

BECAUSE YOU NEVER RUN OUT OF THINGS TO TALK ABOUT.

Keep your smartphone fully charged, functional and out of sight.

Charge your smartphone without unsightly wires with a custom-fit charging tray from Mopar®. The tray fits securely in your vehicle's armrest or console for safe-keeping and allows you to stream audio or use other Bluetooth services on properly equipped vehicles.

Features include:

- Continuous wireless charging during vehicle operation
- Allows uninterrupted Bluetooth streaming to properly equipped vehicle audio systems
- Made from durable premium materials for dependable service
