

CHART YOUR OWN COURSE.

The 2018 Chevrolet Cruze and Cruze Hatchback make it easier than ever to explore life's possibilities. A suite of available technologies including support for Apple CarPlay™¹ and Android Auto™² and available OnStar® 4G LTE with built-in Wi-Fi® hotspot³ keeps your life connected. The design is smart and sporty. The interior is spacious and stylish. It's no wonder Cruze has received so many accolades.

Cruze is quiet, powerful and really fun to drive. With nimble handling and offering excellent fuel efficiency, the Cruze Diesel Sedan keeps you moving with a highway fuel consumption rating as low as 4.6 L/100 km. So you can go as far as your imagination takes you.

EXTERIOR DESIGN

 REACH FOR MORE. Body-colour door handles with a chrome strip add a heightened sense of style. Standard on Premier.

2. CUT THROUGH THE EVERYDAY.

Available and included with the RS Package, a sleek spoiler lends a sense of movement to the sculpted rear view.

- 3. EXPLORE THE OPTIONS. Included on Premier with the available RS Package, 18-in. machined-face aluminum wheels provide added panache.
- **4. LIGHT A NEW PATH.** Dual-function projector-beam headlamps with signature LED daytime running lamps are standard on LT and Premier.

pair of subwoofers to a show or carrying a carload of gear to the perfect campsite, you've got all the space you need without losing any style.

expressed in flowing, sculpted lines. The result is an aggressive, aerodynamic shape that takes you everywhere.

Diesel engine. The available Diesel True North Edition includes leatherappointed seating, a power sunroof and other upscale appointments.

Cruze Diesel Hatchback in Graphite Metallic (extra-cost colour) with available features including the RS Package.

1 Cargo and load capacity limited by weight and distribution.

- 1. FUNCTIONAL DESIGN. A distinctive liftgate-mounted spoiler, featured in the available RS Package, improves airflow and lends sleek style to every ride.
- 2. YOU CAN TAKE IT WITH YOU. A higher rear profile and standard 60/40 split-folding rear seats make loading and unloading large cargo a snap.
- 3. BIG PERSONALITY. Savvy and functional, Cruze Hatchback offers style, versatility and additional utility with up to 1337 L (47.2 cu. ft.)¹ of cargo space with the rear seats folded flat.

The sleek design story continues in an interior created to make every moment of the journey more rewarding. Cruze blends good looks and great functionality with an intuitive layout and plenty of room for friends and all of life's other necessities.

FIRST-CLASS DETAILS. Cruze was crafted with the thought that what covers the seats is as important as how comfortable they are. Premium surfaces abound, from meticulously stitched available leather-appointed seats to Galvano chrome accents, all standard on Premier.

MORE PERSONAL SPACE. With ample front and rear legroom, you can stretch out and enjoy the ride. Generous rear knee clearance allows for ease of entry and exit, which comes in handy when heading out on a road trip with friends.

COMFORT AT YOUR COMMAND.

Cruze turns the most ordinary trip into an occasion. Chase the chill away with available heated front and rear seats¹ for outboard passengers. A heated steering wheel, standard on Premier, is ideal for brisk days.

UNCOMMON EXTRAS. The signature dual cockpit interior provides ingenious storage for the important things, and wireless charging² is available on Premier. There's a slot to tuck away your smartphone in the centre armrest, plus additional storage in the centre console.

1. THE VIEW FROM BEHIND.

When travelling in reverse at low speeds, the available rear vision camera provides a real-time picture of the area immediately behind your vehicle to help you see if anything is in your way.

2. DON'T FORGET YOUR LAPTOP.

Or anything else in the back seat. Rear Seat Reminder¹ activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine, under certain conditions, you will get a reminder to double-check for valuables left behind.

3. INSTANT GRATIFICATION. Handy door controls keep comfort within easy reach. The standard express-down feature powers down the driver and front passenger windows with a flick of your finger.

4. PREMIUM ACCOMMODATIONS.

Rear outboard heated seats are a welcome amenity on chilly days.
Included on Premier with the available Premier Convenience Package.

1 Does not detect people or items. Always check rear seat before exiting.

1 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollippo or higher and data plan rates apply. 2 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Cruze does not include CD player. 3 Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. 4 Services vary by model, conditions as well as geographical and technical restrictions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system. 5 Requires Guidance Plan or Navigation Plan Add-On. Visit onstarca for coverage maps. Services vary by model.

1. EASY ACCESS TO YOUR SMARTPHONE.

With Android Auto™ compatibility! you can interact with select smartphone apps. This system takes some of your Android™ phone's features and puts them on the Chevrolet MyLink² display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

2. BE IN TUNE WITH YOUR CRUZE.

Simply download the myChevrolet™ mobile app³ to your compatible smartphone to start/turn off⁴ your Cruze (requires available remote vehicle starter system), lock/unlock your vehicle's doors,⁴ send destinations to your available navigation⁵ system, and view key vehicle diagnostic information, set parking reminders and more.

- 3. TECH AT YOUR FINGERTIPS. Use the available steering wheel-mounted controls and voice recognition capabilities to take calls, receive text messages or play your favourite tunes hands-free.
- 4. INSIDE INFORMATION. The Driver Information Centre (DIC) allows you to monitor speed and set an audible speed warning, provides turn-by-turn navigation⁵ (if equipped) and so much more.

THIS DIESEL MAKES A DIFFERENCE.

Meet the 2018 Cruze Diesel Sedan, featuring a 1.6L turbocharged engine that offers a highway fuel consumption rating as low as 4.6 L/100 km^{1,2} That's the best fuel consumption rating of any non-hybrid/non-electric vehicle in Canada³, so you'll always be ready to travel the extra distance.

INTRODUCING CRUZE DIESEL HATCHBACK.

The new Cruze Diesel Hatchback offers an exceptional highway fuel consumption rating of 4.9 L/100 km^{2,4} The 1.6L Turbo-Diesel engine is available with a choice of 6-speed manual or 9-speed automatic transmission.

GET UP AND GO. Cruze features a standard 1.4L turbocharged engine and with the available 6-speed automatic transmission delivers a highway fuel consumption rating as low as

5.9 L/100 km^{2,5} Stop/start technology — included with the available 6-speed automatic — almost imperceptibly shuts off and starts up the engine in certain conditions, helping to save gas and improve efficiency. Cruze offers the combination of technology and efficiency that can help you go longer between fill-ups.

STOPPING POWER. With an engine that can take you from 0-96 km/h $(0-60 \text{ mph})^6$ in 7.7 seconds, control is

important. Standard Duralife™ brake rotors feature corrosion-resistant technology that provides protection against rust that can help prevent steering wheel shudder during braking.

SMOOTH IN THE TURN. Cruze steering, suspension and braking systems are designed to deliver tight handling that makes it a blast to drive. Advanced chassis systems provide nimble, agile handling and comfort, whatever scenic route you choose to take.

SAFETY

1. LEARN BETTER DRIVING HABITS.

Perfect for new drivers and those who want to improve their skills, standard Teen Driver technology helps to encourage better driving habits in a number of ways, like muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

2. AUTOMATIC HELP. In a crash, built-in sensors can automatically connect you to a specially trained OnStar advisor who can help you get the assistance you need — even if you can't ask for it.

Advisors can use GPS technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response¹ is included in the OnStar²

Guidance Plan, standard for 6 months.

3. THINK OF IT AS A STEEL COCOON.

Front and rear "crush zones" are designed to compress in a controlled manner, helping absorb and channel energy away from the cabin.

1 On Star acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. 2 Visit onstar.ca for vehicle availability. Services and connectivity vary by model, conditions as well as geographical and technical restrictions. Requires active On Star service and data plan. Data plans provided by AT&T or its local service provider.

WE HELP YOU COVER YOUR BACK, FRONT AND SIDES.

FORWARD COLLISION ALERT AND FOLLOWING DISTANCE INDICATOR. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Cruze is following a detected vehicle much too closely.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING.

At speeds above 60 km/h, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

AVAILABLE LANE CHANGE ALERT WITH SIDE BLIND

ZONE ALERT. Radar sensors in the rear corners of the vehicle help detect fast-approaching vehicles in the adjacent lanes as well as vehicles in the side-view mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence.

REAR CROSS TRAFFIC ALERT. This available radar-based feature alerts you to crossing traffic behind your Cruze when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

REAR VISION CAMERA. When travelling in reverse at low speeds, the available rear vision camera provides a real-time picture of the area immediately behind your Cruze on the touch-screen display.

REAR PARK ASSIST. This available feature helps you back up by sounding an audible alert when it detects certain stationary objects in close proximity behind the vehicle.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

Safety starts with you. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
