

ROUSH

| F-150/SUPER DUTY PARTS 2004-07 |

## **KICK-UP YOUR PICKUP**

Coming out of the final turn, the track lights dance over the hood of a Ford pickup as it rumbles toward the finish line. The crowd roars, the truck flies and thousands of flashes illuminate the scene. No one puts the pick-up in your truck like ROUSH.

**TAILGATE SPOILER**

Give the back of your F-150 that needed style enhancement with the ROUSH rear tailgate spoiler kit. This kit comes with all you need to show everyone behind you you've got a race-ready F-150. Fits Styleside cabs only.

- R12000005 2004-2007 F-150 Dual Side Exit Exhaust Kits

**2004-2007 F-150 COLD AIR INTAKE KITS**

The Cold Air Intake System for the 04-07 FORD F-150 is a true bolt-on system, that comes complete with all the necessary hardware and installs in just minutes. These Intake Systems include a High-Flow Filter that is protected from engine heat by our Cool Air Dam design. The High-Flow Filters are washable and reusable. These kits also include a Modular Intake Tube that will wake up even the tamest of engines because it flows up to 400 cfm more air than the factory unit. Constructed of cross-linked high density polyethylene for strength and durability.

- 402100 4.6L F-150 V-8 Kit
- 402101 5.4L F-150 V-8 Kit

**COLDER SPARK PLUG**

Prevent pre-ignition and detonation of the fuel due to the higher cylinder temperatures found in supercharged engines with these colder spark plugs! Pre-ignition is typically caused by many factors, such as an overheated spark plug tip which acts like a glow plug to ignite the charge. This puts a tremendous load on the engine and adds considerable heat, a recipe for serious damage. These ROUSH Performance Colder Plugs are one heat range colder than the stock F-150 plug and are designed specifically to handle the high boost pressure and air flow into the engine. These plugs feature a 0.045 inch gap.

- 401546 2004-2007 F-150 Colder Spark Plug

**ROUSHCHARGER™ KIT**

Want to add 112 hp and 112 lb.-ft. of torque to your F-150? Of course you do! Take ROUSH's engineering know-how and apply it to your F-150 engine. Now you've got a winner on your hands. This new supercharger kit is ready to boost engine performance to new levels. It's all right here: This supercharger kit includes: supercharger, cold air intake, ROUSH PCM calibration, and all necessary components. Designed to fit 2004-2006 F-150s with 5.4L (3V) engines, 4x2 and 4x4. Adds 112 hp. and 112 lb.-ft. of torque!

- R07000001 2004-2006 ROUSHcharger Supercharger Kit
- 401193 Replacement Serpentine Belt

50 State Legal: 2004-06 EO #D-418-4

**INTERCOOLED ROUSHCHARGER™ KIT**

Want to add 145 hp and 143 lb.-ft. of torque to your F-150? Of course you do! Take ROUSH's engineering know-how and apply it to your F-150 engine. Now you've got a winner on your hands. This new Intercooled ROUSHcharger Kit is ready to boost engine performance to new levels. It's all right here! Includes: supercharger, intercooler, cold air intake, ROUSH PCM calibration and all necessary components. Designed to fit 2004-2007 F-150s w/ 5.4L (3V) engines, 4x2 and 4x4. Adds 145 hp. and 143 lb.-ft. of torque!

- 401633 2004-07 Intercooled ROUSHcharger Kit
- 402232 2007 Supplemental Kit (Required for 2007)
- 401894\* 2004-06 Intercooler Upgrade Kit

- 401543 2004-2007 Chrome Over Plastic Grille

**BILLET FUEL DOOR**

Stylize and upgrade the appearance of your F-150 with this ROUSH engraved billet aluminum gas door cap. Snaps into place without any drilling, cutting, or gluing! Easy installation. Does not fit Super Duty trucks.

- 401983 2004-2007 Billet Fuel Door

**EXHAUST TIP WITH CLAMP BAND**

Give your exhaust a new look with this polished stainless steel ROUSH exhaust tip. Fits factory F-150 exhaust system with a 2.5" exhaust pipe.

- 401547 2004-2007 Stainless Exhaust Tip w/ Clamp Band

**2003-07 DIESEL EXHAUST**

This Turbo-back Performance Diesel System features huge, high-flowing, 4" mandrel-bent stainless steel tubing, and a polished 5" diameter stainless steel tip. The system incorporates a mirror finished muffler with a straight-through design. You can expect significant gains in horsepower, torque, improved fuel economy and a lower EGT (exhaust gas temperature).

- 402326 2003-07 Super Duty F-250/F-350 6.0L Diesel Exhaust System (All Wheel Bases)

**2003-2007 DIESEL COLD AIR INTAKE KITS**

The 6.0L diesel engine utilizes an in-line air filter that is both restrictive and expensive to replace. The ROUSH Intake System includes a High-Flow (1406 cfm) Filter that is protected from engine heat by an innovative box constructed from heat resistant x-linked polyethylene and topped off with a Cool Air Dam for added flow. Also incorporated with this kit is a specially designed intake tube that correctly locates the filter for peak performance and improved drivability.

- 401903 2003-2007 Super Duty F-250/F-350 6.0L Diesel Cold Air Intake Kit

**1999-2007 SUPER DUTY FLOOR MATS**

New ROUSH Performance floor mats are a great and simple way to dress up the interior of your Super Duty. They each have "ROUSH Performance" sewn into them.
