vehicle performance. Not all issues will deliver alerts. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Diagnostic and Proactive Alerts.

## CONVERSATION STARTER

At GMC, we'd like to start a dialogue with you so we can learn more about each other.

Join the conversation and share your passion for all things Professional Grade.

## IMPORTANT WORDS

### PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 2-year/48,000 km Lube-Oil-Filter Maintenance<sup>1</sup>
- 3-year/60,000 km New-Vehicle Limited Warranty<sup>2</sup>
- 5-year/160,000 km Powertrain Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge<sup>2</sup>
- 5-year/160,000 km Courtesy Transportation<sup>2</sup>
- 5-year/160,000 km 24/7 Roadside Assistance<sup>2</sup>
- 6-year/160,000 km rust-through perforation coverage<sup>2</sup>
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)<sup>2</sup>

### OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:<sup>3</sup>

- **GM Protection Plan (GMPP)**—The only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- **Certified Service**—With GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- **GMC Owner Centre**—As an owner, take advantage of the GMC Owner Centre. This online owner's destination gives you access to contests, current offers and helpful resources such as Owner's Manuals. Find out more at [gmcowner.ca](http://gmcowner.ca).

### TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing**—On-the-spot financing, see dealer for full details.<sup>4</sup>
- **GM Student Bonus Program**—Students or recent graduates of high school, college or university<sup>3</sup> may be eligible to receive a Student Bonus vehicle redemption allowance of \$500 or \$750<sup>5</sup> (tax inclusive) (purchased vehicle dependant) to use toward the purchase, lease or finance of one eligible new GMC vehicle.
- **GM Card**—Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new GMC truck or SUV. Restrictions and limitations apply.<sup>5</sup> For full program details, visit [gmccard.ca](http://gmccard.ca).

### INFORMATION RESOURCES:

You can find more information about these programs from your GMC dealer, or at these information centres:

- The GM website at [gmccanada.ca](http://gmccanada.ca)
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)

### A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GMC dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

### A WORD ABOUT ASSEMBLY

GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.
