5th WHEEL PACKAGES WITHOUT FACTORY PREP (AHU)

Available for both 2500 and 3500 trucks, these robust, carbide-coated hitch assemblies attach directly to the truck bed. Color-coded three position indicator instantly conveys coupling status, with an extra-wide opening on a fully articulating torsion head ensuring easy alignment and a stable, quiet ride. This 5th wheel hitch is available in two versions rated to tow up to 20,000 lb (5,000-lb vertical) and 25,000 lb (6,250-lb vertical).
