

The 2013 Super Beetle

Das Auto.

Power comes in many forms. For example, this.

With a 210 horsepower, 2.0 TSI engine under its hood, The Super Beetle is designed for the power-hungry driver. But it's no slouch in the looks department, either. We kept the classic Beetle look, but gave it a more aggressive stance, so you can tear up the roads and look great doing it.*

*Please drive safely and obey all traffic laws, including speed limits.

Highlights:

- Bi-Xenon headlights with LED daytime running lights
- 19" Tornado alloy wheels
- Available in Black, Candy White or Tornado Red
- Turbo decal located along lower door
- Panoramic power sunroof
- Fender® Premium Audio System – 400-watt digital sound package (8 speakers + subwoofer)
- Two-tone Salsa Red/Titan Black – Vienna leather sport seats
- RNS 315 navigation system with single CD player

© 2013 Volkswagen Canada. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information contained in this brochure is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Refer to the EnerGuide 2013 for Natural Resources Canada's estimated fuel consumption figures. Actual fuel consumption may vary based on driving conditions, driver habits and vehicle's additional equipment. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Volkswagen Canada. Discrepancies may occur between the mapping and the actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
