

## Avoid the Risk of Possible Unexpected Repair Costs.

Help keep your vehicle running longer for less with a Triton Protect VSC.

### ESTIMATED REPAIR COSTS

COMPONENT	COST ESTIMATE <sup>6</sup>
ENGINE	\$9,600
TRANSMISSION	\$6,700
POWER STEERING RACK	\$1,830
A/C COMPRESSOR	\$1,390
RADIATOR	\$880
DRIVE AXLE	\$920

A Triton Protect VSC may help you reduce the above repair costs.<sup>7</sup>

## ACCEPTED IN U.S. & CANADA

Travel with confidence knowing your contract is accepted at licensed repair facilities throughout the U.S. and Canada.

6. These costs are for illustration purposes only. Cost estimates may vary by vehicle make, model and repair facility repair rates. Average estimated costs based on GS Administrators paid claims.

7. Actual reduction of repair costs may depend on your deductible and other factors set forth in the VSC.

## Drive with confidence with Triton Protect Vehicle Service Contract.

## VEHICLE SERVICE CONTRACT

The highest level of protection for your peace of mind.

Triton Protect's exclusionary plan offers the most comprehensive coverage for your new or used vehicle. Covers most mechanical breakdown components, except for components listed as excluded on your Triton Protect Vehicle Service Contract (VSC).<sup>1</sup> You select the time and mileage option that best fits your driving needs.

## KEY BENEFITS

- Multiple deductible options provide pricing flexibility that matches your budget.
- Protection begins at Day 1 when you purchase your VSC with the purchase of your new or used vehicle.
- Coverage term is calculated based on date of purchase and odometer miles at date of purchase.
- Ride share vehicles included at no additional cost.

1. See VSC for detailed coverage information.

## WRAP SERVICE CONTRACT

New vehicles today often come with a full manufacturer's warranty for 3 yr/36K miles along with a powertrain warranty that covers for a longer period.<sup>2</sup> Typically, once your full manufacturer's warranty expires, your only protection for your new vehicle is the powertrain warranty, which only covers the engine, transmission and the drive train components.

### ULTIMATE WRAP

After your full manufacturer's warranty ends, Triton Protect Ultimate Wrap VSC helps to continue covering components that your powertrain warranty does not.<sup>3</sup>

2. Warranty coverage varies based on make and model.

3. Covers most mechanical breakdown components, except for coverage listed as excluded in your Vehicle Service Contract. See VSC for detailed coverage information.

## More Covered Components. More Peace of Mind.

Getting you back on the road is important to us, so we also provide these additional benefits with the purchase of a Triton Protect Vehicle Service Contract.

### 24/7 Roadside Assistance<sup>5</sup>

Invaluable help when you need it. Coverage includes:

- Towing
- Lockout assistance
- Jump start
- Fuel and fluid delivery<sup>4</sup>
- Flat tire changes
- 365 days-a-year availability
- Up to \$100 for all covered services per incident

### Substitute Transportation<sup>5</sup>

If a covered part fails and you can't drive your vehicle, Triton Protect Vehicle Service Contract will provide reimbursement for substitute transportation up to \$50 per day/\$250 per repair on all covered repairs with no deductibles.

### Protection When You Travel<sup>5</sup>

If you are over 150 miles from home and a covered part fails, your Triton Protect Vehicle Service Contract offers reimbursement up to \$75 per day/maximum of 4 days for meals and lodging.

### Transferability & Enhanced Resale Value<sup>6</sup>

Your Triton Protect Vehicle Service Contract may enhance your vehicle's resale value and can be transferred to the new owner should you decide to sell your vehicle.

4. Parts and fuel/fluids are your additional cost.

5. See individual contracts for details on applicability, limitations and reimbursement limits.

6. Additional fee applies.
