PERFORMING

MOPAR PERFORMANCE TERMS AND CONDITIONS

NOTICE

Federal and many state laws prohibit the removal, modification or rendering inoperative of any part or element of design affecting emissions or safety on motor vehicles used for transporting persons or property on a public street or highway. Violation may result in a fine of up to \$32,500 per vehicle. Mechanical and/or electronic performance parts listed in this catalog with a "1" cannot be used on vehicles used on public streets or highways.

These parts may be used only on vehicles used solely in sanctioned off-highway events. No other applications are intended or implied. Those parts that have been granted an exemption by the California Air Resources Board (CARB) or meet the EPA requirements of memorandum 1A are legal for highway use in California, New York, and Massachusetts and are noted as such.

NO PARTS WARRANTY – "AS IS"

Mopar Performance parts beginning with a "P" prefix are sold "as is" unless otherwise noted. This means that parts sold by Mopar Performance carry no warranty whatsoever. Implied warranties, such as warranties of merchantability, are excluded. (An implied warranty of merchantability means that the part is reasonably fit for the general purpose for which it was sold). The entire risk as to quality and performance of such parts is with the buyer. Should such parts prove defective following their purchase, the buyer and not the manufacturer, distributor or retailer, assumes the entire cost of all necessary servicing or repair. Chrysler, Jeep®, Dodge and Ram vehicle and parts warranties are voided if the vehicle or parts are used for competition. The addition of performance parts does not by itself void a vehicle's warranty. However, added performance parts (parts not originally supplied on the vehicle from the factory) are not covered by the vehicle's warranty, and any failure that they may cause is also not covered by the vehicle's warranty.

MOPAR PERFORMANCE CRATE ENGINE 90-DAY LIMITED WARRANTY

Mopar Performance Crate Engine Assemblies not used in competition are warranted for "parts only," AS DELIVERED against defects in materials or workmanship for 90 days from the date of purchase. The following parts, if defective, will be replaced on an exchange basis for 90 days: engine blocks and all internal parts; cylinder head assemblies; intake manifold; core plugs; valve covers; oil pan; timing gear; water pump; gaskets and seals. See your dealer for a copy of the limited warranty, which contains additional terms and limitations.

MOPAR PARTS 12-MONTH LIMITED WARRANTY

Except parts as listed above, certain parts from Mopar Performance sold over the counter or wholesaled are warranted against defects in workmanship or materials for 12 months/unlimited miles for parts (exchange) only. These parts are identified in this catalog as having a specific part number structure. Part numbers starting with "P" are not covered under the 12-month warranty. Other parts listed in this catalog without a "P" prefix part number are covered under the 12-Month Limited Warranty described here. See your dealer for a copy of the limited warranty, which contains additional terms and limitations. Parts installed on a Chrysler, Plymouth, Jeep®, Dodge and Ram vehicle by an authorized Chrysler, Jeep®, Dodge and Ram dealer are warranted for 12 months/unlimited miles for parts (exchange) only. See your dealer for a copy of the limited warranty, which contains additional terms and limitations.

EMISSIONS STATEMENT

Federal law requires emissions parts on new vehicles to be warranted for at least two years or 24,000 miles, whichever comes first. Federal and many state laws also prohibit the removal, modification or rendering inoperative any part that affects emissions or safety on motor vehicles used on public streets or highways. Many Mopar Performance parts are designated for track use or off-road use only. Installation of certain components may bring the vehicle out of compliance with safety and/or emissions standards. Mopar recommends that vehicles with parts designated in this fashion not be operated on public roads. Mopar Performance customers are responsible for complying with applicable state and local environmental regulations. Additionally, certain performance parts may affect the emissions characteristics of the vehicle. If you install them on the vehicle, and your vehicle consequently fails a required state or local I/M (inspection and maintenance) emissions test, including any test required to maintain or renew your vehicle's registration, or if your vehicle is subject to an emissions recall, Chrysler Group LLC may not be required to repair your vehicle under the emissions performance warranty, and you may be required to remove those parts at your own expense in order to obtain repairs necessary to pass the I/M test or to perform the recall.

NOTE — CALIFORNIA ONLY

The emissions laws and regulations of the state of California apply to all non-racing vehicles operated in California. Consequently, those parts marked in this catalog with a "1" and appropriately marked on their packaging may legally be used in California only on a racing vehicle that will never be operated on public roads.

PARTS ORDERING AND INQUIRIES

The parts in this catalog may be ordered from authorized Chrysler, Jeep®, Dodge and Ram dealerships or the speed shops carrying the Mopar Performance line of products. When a part ordered has been superseded, the replacing part will be shipped automatically. The price of the replacing part may differ from the ordered part. All products, illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler Group LLC reserves the right to make changes at any time, without notice or obligation, to the information contained in this printed document, including and without limitation to prices, specifications, equipment, colors, materials, and to change or discontinue products.

Select images in this catalog are used with permission of Mopar Nationals, Inc., Chrysler Historical Society, and the Walter P. Chrysler Museum.

A decorative graphic at the bottom of the page consisting of three horizontal stripes: a thick black stripe at the top, a thinner yellow stripe in the middle, and another thick black stripe at the bottom.

BOOKS

B. New! Chrysler, Dodge, and Plymouth

P5249649 Chrysler Muscle Cars (Enthusiast Color)- A full color gallery of Chrysler's fastest muscle cars- from high-revving small blocks to fire-breathing Hemis. Copyright 1993 Motorbooks International (96 pages)

P5249651AB CHRYSLER 300- The complete history of the Chrysler 300. From C-300 to 300L, this story covers "America's Most Powerful Car" from 1955-1961. Copyright Veloce Publishing (156 pages)

P5007691AC Dodge Dart & Plymouth Duster- Although they started their lives as rather innocuous economy cars, the Dodge Dart and Valiant-based Plymouth Duster grew into their own as true high-performance muscle cars. The transformation took place in 1967, when Mopar shoehorned in a Big Block 383-cubic-inch V8. There was no logical reason for this much power in an economy car other than the fact that horsepower fever had officially taken over Detroit. That's reason enough. This book chronicles the life and times of these classic Mopar muscle cars. Copyright 2000 Motorbooks International (128 pages)

P5007220AC Viper Crate Motor Installation Manual (2nd Edition)- A must-read for anyone who wants to install a Viper V10 aluminum crate motor into a hot rod or street rod chassis. Includes detailed package drawings showing engine and transmission mounting points, overall dimensions, critical clearances, etc., as well as important information on the following systems: fuel delivery, fuel injection, electrical, intake, exhaust, cooling and oiling.

P5249652AB Plymouth 1946-1959 - Everything muscle car fans need to know about these vehicles. (160 pages)

P5007516AC Hemi® Muscle Cars - A colorful history of Dodge and Plymouth Hemi production cars. Printed in full color. Copyright 1999 by Motorbooks International (96 pages)

P5007517AC Chrysler, Dodge & Plymouth Muscle- The exciting history of Dodge, Plymouth and Chrysler muscle cars in color. Copyright 1999 by Motorbooks International (192 pages)

BOOKS

A. Dodge Trucks

P5249655AB DODGE Pickups- History and Restoration Guide 1918-1971. One of the most complete and detailed books covering the history of Dodge trucks. This publication is filled with photos from past- including Pickups, Panels, Stakes, Canopies, Screens, Suburbans, Power-Wagons, Route-Vans, Sweptsides, Town Panels, Town Wagons, Custom Sports Specials, Vans, Compact Pickups, Campers, and Adventurers. MBI Publishing (224 pages)

P5007690AC Dodge Pickup Trucks- Part of the Enthusiast Color Series from Motorboks International, this book covers many of the Ram trucks build from early Power Wagons of the 40's through the Dakotas and Durangos of the late 1990's (96 pages)

P5007518AB Dodge Pickup Color History -A full-color history of the Dodge Pickup. Covers 1916 to 1966 models. Copyright Motorbooks International (128 pages)

P5007522AB Mopar Street Truck- Do you own a V10, V8 or V6 Magnum-powered Dodge Ram, Dakota or Durango? If so, you'll want to get this book from Mopar Performance. Packed full of Dodge-truck-only performance strategies and package recommendations, it is highlighted with hundreds of photos and illustrations. Discussions on automatic transmissions and torque converters, manual transmissions and clutches, driveshafts and rear axles, ignition systems, front and rear suspension, body and chassis, brakes, shocks, wheels and tires are all included. Straight from Mopar Performance engineers, racers, and race teams, this book also contains bracket racing speed secrets and performance tips for those who want to take their trucks to the next level. A must for any Magnum-powered Dodge truck owner. (400 pages)
