

The 2006
BMW 3 Series Sedan

The Ultimate
Driving Machine®

325i
325xi
330i
330xi

Motor is our middle name.

Suspension of disbelief.

So athletic, they call it a sports sedan.

At the center of everything, there's driving joy.

Clean, uncluttered and elegant.

xDrive gives you the power to master virtually anything the road throws at you.

BMW's intelligent xDrive¹ all-wheel drive system takes all-road traction to new heights, while maintaining the 3 Series' legendary agility. On smooth, dry roads, the 325xi and 330xi have the feel of their rear-wheel drive stablemates. But hit a wet downhill curve, for instance, and even before wheelspin can occur, the xDrive system immediately recognizes any need for a change in power distribution. Almost instantaneously, xDrive can send more torque to the front axle in order to enhance stability. Should one wheel on an axle spin faster than the other, the brakes can be applied individually, as needed, to bring all wheels back in sync. At any given moment, xDrive is working hard, shifting drive power, reducing over- or understeer, enhancing agility, and providing the best possible traction.

¹xDrive standard in 325xi and 330xi; not available in 325i and 330i.

By using readings from the DSC (Dynamic Stability Control) sensors and the gas pedal, xDrive permanently monitors the car's driving condition. This data is then used to vary power distribution between the two axles, ensuring agile, neutral and forgiving handling at all times.

Equipment

■/□ **Xenon Adaptive Headlights** provide brilliant clarity of the road ahead and to the side at night and in conditions with poor visibility. The dynamic auto-leveling feature adjusts for varying passenger and cargo loads, helping to keep headlight glare out of the eyes of oncoming drivers. BMW Adaptive Headlights provide optimum road illumination around corners, thanks to an electromechanical control system that directs the headlights into and around the bend as soon as the vehicle begins cornering. (std. on 330i/330xi; opt. on 325i/325xi)

■ **Adaptive Brake Lights** increase vehicle visibility and signal the intensity of your braking action.

■ **Halogen free-form foglights**, integrated into the deep front spoiler, enhance your margin of safety in bad visibility. Ellipsoid free-form technology ensures even light distribution on the road.

■ BMW's **distinctive front kidney-shaped grille** features a chrome surround. The vertical slats on the 330i/330xi grille are chrome; the 325i/325xi has black slats.

■ **Roof rail clips and grooves** are designed for the BMW Accessory roof rail system, holding it perfectly in place.

Equipment

□ **Star Spoke (Style 162) light-alloy wheels and run-flat¹ performance tires.**² In front: 18 x 8.0 wheels and 225/40R-18 tires; in back: 18 x 8.5 wheels and 255/35R-18 tires.³ (included in 330i Sport Package; opt. in 330xi, requires optional Sport Package)

■ / □ **17 x 8.0 Star Spoke (Style 159) light-alloy wheels with 225/45R-17 run-flat¹ all-season tires.** (std. on 330i/330xi; included in 325xi Sport Package)

□ **17 x 8.0 Star Spoke (Style 158) light-alloy wheels with 225/45R-17 run-flat¹ all-season tires.** (included in 330xi Sport Package)

■ **16 x 7.0 Double Spoke (Style 156) light-alloy wheels with 205/55R-16 run-flat¹ all-season tires.** (std. on 325i/325xi)

□ **Double Spoke (Style 161) light-alloy wheels and run-flat¹ performance tires.**² In front: 17 x 8.0 wheels and 225/45R-17 tires; in back: 17 x 8.5 wheels and 255/40R-17 tires.³ (included in 325i Sport Package; opt. in 325xi, requires optional Sport Package)

¹Run-flat tires do not come equipped with a spare tire.

²Performance tires not recommended for driving in ice and snow.

³Due to low-profile tires, wheels, tires and suspension parts are more susceptible to road hazard and consequential damages.

Equipment

■ **Three-spoke leather-wrapped multi-function steering wheel** lets you keep both hands on the wheel while adjusting various comfort functions, such as changing the radio, CD selections and volume. Optional Voice Command (included with optional on-board navigation system) can be used to change radio stations and audio selection, navigation system destinations, and (accessory) telephone entries.

□ **6-speed STEPTRONIC automatic transmission** provides a choice of three modes: “Drive,” which incorporates BMW’s Adaptive Transmission Control; “Sport” automatic, for a more dynamic shift pattern; and STEPTRONIC automatic, for the hands-on control of a manual without using a clutch. (Shown with iDrive, which is included with optional on-board navigation system)

■ **6-speed manual transmission** delivers a precise, athletic feel. Its responsiveness is due, in part, to the enhanced synchronization of shifts from neutral to each gear. A shortened shift lever and “throw” add to the sporty feel of the gearbox. The sixth gear drops revs at highway speeds for smooth cruising. (Shown with iDrive, included with optional on-board navigation system)

■ **Two cupholders** are integrated into the dashboard, and can easily be retracted when not in use. (The driver’s cupholder is not shown.) Two cupholders are also provided in the rear-seat center console for rear-seat passengers.

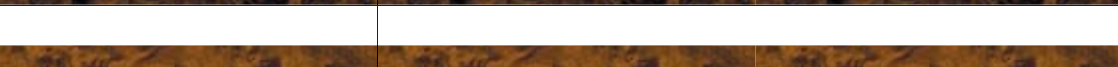

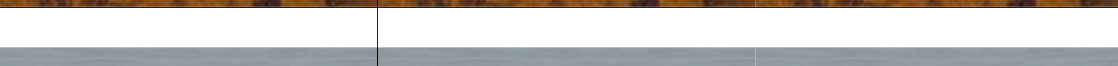

■ The **on-board computer** with Check Control provides valuable feedback on the vehicle’s operating status: oil level indicator and distance to next service appointment/oil change, as well as other detailed information, such as spark plug and micro-filter status. It also provides travel information – travel range on remaining fuel, external temperature, and more.

■ **Rain sensor** uses infrared light to measure the amount of rain. When the wipers are in the “intermittent” mode, the rain sensor automatically adjusts the windshield wiping interval as needed.

Automatic headlight control (not shown), included with rain sensor, activates headlights by means of a sensor that responds to darkness.

- ◇ Included in optional Premium Package
- ★ Included in optional Cold Weather Package

⁹Optional and included in 325i/325xi Premium Package; standard in 330i/330xi.

¹⁰Included with Premium Package or BMW Assist.

¹¹Please contact your authorized BMW center for a list of BMW-approved Bluetooth technology enabled mobile phones.

Equipment

Safety and security	325i	325xi	330i	330xi
Anti-lock braking system (ABS)	●	●	●	●
Adaptive Brake Lights	●	●	●	●
MRS5 centralized safety control system	●	●	●	●
Front and rear Head Protection System (HPS)	●	●	●	●
Driver's and passenger's front airbag supplemental restraint system (SRS) with "smart" dual-threshold, dual-stage deployment and sensor to help prevent unnecessary passenger's airbag deployment	●	●	●	●
Seat-mounted front side-impact airbags	●	●	●	●
Automatic safety belt pretensioners at front and rear outboard seating positions	●	●	●	●
Front passenger seat-occupation recognition with Passenger's Airbag Off indicator	●	●	●	●
Interlocking door anchoring system to help protect against door intrusion in side impacts	●	●	●	●
Central locking system with center console switch (leaves gas filler door unlocked), double-lock feature and 2-step unlocking	●	●	●	●
Coded Driveaway Protection	●	●	●	●
Automatic-locking retractors (ALR) on all passenger safety belts for installation of child-restraint seat	●	●	●	●
LATCH attachments on child-restraint safety installation	●	●	●	●
Crash sensor that automatically turns on hazard lights and interior lights, and unlocks doors	●	●	●	●
Programmable daytime running lights	●	●	●	●
Fiber-optics-based MOST-BUS architecture for safety systems	●	●	●	●
BMW Assist™ ¹² with Bluetooth® wireless technology	○◇	○◇	○◇	○◇

BMW Maintenance Program	325i	325xi	330i	330xi
BMW Maintenance ¹³	●	●	●	●

- Standard
- Optional
- Included in optional Sport Package
- ◇ Included in optional Premium Package
- ★ Included in optional Cold Weather Package

¹² Please see your authorized BMW center for rules and regulations on subscription required with BMW Assist.

¹³ BMW Maintenance Program covers all factory-recommended maintenance on all new MY 2004 and later BMW vehicles, as determined by the Service Interval Indicator, for 4 years or 50,000 miles, whichever comes first. Exclusions from coverage: gasoline, gasoline additives, windshield washer fluids and additives, lights, tires, wheels, wheel alignment, tire balancing and rotation. All work must be performed by an authorized BMW center. See the Service and Warranty Information booklet for more specific terms, conditions and limitations. Further information can be obtained from your local authorized BMW center.
