

Innovation
that excites

2014 TITAN®

WELCOME TO THE 2014 NISSAN TITAN® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Titan.®

[Click here](#) to sign up for news and updates on the 2014 Nissan Titan.®

WOULDN'T IT BE COOL IF_
EPIC CAME AS
STANDARD EQUIPMENT?

Ready to expand your horizons? It's easy in the Nissan Titan.[®] It starts with a powerful standard V8 engine that hits the road with up to 9,500 lbs. of towing capacity.¹ Underneath, a fully boxed ladder frame handles just about any job on the list, while Titan's cabin and bed give you Nissan innovation plus plenty of room. 2014 Nissan Titan.[®] No matter how epic your plans, it's ready.

Nissan Titan[®] SL Crew Cab 4x4 shown in Brilliant Silver with optional equipment.

¹See Nissan Towing Guide and Owner's Manual for proper use.

Nissan Titan[®] PRO-4X[®] King Cab[®] 4x4 shown in Gun Metallic with optional equipment.

Nissan Titan® PRO-4X® King Cab® 4x4 shown in Cayenne Red.

Nissan Titan® SV King Cab® 4x4 shown in Glacier White with optional equipment.

GO WIDE.

Capability is king, and with the 168° Wide Open rear doors on Titan® King Cab®, entering or loading the cabin is a snap. And with no B-pillar to get in the way, plus a fold-up rear bench seat, your cargo flexibility is as wide open as your doors.

TITAN® KING CAB® FEATURES

6' 7"

King Cab® Bed

Over 6.5 feet
of bed length

Two available seating configurations:
6-passenger with front bench seat or
5-passenger with front captain's chairs

Standard rear fold-up bench
seat and a flat loading floor
give you more usable area

GO LONG.

As in the longest Crew Cab bed in its class.¹ Plenty of room for whatever you need to bring along – work or play. While inside the massive cabin, you'll find more head room than Toyota Tundra, more front leg room than Chevy Silverado 1500 or Ford F-150 and bigger overall passenger volume than Ram Crew Cab.²

TITAN® CREW CAB FEATURES Two available bed lengths

7' 3"

Crew Cab Long Bed

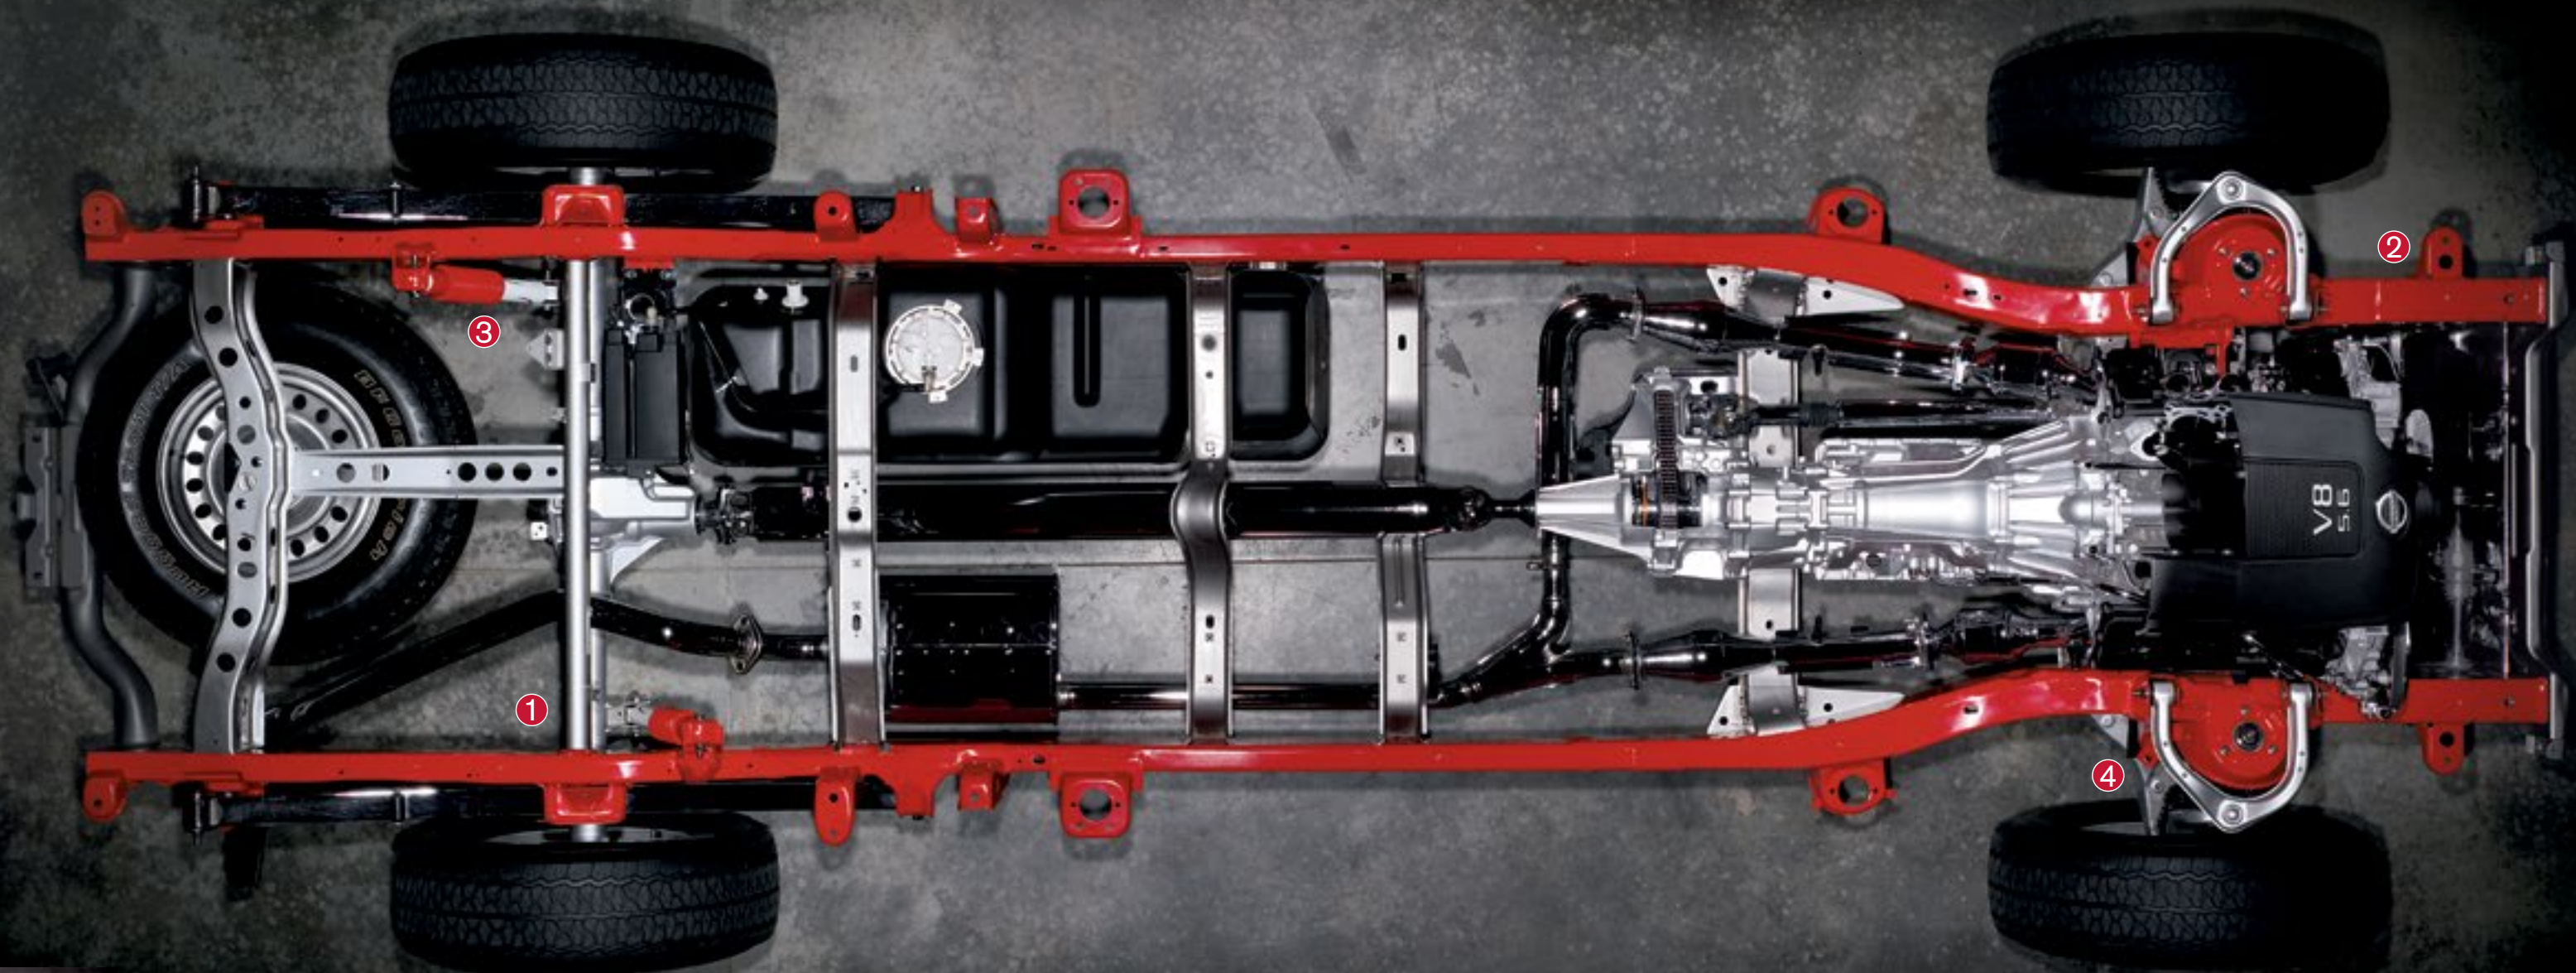

5' 7"

Crew Cab Standard Bed

Two available seating configurations:
6-passenger with front bench seat or
5-passenger with front captain's chairs

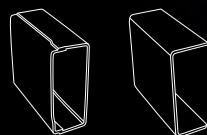

Huge interior with 126 cubic
feet of passenger room

¹Ward's Segmentation: 2014 Titan[®] vs. 2013 Large Pickup Class. ²2014 Titan[®] Crew Cab vs. 2013 Toyota Tundra, Chevy Silverado 1500, Ford F-150, and Ram 1500 Crew Cabs.

FOUR WALLS ARE STRONGER THAN THREE.

To build a better truck, sometimes you need to think inside the box. As in the fully boxed full-length ladder frame that's at the core of every Titan.® Some of our competitors use 3-sided open "C" rails instead. But you don't need to be a structural engineer to know the obvious – when building, four walls are stronger than three.

At its core, every Titan® stocks a fully boxed ladder frame, plus components built for no-nonsense performance.

- ① **Dana® axles** are built for durability. Wherever there's a drive wheel, there's a Dana® axle.
- ② **Heavy-duty suspension** gives a smooth ride and firm, responsive handling. Double-wishbone up front, and multi-leaf springs in the rear.
- ③ **Rancho® shocks** set the standard for off-road toughness. Just what you'd expect from Titan.®
- ④ **Beefy brakes** provide maximum contact area for rapid heat dissipation, long-lasting durability and confident towing.

317^{HP}

385^{LB-FT} OF TORQUE

9,500^{LBS. MAXIMUM} TOWING¹

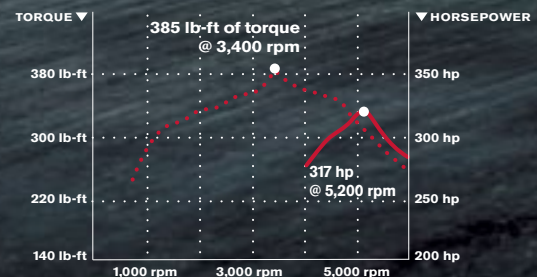

THE FEELING OF REELING IN THE BIG ONE.

It's always a good haul with a massive 5.6-liter V8. Punch the pedal and the exhaust system growls, while 385 lb-ft of torque kicks in to get the job done. This is one place where you don't want to hear about the one that got away.

What's power without torque?

Especially the brute force of low-rev torque, i.e., 80% under 1,000 rpm and 90% under 2,500 rpm. Feel confident – Titan's got it.

Give yourself an efficiency boost. The Nissan Titan® features a high-flow intake that maximizes every heaping gulp of air. Molybdenum-coated pistons and microfinished valves cut friction, ramp up smoothness and let revs rise faster.

Harness the power of E85. The Titan® Flexible Fuel Vehicle (FFV) engine works with ethanol E85, standard unleaded or any mixture of the two fuels.²

Tow to the max. For that full 9,500-lb. pull, the SV Premium Utility Package¹ boasts a lower final gear ratio, plus features like extendable tow mirrors and a heavy-duty battery. For the full list of package equipment, please see the Specifications section of this brochure.

¹9,500 lbs. maximum towing on Titan SV King Cab 4x2 with Premium Utility Package. Towing performance and speed are affected by vehicle payload, tow weight, road grades and weather conditions, including high temperatures. See Nissan Towing Guide and Owner's Manual for proper use. ²Flexible Fuel Vehicle is not available in all states.

Nissan Titan® SV King Cab® 4x2 shown in Brilliant Silver with optional equipment.

PLAYGROUND OF THE EXTREMELY CAPABLE.

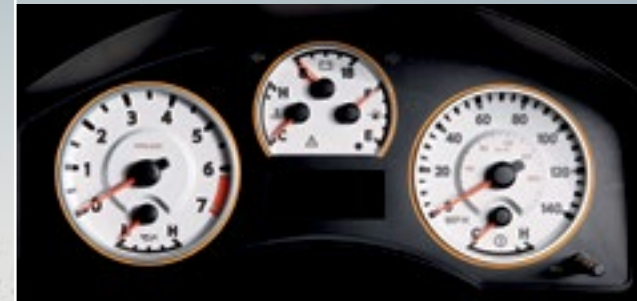

Climb, crawl, and throw some dirt. You're in the right truck to do it. With shift-on-the-fly 4WD¹ and traction-boosting off-road gear, Titan[®] keeps a grip to keep you moving right on through. And when you take a break, you can admire the dark-finished wheels and satin chrome-finished front grille.

E-locker. Exclusive to Titan[®] PRO-4X[®], when 4-Wheel Drive LO isn't enough for the crawl you've got planned, the available electronic locking rear differential is ready and extremely able. Flip the switch and this ultimate off-road feature delivers equal power to both rear wheels to boost traction and help keep your truck moving forward.

4-Wheel Limited Slip. Helps keep your wheels from spinning. All Titan[®] models include ABLs, a system that senses when a wheel begins to slip, then automatically brakes the slipping wheel (or wheels) and sends additional power to the wheels with the best traction.

Off-road-tuned Suspension. Take the bumps like a professional. Titan[®] PRO-4X[®]'s off-road-tuned suspension includes legendary Rancho[®] shocks. Teamed with unique dark-finished wheels and BFGoodrich[®] Rugged Trail[®] tires, you've got real composure to get you through the ugly stuff.

PRO-4X

For those who like to live off-off-off the beaten path, the only choice is Titan[®] PRO-4X[®]. With extras like electronic locking rear differential, Rancho[®] off-road shocks, additional underbody skid plates – not to mention unique white-faced gauges – it's got the gear, the guts, the technology to handle it in places where success is measured in feet per minute.

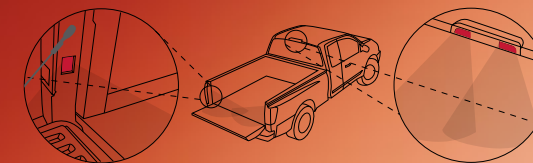

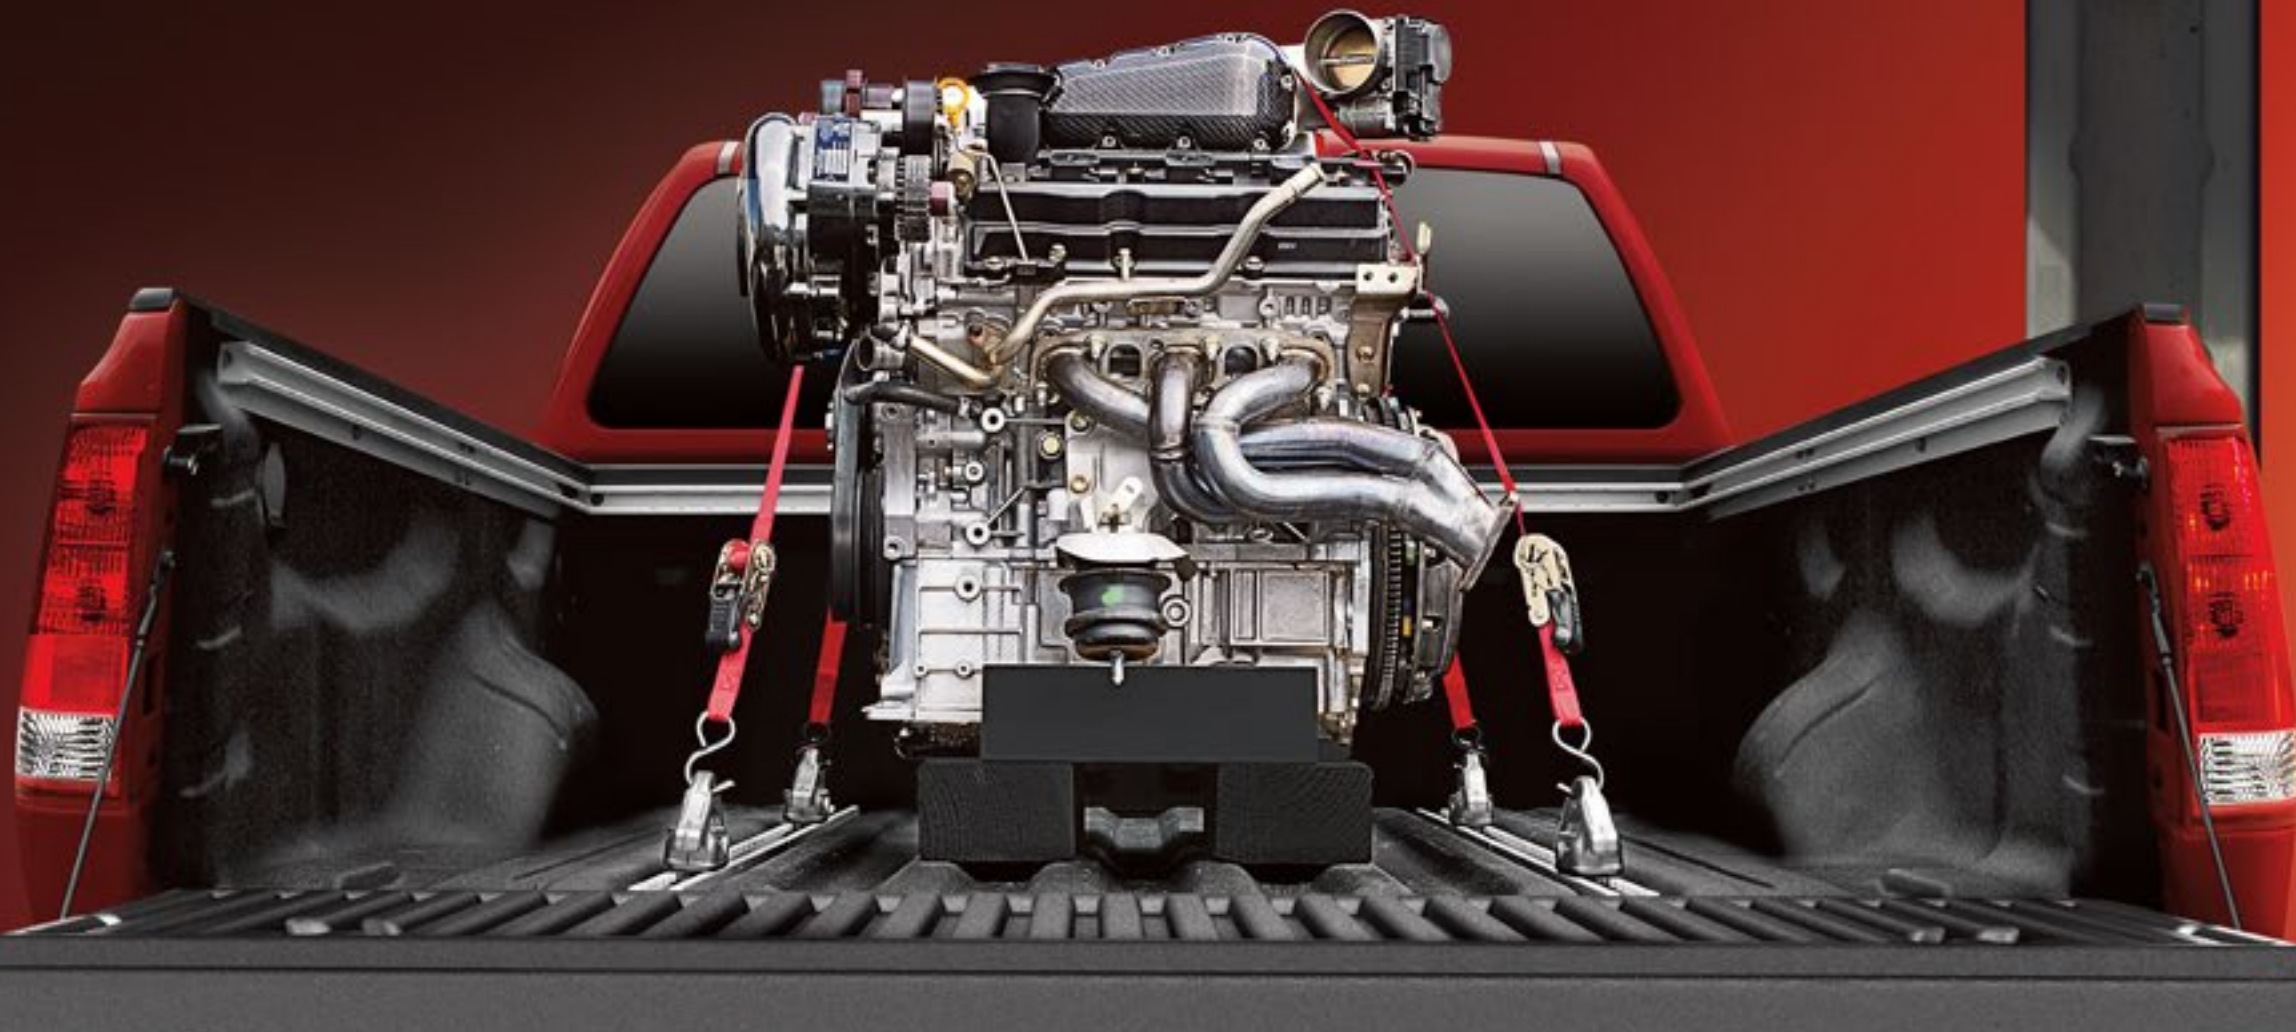

¹At speeds up to 60 mph. Always drive safely. BFGoodrich[®] is a registered trademark of Goodrich Corporation. Rancho[®] is a registered trademark of Tenneco Automotive Operating Company, Inc. Rugged Trail[®] is a registered trademark of Uniroyal Goodrich Licensing Services, Inc.

NISSAN UTILI-TRACK® CHANNEL SYSTEM

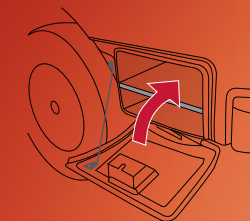

INNOVATION THAT PUTS THE SUBMISSION HOLD ON CARGO.

Nissan's first-in-class Utili-track® cargo-carrying system holds a huge advantage over other trucks.¹ With five channels, including two on the bed floor, not just in the walls and header, you can have your way with cargo. Just position the four beefy, aluminum-alloy cleats anywhere along the tracks, strap in your cargo, and put even the most awkward loads on lockdown.²

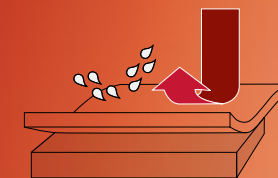

Nissan's revolutionary Utili-track® system may have been copied by others, but its level of flexibility leads the way among full-size trucks. Add in an available spray-on bedliner, and Titan® gives you one smart, long-lasting bed to haul what you need, work or play.²

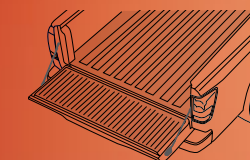

Bed Light and Tailgate Light Shine a light on innovation. A pair of lights beam down into the bed; two other available task lights near the tailgate help you keep an eye on the job at hand.

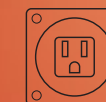

Bedside Storage Another smart feature you'll only find on Titan®: an available driver-side tool box. It's climate-resistant, dual-level and lockable.

First-in-class Spray-on Bedliner¹ The available spray-on bedliner helps resist the wear and tear of constant use, plus its UV-resistant surface helps guard against fading and the weather. And because it's sprayed on directly at the factory, it also fights warping and rust.

Tailgate Assist Easy does it. Thanks to an available strut, the tailgate on a Titan® feels lighter and can be opened and closed with only one hand.

120-volt AC Power Outlet Power where you need it. Titan®'s available 120-V outlet in the driver-side rear corner of the bed is perfect for powering or charging the tools you bring along.

¹Ward's Segmentation. 2014 Titan® vs. 2013 Large Pickup Class.
²Cargo and load capacity limited by weight and distribution. Always secure all cargo.

EVEN REFINEMENT COMES IN KING-SIZE PORTIONS.

Nissan® Titan® SL Crew Cab shown in Charcoal Leather.

TECHNOLOGY THAT'LL HOOK YOU UP.

Whether you're on the job or heading for the high country, Titan's available advanced technology makes it easy to keep you connected to your world.

RearView Monitor. Titan's RearView Monitor not only helps you see what's directly behind you, but comes in real handy when you're hitching a trailer.¹

Nissan Mobile Entertainment System. Makes entertaining the whole crew easy with an available flip-down monitor.

Rockford Fosgate-powered audio. Your tunes have never sounded better than through this 10-speaker system. With available SiriusXM Satellite Radio,² you're spoiled for choice, too.

Bluetooth® Hands-free Phone System. Lets you make and take calls with your hands on the wheel.³

120-volt AC power outlet. A 120-volt outlet on the back of the console lets you charge your laptop while it's safely concealed inside.

PLAY IT LOUD WITH APPS.

Pandora® radio compatibility. Looking for something new? Explore music based on your hand-picked favorites using Pandora® radio compatibility. Connect your Pandora®-equipped iPhone® through the USB input to listen to Pandora® free internet radio and use the 'thumbs up' or 'thumbs down' icons to rate songs – all right in the audio system display.²

Streaming audio via Bluetooth.* Want to let your passengers play DJ? Just connect a Bluetooth®-enabled audio device, including your tablet, to stream music wirelessly, from any seat in the car.³

iPod®/USB input. Wouldn't you like to listen to your own playlists or podcasts? With the available iPod®/USB input, you can. Plug in your iPod® or other portable MP3 player through the USB port and control it through Titan®'s audio controls.²

PANDORA®

BLUETOOTH®

iPOD®

MAP IT OUT WITH GOOGLE.®

Navigation. The available 5.8" touch-screen display offers NavTraffic and NavWeather for real-time advisories to keep you on the move. Plus over five million points of interest, so you'll always have something new to discover.^{4,5}

Points of Interest powered by Google.® Find that new restaurant, store or museum – even if you can't remember what it's called. Based on the latest information, NissanConnect's compatibility with Google® Points of Interest lets you search for all kinds of places, even without knowing the name or category. Once you find it, select it and you're on your way.^{1,6}

Google® Send-To-Car. Thanks to NissanConnect's compatibility with Google Send-to-Car, you can send any address to your Nissan Navigation System using your favorite connected device, like a smartphone or computer. When you start the car and connect to the network, the directions will be delivered and loaded into your navigation system.^{1,7}

Hands-free text messaging assistant. Now you can receive and respond to text messages without ever touching your phone. With a press of a button, have your text messages read to you and answer with pre-loaded responses, all via voice recognition.⁸

¹Driving is serious business. Only use NissanConnectSM Apps services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models – check www.NissanUSA.com/connect for details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Cellular network not available in all areas. Cellular network, apps, and services, including Google Services, are provided by independent companies not within Nissan's control. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate. See retailer for details. Standard text rates and/or data usage may apply. ²Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ³Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁵Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately

after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁶Points of Interest and/or Send-to-Car may require subscription and owner consent to activate. Certain services, including Google Points of Interest and/or Send to Car, provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. ⁷Driving is serious business and requires your full attention. Only use phone or other communication devices when safe. ⁸Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Google® is a registered trademark of Google Inc. iPod® and iPhone® are registered trademarks of Apple, Inc. All rights reserved. iPod and iPhone not included. Pandora® is a registered trademark of Pandora Media.

Titan® takes your comfort personally – even if you have to share sometimes. Premium details include an available memory function that locks in the perfect settings for your driver's seat, outside mirrors and power adjustable pedals. Dual Zone Automatic Temperature Control (ATC) that lets you and your front passenger set your own climates. And when the temperature dips outside, available heated front seats warm things up.

Nissan Titan® PRO-4X® Crew Cab 4x4 shown in Charcoal Leather with optional equipment.

Details that work beautifully. When you need to get down to business, fold down the front passenger seat and you've got a convenient writing desk. On models with captain's chairs, the center console holds a surprise: a handy 120-volt charging point and a lockable storage area big enough for a laptop or hanging file folders.

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies are designed to help monitor conditions. Like a rearview camera that helps you see something behind you, or a system that helps ensure you're travelling on properly inflated tires.

Tire Pressure Monitoring System¹

Lets you know when a tire is low, so you don't have to guess.

Available Automatic On/off Headlights

Automatic on/off headlights that sense when light is needed.

Available RearView Monitor²

Available Rear Sonar System³

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.⁴

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

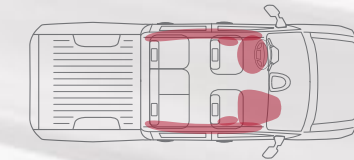

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect everyone on board.

6 STANDARD AIR BAGS⁵

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat-belt and occupant-classification sensors⁵

Front seat-mounted side-impact supplemental air bags⁵

Roof-mounted curtain side-impact supplemental air bags⁵

LATCH System (Lower Anchors and Tethers for Children)

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids

Click the button to see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to bit.ly/NissanSnugKids

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ³The Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ⁴VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ⁵Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment.

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.¹

A. 20" Chrome Wheels

Turn double-takes into triple-takes.

B. Chrome Taillight Guards

Protect taillights with a custom feel.

C. Auto-dimming Rearview Mirror with HomeLink® and Compass

How many things can one mirror do?

D. Sliding Bed Divider²

Divide and conquer. Works perfectly with Utili-track® system.

E. Stainless Steel Exhaust Finisher

Helps your Titan® look as sweet as it sounds.

F. PRO-4X® Carpeted Floor Mats

Keep your original carpeting looking showroom new.

G. U-shape Side Steps

Easy entry and exit – and a tough look.

H. Moonroof Wind Deflector

Open air is good. Wind-blown pompadour look – not so much.

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²Cargo and load capacity limited by weight and distribution. Always secure all cargo. HomeLink® is a registered trademark of Johnson Controls Technology Company.

LET THEM KNOW YOU'RE SERIOUS.

For more information and to shop online for Genuine Nissan Accessories, go to parts.NissanUSA.com.

Nissan Titan® SL Crew Cab shown in Gun Metallic with 20" Chrome Wheels, Chrome Billet Grille, Chrome-finished Hood Protector, Chrome Step Rails (standard on SL), Chrome Bed Tube Rails, Telescoping Tow Mirrors and Splash Guards.

Along with the other hard-working accessories listed below, you'll find a full line of accessories designed specifically to work with the unique system of channels and cleats in Titan's incredibly versatile Utili-track® system.

A. Tow Hitch Receiver, Class IV and Trailer Tow Harness (7-pin)¹
Give the boat a ride, too.

B. Charcoal Bed Tube Rails
More tie-down points equals more security.
Aluminum, powder-coated
Mandrel-bent 2.5" diameter tubes

C. Rear Window Rack²
Protects Titan's rear window. Great for mounting lights or other accessories.

D. Sliding Tool Box
Slide it forward when you're on the move.
Slide it back for easy access on the job.

E. Bed Tent
It's your Titan®! It's your campsite! It's both!

F. Telescoping Tow Mirrors¹
Get a fresh perspective with mirrors that slide outward for improved visibility while towing.

G. Rear Bumper Step-up Assist
Easy access? Step right up!

H. All-season Floor Mats
Don't let the muck mess up your truck.

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus®. For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus®. This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to NissanUSA.com/mobility for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to NissanUSA.com/green

At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. Or if you'd prefer, call **1-800-NISSAN-3** for answers to specific questions about Titan® or any other Nissan vehicle. The Nissan names, logos, product names, feature names, and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. and/or its North American subsidiaries. **Tread Lightly!® Please. Always wear your seat belt, and please don't drink and drive.** ©2013 Nissan North America, Inc.
