

VOLVO RANGE
MY2017

INNOVATION FOR PEOPLE.

At Volvo Cars, we continuously innovate in order to make your life better. Every car, every technology, and every design is the result of a clear vision – to put people at the heart of everything we do. To value people as individuals with specific needs, and to develop everything first and foremost through a human-centric lens. It's a vision that has always driven us from the start and will continue to drive us into the future. It has inspired us to create the likes of the three-point safety belt and side impact airbags, inventions that have saved lives and changed automotive history. With our new generation of models we continue with this tradition.

Scandinavian design combines with purposeful luxury to enrich your driving experience. Intuitive technology makes life less complicated and keeps you connected with the world. The latest powertrains balance responsive power with class-leading efficiency. And our enhanced safety innovations are always there to support you, helping to prevent accidents and protecting you if one occurs. Making every journey safer, more comfortable, and enjoyable. We strive to understand what's important to people. It forms the basis of all the innovations we create. Innovations that improve lives. At Volvo Cars we design our cars around you.

*“Sensus connects you with your Volvo
and the rest of the world.”*

SENSUS

*Informed, in control and
always up to date.*

Sensus is our answer to overly complicated infotainment and entertainment systems. With the guiding principal of making life easier and more enjoyable, it intuitively connects you with your Volvo and the rest of the world. Whether it's your comfort, entertainment, navigation or onboard safety systems, Sensus removes complication and puts the control at your fingertips.

Intuitive, easy-to-use controls and displays are prime features of Sensus. Our digital driver displays provide instant, intuitive information and can be adapted to the mood you're in. In some of our models you will find the most controls on a large 9-inch Sensus Touchscreen in the center display. Replacing physical buttons with virtual equivalents on the screen allows them to be larger and easier to use. Bold, clear graphics make it easy to absorb information at a glance.

Our philosophy has always been that you should be able to operate your Volvo and keep your eyes on the road. The head-up display means you can do just that while staying connected and informed. Voice control is another feature that allows you to use common phrases to control the functions of your Volvo while keeping your attention on the traffic.

Our Sensus Connect goes further, with wifi keeping your devices connected to the internet, while a host of built-in navigation and entertainment apps give you access to a world of on-line music, entertainment and services.

A superb audio experience is also part of Sensus. We have designed our state-of-the-art Premium Sound audio systems together with the renowned sound specialists at Harman Kardon and Bowers & Wilkins. These high-end audio systems put you at the heart of the music, allowing you to hear it as the musicians intended, wherever you're seated.

Our Volvo On Call smart-phone app provides access to a host of clever solutions that allow you to remotely access and control your Volvo from your smartphone, iPad or a wearable device. For example, you can warm up or cool down the cabin before travelling, lock or unlock your car, check car status and send destinations directly to the Sensus navigation system. Inside and out, the Sensus experience makes your everyday life a little less complicated and enriches the moments that you spend in your Volvo.

Some of the Sensus technologies described above may not be available for all Volvo car models. For more information about the specifications for each model, variant and trim level, please talk to your Volvo dealer or visit VOLVOCARS.US

*"Journeys are more relaxed with
IntelliSafe there to help you."*

INTELLISAFE

Always looking out for you.

IntelliSafe is our name for the intuitive, intelligent technologies that support your driving, help prevent accidents and help protect you in a collision. This technology plays a key role in helping us achieve our bold vision that, by 2020, no one will be killed or seriously injured in a new Volvo car.

City Safety is at the heart of IntelliSafe. It's like a co-pilot that looks out for you and brakes automatically if needed to help avoid a collision with, for example, a slower moving vehicle in city traffic. To support your drive at higher speeds, our collision avoidance innovations also include technology that can detect danger ahead, then warn you and intervene if necessary. This technology can identify other vehicles, pedestrians, cyclists and, in some Volvo models – large animals ahead of you, even at night. It can warn you of hazards and, if you don't react, it can brake automatically to help you avoid or mitigate a collision. Journeys are more relaxed with IntelliSafe to support you.

To help you stay in the lane, our Lane Departure Warning or Lane Keeping Aid technology will alert or intervene if you unintentionally should cross a lane marking.

Also, our new Pilot Assist technology provides gentle steering support to assist you to comfortably follow the traffic flow within your current lane and for speeds up to 80mph.

Run-off Road Mitigation is a Volvo world-first that steers and, if necessary, brakes for you to help prevent you leaving the road accidentally. Driver Alert Control can recognize if you're tired or distracted and suggests that it's time to take a break, while Road Sign Information helps remind you of the speed limit.

Add Intellisafe Surround and get BLIS™ (Blind Spot Information System) for increased awareness and confidence on the highway, alerting you to vehicles alongside you. Cross Traffic Alert keeps an eye out behind your Volvo and tells you if there's another road user behind you when you're reversing out of a parking space.

With IntelliSafe, your Volvo takes care of you and those around you. All you need to do is keep your hands on the wheel and enjoy the drive.

Some of the IntelliSafe technologies described above may not be available for all Volvo car models. For more information about the specifications for each model, variant and trim level, please talk to your Volvo dealer or visit VOLVOCARS.US

"Balancing performance and efficiency, every Volvo powertrain gives you on-demand power with low fuel consumption and emissions."

DRIVE-E

Enjoying more, using less.

With the perfect balance between performance and efficiency, every Volvo engine gives you on-demand power with low fuel consumption. We achieve this with Drive-E, the cutting-edge technology behind every one of our advanced gasoline and plug-in hybrid power trains, where performance and efficiency are built-in.

We've mated our turbocharged, low-friction, light-weight powertrains with Geartronic™, our new generation eight-speed automatic gearbox, which is designed to minimize power loss and maximize performance.

To help you drive more efficiently, select Eco mode and your Volvo recalibrates the drivetrain for the lowest possible fuel consumption and emissions. The coast function disconnects the engine from the automatic transmission when you release the accelerator at speeds above 40 mph so it isn't being used to slow the car.

If you want the best of both worlds, our high-performance T8 Twin Engine Plug-In Hybrid powertrains give you an involving drive as well as cutting CO₂ emissions.

The combination of a high-performance gasoline engine and a powerful electric motor offer impressive power and performance, but use much less fuel. The engine drives the front wheels and the electric motor powers the rear, giving instantaneous acceleration and on-demand all-wheel drive. With just the electric motor powering the car, you benefit from silent, zero emission driving and a 14 miles electric-only range which is ideally suited to daily commuting.

At Volvo Cars, by looking to the future we enhance your life today. Drive-E brings together advanced technologies to create a better world and a better drive for you.

Some of Drive-E technologies described above may not be available for all Volvo car models. For more information about the specifications for each model, variant and trim level, please talk to your Volvo dealer or visit VOLVOCARS.US

THE ALL-NEW VOLVO S90

Designed for a new world.

When we designed our new luxury sedan we had a single aim: to create a car that would redefine the idea of luxury. The result is the all-new Volvo S90, a car that blends the best of Scandinavian design with advanced technology to give you a new experience, beyond the commonplace and everyday. A new kind of luxury. Our idea of luxury.

With a single glance the S90 captivates you. Its powerful stance is confident and assured, the embodiment of a design

philosophy that extends inside the car, where you'll discover a cabin crafted from exceptional materials such as Swedish crystal and flame birch wood inlay.

In addition to styling, technology supports you without feeling overwhelming. From safety technology that avoids collisions, every one of the advanced features has been engineered to improve every journey.

This is how a modern luxury sedan should be. This is the all-new Volvo S90.

From the moment you settle into the driver's seat you're in control. Always within reach of the 9-inch Sensus Touchscreen, which is angled towards you to create the feel of a cockpit. You're surrounded by an environment where beautiful materials and advanced technology meet, creating a cabin that looks stunning and works perfectly.

The exceptional craftsmanship enhances the feeling of precision. Take the air vents, inspired by our latest concept cars. The metal-finish vertical strip and diamond-patterned control knob surfaces are beautiful to look at while remaining intuitive to the touch. In the S90 every component moves with the accuracy afforded by fine engineering. It is a car that gives you control over every part of your journey.

S90 ENGINES:

- T5 FWD, four-cylinder turbocharged Direct Injected Drive-E engine, 250 hp
- T6 AWD, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 316 hp

THE ALL-NEW VOLVO V90 CROSS COUNTRY

Adventure that knows no limits.

A true all-road car, the V90 Cross Country is built to enhance your every adventure. Clean, taut lines and rugged Cross Country details create a powerful look that conveys a strong sense of capability.

The V90 Cross Country is packed with innovative technology for sophisticated travelling on all roads. All-wheel drive, increased ground clearance and an advanced chassis that allows for tailor-made travel help you cope with rough roads, challenging weather and tough conditions. Adapt your drive by selecting the drive mode that's right for you - Comfort, Eco, Dynamic, Off-Road, or

Individual. And with Individual Mode, you can customize your drive even further.

No matter what's going on outside, the V90 Cross Country is a sanctuary inside. The spacious, light-filled cabin is made from the finest materials and constructed with the care and attention provided by Swedish craftsmanship.

Designed to enhance the adventure of your journey, the V90 Cross Country is a place where you can relax in comfort, where technology enhances your drive and opens up a world of destinations.

VOLVO XC90

Experience our idea of luxury.

The XC90 is a haven, a place where you can relax, think and travel in first-class comfort. Where contemporary Scandinavian design meets Swedish craftsmanship. Where quality materials will delight your senses and put comfort at the heart of every journey. Where an intuitive center display with a 9-inch Sensus Touchscreen helps keep you connected and in control.

Whether driving along the highway or negotiating urban traffic, our intuitive technology makes the journey easier,

leaving you to enjoy the ride. The unique driving experience is further enhanced with sophisticated powertrains that give you performance and efficiency, so you never have to compromise.

With the very latest in safety innovations, you will travel in the knowledge that your XC90 will always look out for you, your passengers and the world around you.

The XC90 represents our distinctive take on what it means to drive a luxury car in the 21st century.

You know you're looking at truly great design when what appears simple at a first glance turns out to be ingenious and stimulating once you discover the thoughts and details that make up the whole. The XC90 marks an exciting chapter in Volvo Cars' history, featuring a design language that combines a strong presence with subtle details. It is perfectly executed and contemporary, yet timeless.

XC90 ENGINES:

- T5 FWD, four-cylinder turbocharged Direct Injected Drive-E engine, 250 hp
- T5 AWD, four-cylinder turbocharged Direct Injected Drive-E engine, 250 hp
- T6 AWD, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 316 hp
- T8 Twin Engine eAWD Plug-In Hybrid, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine complemented with an electric motor, 313 + 87 hp

VOLVO XC90 EXCELLENCE

The best of everything.

The XC90 Excellence has a unique concept at its heart, combining all the virtues of our acclaimed SUV with the opulence of a contemporary first-class cabin. Epitomizing the finest of Scandinavian design and craftsmanship, this lavishly-appointed four-seater SUV brings a new, fresh perspective on luxury. The interior has been meticulously crafted to provide an atmosphere of tranquility and luxurious seclusion for you and your

guests. Whether you relish the experience in any of the front seats or relax in the back, you can enjoy individual Fine Nappa leather seats with advanced ventilation and massage functions. Handcrafted Orrefors® glasses in genuine Swedish crystal are within easy reach, and one of the world's finest in-car audio systems Premium Sound by Bowers & Wilkins ensures a perfect sound. The XC90 Excellence is a treat for all your senses.

A pop-up touchscreen controls rear seat functions. When not in use it can easily be hidden from view.

Extra-wide winged rear head restraints along with the seats' reclining function and leg extension provide maximum comfort for rest or sleep.

XC90 EXCELLENCE ENGINE:

• T8 Twin Engine eAWD Plug-In Hybrid, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine complemented with an electric motor, 313 + 87 hp

VOLVO S60

*For people who enjoy
taking the long way home.*

At the heart of the S60 is a great driving experience that makes the S60 a car that you really enjoy spending time in. On the kind of roads you drive home or just for the enjoyment of driving, the S60 is your perfect companion.

Inside and out, the S60 embodies Scandinavian design. You see it in the elegant and uncluttered interior, with its alluring blend of modern materials and traditional craftsmanship; in the confident presence the S60 has on the road.

The S60 Dynamic and R-Design both offer charismatic appearances which speak to the sport sedan driver. A long list of standard equipment, such as xenon headlights, moonroof and leather sport seats only enhances the overall experience. If you need more performance from your S60, the T6 AWD R-Design delivers with more equipment as well as a supercharged and turbocharged Drive-E engine.

We have given the S60 a sporty three-spoke steering wheel with available Paddle Shifters* and also angled the controls and displays towards you. Our available Adaptive Digital Display* (TFT) gives you beautifully bright, clear graphics and lets you flick between three modes: Elegance, Eco and Performance, whichever suits mood and driving style.

*Standard T6 R-Design, optional T5.

S60 ENGINES:

- T5 FWD, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T5 AWD, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T6 AWD R-Design, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp

VOLVO S60 INSCRIPTION

*Your most luxurious
sport sedan ever.*

The S60 Inscription takes comfort and rear seat passenger convenience to a new level. This luxury sport sedan offers an extra three inches of legroom in the rear seat, resulting in best-in-class rear accommodation. Its extended wheelbase not only adds to ride comfort, but also elegant styling. Seats with

leather upholstery, Linear Walnut wood inlays, silk metal detailing, interior accent lighting and integrated rear sunblinds put an edge to a unique experience of relaxed, thoughtful luxury. More than ever, the passengers will enjoy the ride as much as the driver.

S60 INSCRIPTION ENGINES:

- T5, four-cylinder turbocharged Direct Inject Drive-E engine, 240 hp
- T5 AWD, four-cylinder turbocharged Direct Inject Drive-E engine, 240 hp

VOLVO S60 CROSS COUNTRY

*A unique combination:
rugged looks and capability
with a daring attitude*

The S60 Cross Country possesses a unique combination of coupe-like style and tough capability to take adventurous drivers further, whatever the weather and wherever the destination.

With a raised ground clearance and rugged design elements, this car challenges you to braving the elements and exploring new terrain. However, its ability on rough roads and forest tracks doesn't come at the expense of an engaging, sporty drive

on smooth tarmac: the S60 Cross Country gives you pure driving pleasure on twisty country roads.

Inside, sculpted sports seats keep you firmly in place, and you and your passengers can relax in a refined, meticulously crafted cabin with a host of thoughtful features. If you're looking for a car that not only stands out from the crowd, but is also a perfect companion on all roads, the S60 Cross Country is for you.

S60 CROSS COUNTRY ENGINE:

• T5 AWD, four-cylinder turbocharged Direct Inject Drive-E engine, 240 hp

VOLVO V60

*Why give up the thrill
of driving just because you
need to carry stuff?*

The V60 is a beautifully balanced combination of dynamism, style and smart versatility. When driving on curvy roads you'll enjoy the crisp response of a well-balanced chassis. During the longer trips, the relaxed comfort of your V60 will keep you and your passengers fresh for hours. A range of supportive technologies give you a relaxed drive and keep you in control.

The agile character of your V60 is enhanced by its looks. The muscular

shoulders, the distinctive front, the sleek roofline and the powerfully sculpted rear section with its signature rear lights – all make for a strong road presence. Inside, a beautifully crafted interior creates a calm, yet invigorating environment that creates a unique sense of well-being.

The V60 is truly designed to fit in with your life, whatever it involves. A car that has the power to make you feel good every day.

We know that your active life requires flexibility and space, but we also know that you don't want to sacrifice driving pleasure. Therefore, we developed the V60, a wagon that is as dynamic as it is versatile. With its clever 40/20/40 split rear seat, you can carry everything you need and you just might reach your destination a little bit quicker.

Optional sport seats have great side support all the way from your thighs to your shoulders, so they keep you firmly in position, even when you're cornering fast. TO SEE MORE OF THE V60'S DESIGN FEATURES, GO TO VOLVOCARS.US

V60 ENGINES:

- T5 FWD, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T5 AWD, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T6 AWD R-Design, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp

VOLVO V60 CROSS COUNTRY

*Adventure that lives up
to its promise.*

The V60 Cross Country is a cross-over that combines dynamism and versatility to give you an engaging driving experience, and the capacity to fulfill your outdoor adventures. Thanks to its raised ground clearance, Hill Decent Control and capable chassis, the V60 Cross Country delivers what its appearance promises: it has real all-road, all-weather capability with standard all-wheel drive. Inside you will appreciate the long list of thoughtful standard equipment, including 3D Navigation, leather seating surfaces and a moonroof perfect for star gazing adventures.

Equally at home on all roads – from rough gravel roads to highways – this really is a Volvo for people who don't just talk about adventure, but live it too. For them, all-weather capability and the ability to occasionally leave smooth, well-travelled roads behind are essential. For that, you need a tough, durable yet stylish partner that doesn't compromise on capability and versatility. And that's really what the V60 Cross Country is all about.

Once you set off on your journey, the 7.9 inches of ground clearance gives you a great overview in town, and the capability to leave the city far behind. When the road gets rough or the weather turns ugly, the all-wheel drive technology takes you safely to your final destination. No matter where you go, no matter what the season, our V60 Cross Country lives up to its promise.

V60 CROSS COUNTRY ENGINE:
• T5 AWD, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp

VOLVO XC60

*Meet the SUV that's
GREAT to drive.*

The XC60 excels whether you're on a city street or a challenging country road. It enhances your life with the enjoyment, comfort and beauty it provides. A car that blends Volvo refinement and innovation with the functionality and presence of an SUV.

On the outside, the XC60 possesses the elegance and confidence, as well as a toughness that suggests it is ready for anything. It delivers on its promise, with a chassis that provides a responsive, in-command feeling.

Generous ground clearance and the option of all-wheel drive give you the freedom to go wherever you choose, however challenging the road or conditions. Inside, the XC60 combines a commanding driving

position with a calm, serene atmosphere, so that you feel relaxed and in control.

The XC60 comes in three styles to best fit yours: Dynamic, Inscription and R-Design. The Dynamic pays special attention to the exterior with a front and rear styling kit and unique black accents. The XC60 Inscription is tailored to enhance the cabin with more luxurious appointments, including a Linear Walnut wood inlay and accent lighting. While the T6 AWD R-Design is all about performance from its style to its capabilities. Which ever XC60 you choose, you will appreciate thoughtful features such as leather seats, 3D Navigation and panoramic moonroof standard.

Thanks to its well balanced chassis, the XC60 doesn't drive like a towering, top-heavy SUV. Instead, it's every bit as nimble and agile as a ground-hugging sedan. Its ride height gives a commanding driving position and added confidence. The headlamps are focused and determined, while vertical LED daytime running lights give it a striking appearance, in both height and stature.

XC60 ENGINES:

- T5 FWD, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T5 AWD, four-cylinder turbocharged Direct Injected Drive-E engine, 240 hp
- T6 AWD and T6 AWD R-Design, four-cylinder turbocharged and supercharged Direct Injected Drive-E engine, 302 hp

WHEN DRIVING MATTERS.

“All Polestar products are developed for people like ourselves – for those who appreciate driving with full control.”

Polestar is a Volvo performance car for all roads, all seasons, on any day. That's why we focus on one thing only: optimizing driveability. By using proven motorsport technology and experiences, we've built two cars for the open road that deliver a confident, precise and exhilarating driving experience. Our Polestar engineered S60 and V60, are equipped with 80%

stiffer springs and Öhlins shock absorbers to respond to every nuance of the road. Meanwhile, the sport mode of the eight-speed automatic transmission engages the active sport exhaust, providing an aggressive engine note. These features, combined with other enhancements to the powertrain, chassis, brakes and design truly set Polestar cars apart.

Building a racing car with the only aim to be as fast as possible on the track is one thing. Developing a road car with optimal driveability for all conditions and all roads, is a completely different challenge. The key to any great performance car is a strong and responsive chassis, but this is not the whole story. In order to achieve optimal driveability, everything needs to work together and in tune. The engine, aerodynamics, brakes, transmission, tires, suspension, all must create what a race engineer would call a completely balanced package. This is where Polestar delivers. With limited availability, Polestar is the ultimate driver's car for the enthusiast that demands something unique.

LEASING OPTIONS

FLEXIBLE TERMS

Leasing is available for terms as short as 24 months or up to 48 months. You can drive a new Volvo car every few years while within the manufacturer warranty and maintenance plans and without the burden of negotiating trade-in values.

CHOICE OF MILEAGE PLANS

The standard mileage option allows up to 15,000 miles per year, however, several other mileage plans are available to tailor to your commuting needs. Under the low mileage plan, options are available as low as 10,000 miles per year and we also offer a high mileage plan with options as high as 30,000 miles per year.

SINGLE PAYMENT LEASE

A single payment lease provides convenience and savings. You make only one payment, one time, freeing you from monthly payments. It permits you to prepay all monthly payments in a single payment at lease signing. This single total lease payment is less than the amount you would pay over the term of a conventional lease.

MULTIPLE SECURITY DEPOSIT LEASE*

A multiple security deposit lease allows you to place a lump sum refundable security deposit at lease inception, which reduces your monthly rent charge resulting in substantial savings over the term of the lease. The additional security deposits are refunded to you at the end of the lease term.

* Multiple Security Deposit Lease is not available in NY.

BUSINESS LEASE

Under our business lease option, owners have the flexibility to lease the vehicle as the business.

GUARANTEED AUTO PROTECTION (GAP) WAIVER

Our GAP Waiver is included in your lease agreement at no additional cost to you. It is provided to give you peace of mind. If your leased Volvo car is declared a total loss due to theft, accident, or natural disaster, we will cover the difference between the insurance proceeds and the balance owed to Volvo Car Financial Services less any deductible.

EXCESS WEAR AND USE PROTECTION PLAN**

As a part of everyday driving, normal wear and use can be expected. However, when turning in your leased vehicle, you may be responsible for any excess wear and use damage, therefore, Volvo Car Financial Services offers an optional plan to protect you and your car from unexpected occurrences that happen from nature and chance.

** Excess Wear and Use Protection Plan is optional and not available in AK, GA, KS, NM, NY, TX, UT and VT.

FINANCE OPTIONS

Volvo Car Financial Services (VCFS) offers affordable and competitive financing on new and Volvo Certified Pre-Owned cars. Our low rates and flexible terms can get you behind the wheel of the Volvo you want to drive with finance terms up to 75 months. Volvo Car Financial Services also offers financing on vehicles purchased under the Overseas Delivery Program.

SPECIAL PROGRAMS

COLLEGE GRADUATE PROGRAM

You've worked hard to earn your degree. Now the Volvo Graduate Program can make it easy for you to drive a Volvo car. With flexible and competitive financing options available for graduates, Volvo Car Financial Services can help you to step into the luxury of driving a Volvo car with only a 5% down payment upon credit approval.

VOLVO MOBILITY PROGRAM

The goal of the Volvo Mobility Program is to assist persons with physical disabilities or hearing impairment. For those with exceptional transportation needs, this can be facilitated within the extraordinary comfort and safety of a specially adapted Volvo car. For additional information on this program, please contact **Mobility by Volvo Customer Care at (800) 550-5658**.

PERSONAL SHOPPER

The Volvo Personal Shopper is dedicated to providing you with a whole new level of shopping convenience. Whether you'd like help identifying the Volvo model that best fits your lifestyle, detailed information on any Volvo model, or a comparison against the competition, Volvo is there to help. We can arrange a Guest Drive for you at your nearest Volvo Retailer. So make the most of your shopping time and call the Volvo Personal Shopper at 1-800-550-5658.

VOLVO OVERSEAS DELIVERY PROGRAM

The Volvo Overseas Delivery Program offers a unique way to buy your new custom-built car as well as a unique way to see more of Europe. When you're done traveling, bring the pleasure of driving a Volvo car back home. Purchase any new Volvo car as part of the Volvo Overseas Delivery Program and enjoy all this, and more:

- Attractive pricing on U.S. models.
- Access to colors and certain features normally only available in Europe.
- 15 days of international insurance and temporary European registration included.
- Two complimentary round-trip tickets to Scandinavia.
- One free hotel night in Gothenburg, Sweden, the home of Volvo Cars.
- An exciting Volvo Cars factory tour or a visit to the new Volvo Brand Experience Center.
- An exclusive VIP delivery experience at the Volvo Cars Factory Delivery Center.
- The opportunity to explore Europe in the comfort and safety of your own Volvo car, either with one of our spectacular tours or on your own.
- Complimentary home shipment services. Just leave your car with us. We'll ship it to you the convenient way while you relax and enjoy your complimentary flight back home.

Can you think of a better way of traveling overseas and making your souvenir part of an unforgettable experience? If you would like to know more, contact your local Volvo car retailer, our Customer Care Center (800) 631-1667, or visit **www.volvocars.com/us/shopping-tools/explore/overseas-delivery**

SERVICE AND WARRANTY

VOLVO ROADSIDE ASSISTANCE

Whenever you need us, we're just a phone call away. Our nationwide network of retailers and authorized service providers are ready to assist. Whether you require roadside assistance or maps and routing information for your next trip, refer to your Volvo Roadside Assistance card and dial **1-800-63-VOLVO** at any time. Your complimentary four-year membership activates the moment you become a Volvo owner. A connection to Volvo Roadside Assistance can also be made through our free app. Download it for iPhone or Android by typing Volvo Roadside Assistance/US through your app store.

VOLVO NEW CAR WARRANTY

Your new-car warranty provides comprehensive coverage for four years or 50,000 miles, whichever occurs first. Additional warranties cover corrosion, seat belts, the supplemental restraint system, hybrid components, emission systems, genuine Volvo car replacement parts and genuine Volvo accessories. Should you encounter any problem with your Volvo car, simply contact the nearest retailer for assistance. Where your warranty ends, Volvo Increased Protection (VIP) plans begin. To purchase the additional protection of a VIP plan, contact your local retailer.

COMPLIMENTARY FACTORY SCHEDULED MAINTENANCE

Volvo Cars is committed to a premium ownership experience for its customers. To further enhance your ownership experience, all 2017 model year Volvo cars sold in the United States will include Complimentary Factory Scheduled Maintenance. This program provides scheduled maintenance coverage for the first three years or 36,000 miles, is designed to complement your Volvo warranty, and will help ensure trouble free operation of your Volvo. Coverage includes factory recommended maintenance including oil and filter changes, checks and adjustments as listed in your Warranty and Maintenance Records Information booklet, for the first three maintenance services at intervals of 10,000, 20,000 and 30,000 miles.

Service must be performed within 1,500 miles before or after each scheduled interval. Coverage is limited to scheduled maintenance items listed in the 2017 model year Warranty and Maintenance Records Information booklet. An authorized retailer must perform maintenance. Offer is transferable. Optional Prepaid Maintenance Plan upgrades are also available that will allow you to customize coverage to meet your driving needs. See your Volvo retailer for details.

SERVICE BY VOLVO

- Lifetime replacement parts and labor warranty
- Free software updates
- Complimentary diagnostics
- Car wash
- Alternative transportation
