

Interior Accessories

All Season Floor Mats (2 pcs)

Get a grip on dirt. With a deep rib molded design, these durable rubber/vinyl mats offer an excellent way to trap mud, snow, sand and dirt. Available for front and rear seating areas, each custom-fit mat is embossed with a Toyota logo. A non-skid backing and positive retention clip keeps them in place. These easy-to-clean mats never show wear and protect Factory Floor Carpet.

All Season Mats (4 pcs)

Get a grip on dirt. With a deep rib molded design, these durable rubber/vinyl mats offer an excellent way to trap mud, snow, sand and dirt. Available for front and rear seating areas, each custom-fit mat is embossed with a Toyota logo. A non-skid backing and positive retention clip keeps them in place. These easy-to-clean mats never show wear and protect Factory Floor Carpet.

BLU Logic® Bluetooth

BLU Logic® connects to handsets equipped with Bluetooth® wireless technology that enables connectivity between multiple devices. This technology allows customers to use their cell phone hands-free in the vehicle.

Bongiovi Acoustics DPS

Bongiovi Acoustics DPS is a fully digital state of art audio system that processes the audio stream in real time and routes the enhanced audio to a 4 channel digital amplification system. The result is an unparalleled listening experience in your Toyota vehicle. Bongiovi Acoustics DPS smooths out the differences in volume between any audio source (CD, AM, FM, Satellite Radio) and greatly improves the sound of all sources of audio including portable music devices.

Door Sill Protectors - Front

These stylish door sill protectors are not only functional, but offer a styling accent that is immediately noticed when entering the vehicle.

Door Sill Protectors - Rear

These stylish door sill protectors are not only functional, but offer a styling accent that is immediately noticed when entering the vehicle.

XM Satellite Radio

Enable your satellite radio ready factory audio system! Our package contains the required components to enable you to tune into the commercial free radio station of your choice. Please note that the satellite radio requires a contract subscription with your local service provider.

Exterior Accessories

4" Oval Step Bar

These Step Bars are an excellent choice for the customer looking for a strong light weight alternative to the traditional Running Board. The 4" Oval Step Bar can be fitted to all current generation Tundra Cab and Box configurations.

Bed Cleat

Utility plus. These practical and convenient tie-down Bed Cleats are fully adjustable and load-rated to 220 pounds.

Bed Extender and Installation Kit

Just a little extra space. The extender, which extends over the tailgate, is made from rugged lightweight, anodized aluminium tubing. It offers additional space for carrying things in the back of any Toyota pickup. It not only protects your cargo but it also keeps it in the vehicle bed where it belongs. Made from corrosion-resistant parts, the extender fits both Tacoma and Tundra and is easy to install and remove. Plus, it can be rotated inward to hold smaller items in place.

Bed Mat

Protect your truck bed when you need it. Custom designed for an exact fit, the mat protects against scratches, spills and damage. Made from thick cord-reinforced, synthetic rubber for durability, the mat is resistant to cracking and breaking while also providing airflow and drainage to keep the truck bed dry. The anti-slip design also prevents items from sliding in the cargo area. Mat can also be trimmed to fit into a truck with a bedliner.

Bedliner, Long Box, No Rail

A truck bed that always looks new. The custom-fitted Bed Liner for Toyota pickups not only protects against dents and scratches but also reduces mold and mildew by allowing drainage and increased airflow. The liner, featuring a no-drill attachment system and made from high-density polyethylene copolymer, keeps loads from moving around. Plus, beverages or small parts can be placed on the tailgate thanks to built-in cupholders.

Bedrail with cleats 6.5'

With this accessory you can tap into the wealth of functional accessories such as the bed cleats, cargo dividers, and more!

Bedrail with cleats 8.0'

With this accessory you can tap into the wealth of functional accessories such as the bed cleats, cargo dividers, and more!

Block Heater

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Cargo Divider

The extra large truck bed can be too big sometimes. The cargo divider will allow you to create a smaller partition of your bed space to keep your cargo or boxes from flying around inside your truck bed.

Glass Breakage Sensor

The glass breakage sensor provides an additional sense of security in addition to the conventional theft deterrent system. In an unfortunate case of a break-in, the sensor will trigger the main security system once the window has been penetrated.

Hood Deflector

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes (except on Tundra).

Rear Bumper Step

Make the access to your Tundra a little simpler by installing the Tundra Bed Step. Made from high quality aluminium, this step has a 136 kg (300 lbs.) load rating, bolts directly on (no drilling required) and tucks up out of sight when not in use.

Exterior Accessories

Remote Starter with & without Hood Switch

The convenient REMOTE STARTER allows you to remotely start your vehicle up to 80 feet. This is a great help to cool or warm your vehicle before entry during hot summers or frigid winters.

Running Boards

Go that extra step. Not only do running boards assist in entering a vehicle, they also help protect the lower body from road debris. Constructed with high quality material, they feature a wide-step surface with plastic step pad. The custom engineering ensures a perfect fit and easy installation.

Side Step Tubes 3" Stainless

Step up. Step out. Classically designed Side Step Tubes allow for easy entry and exit. They're skid resistant, and built from stainless steel to defy rust and chipping.

Side Window Visor, In Channel - Crewmax

Protection from the forces of nature. This new-style visor, made from tinted acrylic, keeps snow and rain out of a vehicle's interior while also reducing wind noise. If desired, fresh air can enter the vehicle free of additional noise or other elements. Its sleek, aerodynamic styling will also enhance your vehicle's appearance. Installation is quick and easy since no drilling is required.

Side Window Visor, In Channel - Regular Cab

Protection from the forces of nature. This new-style visor, made from tinted acrylic, keeps snow and rain out of a vehicle's interior while also reducing wind noise. If desired, fresh air can enter the vehicle free of additional noise or other elements. Its sleek, aerodynamic styling will also enhance your vehicle's appearance. Installation is quick and easy since no drilling is required.

Side Window Visor, In Channel - Double Cab

Protection from the forces of nature. This new-style visor, made from tinted acrylic, keeps snow and rain out of a vehicle's interior while also reducing wind noise. If desired, fresh air can enter the vehicle free of additional noise or other elements. Its sleek, aerodynamic styling will also enhance your vehicle's appearance. Installation is quick and easy since no drilling is required.

Skid Plate

The aluminum skid plate is not only stylish, but functional as it helps to protect the underbody by guiding rocks and debris away.

Spare Tire Lock

Constructed of forged, hardened steel with triple-nickel or zinc plating, Toyota wheel locks provide inexpensive, dependable protection against wheel and tire theft-along with peace-of-mind in knowing wheels and tires are secure.

Exterior Accessories

Tailgate Protector

The rugged tailgate protector is custom designed for an exact fit. It is made from a high density polyethylene copolymer to ensure years of rough and tumble use.

Tonneau Cover, Folding Style, Hard, Regular box

Unique Tri-fold design makes truck bed versatile to suit whatever situation a truck owner requires. Made from aircraft-grade, honey comb aluminium alloy that is both secure and light weight. Cover's unique matte black professional finish offers UV protection to keep it attractive.

Tonneau Cover, Hard, Regular box with Rails

The Toyota Hard Tonneau Cover is colour keyed to match your vehicle and allows you to lock items securely in your cargo area. This attractively designed fibreglass lid features a double hinge mechanism to ensure proper alignment and a tight fit.

Tonneau Cover, Soft, Folding Style, Long Box

The Tri-fold TRIFECTA soft tonneau cover offers all the elements of the original soft tonneau cover, plus an added feature of easy opening. This tonneau cover has hinges that allow it to be folded over twice, to open with a folding action.

Tonneau Cover, Soft, Folding Style, Regular box

The Tri-fold TRIFECTA soft tonneau cover offers all the elements of the original soft tonneau cover, plus an added feature of easy opening. This tonneau cover has hinges that allow it to be folded over twice, to open with a folding action.

Tonneau Cover, Soft, Folding Style, Short Box

Get your cargo under cover. This soft black, textured, vinyl cover protects cargo from adverse weather conditions and keeps things out of sight. Thanks to a custom fitting application, it goes on with and without under-rail bedliners. The hidden, plastic fasteners fit easily into rail systems. Plus, the tailgate frame section can be easily removed to load tall or bulky objects. The cover installs in minutes, without the need to drill holes.

Exterior Accessories

Towing Mirrors

When towing a boat or trailer, rear visibility is not only peace of mind, but a necessity if you think of safety. Our towing mirrors can be extended 4" to provide an even wider rear field of vision. They also feature integrated side turn signals to make your signalling more visible to other drivers.

Trailer Ball - 2 5/16"

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

Trailer Ball - 2"

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

Trailer Ball Platform

The towing hitch platform is custom designed to accommodate the height of the vehicle with conventional towing. Don't settle for third party generic parts that are not custom fit for the vehicle.

Please refer to your vehicle's Owner's Manual for the rated towing capacity.

TRD 17• Alloy Wheels • Silver

The race-inspired TRD-branded 17-inch forged off-road alloy wheels offer drivers a distinctive upgrade, along with the higher strength-to-weight ratio that's inherent to one-piece, hot-forged aluminum wheels. Wheels feature a silver painted finish and machined outer lip with beadlock styling.

TRD 22• Alloy Wheels • Forged Chrome

The TRD-branded, polished 22-inch forged off-road alloy wheels offer drivers a plus-size street performance upgrade, along with the higher strength-to-weight ratio helping to keep corner weight down that's inherent to hot-forged aluminum wheels. Wheels feature Anthracite paint fill in the pocket and hub area and a forged center cap with TRD logo.

TRD Air Filter

Pre-oiled and ready to install. Washable and reusable. This exact drop-in replacement filter will last the life of the vehicle, provide unrivalled engine protection and increase air flow.

TRD Big Brake Kit

The TRD high performance brake kit delivers confidence-inspiring performance, as well as improved stopping distance and enhanced pedal feel. The six-piston opposed fixed calliper design is optimized specifically for the vehicle and allows use of larger brake pads with greater pad volume, while the differential calliper piston bore size applies greater clamping force to the trailing end of the brake pad to maintain even wear. Compatible with all Tundra & Sequoia 20" wheels and the TRD 22" Forged Wheel. (This kit will not fit behind 18" wheels).

Exterior Accessories

TRD Cleaning Kit

Created specifically for vehicles already equipped with a TRD performance air filter, the cleaning kit includes everything owners need to help ensure the superior protection and performance of the air filter.

TRD Front Performance Brake Pads

These are high friction performance pads are made from a Kevlar and ceramic-strengthened compound. They provide a great combination of cold and hot friction, maximum operating temperature, and low noise levels. TRD brake pads come with anti-squeal shims.

TRD Oil Filter

TRD High Performance Oil Filters incorporate state-of-the-art design and materials offering superior protection.

TRD Performance Suspension Kit (4x2 only)

The TRD Performance Handling Suspension Kit consists of 2 front TRD tuned shocks, 2 front TRD tuned springs, and the vehicle specific bump stops/hardware kit. This TRD Performance Handling Suspension Kit also contains 2 rear TRD tuned shocks, 1 TRD rear sway bar and the rear sway bar hardware kit. TRD shock absorbers use more aggressive valving to help reduce body lean in hard cornering, and improve response and transitions between corners. TRD lowering springs typically drop the ride height on the vehicle by about 2.5-3.8cm. This reduction in ride height will also reduce the centre of gravity, and result in quicker turn-in and flatter cornering. TRD sway bars generally increase stiffness by 25-100% to provide a much flatter, and more stable cornering stance.

TRD Rear Performance Brake Pads

These are high friction performance pads are made from a Kevlar and ceramic-strengthened compound. They provide a great combination of cold and hot friction, maximum operating temperature, and low noise levels. TRD brake pads come with anti-squeal shims.

TRD Screw on Oil Cap

Manufactured from forged, highly polished billet aluminum, the TRD oil cap features a red on black TRD logo to customize the engine compartment with a high-tech, race-ready appearance. It's finished with a high-luster coating to maintain appearance for years to come.

Wheel Lock Set

Protect your investment by locking your alloy wheels with the Toyota Wheel Locks. They are made from a corrosion resistant alloy to endure the various road and weather conditions.
