

HYUNDAI

NEW THINKING.
NEW POSSIBILITIES.™

TUCSON ²⁰¹⁵

**NEW THINKING
CREATES NEW
POSSIBILITIES.**

AT HYUNDAI WE WANT YOUR VEHICLE TO BECOME A PART OF YOUR LIFE, NOT SIMPLY A TOOL TO FACILITATE IT. WE LOOK TO DESIGN AND ENGINEER VEHICLES THAT ARE SO MUCH MORE THAN JUST A SOURCE OF TRANSPORTATION, BUT RATHER INNOVATIVE ENVIRONMENTS THAT STEM FROM YOUR NEEDS. TO THIS END, HYUNDAI STRIVES TO UNDERSTAND YOUR EXPECTATIONS AND EXCEED THEM WITH INNOVATIVE AND THOUGHTFUL TECHNOLOGY. THROUGH THIS NEW THINKING, WE WILL CREATE NEW POSSIBILITIES.

***BOLD STYLE
MEETS UTILITY***

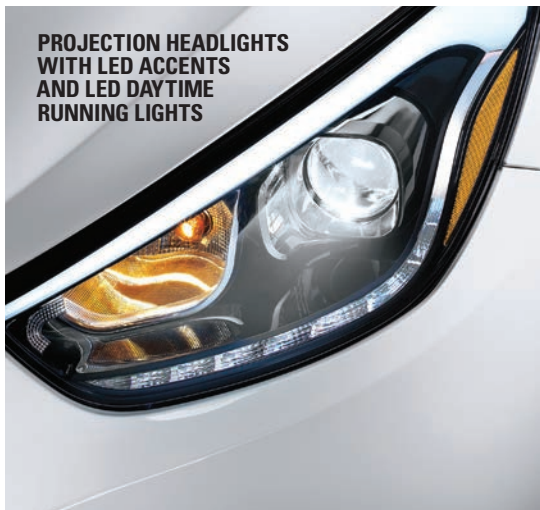

The 2015 Tucson enters with a modern design that instantly sets it apart as one of the most distinctive, visually appealing vehicles in its class. The first design to be conceived and engineered at the Hyundai design centre in Frankfurt, Germany, the Tucson makes a bold statement about itself and those who drive it. Add cargo versatility and the choice between two remarkably efficient engines to the mix, and you get a balanced SUV providing the space you need with great performance.

ALLURING DESIGN

The 2015 Tucson is an exhilarating exercise in design. Its fluidic, sporty lines stem from a deliberate desire to set it apart in a world of "me too" SUVs. The alluring design features wraparound projection headlights with LED accents, available 18" alloy wheels and available LED taillights. And while style is important, functionality remains paramount and this is why the available panoramic sunroof features roof-rack side rails for easier cargo transport. Explore the 2015 Tucson today.

A LOOK THAT INSPIRES ADVENTURE

When we've raised the bar so high on exterior design, you know the interior of the 2015 Tucson will be something special. Design and versatility remain top of mind, from the bold 4-spoke steering wheel and X design dashboard, to the spacious 728 litres of cargo space and 60/40 split rear seats providing flexible storage capacity. The smart design is loaded with features too. The standard Bluetooth® Hands-free phone system lets you take calls on the road without taking your hands off the wheel, the available 7" navigation system gets you from point A to B with ease, and the expansive panoramic sunroof (standard on GLS and Limited models) lets the sun shine in. Get ready for adventure.

Not exactly as shown.

***EFFICIENCY &
PERFORMANCE
IN HARMONY***

Tucson performance and efficiency is no less revolutionary than its design. Hyundai engineers have used advanced technology called Gasoline Direct Injection (GDI) to balance power with fuel economy. The 2.0L GDI engine delivers 164 HP with 9.3L/100km combined fuel economy[^] (A/T – FWD), while the available 2.4L GDI engine delivers 182 HP with 10.0L/100km combined fuel economy[^] (FWD). Transfer this power to the pavement with the available 6-speed SHIFTRONIC[®] automatic transmission that lets you choose whether you want to shift actively or sit back and relax.

DON'T TAKE CHANCES WITH SAFETY

The Tucson is equipped with a long list of standard safety features to help provide added confidence on the road. An Anti-lock Braking System with Electronic Brake-force Distribution, 4-wheel Disc Brakes and Brake Assist help provide maximum braking power, while the Electronic Stability Control with Traction Control System² help you control the vehicle in adverse conditions. The Tucson also features Hillstart Assist Control – to help minimize backroll on steep ascents and Downhill Brake Control – to help maintain vehicle control and speed on steep descents. Both give you greater control, and come standard on every Tucson.

HILLSTART ASSIST CONTROL

6 AIRBAGS¹

AVAILABLE BACK-UP CAMERA

TUCSON FEATURES

RESPONSIVE HANDLING AND RIDE.

The 2015 Tucson is available with SACHS® ASD shock absorbers (Amplitude Selective Damping), a suspension design that seamlessly optimizes handling control and ride comfort to help create a smoother ride with more precise handling.

ADVANCED ILLUMINATION.

With projector headlights, the Tucson emits a strong, focused beam of light that greatly increases night-time visibility. It does so in style with LED accents that frame the upper edges of the headlight; while LED day time running lights frame the lower.

SIX STANDARD AIRBAGS!.

Every Tucson is equipped with six airbags¹, including dual front airbags, front seat-mounted side-impact, and two side-curtain airbags for front and outboard rear passengers which are equipped with rollover sensors to ensure inflation in the event of a roll.

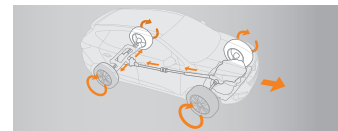

7" TOUCH-SCREEN NAVIGATION SYSTEM WITH REARVIEW CAMERA.

Help avoid wrong turns with concise maps and directions thanks to an available touch-screen navigation system with rearview camera.

THE SAFETY OF BLUETOOTH® HANDS-FREE.

The 2015 Tucson helps you make safer driving a priority with standard Bluetooth® Hands-free Phone System and steering wheel-mounted Bluetooth® controls.

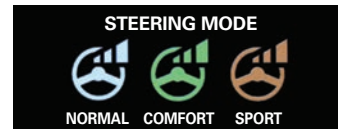

ALL-WHEEL GRIP.

The optional advanced electronic on-demand AWD system with driver-selectable lock delivers a 50/50 torque split to the front and rear wheels for maximum traction in off-road and slippery situations.

LET THE SUN SHINE IN.

Catch the rays or shooting stars with the available panoramic sunroof (standard on GLS and Limited models) that spans above both front and rear passengers.

DRIVER SELECTABLE STEERING (DSS).

Different road conditions can require different steering characteristics. With DSS, you can select your preferred steering style between Comfort, Normal, or Sport mode.

THERE'S NO SUBSTITUTE FOR PEACE OF MIND.

The quality of our vehicles is equally matched by the quality of our warranty. Rest assured, we stand proudly and confidently behind our vehicles to give you the ultimate peace of mind with a 5 year/100,000km comprehensive limited warranty, one of the best backed warranties in Canada. We also provide a 5 year/Unlimited km Roadside Assistance Program^{††} featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day. You're covered with Hyundai.

TUCSON ACCESSORIES

CARGO COVER.

Keep your valuables safe and out of sight with an easily removable cargo cover.

MUD GUARD KIT.

Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

SIDE STEPS.

Stylish and functional, polished stainless steel side steps will add a rugged look to your vehicle.

PLASTIC HOOD PROTECTOR.

Helps prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

RUNNING BOARDS.

Getting in and out of your vehicle is easier with a set of durable running boards.

ALL WEATHER FLOOR LINERS.

Protect the interior of your vehicle with the most advanced floor protection available. These front floor liners feature raised edges to protect your carpet from dirt, rain, slush and snow. Designed to snap in using the factory carpet retention pins, these floor liners will protect your carpeting for years to come. Remove carpet mats prior to installation.

TRAILER HITCH KIT.

Designed to meet your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. Kit includes the trailer hitch, ball mount and end cap. Chrome ball shown not included.

SIDE VISORS (IN-CHANNEL).

Side visors install easily in the window channel with no unsightly exterior tape. Helps keep the elements out of the vehicles interior including snow and rain.

CROSS RAILS.

This durable, quick-locking cross rail system lets you transport cargo easily, without sacrificing interior room.

CARGO TRAY.

Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

TUCSON SPECIFICATIONS
