

# TOTAL PROTECTION PLAN

Since 1969, providing excellence in automotive sales and service has been our goal. At Thompson we are committed to providing you with the very best, that's why we created the Total Protection Plan. This plan will protect your vehicle from the inevitable road hazards of everyday driving for up to 5 years.

The Total Protection Plan covers our vehicle against hazards such as door dings from shopping cars, blowing out a tire and cracking a rim in a pothole, losing your car key and transponder, windshield cracks from flying debris on the highway or scraping your rims. By purchasing the Total Protection Plan, we safeguard your vehicle and save you time and money. At The Thompson Organization we won't meet your automotive needs, we will exceed them!

# T GAP

## WHAT IS THE "GAP"?

In the event of an accident that results in a total loss or vehicle theft, insurance companies will reimburse the owner for the AVC (Actual Cash Value) value of the car. If the amount financed on the vehicle is more than the value of the vehicle, a significant GAP may occur. GAP insurance pays the difference between the AVC (Actual Cash Value) of the vehicle and the amount financed on your loan.

### GAP Example

Loan:	\$23,000
Insurance Settlement	-\$18,000
Insurance Deductible	+ \$500
<b>Total GAP</b>	<b>\$5,500</b>
<b>GAP Protection</b>	<b>\$5,500</b>
Out-of-pocket expenses	<b>\$0</b>
