

# NEW THINKING. NEW POSSIBILITIES.

Every year Hyundai vehicles continue to exceed expectations, surprising and delighting critics and car owners alike. Challenging the status quo is the essence of progress, and it's exactly why Hyundai is an emerging leader in the automotive industry. It's this striving for the highest quality and innovation in engineering that keeps us propelling forward. Focused on building the most innovative technology in the industry – this is how we create New Thinking. New Possibilities.

ONLY ONE CAR GETS TO BE THE BEST.

The 2012 Canadian Car of the Year. The 2012 North American Car of the Year. AJAC's 2012 Best New Small Car (over \$21k). When you consider everything the well-appointed, beautifully designed Elantra has to offer, one word comes to mind: Bullseye.

CAR (OVER 21K)

*INSPIRED BY NATURE.  
REFINED BY SCIENCE.*

*A flowing sculpture seemingly carved by the wind conveys a feeling of movement, even when standing still. Aerodynamic lines gracefully arc over the rear wheels and flow into striking wraparound taillights. Every detail comes together to express a unique visual language that not only looks good, but also works to increase fuel efficiency.*

## AN EFFICIENT PERFORMER.

*Designing an engine clean and efficient isn't easy, especially when we never once considered sacrificing performance for fuel economy. The Nu DOHC, 16-valve design packs more power and mid-range punch into a 4-cylinder package equipped with an aluminum alloy engine block to reduce engine weight and improve fuel economy. By coupling a two-step Variable Induction System and Dual Continuously Variable Valve Timing for optimal engine response, emissions are minimized at both low and high rpm. Burning fuel so cleanly, the ultra-efficient 148 hp engine is a certified Ultra-Low-Emission Vehicle (ULEV).*

## DRIVE IN STYLE.

*Slip behind the steering wheel and the first thing you're likely to notice is how naturally the available 8-way power adjustable driver's seat conforms to the contours of your body. As you stash your beverage and sunglasses in their seamless storage areas, watch as your eyes glide along Elantra's fluid interior lines and come to rest on a pair of large, highly-legible gauges in the centre of the instrument panel. A modern, ergonomically-refined centre console allows your fingertips to quickly locate any button or knob they desire, while available steering wheel-mounted audio and cruise controls (standard on Coupe) let you keep your hands on the task of driving as you choose your music, select your speed...and simply go. Wherever the road leads you.*

**STYLISH.  
SPACIOUS.  
SPORTY.**

*Athletic styling, plenty of space, and one engaging drive. The new 2013 Elantra Coupe is here. With a 148 horsepower, 1.8L Nu engine, the Elantra Coupe adds an assertive front grille, twin tipped dual exhaust, and integrated rear spoiler to the sleek fluidic sculpture. The sporty and sophisticated cabin features seats with generous side bolstering, one-touch power sunroof, heated front seats, and leather-wrapped steering wheel with audio/cruise/Bluetooth® controls. For even more sport and tech there is the SE model with aluminum foot pedals, a 7-inch navigation system with backup camera, a sport tuned suspension and 17-inch alloys with black inserts. Add it all up and the Elantra Coupe offers the best of the Elantra Sedan, plus sporty 2-door style.*

## **THE ALL-NEW ELANTRA COUPE**

*A NEW STANDARD IN  
STANDARD SAFETY.*

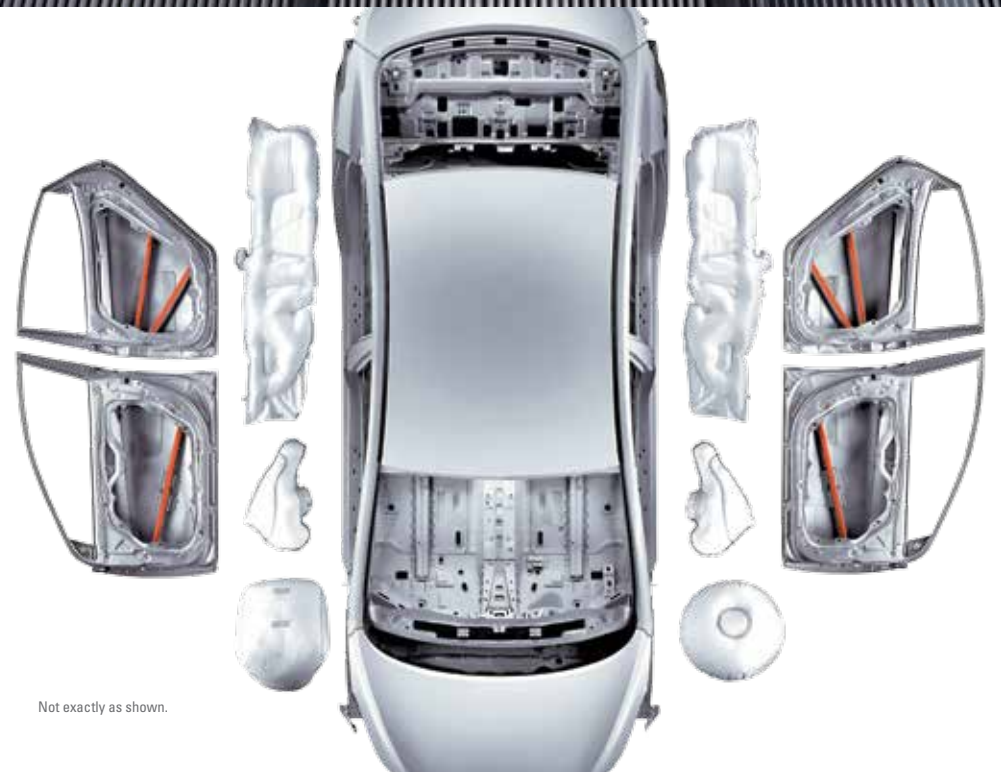

*Six airbags. Vehicle Stability Management. Electronic Stability Control. When you consider all the safety features that are standard on the 2013 Elantra, it's no wonder that the Elantra was a 2012 IIHS Top Safety Pick. In fact, it is one of the very few in its class to offer 4-wheel disc brakes with an Anti-lock Braking System (ABS) on every model. Here's to new thinking, new possibilities, and new standards.*

### **Navigation System.**

The 2013 Elantra features a 7" LCD touch-screen and a rearview camera (Limited with Navigation and Coupe SE models).

### **Heated Rear Seats.**

In addition to the available heated front seats, the Elantra Sedan GLS and Limited come equipped with heated rear seats as well – a first within the compact car segment.

### **Power Sunroof.**

Add a wide open swath of sky to your driving experience with an available power tilt-and-slide, one-touch glass sunroof (standard on Coupe models).

### **Bluetooth® Hands Free Phone System.**

In addition to voice commands, the available Hands Free phone system also supports Bluetooth® audio streaming (standard on Coupe models).

### **Steering Wheel-mounted Controls.**

Available fingertip control of the sound system, cruise control and Bluetooth® Hands Free phone system is as intuitive as it is enjoyable (standard on Coupe models).

**Proximity Key with Push-button Start.**

The available proximity key senses your presence, allowing you to unlock doors and start the engine with just the push of a button.

**Nu 1.8L D-CVVT DOHC 16V Engine.**

Dual Continuously Variable Valve Timing automatically adjusts intake and exhaust valve timing for maximum performance at every speed.

**Active ECO System.**

It's as simple as pushing a button. Standard on all automatic transmission models, the Active ECO System modifies engine and transmission control for smoother and smarter accelerations to help improve fuel economy.

**THERE'S NO SUBSTITUTE FOR PEACE OF MIND.**

The quality of our vehicles is equally matched by the quality of our warranty. Rest assured we stand proudly and confidently behind our vehicles to give you the ultimate peace of mind with a 5 year/ 100,000KM comprehensive limited warranty, one of the best backed warranties in Canada. # ACCESSORIES

## **Cargo Tray.**

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

## **Rubber Floor Mats.**

Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats. Remove carpet mats prior to installation.

## **Mud Guard Kit.**

Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

## **Plastic Hood Protector.**

Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

## **Rear Bumper Protector.**

Protect the finish on your bumper from chips and scratches, when loading and unloading the cargo area, with this durable, custom-fit rear bumper protector.

## **All Weather Floor Liners.**

Protect the interior of your Elantra with the most advanced floor protection available. The floor liner features raised edges to protect your carpet from dirt, rain, slush and snow. Designed to snap in using the factory carpet retention pins, these floor liners will protect your carpeting for years to come. Remove carpet mats prior to installation.

## **Side Visors.**

Compliment your vehicle with a sleek and durable set of side visors that will help reduce glare while providing you with fresh air. Custom made for your vehicle using high quality reinforced tinted acrylic plastic, these visors will look good on your vehicle for years to come. Sedan only.

## **Rear Spoiler.**

Add a touch of style and sportiness to your vehicle with an aerodynamic rear spoiler. It also incorporates a brake light for added visibility and safety. Sedan only.

## **Accessory Frame.**

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bike and ski racks. Includes end cap. Frame not intended for towing. Sedan only.

## **Cargo Net.**

A custom-fit cargo net ensures everything you're transporting remains organized and in place by preventing items from sliding around.
