

**CHEVROLET**

## WE'LL TAKE YOU EXACTLY WHERE YOU WANT TO GO.

You demand more from a vehicle than ever before. Exactly the same can be said of Chevrolet. For starters, you're looking for greener driving choices – Chevrolet offers more models that get better than 7 L/100 km highway fuel efficiency than any other manufacturer. Chevrolet also offers a range of vehicles powered by hybrid technology or alternative fuels. And just around the corner comes the arrival of the revolutionary Chevrolet Volt plug-in Extended-Range Electric Vehicle that can travel up to 64 km purely on electric power. Down the road, there are Hydrogen Fuel Cell Vehicles that point the way to a future of zero-emissions driving.

At Chevrolet, we take pride in more than the quality of our vehicles. We are also proud to be the Official Vehicle Supplier of the Vancouver 2010 Olympic and Paralympic Winter Games and of Canada's Olympic and Paralympic Teams. Chevrolet also demonstrates its enthusiastic support for Canada's athletes and coaches through its Making Dreams Possible and Chevrolet Safe & Fun Hockey initiatives. Share the passion.

For more information about Chevrolet visit [chevrolet.gm.ca](http://chevrolet.gm.ca)

2010 COLORADO

2010 COLORADO

You don't hold back. You play as hard as you work. And that's saying a lot. So you expect a truck to do its fair share of the heavy lifting. That's why not just any truck will do. You accept and deserve nothing less than the strength and durability of a Chevy Truck.

## THE LEGITIMATE MID-SIZE PICKUP.

You choose a mid-size pickup for a series of practical reasons – because you want a pickup that is more affordable, more manoeuvrable and more fuel efficient than a full-size. But that doesn't mean you want to compromise on capability or dependability. You want a legitimate, hard-working truck. That's why you need nothing less than the Chevy Colorado. With a lineup that lets you build the right cab, engine and suspension combination that works best for your needs. The engine choices alone indicate the breadth of the Colorado lineup, from a highly efficient four-cylinder engine right through to the 300 horsepower Vortec 5.3L V8 that was introduced last year. Standard on every Colorado are premium features like the enhanced driver control of the StabiliTrak® electronic stability control system and the added reassurance of the sophisticated OnStar® system. It's everything you need and everything you want from a mid-size truck: the 2010 Chevy Colorado.

It's your choice – Regular Cab, Extended Cab or Crew Cab models.

For more information on Colorado, visit [chevrolet.gm.ca](http://chevrolet.gm.ca)

## IT'S NOT JUST YOUR TRUCK, IT'S YOUR CAB.

There are many factors that go into selecting the right truck for you. That's why Colorado is available in Regular, Extended and Crew Cab – the only mid-size to offer all three configurations.\* The Crew Cab is all about capacity with seating for up to six and a payload of up to 577 kg (1272 lb.).\*\* Colorado also gives you a choice of the Z85 Standard Suspension or available ZQ8 Sport or Z71 Off-Road Suspension. The rugged Z71 Package includes a torsion bar front suspension, higher ground clearance, 17-inch chrome-clad aluminum wheels, urethane jounce bumpers and monotube shock absorbers. If performance and handling is a priority the ZQ8 Sport Suspension is the answer. Available in 2WD Extended and Crew Cab models, it provides a 51 mm (2 in.) lower stance than the Standard Suspension and features P235/50R18 tires on 18-inch aluminum wheels. Think of them as the even more capable Colorados.

\* Excludes other GM vehicles.

\*\* Base payload capacity includes weight of the driver, passenger, optional equipment and cargo.

### COLORADO CONFIGURATOR

	Crew Cab	Extended Cab	Regular Cab

Colorado 2WD Crew Cab 2LT, shown in Deep Navy with available equipment.

## YOU COULD SAY IT COMES LOADED.

All Colorados are built for the rigours of hauling. After all, they are Chevy to the core. Regular and Extended Cab models feature an 1849 mm (72.8 in.) cargo box - with maximum Gross Vehicle Weight Ratings (GVWR) of 2336 kg (5150 lb.) for Regular Cab 4x4 models and 2495 kg (5500 lb.) for Extended Cab 4x4 models. A standard boxliner helps protect the cargo box. And the two-position tailgate helps you take full advantage of Colorado's impressive capacity. You can even increase the cargo capacity and secure it inside the cab with an available rubberized-vinyl floor that includes removal of the rear dual jump seats in Extended Cabs. Load it up.

The removable and lockable tailgate features a design that allows it to be set at two positions - 55 degrees or 89 degrees - for extra cargo flexibility.

Colorado 2WD Extended Cab 2LT, shown in Deep Navy with available ZQ8 Sport suspension.

## SURE IT'S FUNCTIONAL. IT'S ALSO FUN.

Colorado is designed for the way you use your truck, with lots of easily accessible storage areas inside the cab. Crew Cabs feature a flat-folding 60/40 split-bench rear seat and a front centre console, while Extended Cabs include handy rear under-seat storage. Not that these cabs are designed with only utility in mind. You can take comfort in the standard air conditioning, while enjoying the feel of the leather-wrapped steering wheel. You'll also enjoy the entertainment possibilities: Crew Cab models are equipped with a standard CD player and MP3 playback. Available XM Satellite Radio™\* adds 130 channels of programming. Have some fun.

\* Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period.

The versatility of Extended Cabs is enhanced by the forward-facing, fold-up rear jump seats. Under-seat storage boxes can be folded flat to expand the loading area. These seats can be deleted and replaced with a rubberized-vinyl floor to increase cargo capacity.

Colorado Crew Cab 2LT, shown in Light Cashmere with available leather seating surfaces and other available equipment.

## EXTRA FUEL EFFICIENT OR EXTRA POWERFUL?

Match up your choice of engine to the demands you place on a pickup. If fuel efficiency concerns rule the day, the Vortec 2.9L four-cylinder engine achieves 7.8 L/100 km highway (36 mpg) and 11.3 L/100 km (25 mpg) city ratings.\* Step up to more power with the 242 horsepower 3.7L five-cylinder engine. Both engines use Variable Valve Timing (VVT) to optimize both power output and fuel efficiency. And then there's the powerhouse: the 300 horsepower Vortec 5.3L V8 engine that increases the maximum towing capacity to 2722 kg (6000 lb.). All Colorado engines are backed as well as they are built – with the best coverage in Canada – the \$0 deductible 5-year/160,000 km Powertrain Component Limited Warranty that also includes Courtesy Transportation.\*\* Another powerful reason to choose Colorado.

\* 2010 Colorado 2WD with manual transmission, based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary.

\*\* Whichever comes first. Conditions and limitations apply. See dealer for details.

The powerful Vortec 5.3L V8 engine generates 300 horsepower and 320 lb.-ft. of torque. For 2010, the engine is FlexFuel capable, enabling it to run on E85 ethanol. Available on Extended 2LT and Crew Cab models.

Colorado Z71 4x4 Crew Cab 2LT, shown in Victory Red with available equipment.

## YOU'RE WELL PROTECTED.

Colorado includes many different forms of protection. The standard StabiliTrak system helps you avoid an incident by countering understeer and oversteer. If a collision can't be avoided, you can take comfort in the fact the intelligent air bag\* system helped Colorado earn the highest possible U.S. government frontal crash test rating – five stars.\*\* And in the event of a collision, the standard OnStar† system can contact emergency service providers and direct them to your precise location. One less thing to worry about.

\* A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Refer to the Colorado Owner's Manual and child safety seat instructions for more information.

\*\* Five-star frontal crash rating is for Colorado Crew Cab's driver and front-passenger seating positions, in the frontal crash test. U.S. government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (NCAP) (safercar.gov).

† OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Ability to locate stolen vehicles varies with conditions. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.ca for OnStar's Terms and Conditions, Privacy Statement and details and system limitations.

### STABILITRAK

When StabiliTrak detects a lateral skid, it intervenes automatically by adjusting brake pressure and engine power to help return the vehicle to its intended driving line.

### BOX CHANNEL FRAME

A rock-solid source of Colorado's strength is its box channel frame. The use of seven cross members further enhances the frame's stiffness, contributing to Colorado's stable handling. Engine vibration is minimized due to the strategic placement of powertrain mounts.

### AIR BAGS

If an air bag is deployed, Colorado's intelligent air bag system turns on the courtesy lights and automatically unlocks the doors (if equipped with power locks) after a brief delay to facilitate an easier rescue.

**FIVE-STAR FRONTAL CRASH TEST RATING\*\***

### INSTA-TRAC 4x4

The shift-on-the-fly, 2-speed, part-time Insta-Trac™ transfer case is standard on all 4x4 models. It allows you to shift from 2HI to 4HI and back at the touch of a button conveniently located on the instrument panel. It includes a Neutral position to permit flat towing.

### AUTOMATIC LOCKING REAR DIFFERENTIAL

The automatic locking rear differential enhances low-speed traction on slippery surfaces. It is required with the available Z71 Off-Road Suspension Package and available on all other models.

### TRACTION CONTROL

Traction assist helps reduce wheel slippage on most slippery surfaces by modulating engine power and applying brake pressure to the wheel with reduced grip.

### TIRE PRESSURE MONITORING SYSTEM

The standard tire pressure monitoring system uses sensors located in each tire to detect when tire pressure is either too high or too low. The system then displays a warning via the Driver Information Centre.

### TWO-POSITION LOCKING TAILGATE

Colorado's lockable tailgate can be secured at a 55° angle, making it level with the top of the rear wheelhouses. This enables the box to easily carry 4' x 8' sheets of building material.

### ENVIRONMENTAL MEASURES

Colorado isn't only easy on gas – there are many ways this truck is also easy on the environment. It is more than 95 percent recyclable. The lighting systems are also free of mercury and cadmium.

### CORROSION PROTECTION

Canada's harsh climate necessitates the use of road salt. Fortunately, Colorado is engineered with extensive corrosion protection features. They include an aluminized stainless steel exhaust system, in addition to the use of two-sided galvanized steel in all exterior body panels except the roof.

## COLORADO MODEL OVERVIEW

### COLORADO 1LT

Colorado 1LT includes these standard features:

- Vortec 2.9L I-4 engine with Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- 5-speed manual transmission
- Insta-Trac 2-speed transfer case on 4x4 models
- 4-wheel anti-lock braking system (ABS)
- StabiliTrak electronic stability control system
- Traction control
- Z85 Standard Suspension
- 16-in. steel wheels
- Fog lights
- Bedliner
- 2-position locking tailgate
- Air conditioning
- Tilt steering column
- Cruise control
- Deluxe cloth 60/40 split-bench front seat
- Rear dual jump seats (Extended Cab)
- AM/FM stereo sound system with seek-and-scan and digital clock
- OnStar and 1 year of the Safe & Sound Plan.

### COLORADO 2LT

Colorado 2LT enhances the 1LT features with:

- Vortec 3.7L I-5 engine with Variable Valve Timing (VVT);\* Vortec 5.3L FlexFuel V8 available; both engines require 4-speed automatic transmission
- 16-in. aluminum wheels
- Deep-tinted glass behind the front doors
- Power Convenience Package (standard on Crew Cabs; available on Regular and Extended Cabs) includes: power windows, power exterior mirrors, programmable power door locks, remote keyless entry system and content theft alarm
- Deluxe cloth front bucket seats (standard on Crew Cabs; available on Regular and Extended Cabs)
- 60/40 split-bench rear seat (Crew Cab)
- CD player with MP3 playback.

\* Standard on 4x4 Crew Cab models with Z85 suspension and all models with the Z71 Off-Road Package, available on other models.

### Z71 OFF-ROAD PACKAGE

Available on 2LT Extended and Crew Cab models, Z71 adds:

- Torsion bar front suspension
- Higher ground clearance
- 17-in. chrome-clad aluminum wheels
- P265/70R17 On-Off Road tires
- 28 mm front stabilizer bar
- Urethane jounce bumpers
- Skid Plate Package on 4x4 models
- Large wheel flares
- Monotube shock absorbers
- Chrome bumpers and grille bar
- Recovery hooks
- Package requires automatic rear locking differential.

### ZQ8 SPORT SUSPENSION

Available on 2LT Extended and Crew Cab 2WD models, ZQ8 adds:

- 18-in. Midnight Silver aluminum wheels
- P235/50R18 tires
- Independent front suspension with coil springs
- 51 mm (2 in.) lower stance than Z85 Standard Suspension
- Front and rear colour-keyed bumpers with Dark Smoke Gray step pad
- Colour-keyed grille bar and surround
- Requires 5.3L V8 engine, automatic transmission, 3.42:1 axle ratio and bucket seats.

## ONSTAR

Does your truck have a help button? With OnStar,\* you can get the help you need at the push of a button. If you're in a collision, you don't even need to ask for help – sensors around your vehicle can automatically alert an OnStar Advisor. If your truck is stolen, we can use GPS technology to help police find it. All Colorado models include OnStar with 1 year of the Safe & Sound Plan. The available Directions & Connections Plan includes Turn-by-Turn Navigation\*\* – the simplest and smartest navigation system available. Just push the OnStar button and tell the Advisor where you want to go, then turn-by-turn directions are downloaded to your vehicle. No one offers more ways to help you on the road. Learn more at onstar.ca

## XM SATELLITE RADIO

Your listening preferences are very personal. XM Satellite Radio gives you access to the largest playlist on the planet and the most commercial-free music in digital-quality sound. That's on top of news, talk, comedy and sports channels – including more than 1000 NHL games. It all adds up to 130 channels to choose from, coast to coast.† Why offer so much choice? XM Satellite Radio has to appeal to a wide range of tastes, with more than 9 million subscribers. And it's available on all Colorado 2LT models. Ask your dealer for more information.

\* OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Ability to locate stolen vehicles varies with conditions. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.ca for OnStar's Terms and Conditions, Privacy Statement and details and system limitations.

\*\* Turn-by-Turn Navigation not available in certain areas. Visit onstar.ca for coverage map.

† Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period.

## HOW TO TRANSFORM YOUR COLORADO INTO A ONE-OF-A-KIND.

If you believe your vehicle represents an important expression of your individuality, take Colorado's style and functionality to the next level with the addition of Chevrolet Accessories. They were part of Colorado's development process to ensure they offer the same quality of fit, finish and function as the rest of the vehicle. They are backed by the 3-year/60,000 km New Vehicle Limited Warranty\* and can be included in your finance agreement through GMAC. Ask your dealer for a complete list of the Chevrolet Accessories available for Colorado, or visit [gm.ca](http://gm.ca)

\* Whichever comes first, when permanently installed by the dealer at the time you purchased your new vehicle, or for the remainder of the New Vehicle Limited Warranty if installed after the time of your vehicle purchase, but no less than 12 months.

Some GM Accessories available for Colorado include:

- Box extender
- Under-seat storage
- Premium all-weather floor mats
- Brush grille guard
- Hard and soft tonneau covers
- Side steps
- Chrome grille insert
- Moulded splash guards
- Box rail protectors.

ACCESSORIES

## 2010 COLORADO STANDARD AND OPTIONAL FEATURES

SAFETY AND SECURITY	1LT	2LT
<b>Air bags</b> – driver and front passenger-side, frontal	S	S
<b>Air bags</b> – driver, front-passenger and rear-seat outboard passengers, roof-mounted head curtain side-impact	S	S
<b>Door locks</b> – rear, child-security (Crew Cab)	–	S
<b>Headlights</b> – Daytime Running Lights with automatic light control	S	S
<b>Keyless entry system</b> – remote	–	0 <sup>1,2</sup>
<b>OnStar In-Vehicle Communications and Assistance Service</b> – includes 1 year of the Safe & Sound Plan*	S	S
<b>Safety restraints</b> – child seat tether anchors	S	S
<b>StabiliTrak</b> – electronic stability control system	S	S
<b>Theft-deterrent system</b> – content theft alarm, audible/visible	–	0 <sup>1,2</sup>
<b>Theft-deterrent system</b> – electronic immobilizer	S	S
<b>Traction control</b> – electronic	S	S
<b>MECHANICAL</b>		
<b>Battery</b> – with run-down protection	S	S
<b>Brakes</b> – front disc/rear drum with 4-wheel anti-lock braking system (ABS)	S	S
<b>Engine</b> – Vortec 2.9L I-4 VVT with SFI Horsepower – 185 @ 5600 rpm, Torque – 190 lb.-ft. @ 2800 rpm – Reg. and Ext. Cab – Crew Cab (2WD)	S –	S S
<b>Engine</b> – Vortec 3.7L I-5 VVT with SFI Horsepower – 242 @ 5600 rpm, Torque – 242 lb.-ft. @ 4600 rpm – Reg. and Ext. Cab – Crew Cab	0 <sup>3</sup> –	0 <sup>3</sup> 0 <sup>4</sup>
<b>Engine</b> – Vortec 5.3L V8 with SFI, FlexFuel (E85 capable) Horsepower – 300 @ 5200 rpm, Torque – 320 lb.-ft. @ 4000 rpm – Ext. and Crew Cab only	–	0

Front bucket seats with leather seating surfaces, heated, power 8-way driver seat adjuster with power recliner, power 6-way front-passenger seat adjuster with manual recliner, centre floor console with storage, armrest and dual cupholders (Ext. and Crew Cab)	–	0
Rear dual jump seats, fold-up forward-facing with under-seat storage compartment (Ext. Cab)	S	S
Rear-seat delete (Ext. Cab) <sup>7</sup>	0	–
Rear 3-passenger 60/40 split-bench, flat-folding (Crew Cab)	–	S

ENTERTAINMENT SYSTEMS	1LT	2LT
AM/FM stereo with seek/scan and digital clock	S	–
AM/FM stereo with CD player, MP3 playback compatibility, seek/scan, digital clock, auto tone control, speed-compensated volume, TheftLock® and Radio Data System® (RDS)	–	S
XM Satellite Radio <sup>1</sup>	–	0
2 speakers in Reg. Cab/4 speakers in Ext. Cab	S	–
4 speakers in Reg. Cab/6 speakers in Ext. and Crew Cab	–	S

S – Standard. 0 – Optional individually or in combination with other optional equipment.

Note: The trim features indicated reflect only a portion of the total content of each trim level. See your sales consultant for complete listings, current availability and compatibility.

1 – Included with available Power Convenience Package.

2 – Standard on Crew Cab models.

3 – Requires available automatic transmission.

4 – Standard on Crew Cab 4x4.

5 – Required with available Vortec 3.7L I-5 or Vortec 5.3L V8 engines.

6 – Not available with Z71 Off-Road Suspension Package.

7 – Requires rubberized-vinyl floor covering.

\* OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Ability to locate stolen vehicles varies with conditions. Call 1-888-4-ONSTAR (1-888-466-7827) or visit onstar.ca for OnStar's Terms and Conditions, Privacy Statement and details and system limitations.

\*\* All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

† Available in 10 Canadian provinces and the 48 contiguous United States.

Subscription sold separately after trial period.

†† Add 25 mm (1.0 in.) in height to Z71 models or deduct 51 mm (2 in.) from models with ZQ8, Sport Suspension.

‡ Payload includes passengers, equipment and cargo. Payloads are approximate and will change with the addition of optional or aftermarket equipment.

Consult your dealer or equipment supplier for details.

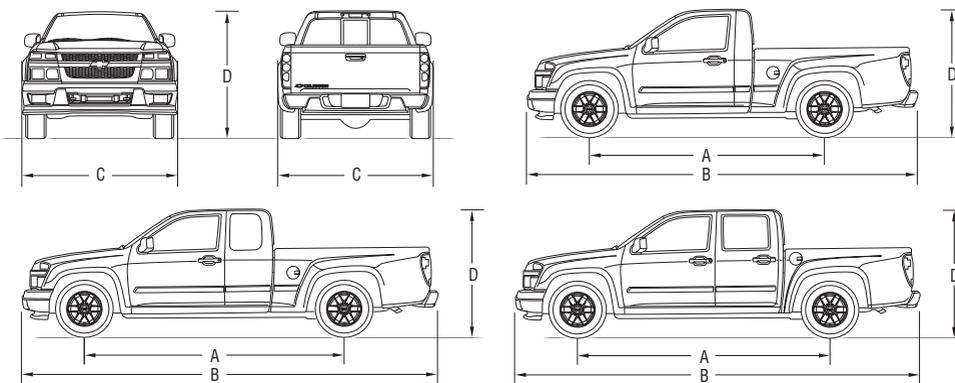

‡‡ Trailer ratings are calculated using an automatic transmission and assuming only the driver is in the tow vehicle. Trailer Weight (also called Trailer Towing Capacity) is the weight of a trailer, its load or contents plus any other weight added to the tow vehicle. Ratings shown are for ball hitch applications.

Many trailer towing applications require additional optional equipment.

See your dealer or refer to the Colorado Owner's Manual for details.

For more information on trailer towing go to gm.ca.

## BACKED THE WAY THEY ARE BUILT

First we build our vehicles to achieve world-class quality standards and to offer the dependability Chevrolet is famous for. Then we stand behind our vehicles with the backing of the best coverage in Canada:

- 3-year/60,000 km New Vehicle Limited Warranty\*
  - 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge\*
  - 5-year/160,000 km Courtesy Transportation\*
  - 5-year/160,000 km 24/7 Roadside Assistance\*
  - 6-year/160,000 km rust-through perforation coverage\*
  - 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs)\*.
- \*Whichever comes first. Conditions and limitations apply, see dealer for details.

### OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:†

- **GM Protection Plan (GMPP)** – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period
  - **GM Goodwrench Service** – with GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- † Conditions and limitations apply.

### TO HELP YOU PURCHASE A NEW VEHICLE:

- **GMAC Express Credit Application** – a convenient way to get pre-approved credit towards the purchase of your next GM vehicle
  - **GMAC Purchase Financing** – on the spot financing at your GM dealership††
  - **GM Student Bonus Program** – GM will cover the first two purchase finance payments on eligible new GM vehicles for students and recent graduates of high school, college or university†
  - **The GM Card** – eligible cardholders may be able to redeem up to \$3500 on GM Card® Earnings toward the Total Purchase Price on selected vehicles. For more information on The GM Card please call 1-800-461-3279.†
- † Conditions and limitations apply. †† Subject to eligibility.

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at [gm.ca](http://gm.ca)
- The GM Customer Communication Marketing Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830)** for TDD users)
- For information about GMAC visit [gmac.ca](http://gmac.ca) or call **1-800-616-4622**.

### A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

### A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

### TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, the GM emblem, Chevrolet, the Chevrolet emblem, Colorado, Z71, Z08 and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Insta-Trac, Solar-Ray, StabiliTrac and Vortec are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

GMAC is a registered trademark of the General Motors Acceptance Corporation of Canada, Limited.

OnStar and the OnStar emblem are registered trademarks of the OnStar Corporation.

TheftLock is a registered trademark of Delphi Automotive Systems Inc.

Radio Data System (RDS) is a registered trademark of the U.S. National Association of Broadcasters.

The XM name and related logos are trademarks of XM Canada, Canadian Satellite Radio Inc.
