

Exclusion from Coverage:

This Limited Warranty does not apply to and shall not cover the following:

1. Damage or breakdown caused by collision, fire, theft, vandalism, explosion, riot, natural disaster or lack of maintenance.
2. Damage or breakdown due to abuse, misuse or alteration of any part, component or the Vehicle.
3. Mechanical Breakdown of any part or component, which is not a Covered Part, including without limitation any accessory or component not installed by the manufacturer of the Vehicle. (e.g. alarms, security systems, audio equipment, navigation systems and any performance enhancing devices).
4. Reduced performance or imperfect operation due to normal wear and tear or age.
5. Maintenance, whether scheduled by time and mileage or by wear, including without limitation, fluid changes, inspections, brake rotor, drum and pad wear and replacement, clutch plates, etc.
6. Damage or breakdown due to overheating or fluid loss, unless directly caused by the Mechanical Breakdown of a Covered Part.
7. Coverage not specified in the Buyer's Guide. For example, when the Buyer's Guide provides that portions of the manufacturer's warranty remains and does not provide for Sierra to pay any percentage of any labor or parts, the Customer shall look solely to the manufacturer's warranty and this Limited Warranty shall not apply.
8. Certified used or Certified Pre-owned Vehicles, which carry their own warranty are not covered by the Sierra Limited Warranty.

Sierra Limited Warranty

For Pre-Owned Vehicles

Limited 30-day/1,000 Miles Warranty

Subject to the exclusions set forth below, if a Covered Part experiences a Mechanical Breakdown during the Warranty Period, the Sierra company that sold the Vehicle (Sierra) will pay the Buyer's Guide Percentage of the cost to repair or replace such part. In Sierra's sole discretion, Sierra may elect to buy the Vehicle back from the customer and return to the customer any consideration paid by the customer for the Vehicle, including a return of any vehicle traded in or the net amount allowed on the contract for such trade-in, in lieu of repairing or replacing the Covered Part. This warranty is between Sierra and the customer only and cannot be construed as a promise or assertion by Sierra that the parts, materials or workmanship on the Vehicle are free of defects or will perform in any particular way over any particular period of time. In the event that a manufacturer's warranty or a service contract applies to a Mechanical Breakdown of a Covered Part, such warranty or contract must be exhausted before coverage under this Limited Warranty will apply. All repairs under this Limited Warranty must be performed at Sierra. This Limited Warranty does not apply to any repair or service performed any place other than Sierra.

This is the only express warranty made by Sierra. ANY AND ALL IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS WRITTEN LIMITED WARRANTY.

No other warranty of any kind is made unless expressly provided herein. To the extent allowed by applicable law, Sierra shall not be liable for any damages relating to the loss of use of the Vehicle, loss of time, inconvenience or commercial loss, or any other incidental or consequential damages. All warranties are extended only to the original customer. Prior written or oral statements, negotiations, communications or representations regarding warranties have been merged into or superseded by this written Limited Warranty and if not included in this written Limited Warranty shall not be binding. This is the entire agreement about any and all warranties relating to the Vehicle. It is a part of the Buyer's Guide and is supplemented by and incorporated into the Buyer's Guide.

Capitalized terms in this Limited Warranty are defined as follows:

"Warranty Period" The Warranty Period starts on the date the vehicle was purchased from Sierra and ends on the 30th day after that date or the day that the vehicle has 1,000 miles more than shown on the odometer statement signed at the time of purchase, whichever day occurs first.

"Mechanical Breakdown" A Mechanical Breakdown is an actual failure, which causes the Covered Part not to work as it was designed to work in normal service. Reduced performance or imperfect operation due to normal wear and tear is not a Mechanical Breakdown.

"Buyer's Guide Percentage" The Buyer's Guide Percentage is the percentage of parts and percentage of labor which the Buyer's Guide for the Vehicle indicates will be paid by Sierra.

"Vehicle" The Vehicle is the car or truck purchased by the Customer as described in the Buyer's Guide attached to the Vehicle prior to sale.

"Covered Parts" Only parts on the Vehicle when the customer purchased the Vehicle and described below are Covered Parts:

Engine: Internally lubricated parts, including for gasoline engines: crankshaft, rod and main bearings, cam bearings, expansion (freeze) plugs, connecting rods, wrist pins, pistons, piston rings, camshaft, cam tower, lifters, cylinder head, valves and guides, valve springs, rocker arms (cam followers), pushrods, timing chain housing (cover), timing chain and sprockets, timing belt and pulleys, timing belt tensioner, intake and exhaust manifolds, exhaust manifold cover, flywheel, balance shafts, harmonic balancer and retainer bolt, crankshaft pulley, valve covers, idle speed control, fuel pressure regulator, barometric pressure sensor, oxygen sensor, throttle position sensor, mass air flow sensor, idle air control solenoid, oil pan, oil pump and pressure relief valve, oil cooler, oil temperature sensor, air cleaner assembly, engine oil cooler hoses, oil filter adapter/housing, engine oil sending unit, motor mounts, water pump, water temperature sensor, temperature sending unit, thermostat and housing, sparkplugs, ignition wires, distributor cap and rotor,

carburetor, EGR valve, filters, lubricants, fluids, belts and hoses, fuel supply pump, fuel pump control unit, fuel tank sensor, vacuum pump, vacuum control valve, vacuum switch, positive crankcase ventilation valve, dipstick and tube, seals and gaskets, fasteners for the components listed above; for turbocharged/ supercharged/ rotary/diesel/enhanced engines: All of the above listed parts or equivalent plus: turbocharger, waste gate controller, intercooler, hard lines, compressor, clutch and pulley, bypass valve, injection pump, diesel injection tube, pump gear, tensioner pulley, timing belt, and injection timing control, lines and nozzles, seals and gaskets.

Transmission: Internally lubricated parts, including for automatic transmissions: Case and all internal lubricated parts including: oil pump, valve body, torque converter, vacuum modulator, governor, main shaft, clutches, bands, drums, gear sets, bearings, bushings, sealing rings, TV cable, solenoids and electronic shift control unit, transmission front cover, transmission mounts, cooler, cooler hoses and hard lines, automatic transmission control unit, parking pawl, rank select lever, dipstick and tube, seals and gaskets, fasteners for the components listed above; for manual transmissions: case and all internally lubricated parts including: main shaft, gear sets, shift forks, synchronizers, friction clutch disc, pressure plates, clutch throw-out bearings, bearings, bushings, seals and gaskets, fasteners for the components listed above; for 4-wheel drive transfer case: case and all internally lubricated parts including: main shaft, gear sets, chain and sprockets, bearings, bushings, mounts, transfer relay, interlock control unit, seals and gaskets, fasteners for the components listed above, electronic and vacuum engagement component.
