A Note from AdoptAClassroom.org

Dear Subaru Stamford,

Thank you for your overwhelming generosity this past back-to-school season. Your commitment to equity in education is helping to close the achievement gap. Too many students arrive at school each day without the basic needs to learn, and are vit's their teachers who fill that void. Together with Subaru of America, Inc. and Subaru retailers nationwide, 100% of the donations to AdoptAClassroom.org went to support more than 133,000 K-12 students in high-needs schools across the country.

Our team has already begun planning for Subaru Loves Learning 2022. We are committed to working with you to make the upcoming year even more impactful for students in need across the country, and looking forward to sharing all that's in store. On behalf of all of us at AdoptAClassroom.org, thank you again for your support.
