VOLVO INCREASED PROTECTION

VEHICLE SERVICE CONTRACTS

When it comes to making a financial investment, there is nothing more valuable than peace of mind. Most major vehicle repairs occur outside of your original new car factory warranty, which is why we offer various Vehicle Service Contracts to help cover unforeseen expenses.

With five coverage levels, we've got you protected. Depending on the age and mileage of your vehicle, you can choose up to four additional years of protection or up to 120,000 miles, whichever comes first.

We recommend all repairs or replacements be made at authorized Volvo dealerships to ensure only Volvo genuine new or Volvo remanufactured parts are used.
