OTHER OWNERSHIP PRIVILEGES AND PROGRAMS¹⁰

• GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.

• Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.

• Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at mychevrolet.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details.¹¹
- GM Student Bonus Program – students or recent graduates of high school, college or university¹¹ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750¹⁰ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- GM Card[®] – Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcard.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)**.

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose

their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

TRADEMARKS The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Trax and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Find New Roads, myChevrolet, MyLink, OnStar, the OnStar emblem and StabiliTrak are trademarks of General Motors LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. TRAX 2018

CHEVROLET

Trax Premier in Storm Blue Metallic.

***FIND A NEW ADVENTURE
AROUND EVERY CORNER.***

The 2018 Chevrolet Trax proves refined good looks and street smarts can be a very compelling combination. Built for city streets, Trax offers athletic style and nimble handling that know how to make an entrance. A comfortable interior takes the edge off the daily commute, while support for Apple CarPlay™¹ and Android Auto™² helps keep you connected.

With a 5-Star Overall Vehicle Score for safety³ from NHTSA and available advanced safety technologies, you'll always be ready to take on whatever adventure lies ahead.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. ³ U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov).

FIND NEW ROADS™

EXTERIOR DESIGN

Trax Premier in Storm Blue Metallic.

DESIGNED TO ACCOMMODATE YOUR LIFE.

Trax has sculpted good looks and the utility to carry camping gear, the coffee table of your dreams and other little treasures that you might find on your travels. A chrome-accented dual-port grille with a sweeping headlamp design

makes a memorable first impression. The swept roofline is accentuated with bright-finished roof rack rails, standard on LT and Premier. Trax LT and Premier include bright-finished accents on the beltline and Trax Premier punctuates that look on the liftgate.

1

1. SEE WHAT'S AHEAD. LED signature daytime running lamps are standard on LT and Premier.

2. ROLLING STYLE. 18-in. aluminum wheels are standard on Trax Premier.

3. LOOK GOOD COMING AND GOING. LED signature tail lamps complete the sporty, sophisticated look and are standard on LT and Premier.

2

3

INTERIOR DESIGN

CONTEMPORARY COMFORT.

The thoughtfully designed interior is as comfortable as it is stylish. Seats with contrast stitching add to the top-notch look and feel. Chase the chills away with heated driver and front passenger seats, standard on Premier.

COMMANDING VIEWS.

The classic Chevrolet dual-cockpit design is enhanced by an instrument panel that provides the driver with access to important functions. True White backlighting is one more unexpectedly refined detail.

SIT BACK AND ENJOY.

Soft touch materials and Piano Black accents add a heightened sense of sophisticated comfort to the interior.

1. DISPLAY OF POWER. The instrument panel design and driver display features a contemporary gauge cluster with an analogue speedometer. The Driver Information Centre gives you a read on tire pressure for all four tires, oil life, fuel range and more.

2. NO FUMBLING WITH KEYS. Your morning balancing act of keys and coffee just got easier. Keyless Open and Start is standard on Premier and available on LT with the True North Edition or Redline Edition.

3. ROOM FOR FIVE. Spacious 5-passenger seating gives you and your passengers plenty of personal space.

¹ Cargo and load capacity limited by weight and distribution.

ROOM WHEN YOU NEED IT MOST. Trax offers plenty of space. There's up to 1371 L (48.4 cu. ft.)¹ of maximum cargo room with the rear seats folded down and even more cargo space with the fold-flat front passenger seat – large enough to carry items up to 2.4 m (8 ft.) long.

FOLD DOWN AND LOAD IN. Versatility is a virtue of the modern Trax design. With a 60/40 split-folding rear seat and fold-flat front passenger seat, you have eight different configurations to carry passengers and other precious cargo.

Apple CarPlay COMPATIBILITY.

With Apple CarPlay,¹ you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your Trax display. You can even interact with some of your favourite audio apps.

Wi-Fi IN YOUR TRAX.

Chevrolet offers OnStar® 4G LTE with built-in Wi-Fi® hotspot² (a 3 GB or 3-month trial period is included, whichever comes first). This technology provides the ability to seamlessly connect up to seven compatible devices and your vehicle to the Internet. It provides a great in-vehicle experience with a reliable connection.

1. ANDROID AUTO COMPATIBILITY.

You can quickly and intuitively interact with select smartphone apps with support for Android Auto.³ This system takes some of your Android™ phone's features and puts them on the Chevrolet MyLink^{®4} display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

2. KEEP IN TOUCH WITH YOUR TRAX.

Just download the myChevrolet™ mobile app⁵ to your compatible smartphone to start/turn off the engine⁶ (if properly equipped), lock/unlock your vehicle's doors,⁶ send destinations to your available OnStar® Turn-by-Turn Navigation,⁷ view key vehicle diagnostic information, set parking reminders and more.

3. STAY CHARGED UP. Trax makes it easy to conveniently charge your compatible devices with a standard auxiliary 12-volt power outlet and two USB ports.⁸ A standard 110-volt power outlet on LT and Premier helps you remain plugged in to what you need.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Visit onstar.ca for vehicle availability. Services and connectivity vary by model, conditions as well as geographical and technical restrictions. Requires active OnStar service and data plan. Data plans provided by AT&T or its local service provider. ³ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. ⁴ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁵ Available on select Apple and Android devices. Some features may require a paid OnStar service plan. Features and capability may vary by vehicle, device, conditions as well as geographical and technical restrictions. Device data connection required. ⁶ Services vary by model, conditions as well as geographical and technical restrictions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system. ⁷ Requires Guidance Plan or Navigation Plan Add-On. Visit onstar.ca for coverage maps. Services vary by model. ⁸ Not compatible with all devices.

SAFETY

ADVANCED SAFETY TECHNOLOGY COVERS ALL THE ANGLES.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Trax is following a detected vehicle much too closely.

LANE DEPARTURE WARNING. If you unintentionally change lanes without signalling, this available camera-based system sends an alert. The camera, mounted near the interior rear-view mirror, reads traffic lane markings when identifiable and provides audible and visual alerts.

SIDE BLIND ZONE ALERT. With radar sensors on both sides of the vehicle, available Side Blind Zone Alert helps to warn you when vehicles are in your side mirror blind zones and indicates their presence with LED-lit symbols in the exterior mirrors.

REAR CROSS TRAFFIC ALERT. This available feature alerts you to crossing traffic behind your Trax when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected.

10 STANDARD AIRBAGS! Every Trax includes frontal and knee airbags for driver and front passenger, head curtain airbags for front and rear outboard passengers, and front and rear seat-mounted side airbags.

REAR VISION CAMERA. When travelling in reverse at low speeds, the standard rear vision camera provides a real-time picture of the area immediately behind your Trax on the touch-screen display.

REAR PARK ASSIST. This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

ONSTAR AUTOMATIC CRASH RESPONSE? In a crash, built-in sensors can automatically connect you to a specially trained OnStar Advisor who will help you get the assistance you need – even if you can't ask for it. Advisors can use GPS technology to pinpoint your location and request emergency help. Automatic Crash Response is included in the OnStar³ Guidance Plan, which is standard for six months.

5-STAR SAFETY RATING! The 2018 Chevrolet Trax has earned a 5-Star Overall Vehicle Score for safety. U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov).

Safety starts with you. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

¹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ² OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ³ Visit onstar.ca for vehicle availability. Services and connectivity vary by model, conditions as well as geographical and technical restrictions. Requires active OnStar service and data plan. Data plans provided by AT&T or its local service provider. ⁴ U.S. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.SaferCar.gov). ⁵ 2018 Trax FWD model equipped with standard manual transmission. 2018 Trax FWD model equipped with available automatic transmission, highway fuel consumption rating is 7.2 L/100 km and city fuel consumption rating is 9.3 L/100 km. 2018 Trax AWD model equipped with automatic transmission, highway fuel consumption rating is 7.8 L/100 km and city fuel consumption rating is 9.9 L/100 km. Fuel consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

PERFORMANCE

TURBOCHARGE YOUR LIFE.

Trax Premier in Storm Blue Metallic.

TURBOCHARGED PERFORMANCE. The power to merge and pass with confidence comes standard, courtesy of the ECOTEC[®] 1.4L turbocharged engine paired with either a 6-speed manual transmission or an available electronically controlled 6-speed automatic transmission.

FUEL-EFFICIENT TRAX. Efficient and exciting are not mutually exclusive ideas. Trax FWD with manual transmission has fuel consumption ratings of 7.1 L/100 km highway⁵ and 9.2 L/100 km city⁵. This can mean fewer stops at the gas station. And really, don't you have more interesting places to go?

AVAILABLE ALL-WHEEL DRIVE. Responsive and agile, Trax makes it easy to navigate city streets. Front-wheel drive (FWD) with Electronic Traction Control is standard. For even more sure-footed traction, the available all-wheel-drive (AWD) system engages

automatically when accelerating from a standing start. This system automatically shifts to FWD mode when the system detects there is no wheel slip, maximizing efficiency.

SPECIAL FEATURES

Trax Redline Edition, shown in Silver Ice Metallic, includes 18-in. Black aluminum wheels with Red accent stripes, Black Trax badges with Red outline, Black grille with Black surround, Black beltline mouldings, Black mirror caps and Black Chevrolet bowtie emblems. Available on LT.

Side Blind Zone Alert, standard on Premier and available on LT with True North Edition.

Power Sunroof, standard on Premier and available on LT.
