

2015 Jetta

Das Auto.

European or American model may be shown.

Dressed to impress.

The new 2015 Jetta knows how to make a first impression that lasts. Not only does the re-designed front end present sleeker lines and a more powerful stance, it also features improved aerodynamics to save you fuel. And with an available 2.0 TDI, 150 horsepower engine that boasts 236 lb-ft of torque, you'll have more time to enjoy the drive when you're making fewer stops at the pump. For drivers that want style and substance, the new Jetta has arrived fashionably right on time.

Back to the feature.

Count on the new 2015 Jetta to give you more of what you love. For example, options like the rearview camera and a multifunction steering wheel with elegant Piano Black accents come standard across all trim levels. Add available driver-assistance features like Blind Spot Detection and Rear Cross-Traffic Alert for even more convenience and peace of mind. This is the Jetta that puts the future in your hands, and everything else at your fingertips.

Key Features

Features

Rearview Camera (with static guiding lines)

We concealed a tiny camera on the back of the car, to help you see things that are hidden behind you. Like, for instance, someone who can't stop staring at your Jetta.

Multifunction steering wheel with Piano Black accents

In most cars you have to hold onto the wheel. With the Jetta's multifunction steering wheel, you'll never want to let it go.

Available Blind Spot Detection with Rear Cross-Traffic Alert

Check your surroundings safely and easily. Whether you're changing lanes or in reverse, your Jetta is always looking out for you.

Available RNS 510 touch screen navigation system

When a car's this much fun to drive, you may not mind getting lost. But with touch screen navigation you'll always find your way.

Available Bi-Xenon headlights with Adaptive Front-light System (AFS)

In every way, our lights go farther. Not only brighter than regular bulbs, the Bi-Xenon lights with Adaptive Front-light System (AFS) last significantly longer than traditional headlights while consuming less energy.

Available Ceramique and Titan Black two-tone interior*

Upgrade your interior to a more premium look and feel with the tasteful contrast of Ceramique and Titan Black two-tone seats.

More Features

Available Piano Black interior accents

The inside of your Jetta now features a more polished look and feel. Available on select trim levels, stylish Piano Black accents throughout the interior upgrade your drive to first class.

Bluetooth® mobile phone connectivity

Say hello to hands-free freedom. Bluetooth® connectivity gives you seamless phonebook access, music streaming and, of course, voice calling.

More rear leg room

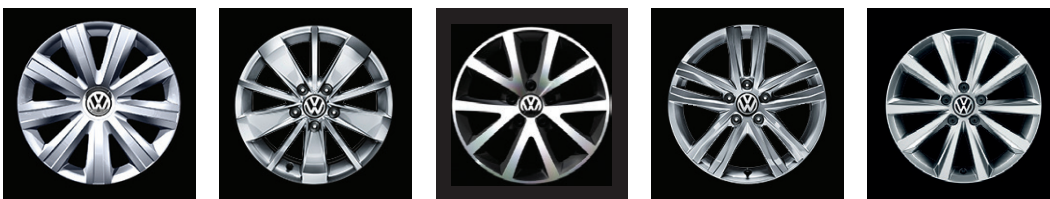

Now you don't even have to stop the car to stretch your legs, with three whole feet of rear legroom for your lucky passengers.

Specifications

Trendline

Engines:

2.0L 115 hp, 5-speed manual transmission
2.0L 115 hp, 6-speed automatic transmission
Maximum torque: 125 lb-ft at 4,000 rpm

Trendline includes:

15" steel wheels with full covers and all-season tires
4-wheel Anti-lock Braking System (ABS)
60/40 split-folding rear seats
6-way manually adjustable front seats
Auxiliary input
Body-coloured bumpers and door handles
Bluetooth® mobile phone connectivity with voice activation
Cardholder (unless replaced by KESSY or KESSY Go)
Chrome grille
Cruise control
Diversity antenna
Driver and front passenger front and side airbags, and front and rear Side Curtain Protection®
Electronic Stability Control (ESC)
Front and rear disc brakes
Front and rear floor mats
Front and rear interior lights
Glove box
Height-adjustable and telescopic steering column
Interior décor: Black grained
LED rear licence plate illumination
Multilink rear suspension
Plastic multifunction steering wheel with Piano Black accents
Power door locks and windows
Premium 8 radio – includes 6-disc CD changer, touchscreen and 4 speakers
Rear seat head restraints for all seating positions
Rearview camera (with static guiding lines)
SiriusXM® Satellite Radio
Sunglasses holder
Trip computer
Vehicle immobilizer

Trendline+

Engines:

2.0L 115 hp, 5-speed manual transmission
2.0L 115 hp, 6-speed automatic transmission with Tiptronic®
Maximum torque: 125 lb-ft at 4,000 rpm

1.8 TSI 170 hp, 5-speed manual transmission
1.8 TSI 170 hp, 6-speed automatic transmission with Tiptronic®
Maximum torque: 184 lb-ft at 1,500-4,750 rpm

2.0 TDI 150 hp, 6-speed manual transmission
2.0 TDI 150 hp, 6-speed automatic DSG with Tiptronic®
Maximum torque: 236 lb-ft at 1,750-3,000 rpm

Includes Trendline Plus:

Alarm system
Heatable front seats and washer nozzles
Interior décor: Checkered Chrome
Manual climate control
Media Device Interface (MDI) with iPod® connectivity
Power adjustable, heatable, body-coloured exterior mirrors with turn signals
Remote transmitters for central locking

Appearance Package:

- 16" Sonoma alloy wheels with all-season tires
- Chrome window trim
- Front reading lights
- Power sunroof

Trendline+ TSI includes:

- Fender® Premium Audio System – 8 speakers plus subwoofer
- LED signature Daytime Running Lights (DRL)
- RNS 510 navigation system – single CD player, touchscreen and 30 GB hard drive

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 (MPI)	9.5	6.9
Automatic	2.0 (MPI)	10.4	7.0
Manual	1.8 TSI	9.3	6.3
Automatic	1.8 TSI	9.3	6.3
Manual	2.0 TDI	7.7	5.2
Automatic	2.0 TDI	7.5	5.3

*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

TSI – TSI brings together the power of direct fuel injection with the extra boost of a turbocharger. The end result? An ultra-efficient engine that provides a maximum 184 lb-ft of torque from 1,500 to 4,750 rpm, gives you outstanding performance through a wide range of speeds, power when you need it, ultra-low fuel consumption and, ultimately, lower CO₂ emissions.

DSG – A definite shift for the better, DSG gives you the convenience of an automatic with the performance and efficiency of a manual. Here's how it works: DSG is managed by dual electronically controlled clutches, so not only do you shift faster, you also get enhanced acceleration and reduced fuel consumption. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic® function lets you shift into something a little sportier.

Lightly does it. The lighter you travel, the less fuel you consume. An extra 100 kg of stuff increases your fuel consumption by up to 0.3 L/100 km. So if you've got random items weighing you down, it's time to lighten the load. Driving more efficiently. Just one way that we can all Think Blue.

Think Blue.

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information contained in this brochure is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. The estimated fuel consumption ratings for the 2015 Jetta models are based on Natural Resources Canada's (NRCAN) newly approved fuel consumption criteria and testing methods effective with 2015 model year vehicles. Please note that comparisons to seemingly identical 2015 and 2014 model year and older vehicles will show discrepancies due to the difference in NRCAN approved calculation methods. Please refer to NRCAN's Fuel Consumption Guide 2015 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, drivers' habits and vehicle's additional equipment. For more information, please visit <https://www.nrcan.gc.ca/energy/efficiency/transportation/cars-light-trucks/buying/7491>. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Volkswagen Canada. Discrepancies may occur between the mapping and the actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
