GREENVILLE, SC. - Century BMW in Greenville, South Carolina is honored to have won the 2014 BMW Center of Excellence award. This award was only given to 32 dealerships that excelled in BMW's rigorous standards in 2013. This award reflects overall excellence in dealership performance, including exceptional performance and an outstanding customer experience. Based on feedback from customers, we ranked #13 in the nation. We are proud of the hard work our team has put in to win this prestigious award for the first time by providing the very best experience for our customers.

Century BMW is a member of Charlotte, North Carolina based Sonic Automotive, dedicated to an outstanding automotive experience that is delivered with professionalism, integrity and enthusiasm.
