

# 2015 CC

Das Auto.

# Make a grand entrance.

We're sure you'll agree that the 2015 CC deserves a red carpet arrival. Loaded with premium features like available 18" alloy wheels and a panoramic sunroof, arriving in style comes naturally. But it's also more than just a pretty face. It features an award-winning 2.0 TSI engine, so you'll always arrive fashionably—but never late. Although the 2015 CC knows how to make a grand entrance, it believes that first impressions aren't everything. Lasting impressions are.

## It might even make you jealous of yourself.

You won't have to ask who's the fairest of them all when you're behind the wheel of the 2015 CC. Especially when your 12-way power adjustable driver's seat positions you for absolute comfort and control. Throw in the available 280 horsepower, 3.6L FSI VR6 that churns out an astonishing 265 lb-ft of torque, and this object of desire only gets more desirable. With all that power and comfort so close at hand, sitting in the driver's seat of a CC puts you in a very enviable position indeed.

# Key Features

## Features

### Available panorama vent sunroof

The open road gets even more open with the panoramic, power-tilting sunroof.

### Available R-Line

Try to look away from the show-stopping aesthetics of the R-Line Package.

### Premium 8 touch-screen radio

Your favourite song is at your fingertips. This touch-screen unit gives you all the music you could possibly want, in one sleek, powerful package.

### Bi-Xenon headlights with Adaptive Front-Light System (AFS)

Own the spotlight (or in this case, lights). Brighter than regular bulbs, the Bi-Xenon lights with Adaptive Front-Light System turn up to 13 degrees around corners before you do.

### Rear view camera

With a camera installed behind the Volkswagen emblem on the back of the car, you can always check who's checking out your CC.

### Climatronic® dual-zone electronic climate control

Create a climate that's perfectly tailored to your needs, whether you're the driver or the passenger.

## More Features

### Available Side Assist

The 2015 CC covers all angles. An available Side Assist monitoring system warns the driver of a potentially hazardous situation to the left and right of the vehicle and up to 50 m behind it. We've got your back. And your side.

### Bluetooth® mobile phone connectivity

Say hello to hands-free freedom. Bluetooth® with voice command gives you seamless phonebook access, music streaming and, of course, voice calling.

### 12-way power adjustable driver seat with power lumbar support

Now comfort's in your control. Adjust your premium sport seat for premium comfort.

**Think Blue.** It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI	11.4	7.4
Automatic DSG	2.0 TSI	10.7	7.7
Automatic	3.6L 4Motion®	13.9	9.3

**TSI** – TSI brings together the power of direct fuel injection with the extra boost of a turbocharger. The end result? An ultra-efficient engine that provides a maximum 207 lb-ft of torque from 1,700 to 5,000 rpm, gives you outstanding performance through a wide range of speeds, power when you need it, ultra-low fuel consumption and, ultimately, lower CO<sub>2</sub> emissions.

\*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

**DSG** – A definite shift for the better, DSG gives you the convenience of an automatic with the performance and efficiency of a manual. Here's how it works: DSG is managed by dual electronically controlled clutches, so not only do you shift faster, you also get enhanced acceleration and reduced fuel consumption. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic® function lets you shift into something a little sportier.

Lightly does it. The lighter you travel, the less fuel you consume. An extra 100 kg of stuff increases your fuel consumption by up to 0.3 L/100 km. So if you've got random items weighing you down, it's time to lighten the load. Driving more efficiently. Just one way that we can all Think Blue.

**Think Blue.**

Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. The estimated fuel consumption ratings for the 2015 CC models are based on Natural Resources Canada's (NRCAN) newly approved fuel consumption criteria and testing methods effective with 2015 model year vehicles. Please note that comparisons to seemingly identical 2015 and 2014 model year and older vehicles will show discrepancies due to the difference in NRCAN approved calculation methods. Please refer to NRCAN's Fuel Consumption Guide 2015 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver's habits and vehicle's additional equipment.
