Winston-Salem H.O.G. Monthly Journal 2011

- Fri. April 29th Winston-Salem H.O.G. members helped to support Rolling Thunder with their 2nd Annual Spaghetti Dinner at the American Legion Post 55.
- Sat. April 30th Smokin' H-D had their Customer Appreciation Day. Lynn Isenhour had his Motorcycle Touring & Transport rig set up with magnificent pictures from his fly & ride trips.
- Sun. May 1st The 14th Annual Freedom Memorial Wall Ceremony went off with great success, thanks to months of planning. The Wall Committee, headed by Marc Leonard, started back on Jan. 20th, deciding on how much food & drink to order, a new t-shirt design contest, a new pin color, entertainment, guest speakers and who would volunteer for what. Then the day came before the event when Pat & Betsy Kelly, Dave & Mary Nicoletta, Joe & Kristie Womack and Dick & Cheryl Hughes arrived to stay up all night cooking enough BBQ for 1,500 people who were expected at the ceremony. H.O.G. member volunteers picked up biscuits from Biscuitville, coffee from Starbucks and baked beans, potato salad & slaw from Ted's. Steve & Janice Pegram sold pins & the newly designed t-shirts. Brandon Willis & Steve Hind led the worship service. Motorcycles began to arrive. At 11:00 a.m., 82 motorcycles pulled out for the Freedom Memorial Wall Ride led by Greg Edwards with Robert Tayloe in the back. All road captains were needed on this ride, even with the help of Officers Scott Lambert & Leon Tysinger. The ride returned with food being served by Bobby Hodges, Wanda Moore, Larry Keller & Benji Little. Many people said it was the best food we had ever served. The ceremony started with the Color Guard and the National Anthem played by Ed Nichols. Mayor Allen Joines declared the 1st Sunday in May, "Freedom Memorial Wall Day". Curly & Laura Williams were presented with the new addition to the "Wall" which is a 3ft granite urn that reads, "The names on this wall represent motorcycle enthusiasts, all of whom touched our lives. Their spirit will always be with us. Conceived by Curly & Laura Williams - 1998." Brother Bill announced the names on the "Wall" from the first to the most recent. Lori & Brooke greeted visitors at the beginning of their walk while Brett Irvine, Curly & Laura Williams, Steven Cole & Lonnie Grose met everyone at the end who paid respect to their loved ones. The ceremony closed with Ed Nichols playing Taps. The final prayer was the releasing of red, white & blue balloons for each name on the "Wall" with thanks to the Honda & Trike Riders. It was a very somber & humbling experience, once again by all who attended. A special thanks to Lori at Smokin' H-D for all her hard work on this event year after year.
- Mon. May 2nd In honor of Ladies of Harley month, the Winston-Salem H.O.G. Chapter had their monthly meeting with a ride & social. L.O.H. Officer Cassandra Rauhauser & Activities Officer Ozzie Scofield arranged with Kernel Kustard for H.O.G. members to visit & to have 10% of the restaurant's daily sales to go to the L.O.H. The money was designated to go to the Horizons' kids. Cassandra led 44 bikes from Smokin' H-D at 6:30 p.m. to Kernel Kustard with more bikes meeting there. The approx. 50 Harleys looked pretty awesome from Hanes Mall Blvd. lined up in front of Kernel Kustard. Door prizes were given away from \$1 raffle tickets. All riders were given free custard. It was a relaxing good time.
- Sat. May 7th Winston-Salem H.O.G. members supported the Triad Pleasure Riders at Smokin' H-D with their yearly fundraiser.
- Cassandra Rauhauser was at Smokin' H-D at 6:00 p.m. to lead riders to Bowman Gray Stadium for Ladies Night.

Winston-Salem H.O.G. Monthly Journal 2011 (cont'd)

- Tues. May 10th Winston-Salem H.O.G. members visited Salem Funeral Services to show their respect to Cynthia & Doug Grubbs and Kendra & Keith Redmon on the passing of Cynthia's father, Floyd Eugene "Buck" Canter. The funeral was on Wednesday, May 8th, 2011 at 2:00 p.m.
- Sun. May 15th Peter Colvill & Doug Grubbs left Smokin' H-D with 14 bikes & 18 riders to travel up through Stokes County on #8 to the Blue Ridge Parkway and back down to Mt. Airy to eat at "13 Bones". There they were joined by 3 more bikes & 5 more riders.
- Tues. May 17th L.O.H. met at Marion O'Brien's for a pot luck, to roll coins from the baby jar fundraiser for Horizons' kids & to plan their Harley quilt.
- Wed. May 18th The 10th Flight of Honor left PTI Airport for Washington, D.C.
- Sat. May 21st Smokin' H-D held its Veterans Appreciation Day. H.O.G. members Tim & Michele May had their authentic WWII Harley & paraphernalia on display at the dealership. Robert Tayloe led a ride for the veterans with 16 bikes & 18 riders, raising money for the vets in Salisbury.
- Sun. May 22nd Tommy Young & Cassandra Rauhauser led 18 bikes & 21 riders from Smokin' H-D at 1:30 with a stop in Pilot Mtn. & to later eat at the newly remodeled (like a milkshake) Dari-O in King.
- Fri. May 27th H.O.G. members left for Rolling Thunder in Washington, D.C. for a very honorable ride & event. Don Adams had the distinguished job of Porta A Jon duty, which allowed North Carolinians to have special privileges over the privy. Many riders came home with a deep, dark red tan & raccoon eyes.
- Sun. May 29th Greg Edwards led 12 bikes to Triad Park for the Blessing of Bikes by Brandon Willis who is also Smokin' H-D's "HOG Whisperer". The riders were blessed with good food & fellowship.
- Mon. May 30th WWII Flight of Honor Veterans were honored on Memorial Day at the Dash game at BB&T field. They were given free food & a Dash hat. Many thanks to Guy Maffett planning this event.

Here are three events open to Chapter members in addition to dealer functions, our Sunday rides and those charity events which are found on the calendar at the Smokin' web site:

Million Mile Monday

Nobody has more fun on the last Monday in June than we do. And 2011 will be our biggest year yet. Not just because of all the miles we'll ride, but also because for the first time we're inviting the rest of the motorcycle community to join us. So get your friends, neighbors, loved ones – anyone you know who rides any kind of motorcycle – to join us on Monday, June 27, 2011 for the biggest Monday of their life. The best part is that it's free – you don't even have to sign up. And how far you take it is totally up to you. Ride one mile or 100 miles – let the road tell you how far to go. Because every mile counts toward the total. After your ride, log on to www.members.hog.com to record your mileage and download a Certificate of Participation. Then watch the "virtual odometer" as it rolls toward one million, two million, three million ... and beyond.

Vintage Motorcycle Days Ride: (1,200 miles in three days)

- ❖ Will leave Smokin' on Friday, July 22 at 8:00 a.m. and ride to the Super 8 Motel on Timken Avenue in Wooster OH where we will stay for two nights. Make a reservation if you plan to go to VMD.
- ❖ Saturday will be spent at VMD at the Mid Ohio Track in nearby Lexington OH. Details about this event can be found at www.ama-cycle.org. An admission ticket for that day should be purchased in advance.
- ❖ On Sunday, we will return to Winston Salem after stopping briefly at A.D. Farrow and Easy Riders in Columbus.

Pennsylvania State HOG Rally Ride: (1,200 miles in five days)

- ❖ Will leave Smokin' at 8:00 a.m. on Wednesday, August 17 and ride to the Days Inn on York Road in Gettysburg. Make a reservation if you plan to go to the Rally.
- ❖ Advance registration is available at www.pastatehogrally.com until July 23.
- ❖ During our stay in PA, we will attend the Rally, visit the Harley plant in York, ride through the Battlefield, tour Amish areas and see major tourist attractions agreed upon by the riders.
- ❖ We will leave Gettysburg on Sunday morning for our return to Winston Salem.

Please contact me if you are interested in these rides that have been designed to expand friendships and increase our knowledge of Harley-Davidson and of the broader motorcycle community.

If you plan to travel to the weekend events, it would be prudent to arrange your lodging immediately.

Editor's Corner

We will be holding our 3rd Annual Benefit Ride for the Triad Flight of Honor this month. I am amazed every day at the support of our local community for the men & women who fought for our freedoms. I hope you will get your family & friends together and come out on June 25th and pay tribute to our Heroes. The Winston-Salem H.O.G. Chapter will have the honor of sponsoring the September 17th 2011 flight. A special limited edition commemorative challenge coin has been created to give to the WWII veterans that will be on that flight. Chapter members will have an opportunity to pre-order their coin at our monthly meeting. A small amount will be for sale at the benefit ride but once those are sold they are gone! Please see me at the meeting if you wish to purchase a coin.

Winston-Salem H.O.G. Chapter #2619

The May 2nd H.O.G. Chapter Social held at Kernel Kustard kicked-off Women's Riders Month and can be considered a huge success. Forty one bikes met at Smokin' H-D and rode to Kernel Kustard for great food, wonderful Custard desserts and were joined by more at the venue. A raffle was held, with prizes being donated by Kernel Kustard and Smokin' H-D. Kernel Kustard also pledged 10% of that days receipt to be donated to the L.O.H. Horizons Park Fund. Between the two fund raisers, we raised \$344.00 for this very worthwhile charity. Kernel Kustard was so pleased with the results of this fundraiser they have asked to join forces with the Chapter again in future money raising event.

Women's Rider Month continued with a ride to the famed Bowman Gray Stadium May 7th. As much of the month, that evening and the planned Womens Rider Day event on May 14th seemed jinxed by bad weather and rain. That luck changed though Sunday May 22nd as 17 bikes with 23 riders showed up for a ride through several counties and a dinner break at the new Dairi-O in King North Carolina. The weather was warm, the sun bright and all seemed to have an enjoyable ride.

Be sure to look for Outdoor Woman magazine where you find complimentary magazines in your favorite grocery store. Cassandra Rauhauser has been asked to be a regular contributor in this brand new monthly publication. Cassandra will be writing about her love of motorcycles and motorcycling. If you feel creative, Cassandra would like to invite any H.O.G. lady to try their hand at explaining why they love being outdoors and riding motorcycles. Cassandra has written articles in the May and June issue, and Marion O'Brien has written a piece for the July issue. It is a fun and rewarding experience.

Harley Davidson Quilt

LOH is struggling trying to collect enough t-shirts to begin our H-D t-shirt themed quilt. We ask all members to consider donating a shirt or two which can be used in this quilt. Why not remember the LOH quilt effort and donate a few lightly used t-shirts for this great cause. Upon completion LOH will raffle off this quilt to raise money for the L.O.H. Horizon Park fund. To donate your t-shirts, see Cassandra at any H.O.G. Chapter event.

LOH "Change for Horizons" campaign

So far, the Change for Horizons campaign looks to be a huge success. THANK YOU to everyone who has donated. We encourage you to pick-up a jar, place it in a convenient place within your home and daily drop a few coins into the jar. When it is full, return the jar and the change will be added to the LOH Horizon Park fund. This really is change you can believe in.

2011 Customer Appreciation Day Bike Raffle

Our annual raffle ticket sale is underway. We ask that members sell one book of tickets. This is the single biggest fundraiser for the chapter. Prizes will be awarded for top ticket sellers. Tickets will be available to the monthly meetings. If you need tickets during the month you can contact a raffle ticket coordinator Patty Cole. She can be reached at info@stevencolebuilders.com.
